If presented to the Trustee by any Owner, amounts funded by the Owners in accordance with the provisions of this Section 3.01(b) shall be noted on Schedule A attached to the applicable Bond so presented to the Trustee. Notwithstanding any provision in Section 3.06 hereof to the contrary, each series of Bonds shall bear interest as provided in Section 3.06 hereof upon the deposit with Trustee by the Owners of the amount of purchase price of the Bonds so paid in accordance with the provisions of this Section 3.01(b).

In case a Bond shall become mutilated or be destroyed, lost or stolen, the Trustee may, instead of authenticating a Bond in exchange or substitution therefor, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Bond) if the applicant for such payment shall furnish to the Issuer and the Trustee such security or indemnity as they may require to save them harmless and evidence satisfactory to them of the mutilation, destruction, loss or theft of the Bond and of the ownership thereof.

Payment of the principal (other than upon redemption pursuant to Section 4.01(f) hereof) of a Bond shall only be made upon surrender of the Bond at the Principal Office of the Trustee. Notwithstanding anything in this Indenture to the contrary, all payments of principal and interest with respect to Bonds owned by the Majority Owner shall, at the request of the Majority Owner, be made by wire transfer to the Majority Owner without the requirement of surrender of such Bonds under any circumstances.

Section 3.06 Interest on the Bonds.

(a) General. The cumulative principal amount of the Bonds for which installment purchase payments have been received by the Trustee shall bear interest at the applicable rate provided below. On each Interest Payment Date, interest accrued for the previous Calculation Period shall be payable. While the Bonds bear interest at a Variable Rate, or at the Reset Rate or at an Alternative Rate based on a Variable Rate, interest on the Bonds shall be computed on the basis of a 360-day year, for the number of days actually elapsed. While the Bonds bear interest at the Fixed Rate, or at an Alternative Rate based on the Fixed Rate, interest on the Bonds shall be computed on the basis of a 360-day year of twelve equal months of 30 days each. While the Bonds bear interest at the Taxable Rate, interest on the Bonds shall be computed on the basis of a year of 365 or 366 days, as applicable, and actual days elapsed.
(b) **Variable Rate.** All of the Bonds shall initially bear interest at the Variable Rate through and including the Conversion Date. Following the Conversion Date, $4,288,500 of the Bonds shall bear interest at the Fixed Rate and the remainder of the Bonds shall continue to bear interest at the Variable Rate. During the Variable Rate Period, the Bonds shall bear interest at the Variable Rate. During the period that any Bonds bear interest at the Variable Rate, the Servicer shall determine a Variable Rate for each day. The Servicer shall give telephonic (with following written confirmation) or facsimile notice prior to each Interest Payment Date to the Trustee and the Borrower of the interest payable on such Interest Payment Date. Absent manifest error, the determination of the Variable Rate by the Servicer shall be conclusive and binding upon the Owners, the Issuer, the Borrower and the Trustee.

(c) **Fixed Rate.** During the Fixed Rate Period, $4,288,500 of the Bonds shall bear interest at the Fixed Rate. Not less than thirty (30) days prior to the Conversion Date, the Trustee shall provide notice by first-class mail, postage prepaid, to all Owners (with a copy to the Issuer and the Borrower) at their addresses shown on the bond register providing that the interest rate on the Bonds will be converted to the Fixed Rate effective on the Conversion Date. Following Stabilization, all of the Bonds shall bear interest at the Fixed Rate. Failure to mail any such notice or any defect in the mailing thereof in respect of any Bond shall not affect the validity of the conversion of the interest rate with respect to any Bond.

(d) **Reset Rate.** During the Reset Period, the Bonds shall bear interest at the Reset Rate. Not less than thirty (30) days prior to the Reset Date, the Trustee shall provide notice by first-class mail, postage prepaid, to all Owners (with a copy to the Issuer and the Borrower) at their addresses shown on the bond register providing that the interest rate on the Bonds will be converted to the Reset Rate effective on the Reset Date. Failure to mail any such notice or any defect in the mailing thereof in respect of any Bond shall not affect the validity of the conversion of the interest rate with respect to any Bond.

(e) **Alternative Rate.** Following the occurrence of an Event of Default under the Loan Agreement or an Event of Default under this Indenture, the Bonds shall bear interest at the Alternative Rate.

(f) **Taxable Rate.** If an Initial Notification of Taxability shall occur, the Bonds shall bear interest from the date of such Initial Notification of Taxability at the Taxable Rate. If such Initial Notification of Taxability is reversed by the Internal Revenue Service or a court of competent jurisdiction and a Determination of Taxability has not occurred, then the Bonds shall bear interest from the date of such reversal at the rate applicable to the Bonds prior to the Initial Notification of Taxability and the Bank shall refund to the Borrower on or prior to the next succeeding Bond Payment Date, the excess interest previously paid. This provision shall survive the discharge of this Indenture.

(g) **Additional Interest.** The Owners of the Bonds shall also be entitled to Additional Interest, which amount, if any, shall be deposited in the Revenue Fund pursuant to the provisions of Section 3.2(b) of the Loan Agreement.

(h) **Maximum Rate.** Notwithstanding any other provision set forth in this Indenture, under no circumstances shall the Bonds bear interest at a rate exceeding the Maximum Rate.
(i) **Usury.** Notwithstanding any provision of this Indenture to the contrary, in no event shall the interest contracted for, charged or received in connection with the Bonds (including any other costs or considerations that constitute interest under the laws of the State which are contracted for, charged or received pursuant to this Indenture) exceed the maximum rate of nonusurious interest allowed under the laws of the State as presently in effect and to the extent of any increase allowable by such laws. To the extent permitted by law, interest contracted for, charged or received on the Bonds shall be allocated over the entire term of the Bonds, to the end that interest paid on the Bonds does not exceed the maximum amount permitted to be paid thereon by law. Excess interest, if any, provided for in this Indenture, or otherwise, shall be canceled automatically as of the date of such acceleration or, if theretofore paid, shall be credited as principal paid on the Bonds.

**Section 3.07 Payment of Interest on the Bonds.** Interest on the Bonds shall be payable in the following manner: commencing the first day of the first month after the month in which the Closing Date occurs and continuing on each Interest Payment Date thereafter, interest on the Outstanding principal balance of the Bonds (which amount shall reflect so much of the purchase price as shall have been paid pursuant to Section 3.01(b) hereof) at the applicable interest rate for each series of Bonds shall be due and payable in arrears; and all accrued and unpaid interest shall be due and payable in full on the Maturity Date, if not paid earlier. To the extent more than one Bond is issued and Outstanding at any one time under the terms of this Indenture, payments of principal, interest and premium (if any) on the Bonds shall be made in a pro rata manner based on the Outstanding principal amount of the Bonds.

**Section 3.08 Execution and Authentication of Bonds.**

(a) The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of an Authorized Representative of the Issuer, and its corporate seal (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced, and attested by the manual or facsimile signature of an Authorized Representative of the Issuer.

(b) In case any officer of the Issuer whose signature or facsimile signature shall appear on any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been actually delivered, such Bonds may, nevertheless, be delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices or be so employed. Any Bond may be signed and sealed on behalf of the Issuer by such persons as, at the actual time of the execution of such Bond, shall be duly authorized or hold the proper office in or employment by the Issuer, although at the date of the Bonds such persons may not have been so authorized nor have held such office or employment.

(c) No Bond shall be valid or obligatory for any purpose or shall be entitled to any right or benefit under this Indenture unless there shall be endorsed on such Bond a certificate of authentication in the form set forth in such Bond duly executed by the Trustee, by the manual signature of an authorized signatory thereof, and such certificate of the Trustee upon any Bond executed on behalf of the Issuer shall be conclusive evidence that the Bond so authenticated has been duly issued under this Indenture and that the Owner thereof is entitled to the benefits of this Indenture.
Section 3.09  Negotiability, Transfer and Registry of Bonds.

(a) All the Bonds issued under this Indenture shall be negotiable, subject to the provisions for registration and transfer contained in this Indenture and in the Bonds. So long as this Indenture remains in force, the Trustee, as registrar, shall maintain and keep books for the recordation of the taxpayer identification number of each of the Owners of the Bonds and the registration, transfer and exchange of Bonds. Each Bond shall be transferable only upon the books of registration. The Trustee is hereby appointed registrar, to act as agent of the Issuer for the registration and transfer of Bonds and the maintenance of the books of registration. The Issuer may appoint a successor registrar upon notice by mail to the Trustee and the Owners of the Bonds.

(b) Upon a partial redemption of the Bonds, the Issuer shall execute and the Trustee shall authenticate and deliver new certificates representing the unredeemed portion of the Bonds to be so redeemed in part, in exchange for the certificates representing the Bonds to be so redeemed in part. Surrender of Bonds for execution, authentication and delivery of new certificates shall not be a precondition to the redemption of Bonds pursuant to Section 4.01(f) hereof. If a Bond shall be transferred in part, such Bond shall be delivered to the registrar, and the Trustee shall, on behalf of the Issuer, deliver two Bonds in replacement therefor, having the same maturity and interest provisions and in the same aggregate principal amount as the Bond so delivered.

(c) Upon surrender of the Bonds at the Principal Office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the Owner or his attorney duly authorized in writing, such Bonds may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount of Bonds in Authorized Denominations.

(d) The Borrower shall bear all costs in connection with any transfer or exchange of Bonds, including the reasonable fees and expenses of the Issuer, Bond Counsel and the Trustee and of any required indemnity for the Issuer and the Trustee; provided that the costs of any tax or other governmental charge imposed upon such transfer or exchange shall be borne by the Owner of the Bond.

(e) Bonds shall be transferred upon presentation and surrender thereof at the Principal Office of the Trustee by the Owner thereof or his attorney duly authorized in writing with due endorsement for transfer or accompanied by a written instrument of transfer in form satisfactory to the Trustee. All Bonds surrendered in any exchanges or transfers shall forthwith be canceled. For every such exchange or transfer of Bonds, there shall be made a charge sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the Owner requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be obligated to (i) authenticate, exchange or transfer any Bond during a period beginning at the opening of business on any Record Date and ending at the close of business on the next succeeding Interest Payment Date, (ii) authenticate, exchange or transfer any Bond during a period beginning at the opening of business 15 days next preceding any selection of Bonds to be redeemed and ending at the close of business on the date of the first giving of notice of such redemption, or (iii) transfer or exchange any Bonds called or being called for redemption in whole or in part.
The Bonds may be transferred in whole or in part by any Owner only as follows:

(1) Subject to the restrictions set forth in this Section 3.09(f) below, the initial Owner shall have the right to transfer the Bonds without the consent of the Issuer in minimum denominations of $250,000 to Qualified Institutional Buyers or to a trustee or custodian of a trust the participants of which are all Qualified Institutional Buyers. The initial Owner shall, as a condition to delivery of the Bonds, sign an investor letter in substantially the form attached hereto as Exhibit B. Notwithstanding the foregoing restrictions in this Section 3.09(f), the initial Owner may transfer the Bonds to a parent, subsidiary or affiliate of the initial Owner.

(2) The Bonds shall be transferred only in minimum denominations of $250,000; provided, however, that a single Bond of each series may remain outstanding if due to partial redemptions the amount remaining outstanding on the applicable Bond is less than $250,000; provided further that an additional Bond may be transferred in a principal amount not less than $250,000.

(3) Without the prior written consent of the Issuer (which may be granted or withheld in its sole and absolute discretion), prior to Stabilization, there shall be no transfer of the Bonds except in whole to (i) an affiliate of the initial Owner, or to any successor to initial Owner, whether by merger, acquisition of assets or otherwise, or (ii) a single Qualified Institutional Buyer which certifies that it is a Qualified Institutional Buyer to the Issuer by executing and delivering an investor’s letter substantially in the form attached hereto as Exhibit B.

(4) On and after Stabilization, the Bonds shall only be sold and subsequently transferred to (A) Qualified Institutional Buyers (with the transferee certifying in writing to the Issuer that it is a Qualified Institutional Buyer by executing and delivering an investor’s letter substantially in the form attached hereto as Exhibit B), (B) a trustee or custodian of a trust the participants of which are all Qualified Institutional Buyers and/or (C) an affiliate of the initial Owner, or any successor to the initial Owner, whether by merger, acquisition of assets or otherwise.

(5) Following any transfer of the Bonds, subject to the restrictions in this Section 3.09(f), there shall be no more than fifteen (15) different Bondowners; provided there shall at all times be a Majority Owner.

(6) No Bondholder shall transfer any Bond other than by a transfer made on the Bond Register maintained by the Trustee in accordance with this Indenture.

(7) The Trustee shall require the payment by the Bondholder requesting any transfer of any tax, fee or other governmental charge required to be paid with respect to such transfer, but any such transfer shall otherwise be made without charge to the Bondholder requesting the same. The cost of printing any Bonds and any services rendered or any out-of-pocket expenses incurred by the Trustee or Issuer in connection therewith shall be paid by the Borrower.

(8) Each Registered Owner acknowledges by reason of its purchase of Bonds and being the Registered Owner thereof that the Issuer has agreed to issue and deliver the Bonds to the Registered Owner, enter into the Issuer Documents and consummate the transactions hereunder only upon the Registered Owner's agreement that the Registered Owner shall not sell, assign or transfer any portion of the principal amount of the Bonds or any interest therein, or any interest in the proceeds thereof, except as provided in Section 3.09 hereof and upon delivery by each transferee to
the Issuer of an Investor Letter in substantially the form attached hereto in Exhibit B and acknowledges in writing that it shall have no right to pursue any action or claim against the Issuer; provided that the Registered Owner agrees to and shall indemnify, hold harmless and defend the Issuer, their officers, directors, officials, agents and employees, and each of them, against all loss, costs, damages, expenses, suits, judgments, actions and liabilities of whatever nature (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from or arising out of or related to any such sale, transfer or participation.

Section 3.10 Ownership of Bonds. The Issuer, the Trustee and any other Person may treat the registered owner of any Bond as the absolute owner thereof, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or redemption price of and interest on such Bond and for all other purposes whatsoever, and payment of the principal or redemption price, if any, of and interest on any such Bond shall be made only to, or upon the order of, such registered owner. All such payments to such registered owner shall be valid and effectual to satisfy and discharge the liability of the Issuer upon such Bond to the extent of the sum or sums so paid, and neither the Issuer nor any Trustee shall be affected by any notice to the contrary.

Section 3.11 Payments on Bonds Due on Non-Business Days. In any case where any Bond Payment Date shall be a day other than a Business Day, then payment of the Bonds need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the Bond Payment Date, and no interest shall accrue for the period after such date.

Section 3.12 Registration and Transferability.

(a) The Bonds shall be in fully registered form, registered in the name of the initial Owner upon the registration books of the Trustee (the “Bond Register”) at the office of the Trustee, such registration to be noted on the Bonds, after which no transfer shall be valid unless made in compliance with Section 3.09(f) hereof and noted on the Bond Register and on the Bonds.

(b) Subject to Section 3.09(f), the Bonds shall be transferable upon the Bond Register by the registered owner in person or by its attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered Owner or its duly authorized attorney. Upon such transfer, the Trustee will note the date of registration and the name and address of the newly registered Owner on the Bond Register. The Issuer and the Trustee shall deem and treat the person in whose name the Bond is last registered upon the books of the Trustee, with such registration noted on the Bond, as the absolute owner thereof for the purpose of receiving payment of or on account of the principal, or interest, premium and late payment fees and for all other purposes; all such payments so made to the registered Owner or upon such Holder’s order shall be valid and effectual to satisfy and discharge the liability upon the Bonds to the extent of the sum or sums so paid, and the Issuer shall not be affected by any notice to the contrary.

(c) Whenever Bonds shall be surrendered for transfer, the Issuer shall execute and the Trustee shall authenticate and deliver new Bonds for a like aggregate principal amount and of the same tenor.
ARTICLE IV

REDEMPTION OF BONDS

Section 4.01 Mandatory Redemption. The Bonds shall be subject to mandatory redemption, and shall be redeemed prior to maturity, as follows:

(a) in whole or in part on the first Interest Payment Date for which notice can be given in accordance with this Indenture after the Conversion Date to the extent of excess funds on deposit on such date in the Loan Account of the Project Fund, determined as provided in Section 5.03 of this Indenture; or

(b) in whole or in part on the first Interest Payment Date for which adequate notice can be given in accordance with this Indenture after and to the extent that Insurance Proceeds or a Condemnation Award in connection with the Project are deposited in the Insurance and Condemnation Account of the Project Fund and are not to be used to repair or restore the Project (which unused Condemnation Award or Insurance Proceeds shall be applied to the redemption of Bonds, unless all of the Owners shall have approved a proposed alternative application of such funds and the Trustee and the Servicer shall have received an opinion of Bond Counsel to the effect that such proposed alternative application of such funds will not adversely affect the exclusion from gross income of Owners (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code); or

(c) in whole on the first Interest Payment Date for which notice can be given to the Owners in accordance with this Indenture following receipt by the Trustee of notice from the Servicer demanding such redemption, following a Determination of Taxability; or

(d) in whole on any specified Interest Payment Date on or after the Reset Date, if the Owners of all of the Bonds outstanding elect redemption by giving not less than 180 days’ prior written notice thereof to the Trustee and the Borrower, which notice shall specify the Interest Payment Date on which the Bonds are to be redeemed; or

(e) on the date upon which Stabilization is achieved (or the Interest Payment Date immediately preceding such date), in an amount sufficient to reduce the aggregate principal amount of Outstanding Bonds to $4,288,500; or

(f) on the date upon which Stabilization is achieved (or the Interest Payment Date immediately preceding such date), in the amount (if any), in excess of the amount required pursuant to Section 4.01(d), that is necessary in order to achieve compliance with the debt service coverage condition to achievement of Stabilization; or

(g) in part on the first day of each calendar month as set forth in Exhibit C to this Indenture (as it may be amended from time to time in accordance with Section 4.07(b)), in the amount set forth opposite such date in Exhibit C; or

(h) in whole, following receipt by the Trustee of notice from the Servicer stating that an Event of Default has occurred under the Loan Agreement or the Construction Disbursement Agreement and demanding redemption of the Bonds, on any date selected by the Servicer, specified in a notice in writing delivered to the Borrower at least ten (10) days prior to such date.
Section 4.02 Redemption Price of Bonds Redeemed Pursuant to Mandatory Redemption. Any Bonds being redeemed before maturity in accordance with Section 4.01 of this Indenture shall be redeemed at a redemption price equal to the principal amount of the Bonds being redeemed, together with accrued interest to the date of redemption, plus (a) the Prepayment Equalization Payment, if redemption is pursuant to Section 4.01(b), (c) or (f) and occurs prior to the Reset Date, and (b) Additional Interest, if redemption is under Section 4.01(c).

Section 4.03 Optional Redemption. The Bonds shall be subject to redemption from the proceeds of an optional prepayment of the Loan by the Borrower in whole or in part, on any Interest Payment Date during the Variable Rate Period, at a redemption price equal to the principal amount thereof, together with accrued interest to the date of redemption and the Prepayment Equalization Payment on that portion of the Bonds constituting a prepayment of the Outstanding Bonds to an amount less than $4,288,500 and in whole, but not in part, on any Interest Payment Date during the Reset Period at a redemption price equal to the principal amount to be redeemed plus accrued interest to the date fixed for redemption. No optional redemption is permitted during the Fixed Rate Period.

Section 4.04 Purchase in Lieu of Redemption. At the election of the Borrower upon a redemption in whole of the Bonds, by written notice to the Trustee and the Servicer given not less than five (5) Business Days in advance of such redemption date, the Bonds will be deemed tendered for purchase in lieu of the redemption on such date. The purchase price of Bonds so purchased in lieu of redemption shall be the principal amount thereof together with all accrued and unpaid interest to the date of redemption and shall be payable on the date of redemption thereof. Bonds so purchased in lieu of redemption shall remain Outstanding and shall be registered to or upon the direction of the Borrower.

Section 4.05 Notice of Redemption.

(a) Notice of redemption shall be given by the Trustee to the Owners and Borrower by facsimile transmission or other similar electronic means of communication, promptly confirmed in writing, not less than ten (10) Business Days prior to the date fixed for redemption; provided, however, that no notice of redemption shall be required to be given to the Owners for a redemption pursuant to Section 4.01(e) of this Indenture during such time as there is a single Owner of all the Bonds, and no notice of redemption shall be required to be given to the Owners in any event for a redemption pursuant to Section 4.01(f) of this Indenture. Receipt of such notice of redemption shall not be a condition precedent to such redemption, and failure to so notify any of such registered Owners shall not affect the validity of the proceedings for the redemption of the Bonds.

(b) Notice of redemption having been given as provided in subsection (a) of this Section 4.05 and all conditions precedent, if any, specified in such notice having been satisfied, the Bonds or portions thereof so to be redeemed shall become due and payable on the date fixed for redemption at the redemption price specified therein plus any accrued interest to the redemption date, and upon presentation and surrender thereof at the place specified in such notice, if required, such Bonds or portions thereof shall be paid at the redemption price, plus any accrued interest to the redemption date. On and after the redemption date (unless funds for the payment of the redemption price and accrued interest shall not have been provided to the Trustee), (i) such Bonds shall cease to bear interest and (ii) such Bonds shall no longer be considered as Outstanding under this Indenture.
Section 4.06 Selection of Bonds To Be Redeemed.

(a) Except as otherwise expressly set forth herein, if less than all the Bonds are to be redeemed, the particular Bonds or portions of Bonds to be redeemed shall be selected by the Trustee, in such manner as the Trustee in its sole discretion may deem fair and appropriate so that Bonds are redeemed, as nearly as practicable, from each Owner, if there is more than one Owner, on a pro rata basis according to the principal amount of Bonds represented by each Bond Outstanding.

(b) In making such selection, the Trustee may treat each Bond to be redeemed as representing that number of Bonds of the lowest Authorized Denomination as is obtained by dividing the principal amount of such Bond by such Authorized Denomination.

Section 4.07 Partial Redemption of Registered Bonds.

(a) In case part but not all of a Bond shall be selected for redemption, upon presentation and surrender at the Principal Office of the Trustee of such Bond by the Owner thereof or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver to or upon the order of such Owner, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds, at the option of such Owner, of any Authorized Denomination of like tenor, or if less than the minimum Authorized Denomination, an amount necessary to equal the unredeemed portion of the principal amount of the Bond; provided, however, that such surrender of Bonds shall not be required for payment of the redemption price pursuant to Sections 4.01(e) or 4.01(f) hereof. For all purposes of this Indenture (including exchange and transfer), the Bond so issued in less than a minimum Authorized Denomination shall be deemed to have been issued in an Authorized Denomination. Bonds so presented and surrendered shall be canceled in accordance with this Indenture.

(b) In the event of a partial redemption of Bonds other than pursuant to Section 4.01(f) of this Indenture or any failure of all of the Bonds authorized hereunder to be purchased through the “drawdown” mechanism pursuant to Section 3.01(b) through the Conversion Date, the mandatory sinking fund schedule set forth on the schedule attached as Exhibit C to this Indenture (as it may have been previously adjusted in accordance with this Section 4.07(b)) shall be adjusted to provide for approximately equal monthly payments of principal and interest at the applicable rate hereunder (taking into account minimum denominations of the Bonds) on the Bonds remaining Outstanding after taking into account such partial redemption; the Servicer shall provide the Trustee with a new schedule reflecting such adjustment.

ARTICLE V

The amounts specified in Section 5.01(c) shall be deposited in the Loan Account, the Capitalized Interest Account, the Costs of Issuance Account and the Equity Account of the Project Fund. The Loan Account of the Project Fund shall be funded from time to time as and when installments of the purchase price of the Bonds are paid by the Owners pursuant to Section 3.01(b) hereof. Additional capitalized interest deposited by the Borrower in connection with any extension of the Completion Deadline or the Stabilization Deadline may be deposited in the Capitalized Interest Account of the Project Fund. Any amounts received by the Trustee from the Guarantor, and any amounts received by the Trustee from the Borrower in response to demands by the Trustee or the Servicer for deposits of Borrower’s funds shall be deposited in the Equity Account of the Project Fund. All Condemnation Awards and Insurance Proceeds shall be deposited in the Insurance and Condemnation Proceeds Account of the Project Fund. The Subordinate Loan Proceeds Account of the Project Fund shall be funded from time to time as and when amounts are received by the Trustee from the Sacramento Housing and Redevelopment Agency representing proceeds of the subordinate loan made by the Sacramento Housing and Redevelopment Agency to the Borrower. Any other funds directed by the Issuer, the Servicer or the Borrower to be deposited in the Project
Fund which are not required to be otherwise deposited or disbursed shall be so deposited by the Trustee upon receipt of funds and such direction.

(b) Use of Moneys.

(i) Loan Account, Equity Account and Subordinate Loan Proceeds Account. The Trustee shall make payments from the Loan Account for the purpose of paying the Qualified Costs of the Project. The Trustee shall make payments from the Equity Account and the Subordinate Loan Proceeds Account to pay (A) all costs of acquisition, rehabilitation and equipping of the Project other than Qualified Costs of the Project and (B) to the extent amounts on deposit in the Loan Account are insufficient for such purposes, all Qualified Costs of the Project. Disbursements from the Loan Account, the Equity Account and the Subordinate Loan Proceeds Account shall be made by the Trustee upon receipt of a Requisition, executed by an Authorized Representative of the Borrower and approved by an Authorized Representative of the Servicer. Amounts on deposit in the Subordinate Loan Proceeds Account shall not be disbursed until all proceeds of the Bonds ($12,688,000) deposited into the Loan Account have been disbursed.

(ii) Capitalized Interest. On the last Business Day immediately preceding each Interest Payment Date up to and including the Stabilization Date, the Trustee shall transfer funds from the Capitalized Interest Account to the Revenue Fund to pay accrued interest on the Bonds through the date immediately preceding such Interest Payment Date, without any requirement or condition of submission of any Requisition. After the Stabilization Date, amounts held in the Capitalized Interest Account shall be applied to pay Project Costs, transferred to the Revenue Fund for application to the payment of amounts due in respect to the Bonds, or, as further provided in Section 5.03 hereof, released to the Borrower, in each case upon the written direction of the Servicer to the Trustee (a copy of which shall be provided to the Borrower).

(iii) Costs of Issuance Account. Amounts in the Costs of Issuance Account shall be disbursed by the Trustee on the Closing Date and thereafter only to pay costs of issuance of the Bonds pursuant to a closing statement signed by the Borrower and the Servicer identifying the amount to be paid and the payee. Amounts remaining in the Costs of Issuance Account (including investment proceeds) after the payment of all costs of issuance, and in any event not later than thirty (30) days following the Closing Date shall be transferred to the Equity Account of the Project Fund.

(iv) Insurance and Condemnation Proceeds Account. The Trustee shall make all disbursements from the Insurance and Condemnation Proceeds Account only upon the receipt by the Trustee of the written request of the Borrower accompanied by the written approval of the Servicer and in accordance with the provisions of Section 5.04 hereof.

(v) NOI Account. The Trustee shall make all disbursements from the NOI Account only upon written direction from the Borrower, approved by the Servicer, in order to redeem Bonds on the Stabilization Date.

(vi) Acceleration. Upon the occurrence and continuation of an Event of Default hereunder and an acceleration of the Bonds pursuant thereto, all moneys and investments in the Project Fund shall be transferred to the Revenue Fund and applied to the payment of the Bonds.

(c) Requisitions. The Trustee may rely fully on the representations of the Borrower contained in any Requisition, and upon the written approval of the Servicer set forth on any
Requisition, delivered pursuant to the Loan Agreement, this Indenture and the Construction Disbursement Agreement, and shall not be required to make any investigation or inspection of the Project in connection therewith.

Section 5.03 Use of Moneys Following Stabilization. Moneys (including investment proceeds but net of amounts that the Trustee is directed by a written instruction from the Servicer to retain to pay Qualified Costs of the Project (i) incurred but not then due and payable or (ii) allocated to construction contingency, marketing or operating expenses after the Stabilization Date) held in the Loan Account shall be transferred immediately after the Stabilization Date to the Revenue Fund for application to the redemption of Bonds pursuant to Section 4.01(a) of this Indenture. Moneys held in the Equity Account shall be released to or upon the order of the Borrower, when the Servicer has notified the Trustee that all of the following conditions have been satisfied or waived by the Servicer: (i) the Borrower has obtained, and applied to costs of the Project in accordance with the requirements of the Construction Disbursement Agreement, all funds required to be paid by the Borrower pursuant to the Construction Disbursement Agreement; and (ii) Stabilization has occurred.

Section 5.04 Condemnation Awards and Insurance Proceeds.

(a) Moneys representing a Condemnation Award or Insurance Proceeds shall be deposited into the Insurance and Condemnation Proceeds Account of the Project Fund, and notice of such deposit thereof shall be given by the Trustee to the Servicer.

(b) To the extent there has been a determination pursuant to the Loan Documents to restore the Project, such Condemnation Award or Insurance Proceeds as have been approved for disbursement by the Servicer shall be disbursed by the Trustee to or for the account of the Borrower, in accordance with terms, conditions and procedures specified by the Servicer, for application by the Borrower for such purposes in accordance with the provisions of the Loan Documents.

(c) In the event there is a determination pursuant to the Loan Documents not to restore the Project, such Condemnation Award or Insurance Proceeds shall be either (i) transferred to the Revenue Fund and applied to the redemption of Bonds in accordance with Section 4.01(b) hereof, or (ii) released to the Borrower if the Borrower obtains an opinion of Bond Counsel that such release will not affect the excludability of the interest on the Bonds from gross income of Owners (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) for federal income tax purposes, all in accordance with written direction of the Servicer to the Trustee and subject to the provisions of the Loan Documents.

Section 5.05 Replacement Reserve Fund and Operating Reserve Fund. (a) There shall be deposited in the Replacement Reserve Fund all moneys received for such purpose by the Issuer or the Trustee from the Borrower pursuant to Section 5.22(c) of the Loan Agreement or transferred pursuant to Section 5.07 of this Indenture. Moneys in the Replacement Reserve Fund shall be disbursed by the Trustee only upon receipt of a written request therefor executed by the Authorized Representative of the Borrower and approved by the Servicer to be applied to repairs of or replacements (and associated soft costs) in part of the Project, except that upon the occurrence and continuation of an Event of Default hereunder and an acceleration of the Bonds pursuant hereto, all moneys and investments in the Replacement Reserve Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be transferred to the Revenue Fund and applied to the payment of the Bonds. Upon the payment in full of the Bonds and the fees and expenses of the Issuer, the Majority Owner, the Servicer and the Trustee and upon payment of amounts payable to
the United States pursuant to Section 5.08 hereof, any amounts remaining in the Replacement Reserve Fund shall be paid to the Borrower as soon as practicable upon its written request therefor.

(b) There shall be deposited in the Operating Reserve Fund all moneys received for such purpose by the Issuer or the Trustee from the Borrower pursuant to Section 5.22(i) of the Loan Agreement or transferred pursuant to Section 5.07 of this Indenture. Moneys in the Operating Reserve Fund shall be disbursed by the Trustee only upon receipt of a written request therefor executed by the Authorized Representative of the Borrower and approved by the Servicer to be applied to costs of operation of the Project, including payment of debt service, except that upon the occurrence and continuation of an Event of Default hereunder and an acceleration of the Bonds pursuant hereto, all moneys and investments in the Operating Reserve Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be transferred to the Revenue Fund and applied to the payment of the Bonds. Upon the payment in full of the Bonds and the fees and expenses of the Issuer, the Majority Owner, the Servicer and the Trustee and upon payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Operating Reserve Fund shall be paid to the Borrower as soon as practicable upon its written request therefor.

Section 5.06  Tax and Insurance Fund. There shall be deposited in the Tax and Insurance Fund all moneys received for such purpose by the Trustee from the Borrower pursuant to Section 5.22(h) of the Loan Agreement or transferred pursuant to Section 5.07 of this Indenture. Moneys in the Tax and Insurance Fund shall be applied to payment of real estate taxes and insurance premiums, as they become due in accordance with bills for such taxes and insurance premiums. If the Trustee becomes aware at any time that amounts in the Tax and Insurance Fund are or will be insufficient to pay such taxes and insurance premiums as they become due, the Trustee shall promptly give notice of such insufficiency to Borrower and the Servicer. Upon the occurrence and continuation of an Event of Default hereunder and an acceleration of the Bonds pursuant hereto, all moneys and investment in the Tax and Insurance Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be transferred to the Revenue Fund and applied to the payment of the Bonds. Upon the payment in full of the Bonds and the fees and expenses of the Issuer, the Majority Owner, the Servicer and the Trustee, and upon payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Tax and Insurance Fund shall be paid to the Borrower as soon as practicable upon its written request therefor.

Section 5.07  Revenue Fund.

(a)  There shall be deposited in the Revenue Fund all amounts transferred from the Project Fund or received from the Borrower pursuant to Section 3.2 of the Loan Agreement with respect to the Loan Documents or from the Guarantor under the Guaranty, including payments of interest and principal and voluntary and involuntary prepayments of the Loan and investment earnings on investments held in the Funds and Accounts created by this Indenture (except as otherwise provided in Section 5.08 and Section 5.10).

(b)  Amounts in the Revenue Fund shall be applied to the following items in the following order of priority:

(i)  on each Interest Payment Date, to the payment of interest on the Bonds;
(ii) on each Bond Payment Date, to the payment of the principal of or redemption price (or purchase price in the event of an election of Borrower under Section 4.04) of, interest on, and any Additional Interest due with respect to, the Bonds;

(iii) on the first day of each month, to the payment of any required deposit in the Tax and Insurance Fund;

(iv) on the first day of each month, to the payment of any required deposit in the Replacement Reserve Fund;

(v) on the first day of each month, to the payment of any required deposit in the Operating Reserve Fund;

(vi) on the first day of each month, to the payment of the fees of the Issuer, the Trustee, the Majority Owner and the Servicer, if any, due and owing under the Loan Documents and this Indenture;

(vii) on the first day of each month, to the payment of any other amounts then due and owing under the Loan Documents; and

(viii) on the first day of each month, to the Borrower or such other party as may be legally entitled thereto.

(c) Upon the payment in full of the Bonds and the fees and expenses of the Issuer and the Trustee and the payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Revenue Fund (except amounts held for future payment to the United States pursuant to Section 5.08 hereof) shall be paid to the Borrower.

Section 5.08 Rebate Fund.

(a) The Rebate Fund shall be held and applied as provided in this Section 5.08. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust for payment, to the extent required under the Code and as calculated by the Rebate Analyst, for payment to the United States Government. None of the Issuer, the Borrower or the Owners shall have any rights in or claim to such moneys. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and by the Tax Certificate.

(b) The Trustee shall make information regarding the Bonds and the investments hereunder available to the Borrower promptly upon written request, shall make deposits to and disbursements from the Rebate Fund in accordance with the directions received from the Authorized Representative of the Borrower, shall invest moneys in the Rebate Fund pursuant to said directions and shall deposit income from such investments pursuant to said directions, and shall make payments to the United States of America in accordance with written directions received from the Borrower.

(c) Notwithstanding any provision of this Indenture to the contrary, the Trustee shall not be liable or responsible for any calculation or determination which may be required in connection with or for the purpose of complying with Section 148 of the Code or any applicable Treasury regulation (the “Arbitrage Rules”), including, without limitation, the calculation of amounts required to be paid to the United States under the provisions of the Arbitrage Rules and the fair market value of any investment made hereunder, it being understood and agreed that the sole
obligation of the Trustee with respect to investments of funds hereunder shall be to invest the moneys received by the Trustee pursuant to the written instructions of the Authorized Representative of the Borrower given in accordance with Section 5.09 hereof. The Trustee shall have no responsibility for determining whether or not the investments made pursuant to the direction of the Borrower or any of the instructions received by the Trustee under this Section comply with the requirements of the Arbitrage Rules and shall have no responsibility for monitoring the obligations of the Borrower or the Issuer for compliance with the provisions of the Indenture with respect to the Arbitrage Rules.

(d) Notwithstanding any provision of this Indenture to the contrary, the obligation to remit payment of the rebate amount to the United States and to comply with all other requirements of this Section 5.08 shall survive the defeasance or payment in full of the Bonds.

(e) Any funds remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any Rebate Requirement, or provision made therefor satisfactory to the Trustee, shall be withdrawn and remitted to the Borrower.

(f) The Trustee shall obtain and keep such records of the computations made pursuant to this Section 5.08 as are required under Section 148(f) of the Code. The Trustee shall keep and make available to the Borrower such records concerning the investments of the gross proceeds of the Bonds and the investments of earnings from those investments as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

(g) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.08 need not be made if there shall have been delivered to the Trustee, the Issuer and the Servicer an opinion of Bond Counsel to the effect that such withdrawal and payment are not necessary in order to establish or maintain the exclusion from gross income of Owners (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) of interest on the Bonds. In the event Bond Counsel so opines, the moneys on deposit in the Rebate Fund shall be applied to such purpose as the Borrower shall direct provided that the Borrower shall deliver to the Issuer, the Trustee and the Servicer an opinion of Bond Counsel to the effect that such application will not adversely affect the exclusion from gross income of Owners (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) of interest on the Bonds for purposes of federal income taxation.

Section 5.09 Moneys Held in Trust; Investment of Moneys.

(a) All moneys from time to time received by the Trustee and held in the Funds and Accounts created hereby (other than the Rebate Fund) shall be held in trust as security for the benefit of the Owners of the Bonds. All such moneys, including the moneys held in the Rebate Fund, shall be invested as provided in this Indenture.

(b) Any such investments shall be held by or under the control of the Trustee. A sufficient amount of such investments shall be liquidated whenever the cash balance in any Fund or Account is insufficient to pay an approved Requisition when presented. Any moneys held as a part of the Funds shall be invested or reinvested, to the extent permitted by law, in Investment Securities at the request of and as directed in writing by an Authorized Representative of the Borrower.

In such event, the Issuer, the Borrower, the Trustee and all of the Owners shall be restored to the same position as before the occurrence of the Event of Default. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

Section 6.03 Additional Remedies and Enforcement of Remedies. Upon the occurrence and continuation of any Event of Default, the Trustee, if and to the extent directed by the Servicer, may proceed forthwith to protect and enforce its rights and the rights of the Owners under the Act, the Bonds and this Indenture by such suits, actions or proceedings as the Servicer, in its sole discretion, shall deem expedient.

(iii) To the payment of the interest and principal installments or redemption price then due and payable on the Bonds, as follows:

(A) Unless the principal of all of the Bonds shall have become or have been declared due and payable;

Section 6.06 Remedies Vested in Trustee and Servicer. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee and the Servicer without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto. Subject to the rights of the Servicer to direct proceedings hereunder, any such suit or proceeding instituted by the Trustee shall be brought in its name under the authority herein granted without the necessity of joining as plaintiffs or defendants any Owners of the Bonds. (a) No Owner of any Bond other than the Servicer (if it is the Owner of any Bond) or the Majority Owner shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust under this Indenture or for any remedy under this Indenture.
(b) Nothing contained in this Indenture shall affect or impair, or be construed to affect or impair, the right of the Owner of any Bond (i) to receive payment of the principal of or interest on such Bond on or after the due date thereof or (ii) to institute suit for the enforcement of any such payment on or after such due date; provided, however, no Owner of any Bond may institute or prosecute any such suit or enter judgment therein, if, and to the extent that, the institution or prosecution of such suit or the entry of judgment therein, under applicable law, would result in the surrender, impairment, waiver or loss of the lien of this Indenture on the moneys, funds and properties pledged under this Indenture for the equal and ratable benefit of all Owners of the Bonds appertaining thereto.

Section 6.08 Termination of Proceedings. In case any proceeding taken by the Servicer or by the Trustee at the direction of the Servicer on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Owners of the Bonds, the Issuer, the Trustee, the Borrower and the Owners of the Bonds shall be restored to their former positions and rights under this Indenture, and all rights, remedies and powers of the such parties shall continue as if no such proceeding had been taken.

Section 6.09 Waiver and Non-Waiver of Event of Default.

(a) No delay or omission of the Trustee, the Servicer or the Owners of the Bonds to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein. Every power and remedy given by this Article VII to any party may be exercised from time to time and as often as may be deemed expedient.

(b) In case of any waiver by the Trustee, acting upon the direction of the Servicer, of an Event of Default under this Indenture, the Issuer, the Trustee and the Owners of the Bonds shall be restored to their former positions and rights under this Indenture, respectively, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

ARTICLE VII

Section 7.02 Responsibilities of Trustee.

(a) The recitals of fact herein and in the Bonds contained (other than the certificate of authentication) shall be taken as the statements of the Issuer and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of any Bonds issued hereunder or as to the security afforded by this Indenture, and the Trustee shall incur no liability in respect thereof. The Trustee shall be under no responsibility or duty with respect to the application of any moneys properly paid to it except as provided herein or as otherwise expressly agreed by the Trustee. Except for a declaration of acceleration under Section 6.02 hereof or the payment of principal and interest on the Bonds from funds held by the Trustee under this Indenture, the Trustee shall be under no obligation or duty to perform any act that would involve it in expense or liability or to institute or defend any suit in respect of this Indenture or to advance any of its own moneys, unless indemnified to its reasonable satisfaction. Subject to the provisions of subsection (b) of this Section 7.02, the Trustee shall not be liable in connection with the performance of its duties under this Indenture except for its own negligence or willful misconduct.

(b) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (and has not been cured within any applicable grace period) and subject to the rights of the Servicer with respect to control of remedies following an Event of Default hereunder, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person’s own affairs. (c) The Trustee shall cooperate fully with the Servicer in the enforcement and protection of the rights of the Owners of the Bonds to the fullest extent possible under this Indenture, the Loan Documents and applicable law. Toward this end, the Trustee shall take such action as directed by the Servicer, including foreclosure of the Property under the Mortgage, suit for specific performance of the Loan Documents or for damages for nonperformance thereof and assignment of the Loan Documents to the Owners of the Bonds for purposes of enforcing the rights of the Owners of the Bonds; provided, that without the prior written consent of the Issuer, the Servicer shall give the
Trustee no direction as to the enforcement of the Reserved Rights, which shall, except with the prior written consent of the Issuer, be enforceable only by the Issuer.

(d) The Trustee shall not take any discretionary action under the Loan Documents (although approval or disapproval of disbursement of Loan proceeds and investment earnings thereon under the Loan Agreement shall be made in accordance with the terms of Article V hereof) without the written approval of the Servicer and shall, subject to the proviso of paragraph (c) of this section, take such discretionary action permitted or required under the Loan Documents, as may be directed in writing by the Servicer.

(e) The Trustee shall notify the Servicer of any notification received by the Trustee under or pursuant to the Loan Documents promptly after receipt of said notice.

(f) If any Event of Default occurs and is continuing hereunder and if the Trustee has received written notice thereof or is deemed to have notice pursuant to this Indenture, the Trustee shall give to all Owners, the Issuer and the Borrower written notice of such default or Event of Default within thirty (30) days after receipt of such information. For the purpose of this Section 7.02 only, the term “default” means any event which is, or after notice or lapse of time or both would become, an Event of Default under Section 6.01 hereof.

(g) Promptly upon receipt of notice of the occurrence of a Determination of Taxability, the Trustee shall give immediate telephonic notice, promptly confirmed in writing, to the Borrower, the Issuer, the Owners and former Owners (provided that the Trustee shall not be obligated to maintain records of such former Owners or to retain records relating to such former Owners for more than six years).

(h) The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder or under the Loan Agreement except for a default or Event of Default referred to in Section 6.01(a) or (b) hereof, unless the Trustee shall have received written notice of such Event of Default by the Issuer, the Borrower, the Servicer or by the Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding.

(i) The Trustee is authorized and directed to enter into the Loan Documents and any other documents related thereto to which the Trustee is a party, and in entering into and acting pursuant thereto, shall be entitled to the protections, immunities, privileges and limitations from liability accorded to the Trustee under this Indenture.

Section 7.03 Evidence on Which Trustee May Act.

(a) The Trustee, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Indenture, shall examine such instrument to determine whether it conforms to the requirements of this Indenture and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel selected by it in respect of any action taken or suffered by the Trustee under this Indenture.

(b) Except as otherwise expressly provided in this Indenture, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision of this Indenture by
the Issuer to any Trustee shall be sufficiently executed if executed in the name of the Issuer by an Authorized Representative of the Issuer.

Section 7.04 Compensation; No Trustee Liens. The Borrower shall pay to the Trustee, as provided in the Loan Agreement, from time to time reasonable compensation for all services rendered under this Indenture and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Indenture, provided that the Trustee shall not have a lien thereon on any moneys or Investment Securities at any time held or received by it under this Indenture.

Section 7.05 Certain Permitted Acts. The Trustee may become the owner of any Bonds with the same rights it would have if it were not the Trustee. To the extent permitted by law, the Trustee may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners of the Bonds or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not any such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

Section 7.06 Resignation of Trustee. The Trustee may resign at any time and be discharged of the duties and obligations created by this Indenture by giving not less than sixty (60) days’ written notice to the Issuer, the Borrower and the Owners of the Bonds, provided that no resignation shall become effective until the acceptance of appointment by a successor Trustee as provided in Section 7.08 of this Indenture. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 60 days after the giving of such notice of resignation, the retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

Section 7.07 Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing, signed by the Issuer or by the Servicer (subject to the prior written consent of the Issuer, which consent shall not be unreasonably withheld or delayed, if such removal is not for cause) and filed with the Trustee and the Borrower; provided that no removal shall become effective until the acceptance of appointment by a successor Trustee as provided in Section 7.08 of this Indenture.

Section 7.08 Appointment of Successor Trustee; Temporary Trustee. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, the Servicer shall appoint a successor Trustee, subject to the prior written consent of the Issuer (which consent shall not be unreasonably withheld or delayed).

Section 7.09 Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor, and also to the Issuer, the Servicer and to any Owner which shall request the same, an instrument accepting such appointment and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named; but the Trustee ceasing to act nevertheless, shall execute, acknowledge and deliver such instruments of conveyance and further
assurance and do such other things as reasonably may be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of the predecessor Trustee in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in or pursuant to this Indenture. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Trustee for more fully and certainly vesting in and confirming any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged and delivered by the Issuer.

Section 7.10 Merger or Consolidation of Trustee. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it may be party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, and shall be authorized by law to perform all the duties imposed upon it by this Indenture, shall be the successor to the Trustee without the execution or filing of any paper or the performance of any further act.

Section 7.11 Servicer. The Majority Owner may (but shall not be obligated to) appoint (with prompt notice thereof to the Issuer, the Trustee and the Borrower) a mortgage servicer to service the Loan for all or a portion of the term of the Loan. The Servicer shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing the Servicing Agreement. Any Servicer appointed hereunder may be removed at any time, with or without cause, by the Majority Owner, by written notice to the Issuer, the Trustee, the Borrower and the Servicer. At any time when a Servicer has not been appointed or when a Servicer has been removed without appointment of a successor Servicer, pursuant to this Section 7.11, all references in this Indenture and in the Loan Documents to the Servicer shall be deemed to refer to the Majority Owner. The Servicer may, with the prior written consent of the Majority Owner, appoint an agent as subservicer to perform the duties of the Servicer under the Servicing Agreement.

ARTICLE VIII

AMENDMENTS AND SUPPLEMENTAL INDENTURES; AMENDMENTS OF ISSUER DOCUMENTS

Section 8.01 Supplemental Indentures Not Requiring Consent of Owners of Bonds. The Issuer and the Trustee may, without the consent of, or notice to, the Owners of any Bonds (but only with the prior written consent of the Servicer, if any one person or entity owns at least fifty-one percent (51%) in aggregate principal amount of the Outstanding Bonds, and with notice to the Servicer and the Borrower), enter into one or more Supplemental Indentures for any one or more of the following purposes:

(a) to cure any ambiguity or formal defect or omission in this Indenture;

(b) to grant to or confer any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Owners of the Bonds or the Trustee, or to make any change which, in the judgment of the Servicer, is not to the prejudice of the Owners of the Bonds;
Section 8.02  Supplemental Indentures Requiring Consent of Owners of Bonds.

(a) Exclusive of Supplemental Indentures covered by Section 8.01 of this Indenture and subject to the terms and provisions contained in this Section 8.02, and not otherwise, neither the Issuer nor the Trustee shall enter into any amendment, change or modification of this Indenture without the prior written consent of the Owners of not less than two-thirds in aggregate principal amount of the Bonds then Outstanding; provided, however, that nothing in this Section 8.02 contained shall permit, or be construed as permitting, without the consent of the Owners of all of the Bonds, (i) an extension of the maturity date of the principal of or the interest on any Bond, (ii) a reduction in the principal amount of any Bond or the rate of interest thereon, (iii) change in a privilege or priority of any Bond or Bonds over any other Bond or Bonds, (iv) a reduction in the percentages of the Owners of the Outstanding Bonds required for consent to such Supplemental Indenture, (v) the creation of any lien other than a lien ratably securing all of the Bonds at any time Outstanding or (vi) any reduction of the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of the Trustee.

(b) If at any time the Issuer and the Trustee shall desire to execute and deliver a Supplemental Indenture for any of the purposes of this Section 8.02, the Trustee shall, upon being provided with reasonably satisfactory arrangements for payment of its fees and expenses, cause notice of the proposed execution of such Supplemental Indenture to be mailed by registered or certified mail to each Owner of the Bonds. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the Principal Office of the Trustee for inspection by all Owners of the Bonds. If within 60 days or such longer period as shall be prescribed by the Issuer following the giving of such notice, the Owners of not less than two-thirds in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Indenture have consented to and approved the execution thereof as herein provided, no Owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof. Subject to Section 8.04 hereof, upon the execution of any such Supplemental Indenture as in this Section 8.02 permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

Section 8.03  Reliance on Opinion of Counsel.  The Trustee and the Issuer shall be entitled to rely upon an opinion of Counsel stating that a Supplemental Indenture is authorized or permitted by this Indenture, and prior to the execution and delivery of any Supplemental Indenture, the Trustee,
the Issuer, the Servicer shall be furnished with an opinion of Bond Counsel stating that the provisions of such Supplemental Indenture will not cause the interest on the Bonds to be includable in gross income of Owners (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) for purposes of federal income taxation.

Section 8.04 Consents Required. Anything herein to the contrary notwithstanding, a Supplemental Indenture described in Section 8.02 hereof which adversely affects any rights of the Borrower, the Servicer or the Trustee shall not become effective unless and until the affected party shall have consented in writing to the execution and delivery of such Supplemental Indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any Supplemental Indenture together with a copy of the proposed Supplemental Indenture to be mailed as provided in Section 4.05 with respect to the redemption of Bonds to the Borrower and the Servicer at least ten (10) days before the date of its proposed execution and delivery.

Section 8.05 Amendments of Loan Documents Not Requiring Consent of Owners of Bonds. The Issuer, the Trustee and the Borrower may, without the consent of or notice to any of the Owners of Bonds (but only with the consent of the Servicer) enter into any amendment, change or modification of any of the Loan Documents as may be required (a) by the provisions of the Loan Agreement or this Indenture, (b) for the purpose of curing any ambiguity or formal defect or omission therein, (c) so as to add additional rights and remedies for the benefit of Owners of the Bonds, and (d) in connection with any other change therein which, in the judgment of the Trustee and the Servicer, is not to the prejudice of the Trustee or the Owners of the Bonds.

Section 8.06 Amendments of Loan Documents Requiring Consent of Owners of Bonds. Except for the amendments, changes or modifications as provided in Section 8.05 hereof, none of the Issuer, the Trustee or the Borrower shall enter into any other amendment, change or modification of the Loan Documents without the mailing of notice and the written approval or consent of the Owners of not less than 51% in aggregate principal amount of the Outstanding Bonds; provided, however, that nothing in this Section or Section 8.05 hereof shall permit or be construed as permitting without the consent of the Owners of all of the Bonds (a) an extension of the time of the payment of any amounts payable under the Loan Documents, or (b) a reduction in the amount of any payment or in the total amount due under the Loan Documents. If at any time the Issuer, the Trustee or the Borrower shall desire the consent to any such proposed amendment, change or modification, the Trustee shall, upon being satisfactorily indemnified with respect to fees and expenses, cause notice of such proposed amendment, change or modification to be mailed in the same manner as provided herein with respect to redemption of Bonds. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Principal Office of the Trustee for inspection by all Owners of Bonds. If, within sixty (60) days, or such longer period as shall be prescribed by the Trustee as the case may be, following the mailing of such notice, the Owners of at least 51% in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such amendment, change or modification shall have consented to and approved the execution thereof as hereto provided, no Owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Borrower or the Issuer or the Trustee as the case may be, from executing the same or from taking any action pursuant to the provisions thereof. The Issuer, or the Trustee as the case may be, shall have the right to extend from time to time the period within which such consent and approval may be obtained from Owners of the Bonds. Upon the execution of any such amendment, change or
modification as in this Section permitted and provided, the Issuer Documents shall be and be deemed to be modified, changed and amended in accordance therewith.

DISCHARGE

Section 9.01 Discharge of Indenture. If the Issuer shall pay, or there shall otherwise be paid, to the Owners of all Bonds the principal or redemption price, if applicable, and interest due thereon, at the times and in the manner stipulated therein and in this Indenture and if all Trustee Expenses and all amounts payable to the Issuer for its own account (including expenses and indemnification) shall be paid in full, then the pledge of revenues, other moneys and securities under this Indenture, and all covenants, agreements and other obligations of the Issuer to the Owners of Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the Issuer to be prepared and filed with the Issuer and, upon the request of the Issuer, shall execute and deliver to the Issuer and the Borrower all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver as provided in Article V hereof all moneys or securities held by them pursuant to this Indenture (except as otherwise specified in Section 5.08) after the payment of principal or redemption price, if applicable, of or interest on Bonds. Notwithstanding the foregoing, upon such discharge the provisions of this Indenture relating to the Rebate Fund and Section 5.18(c) of the Loan Agreement shall continue in effect.

Section 9.02 Discharge by Delivery. The obligation to pay the principal of and interest on all or any portion of the Bonds (the “Bond Obligations”) may be discharged by the delivery of the Bonds to the Trustee accompanied by written direction from the Owner(s) thereof to cancel such Bonds without payment (except as provided hereafter in this Section 9.02), and upon such delivery, such Bond Obligations shall be canceled and deemed paid. In the event only a portion of the Bond Obligations shall be canceled and deemed paid pursuant to the terms of this Section 9.02, those Bond Obligations which are not so canceled and deemed paid shall remain Outstanding for all purposes of this Indenture; provided that if all Outstanding Bonds shall be delivered to the Trustee in accordance with the terms of this Section 9.02 and all of the requirements for the discharge of this Indenture (other than the payment of Bond Obligations) shall be paid and satisfied in full, then the Trustee shall discharge and release the lien of this Indenture, assign to the Owner(s) of the Bonds all right, title and interest of the Trustee in and to the Note, the Loan Agreement and the other Loan Documents, deliver to the Owner(s) of the Bonds all moneys and securities held by the Trustee pursuant to this Indenture (except as otherwise specified in Section 5.08) up to an amount necessary to pay in full all of the principal of and interest on the Bonds through such cancellation and any other amounts due under the Loan Documents, and execute and deliver such releases or other instruments requisite to release the lien hereof.

Section 9.03 Discharge by Deposit. The obligation to pay the principal of and interest on all or a portion of the Bonds may be discharged if the Issuer or the Borrower has deposited or caused to be deposited, as trust funds, with the Trustee cash and/or Government Obligations which do not permit the redemption thereof at the option of the issuer thereof, the principal of and interest on which when due (or upon the redemption thereof at the option of the Owner), will, without reinvestment, provide cash which together with the cash, if any, on deposit with the Trustee at the same time, shall be sufficient, to pay and discharge the entire indebtedness on Bonds not theretofore canceled by the Trustee or delivered to the Trustee for cancellation by the payment of interest on and
principal of the Bonds which have become due and payable or which shall become due at their stated maturity or redemption date, as the case may be (the “Defeasance Collateral”), and which are to be discharged under the provisions hereof, and has made arrangements satisfactory to the Trustee for the giving of notice of redemption, if any, by the Trustee in the name, and at the expense, of the Borrower. If the period over which payments will be made from the Defeasance Collateral is greater than ninety (90) days, the Borrower must also deliver to the Trustee a verification report prepared by a certified public accountant, with respect to the sufficiency of the Defeasance Collateral to make such payments. In addition, to discharge the obligation to pay the principal and interest on the Bonds pursuant to this Section 9.03, the Issuer or the Borrower must (i) obtain an opinion of Bond Counsel addressed to the Issuer and the Trustee to the effect that all actions have been taken to cause the defeasance of this Indenture and such actions will not adversely affect the excludability of interest on the Bonds for federal income tax purposes under existing law, and (ii) provide written notice to the Servicer of such discharge at least thirty (30) days in advance.

The Borrower acknowledges that, to the extent that regulations of the Comptroller of the Currency or any other applicable regulatory agency require granting the Borrower the right to receive brokerage confirmations of securities transactions as they occur, the Borrower specifically waives the right to receive such confirmations.
ARTICLE III

LOAN AND PROVISIONS FOR REPAYMENT

Section 3.1 Issuance of Bonds and Delivery of Note and other Loan Documents.

(a) In order to finance a portion of the costs of the acquisition, rehabilitation and equipping of the Project, the Issuer has, consistent with its duties and purpose under the Act, issued and caused the Trustee to authenticate and deliver the Bonds pursuant to the Indenture to the initial Owner, and, upon satisfaction of the other conditions precedent to the issuance of the Bonds contained in the Indenture, shall issue and cause the Trustee to authenticate and deliver the Bonds pursuant to the Indenture to the initial Owner. The Bonds shall bear interest and shall be payable as provided therein and in the Indenture. The Bonds shall mature and all Outstanding principal of, Prepayment Equalization Payments, interest and Additional Interest (if any) on the Bonds shall be due and payable in full on the Maturity Date, all as provided more fully in the Bonds and the Indenture.

(b) The Issuer agrees to lend the proceeds received from the sale of the Bonds to the Borrower, by causing such amounts to be deposited directly into the Project Fund, subject to the terms and conditions of the Indenture and this Loan Agreement, including the terms and conditions thereof and hereof governing the disbursement of proceeds of the Loan.

(c) Pursuant to the Indenture, the Trustee shall make disbursements from the Project Fund created pursuant to the Indenture to pay or to reimburse the Borrower for costs of the acquisition, rehabilitation and equipping of the Project, subject to the conditions of the Indenture and this Loan Agreement. Upon receipt of a properly signed Requisition approved by the Servicer (which approval of the Servicer is expressly subject to the satisfaction of the conditions precedent set forth in the Construction Disbursement Agreement), the Trustee is authorized to act upon such Requisition without further inquiry, and, except for negligence after notice of facts to the contrary or willful misconduct of the Trustee, the Borrower shall hold the Trustee harmless against any and all losses, claims or liabilities incurred in connection with the Trustee’s making disbursements from the Project Fund in accordance with such Requisition. Neither the Trustee nor the Issuer shall be responsible for the application by the Borrower of moneys properly disbursed from the Project Fund.

(d) Concurrently with the sale and delivery of the Bonds, and to evidence further the obligation to repay the Loan in accordance with the provisions of this Loan Agreement, the Borrower has executed and delivered the Note and the other Loan Documents.

Section 3.2 Loan Repayments and Other Amounts.

(a) The Borrower shall pay to the Trustee, for deposit into the Revenue Fund, on the first day of each month commencing with the month that is the month of the Conversion Date, an amount equal to the sum of (i) the interest due on the Bonds on said date (after taking into account funds available for such purpose, if any, in the Capitalized Interest Account of the Project Fund), plus (ii) the principal due on the Bonds on said date, plus (iii) amounts required to be deposited into the Replacement Reserve Fund (pursuant to Section 5.22(c) hereof), the Operating Reserve Fund (pursuant to Section 5.22(i) hereof), and the Tax and Insurance Fund (pursuant to Section 5.22(h) hereof) as of such date. Amounts so paid to the Trustee by the Borrower shall be in immediately available funds or shall be such that on the Bond Payment Date they are available funds.
(b) The Borrower understands that the interest rate applicable under the Note and with respect to the Bonds is based upon the assumption that interest income paid on the Bonds will be excludable from the gross income of the Owners under Section 103 of the Code and applicable state law. In the event that an Initial Notification of Taxability shall occur, then the interest rate on the Note and the Bonds, and on all obligations under this Agreement (other than those to which the Alternative Rate applies) shall, effective on the date of such Initial Notification of Taxability, be increased to a rate equal to the Taxable Rate. The Borrower shall, in addition, pay to the Trustee, for deposit into the Revenue Fund, promptly upon demand from the Trustee or the Servicer, an amount equal to the Additional Interest payable on the Bonds. The Borrower shall also indemnify, defend and hold the Owners harmless from any penalties, interest expense or other costs, including reasonable attorneys’ fees (including all reasonably allocated time and charges of Owners’ and Trustee’s “in-house” and “outside” counsel) and accountants’ costs, resulting from any dispute with the Internal Revenue Service concerning the proper tax treatment of the Bonds and any interest payable to any Owner with respect to the Bonds. The obligations of the Borrower under this Section 3.2(b) shall survive termination of this Agreement and the Note and repayment of the Loan. If, following any increase in interest rates pursuant to this Section 3.2(b), a final determination is made, to the satisfaction of the Owners, that interest paid on the Bonds is excludable from the Owners’ gross income under Section 103 of the Code and applicable state law, the Owners shall promptly refund to the Borrower any Additional Interest and other additional amounts paid by the Borrower pursuant to this Section 3.2(b).

(c) The Borrower agrees to pay the Trustee Fee and Trustee Expenses to the Trustee and agrees to pay the Issuer’s Fee to the Issuer. The Borrower also agrees to pay all fees, charges and expenses of the Trustee and the Issuer, respectively (including, without limitation, the reasonable, actually incurred fees and expenses of counsel to the Issuer, Bond Counsel and counsel to the Trustee), with respect to the Bonds and the Loan as and when the same become due. The Borrower also agrees to pay the printing and engraving costs of the Bonds, including any certificates required to be prepared for use in connection with any exchanges of Bonds for the cost of which Owners are not liable. The Borrower also agrees to pay the Loan Fee to Bank on or before the Closing Date, to pay the fees of the Majority Owner and the Servicer, and to pay all reasonable costs and expenses incurred by the Majority Owner and the Servicer in connection with the administration of the Bonds, the Loan or the collateral therefor, and any amendments, modifications or “workouts” thereof, including without limitation reasonable attorneys’ fees and costs (including allocated costs of in-house attorneys), fees and costs of engineers, accountants, appraisers and other consultants, title insurance premiums and recording costs upon receipt of written demand therefor.

(d) The Borrower agrees to pay all Costs of Issuance (in addition to those Costs of Issuance otherwise required to be paid by this Section 3.2).

(e) The Borrower agrees to pay any Prepayment Equalization Payments at the times and in the amounts the same become payable pursuant to the Indenture.

(f) The Borrower agrees to pay, as and when the same become due, to the Issuer the Issuer’s annual Issuer’s Fee, and to the Issuer, the Servicer or the Trustee any extraordinary expenses, including, without limitation, any costs of litigation, which may be incurred by the Issuer, the Servicer or the Trustee in connection with this Loan Agreement or the Indenture, including the reasonable, actually incurred costs and fees of any attorneys or other experts retained by the Issuer, the Servicer or the Trustee in connection therewith.
(g) The Borrower agrees to repay the Loan at the times and in the amounts necessary to enable the Trustee, on behalf of the Issuer, to pay all amounts payable with respect to the Bonds, when due, whether at maturity or upon redemption, acceleration, tender, purchase or otherwise.

Section 3.3 Payments Pledged and Assigned. It is understood and agreed that the Loan Documents and certain other documents and property and all payments required to be made by the Borrower pursuant hereto (except payments to be made to the Issuer in respect of its Reserved Rights and payments to be made to the Servicer and the Trustee pursuant to Section 3.2(b) hereof) have been assigned to the Trustee simultaneously herewith pursuant to the Indenture as and for security for the Bonds. The Borrower hereby consents to such assignment and recognizes the Trustee as the assignee of the Issuer, to the extent of the assignment, for purposes of said documents and property.

Section 3.4 Obligations of Borrower Hereunder Unconditional. The obligations of the Borrower to make any payments required by the terms of this Loan Agreement and the other Loan Documents, including, without limitation, the payments required in Section 3.2 hereof, and to perform and observe the other agreements on its part contained herein and in the other Loan Documents shall be absolute and unconditional and shall not be subject to any defense (other than payment) or any right of set-off, counterclaim, abatement or otherwise and, until such time as the principal of and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture. The Borrower (i) will not suspend or discontinue, or permit the suspension or discontinuance of, any payments provided for herein or in the other Loan Documents, (ii) will perform and observe all of its other agreements contained herein and the other Loan Documents and (iii) will not suspend the performance of its obligations hereunder and under the other Loan Documents for any cause including, without limiting the generality of the foregoing, failure to complete construction and equipping of the Project, any acts or circumstances that may constitute failure of consideration, failure of or a defect of title to the Project or any part thereof, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws or administrative rulings of or administrative actions by the United States of America or the State or any political subdivision of either, or any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Loan Agreement or the other Loan Documents. The Borrower may, at its own cost and expense and in its own name or in the name of the Issuer (provided the Issuer is a necessary party and consents thereto), prosecute or defend any action or proceeding or take any other action involving third persons which the Borrower deems reasonably necessary in order to secure or protect its rights hereunder, and in such event the Issuer, subject to the provisions of the Indenture, hereby agrees to cooperate fully with the Borrower and to take all action (at the Borrower’s cost and expense) necessary to effect the substitution of the Borrower for the Issuer in any such action or proceeding if the Borrower shall so request.

ARTICLE IV

Section 4.1 Requisition. At such time as the Borrower shall desire to obtain an advance from the Loan Account, the Insurance and Condemnation Proceeds Account, or, the Equity Account of the Project Fund, the Borrower shall complete, execute and deliver a Requisition to the Servicer. Each Requisition shall be signed on behalf of the Borrower and shall be in the form attached as Exhibit G to the Construction Disbursement Agreement. The Trustee may rely conclusively on the

The initial insurance requirements are set forth on Exhibit E hereto. All renewal policies, with premiums paid, shall be delivered to the Servicer at least thirty (30) days before expiration of the existing policies. If any such insurance shall expire or be canceled, or become void or voidable by reason of the breach of any condition of coverage, or if the Servicer determines that any coverage is unsatisfactory by reason of the failure or impairment of the capital of any insurance carrier, or if any insurance is unsatisfactory to the Servicer, in its sole judgment, the Borrower shall promptly place new insurance satisfactory to the Servicer.

(b) The Borrower will provide the Trustee and the Servicer with certificates evidencing such insurance upon the request of the Servicer.

(c) If the Borrower fails to provide, maintain, keep in force or deliver to the Servicer the policies of insurance and certificates required by this Loan Agreement, the Servicer may (but shall have no obligation to) procure such insurance, and the Borrower will pay all premiums thereon promptly on demand by the Servicer, and until such payment is made by the Borrower, the amount of all such premiums shall bear interest at the Alternative Rate.

Section 5.5 Liens and Other Charges. The Borrower will duly pay and discharge, cause to be paid and discharged, or provide a bond satisfactory to the Servicer to pay or discharge, before
the same shall become overdue all claims for labor, materials, or supplies that if unpaid might by lawecome a lien or charge upon any of its property.

Section 5.6 Inspection of Project and Books, Appraisals.

(a) The Borrower shall permit the Issuer, the Trustee and the Servicer upon
reasonable notice at reasonable times, at the Borrower’s cost and expense, to visit and inspect the
Project and all materials to be used in the rehabilitation and equipping thereof and will cooperate
with the Issuer, the Trustee and the Servicer during such inspections (including making available
working drawings of the Plans and Specifications); provided that this provision shall not be deemed
to impose on the Issuer, the Trustee, and the Servicer any obligation to undertake such inspections.

(b) The Borrower shall permit the Issuer, the Trustee and the Servicer, upon
reasonable notice at reasonable times, at the Borrower’s cost and expense, to examine the books of
account of the Borrower and the Project (and to make copies thereof and extracts therefrom) and to
discuss the affairs, finances and accounts of the Borrower and the Project with, and to be advised as
to the same by, its officers, partners, or trustees, all at such reasonable times and intervals as the
Issuer, the Trustee and the Servicer may reasonably request; provided that so long as no Default or
Event of Default shall have occurred and be continuing, the Borrower shall only be obligated to pay
the expenses associated with one (1) such investigation during any twelve (12) month period.

(c) The Issuer, the Trustee and the Servicer shall have the right to obtain from
time to time, at the Borrower’s cost and expense, updated Appraisals of the Project; provided that so
long as no Default or Event of Default shall have occurred and be continuing, the Borrower shall
only be obligated to pay for the costs and expenses associated with one (1) such Appraisal during any
twelve (12) month period.

(d) The costs and expenses incurred by the Issuer, the Trustee and the Servicer in
obtaining such Appraisals or performing such inspections shall be paid by the Borrower promptly
upon billing or request by the Issuer, the Trustee and the Servicer for reimbursement.

its properties, including all Project Approvals.

Section 5.8 Use of Proceeds. In accordance with the Development Budget, the Borrower
will use the proceeds of the Bonds solely for the purpose of paying for Qualified Costs of the Project.

Section 5.9 Borrower to Pay Excess Project Costs. The Borrower will pay when due
all costs of acquisition, rehabilitation and equipping of the Project in excess of the proceeds of the
Bonds, regardless of the amount. If at any time, the Servicer shall reasonably determine that the
remaining undisbursed portion of the Project Fund, together with the undisbursed balance of
Required Equity Funds, and any other sums previously deposited or to be deposited by the Borrower
in connection with the Project, is or will be insufficient to complete the construction and equipping of
the Improvements in accordance with the Plans and Specifications, to operate and carry the Project
after Completion until Stabilization, to pay all other Project Costs, to pay all interest accrued or to
accrue on the Bonds from and after the date hereof or until Stabilization, and to pay all other sums
due or to become due under the Loan Documents (or any budget category or line item), regardless of how such condition may be caused, the Borrower will, within ten (10) days after written notice of such determination from the Servicer, deposit with the Trustee such sums of money in cash as the Servicer may require, in an amount sufficient to remedy the condition described in such notice, and sufficient to pay any liens for labor and materials alleged to be due and payable at the time in connection with the Improvements, and, at the Servicer’s direction, no further disbursements from the Project Fund shall be made by the Trustee until the provisions of this Section have been fully complied with. The Servicer may direct the Trustee to enforce the Completion Agreement in accordance with its terms, and upon such direction, the Trustee shall proceed to enforce the Completion Agreement. All such deposited sums shall constitute additional security under the Loan Documents and, prior to the occurrence of a Default, shall be disbursed by the Trustee in the same manner as disbursements under the Indenture before any further disbursements from the Project Fund shall be made by the Trustee. Notwithstanding the above, in the event amounts deposited hereunder are actually in excess of the amount necessary to achieve Completion, such excess amounts shall be returned to the Borrower in accordance with Section 5.03 of the Indenture.

Section 5.10 Laborers, Subcontractors and Materialmen. The Borrower will furnish to the Issuer, the Trustee or the Servicer, upon reasonable request, and from time to time, affidavits listing all laborers, subcontractors, materialmen, and any other Persons who might or could claim statutory or common law liens and are furnishing or have furnished labor or material to the Project or any part thereof, together with copies of Conditional Releases upon Progress Payment and Unconditional Releases after Progress Payment, as applicable, or other evidence satisfactory to the Issuer, the Trustee or the Servicer, showing that such parties have been paid all amounts then due for labor and materials furnished to the Project. The Borrower will also furnish to the Issuer, the Trustee, and the Servicer, at any time and from time to time upon reasonable request by the Issuer, the Trustee, Servicer or the Servicer, lien waivers bearing a then current date and prepared on a form satisfactory to the Issuer, the Trustee or the Servicer from the Contractor and such subcontractors or materialman as the Issuer, the Trustee or the Servicer may designate.

Section 5.11 Further Assurance of Title. If at any time the Servicer has reason to believe that any disbursement from the Project Fund is not secured or will or may not be secured by the Mortgage as a first priority mortgage lien and security interest on the Property, then the Borrower shall, within ten (10) days after written notice from the Servicer, do all things and matters necessary, to assure to the satisfaction of the Servicer that any disbursement from the Project Fund previously made hereunder or to be made hereunder is secured or will be secured by the Mortgage as a first priority mortgage lien and security interest on the Property, and the Servicer, at its option, may decline to approve any further Requisitions until the Servicer has received such assurance. Nothing in this Section shall limit the right of the Servicer, at the Borrower’s expense, to order searches of title from time to time and to require bringdowns or endorsements extending the effective date of the Title Policy in connection with the making of advances as herein set forth.

Section 5.12 Publicity. The Borrower will permit the Servicer to obtain publicity in connection with the acquisition, construction and equipping of the Improvements through press releases and participation in such events as ground breaking and opening ceremonies and placement of signs on the Land.
Section 5.13  Further Assurances.

(a)  Regarding Construction.  The Borrower will furnish or cause to be furnished to the Issuer, the Trustee and the Servicer all instruments, documents, boundary surveys, certificates, plans and specifications, title and other insurance, reports and agreements and each and every other document and instrument required to be furnished by the terms of this Loan Agreement or the other Loan Documents, all at the Borrower’s expense.

(b)  Regarding Preservation of Collateral.  The Borrower will execute and deliver to the Issuer, the Trustee and the Servicer such further documents, instruments, assignments and other writings, and will do such other acts necessary or desirable, to preserve and protect the collateral at any time securing or intended to secure the obligations of the Borrower under the Loan Documents, as the Issuer, the Trustee and the Servicer may require.

(c)  Regarding this Loan Agreement.  The Borrower will cooperate with, and will do such further acts and execute such further instruments and documents as the Issuer, the Trustee and the Servicer shall reasonably request to carry out to their satisfaction the transactions contemplated by this Loan Agreement and the other Loan Documents; provided, however, that such further acts, instruments or documents shall not materially modify the rights or obligations of the Borrower under the Loan Documents.

(d)  Bank of Account.  The Borrower will utilize Bank as its principal bank of account; including all construction disbursement, operating accounts, and reserve accounts.

Section 5.14  Notices.  The Borrower will promptly notify the Issuer, the Trustee and the Servicer in writing of (i) the occurrence of any Default or Event of Default or event which, with the giving of notice or the passage of time, or both, would constitute a Default or Event of Default; (ii) the Borrower’s receipt of notice from any Governmental Authority of any alleged violation of environmental laws or regulations or other Legal Requirements; (iii) any labor problems with respect to the Borrower or the Project; (iv) the occurrence of any other event which would have a material adverse effect on the Project or the business or financial condition of the Borrower; or (v) the receipt by the Borrower of any notice of default or notice of termination with respect to any contract or agreement relating to the ownership, construction, equipping, operation, or use of the Project.

Section 5.15  Solvency; Adequate Capital.  The Borrower will:

(a)  Remain solvent and pay all of its indebtedness from its assets as the same become due; and

(b)  Maintain adequate capital for the normal obligations reasonably foreseeable for a business of its size and character and in light of its contemplated business operations.

Section 5.16  Management Contract.

(a)  At all times following Completion, the Project shall be managed pursuant to a management contract with the Manager, which contract shall be terminable with or without cause by the Borrower or its successors as owners of the Project and shall otherwise be in form and substance satisfactory to the Servicer.  The Borrower acknowledges that the Issuer, the Trustee and the Servicer will rely on the Manager’s experience in operating properties such as the Project as a means of
maintaining the value of the collateral. In connection with the approval of the Manager, or any replacement management company:

(i) the Manager or holder of the stock or partnership interest therein, shall be a Person whose character, financial strength, stability and experience is acceptable to the Servicer and who shall have experience managing properties of a type and size reasonably similar to the Project;

(ii) the Manager shall deliver all organizational documentation and other materials evidencing its experience acceptable to the Servicer; and

(iii) the terms of any management contract shall provide for management fees in excess of 5.66% per annum increasing by 3% per year to be subordinate to payments owed by the Borrower under the Loan Documents and otherwise must be acceptable to the Servicer in all respects.

(b) The Borrower shall, from time to time, obtain from the Manager such certificates of estoppel with respect to compliance by the Borrower with the terms of the management contract as may be requested by the Servicer, the Trustee and the Servicer.

(c) The Project will be managed by the Manager pursuant to the Management Agreement. The Borrower acknowledges and agrees that Trustee, as mortgagee under the Mortgage, is and shall be a third-party beneficiary of the Management Agreement and any replacement management agreement. Any amendment to the Management Agreement or delivery of a replacement management agreement must be approved in writing by the Servicer.

Section 5.17 Negative Covenants of the Borrower. The Borrower covenants and agrees that, so long as the Loan is outstanding:

(a) Restrictions on Easements and Covenants. Except for Permitted Encumbrances and matters permitted by Section 5.17(d), the Borrower will not create or suffer to be created or to exist any easement, right of way, restriction, covenant, condition, license or other right in favor of any Person which affects or might affect title to the Project or the use and occupancy of the Project or any part thereof without obtaining the prior written consent of the Servicer, which shall not be unreasonably withheld or delayed so long as the proposed action is necessary for the operation of the Project for the purposes contemplated hereby and the proposed action does not materially impair the validity or priority of the lien of the Mortgage.

(b) No Amendments, Terminations or Waivers. Neither the Borrower nor the General Partner shall amend, supplement terminate or otherwise modify or waive any provision of its Organizational Documents, the documents evidencing the Subordinate Loans or any documents relating to the contribution of equity by the partners of the Borrower in a manner that would have a material adverse effect on the Issuer or the Owners without obtaining the prior written consent of the Servicer.

(c) Restrictions on Indebtedness. Without obtaining the prior written consent of the Servicer, the Borrower will not create, incur, assume, guarantee or be or remain liable, contingently or otherwise, with respect to any Indebtedness other than:
(i) Indebtedness arising under the Loan Documents;
(ii) Indebtedness arising in connection with the Subordinate Loans;
(iii) current liabilities of the Borrower relating to the Project, incurred in the ordinary course of business but not incurred through (A) the borrowing of money (other than operating loans made by partners of the Borrower in accordance with the Partnership Agreement), or (B) the obtaining of credit except for credit on an open account basis customarily extended and in fact extended in connection with normal purchases of goods and services; and
(iv) Indebtedness relating to the Project, in respect of taxes, assessments, governmental charges or levies and claims for labor, materials and supplies to the extent that payment therefor shall not at the time be required to be made.

(d) Restrictions on Liens. The Borrower shall not subject the Project, or permit the Project to be subjected, to any Lien or encumbrance except as permitted pursuant to Article 6 of the Mortgage.

(e) Transfers. The Borrower shall not transfer the Project or any interest in the Project, in the Borrower or in any partner of the Borrower, or permit any such transfer, except (i) as permitted pursuant to Article 6 of the Mortgage, or (ii) as permitted pursuant to the Construction Disbursement Agreement.

(f) Merger, Consolidation, Conversion and Disposition of Assets.
   (i) The Borrower will not become a party to any merger or consolidation, or agree to or effect any asset acquisition or stock acquisition.
   (ii) The Borrower will not convert into any other type of entity.
   (iii) The Borrower will not seek the dissolution or winding up, in whole or in part, of the Borrower or voluntarily file, or consent to the filing of, a petition for bankruptcy, reorganization, assignment for the benefit of creditors or similar proceedings.

(g) Sale and Leaseback. The Borrower will not enter into any arrangement, directly or indirectly, whereby the Borrower shall sell or transfer any property owned by it in order then or thereafter to lease such property or lease other property that the Borrower intends to use for substantially the same purpose as the property being sold or transferred.

(h) Preservation of Tax Exemption. The Borrower will not take any action that would adversely affect the exclusion of interest on the Bonds from gross income for purposes of federal income taxation, nor omit or fail to take any action required to maintain the exclusion of interest on the Bonds from gross income for purposes of federal income taxation.

Section 5.18 Arbitrage and Tax Matters.

(a) The Borrower hereby represents, warrants and agrees that all certifications and representations of fact made by the Borrower in the Borrower’s Tax Certificate are true, accurate and complete in all material respects of the date on which executed and delivered.
(b) The Borrower covenants not to cause or direct any moneys on deposit in any fund or account to be used in a manner which would cause the Bonds to be classified as “arbitrage bonds” within the meaning of Section 148 of the Code, and the Borrower certifies and covenants to and for the benefit of the Issuer and the Owners of the Bonds Outstanding, moneys on deposit in any fund or account in connection with the Bonds, whether such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, will not be used in a manner which will cause the Bonds to be classified as “arbitrage bonds” within the meaning of Section 148 of the Code. In furtherance of the foregoing, the Borrower covenants to comply with the terms and conditions of the Tax Certificate and to pay when due any amount required to be paid to the United States in accordance with the Tax Certificate and this Loan Agreement.

(c) At any time when any amount required to be paid under Section 148(f) of the Code (the “Rebate Regulations”) is due, the Borrower shall pay to the United States on behalf of the Issuer the full amount then required to be paid under the Rebate Regulations. Within sixty (60) days after the Bonds have been paid in full, the Borrower shall pay to the United States on behalf of the Issuer the full amount then required to be paid under the Rebate Regulations. Each such payment shall be made to such location specified by the Internal Revenue Service, accompanied by a Form 8038-T (or other appropriate information reporting form) prepared by the Borrower. No later than fifteen (15) days prior to each date on which a payment could become due under the Rebate Regulations (“Rebate Payment Date”), the Borrower shall deliver to the Issuer and the Trustee a certificate of a Rebate Analyst either summarizing the determination that no amount is required to be paid or specifying the amount then required to be paid, if the certificate specifies an amount to be paid, (A) such certificate shall be accompanied by a completed Form 8038-T, which is to be signed by an Authorized Representative of the Issuer, and shall include a certification by the Borrower that the Form 8038-T is accurate and complete, and (B) no later than ten (10) days after the Rebate Payment Date, the Borrower shall furnish to the Issuer and the Trustee a certificate state that such amount has been timely paid. This Section 5.18(c) shall be construed so as to cause compliance with the Rebate Regulations. The Borrower covenants that all action taken under this Section 5.18(c) shall be taken in a manner that complies with the Rebate Regulations and that it shall neither take any action nor omit to take any action that would cause the Bonds to be “arbitrage bonds” by reason of the failure to comply with the Rebate Regulations. To the extent that any payment of rebatable arbitrage or penalty in lieu of rebate is not timely made to the United States, the Borrower shall pay to the United States on behalf of the Issuer any correction amount, interest, penalty or other amount necessary to prevent the Bonds from becoming “arbitrage bonds” within the meaning of Section 148 of the Code. The Borrower covenants that, to the extent necessary, it shall obtain the advice and assistance of a Rebate Analyst to aid it in complying with the Rebate Regulations.

Section 5.19 Indemnification.

To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Issuer, the Servicer and the Trustee and each of their respective officers, governing members, directors, officials, employees, attorneys and agents (each an “Indemnified Party”), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (hereinafter, the “Liabilities”) to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other
statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

(i) The Issuer Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the issuance, sale, transfer or resale of the Bonds;

(ii) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or rehabilitation of, the Project or any part thereof;

(iii) Any lien (other than a permitted encumbrance) or charge upon payments by the Borrower to the Issuer and the Trustee hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Issuer or the Trustee in respect of any portion of the Project;

(iv) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof during the period in which the Borrower is in possession or control of the Project;

(v) The enforcement of, or any action taken by the Issuer, the Trustee or the Majority Owner related to remedies under, this Loan Agreement, the Indenture and the other Issuer Documents;

(vi) The defeasance and/or redemption, in whole or in part, of the Bonds;

(vii) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower contained in any offering statement or document for the Bonds or any of the Issuer Documents to which the Borrower is a party, or any omission or alleged omission from any offering statement or document for the bonds of any material fact necessary to be stated therein in order to make the statements made therein by the Borrower, in the light of the circumstances under which they were made, not misleading;

(viii) Any declaration of taxability of interest on the Bonds or allegations (or regulatory inquiry) that interest on the Bonds is taxable for federal income tax purposes; and

(ix) The Trustee’s acceptance or administration of the trust of the Indenture, or the Trustee’s exercise or performance of or failure to exercise or perform any of its powers or duties thereunder or under any of the Issuer Documents to which it is a party.

except (a) in the case of the foregoing indemnification of (1) the Bondholder Representative or the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party, or (2) in the case of the Trustee or any related Indemnified Party, the negligence or willful misconduct of the Trustee, or any breach by such party of its obligations under any of the Issuer Documents or any untrue statement or misleading statement of a material fact by such Indemnified Party contained in any offering statement or
document for the Bonds or any of the Issuer Documents or any omission or alleged omission from any such offering statement or document of any material fact necessary to be stated therein in order to make the statements made therein by such Indemnified Party not misleading; or (b) in the case of the foregoing indemnification of the Issuer or any related Indemnified Party or any related Indemnified Party, they shall not be indemnified by the Borrower with respect to liabilities arising from their own bad faith, fraud or willful misconduct. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower’s right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof; provided however the Issuer has the absolute right to employ separate counsel at the expense of the Borrower. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party other than the Issuer may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party’s good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation except that the Borrower shall always pay the reasonable fees and expenses of the Issuer’s separate counsel.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Issuer, the Trustee and the Majority Owner have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity hereunder and rights to payment of fees and reimbursement of expenses pursuant to Section 10.3 shall survive the final payment or defeasance of the Bonds and in the case of the Trustee or the Servicer, as applicable, any resignation or removal. The provisions of this Section shall survive the termination of this Loan Agreement. Nothing within this Section shall limit the rights of each Indemnified Party to indemnity under the Regulatory Agreement.

Nothing in this Section 5.19 shall in any way limit the Borrower’s indemnification and other payment set forth in the Regulatory Agreement.

Section 5.20 Agreements Between Borrower and its Affiliates. Except for the property management contract and the Development Services Agreement, the Borrower shall not enter into any agreement, written or otherwise, directly or indirectly relating to the Project with an Affiliate of the BRIDGE Housing Corporation or the Sacramento Housing Authority Repositioning Program, Inc. without the prior written consent of the Servicer.
Section 5.21 Sale of Bonds and Securitization.

(a) At the request of the Servicer, the Borrower shall take such actions and execute and deliver such documents and data as may be reasonably necessary or appropriate in connection with the sale of the Bonds or participation therein or any securitization (such sale and/or securitization, the “Securitization”) of single or multi-class securities (the “Securities”) secured by or evidencing ownership interests in the Bonds, if and to the extent permitted under the Indenture. Without limiting the generality of the foregoing, the Borrower shall:

(i) provide financial and other information with respect to the Project, the Borrower and its Affiliates, the manager and any tenants of the Project and provide business plans and budgets relating to the Project;

(ii) perform or permit or cause to be performed or permitted such site inspection, appraisals, market studies, environmental reviews and reports (Phase I and, if appropriate, Phase II), engineering reports and other due diligence investigations of the Project, as may be reasonably requested by the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with the Securitization (the items provided to the Servicer pursuant to this paragraph (a) being called the “Provided Information”), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Servicer and the Rating Agencies;

(iii) cause counsel to render opinions as to non-consolidation, fraudulent conveyance, true sale and true contribution and any other opinion customary in securitization transactions with respect to the Project, the Borrower and its Affiliates, which counsel and opinions shall be satisfactory to the Servicer and the Rating Agencies;

(iv) make such representations and warranties as of the closing date of the Securitization with respect to the Project, the Borrower and the Loan Documents as are customarily provided in securitization transactions and as may be reasonably requested by the Servicer or the Rating Agencies and consistent with the facts covered by such representations and warranties as they exist on the date thereof, including the representations and warranties made in the Loan Documents;

(v) provide current certificates of existence with respect to the Borrower from appropriate Governmental Authorities; and

(vi) execute such amendments to the Loan Documents and the Organizational Documents of the Borrower as may be requested by the Servicer or the Rating Agencies or otherwise to effect the Securitization; provided, however, that such amendments shall not materially modify the economic terms of the Loan Documents.

(b) All reasonable third party costs and expenses incurred by the Borrower solely in connection with the Borrower’s complying with requests made under this Section 5.21 shall promptly be paid or caused to be paid by the Servicer. The Borrower shall not be liable for third party costs or expenses incurred by the Servicer in connection with the Securitization.

(c) The Borrower understands that certain of the Provided Information may be included in disclosure documents in connection with the Securitization, including a prospectus or private placement memorandum (each, a “Disclosure Document”) and may also be included in
filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the “Securities Act”), or the Securities and Exchange Act of 1934, as amended (the “Exchange Act”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, the Borrower shall cooperate with the Servicer in updating the Provided Information for inclusion or summary in the Disclosure Document by providing all current information pertaining to the Borrower and the Project necessary to keep the Disclosure Document accurate and complete in all material respects with respect to such matters.

(d) In connection with a preliminary and a final private placement memorandum or prospectus, as applicable, the Borrower agrees if requested by the Servicer, to certify in writing that the Borrower has carefully examined those portions of such memorandum or prospectus, as applicable, pertaining to the Borrower and the Project and such sections (and any other sections reasonably requested and pertaining to Borrower and the Project) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statement made, in the light of the circumstances under which they were made, not misleading.

(e) The Borrower’s liability under this Section 5.21 shall be limited to liabilities arising out of or based upon any such material untrue statement or omission made with knowledge thereof and made therein in reliance upon and in conformity with information furnished to the Servicer by or on behalf of the Borrower in connection with the preparation of those portions of the Disclosure Document pertaining to the Borrower or the Project or in connection with the underwriting of the debt, including financial statements of the Borrower, operating statements, rent rolls, environmental site assessment reports and property condition reports with respect to the Project.

Section 5.22 Funds. The Borrower acknowledges the creation of the Replacement Reserve Fund, the Operating Reserve Fund, the NOI Account of the Project Fund and the Tax and Insurance Fund pursuant to the Indenture. The Replacement Reserve Fund, the Operating Reserve Fund, the Transition Reserve Fund and the Tax and Insurance Fund shall be funded, and moneys therein shall be disbursed, in accordance with the provisions of the Indenture and this Section 5.22.

(a) On the date that the Borrower receives the final equity installment, the Borrower shall transfer, or cause to be transferred, to the Trustee the amount of Seventy-Eight Thousand Dollars ($78,000) for deposit into the Replacement Reserve Fund on or before December 1 of each year, the Borrower shall submit to the Servicer for approval the Proposed Budget to be effective for the next following year. The Servicer shall have the right to approve or disapprove any Proposed Budget or any line-item contained in such Proposed Budget, such approval not to be unreasonably withheld. If any Proposed Budget is not approved by the Servicer within thirty (30) days following submission by the Borrower, such Proposed Budget shall be deemed disapproved. If any line-item or Proposed Budget is disapproved, the Borrower shall thereafter consult for an additional thirty (30) days with the Servicer in an effort to achieve mutually acceptable Approved Budget. To the extent that the Proposed Budget is disapproved, the Approved Budget for the previous year shall remain in effect, increased by 5% over the previous year (except for costs of utilities, real estate taxes and assessments and insurance and other third-party costs or cost associated with remediation of emergency conditions which shall be permitted variances to the Proposed Budget) until the parties resolve their differences. In addition to, and not in limitation of the
foregoing, each Approved Budget may be revised from time to time with prior written consent of the Servicer to reflect changes to items set forth in the then-current Approved Budget.

(b) Each Proposed Budget:

(i) shall be prepared on the basis of sound accounting practices consistently applied;

(ii) shall reflect the projected gross revenues and operating expenses regarding the Project;

(iii) shall reflect all projected Capital Expenditures which are reasonably expected to be made in connection with the Project during the year covered by such Proposed Budget; and

(iv) shall contain such other information as reasonably may be requested by the Servicer.

(c) On each Interest Payment Date beginning with the first month after the Project achieves Completion, the Borrower shall deposit an amount equal to 1/12 of the Unit Reserve Amount in the Replacement Reserve Fund.

(d) Except as otherwise provided in this Section, before the Servicer shall authorize the disbursement of any amounts from the Replacement Reserve Fund, the Borrower shall submit the following items to the Servicer for its review and approval:

(i) a requisition from the Borrower stating that no Event of Default exists and requesting the Servicer to approve a disbursement;

(ii) the identity of all general contractors, architects, engineers and other professionals, if any, engaged in connection with the proposed capital expenditures along with copies of the contracts entered into between the Borrower and such entities;

(iii) if available, copies of the plans and specifications for the work to be done, if required or produced in connection with the work contemplated;

(iv) if requested by the Servicer, evidence of compliance with all applicable Legal Requirements;

(v) if requested by the Servicer in connection with construction work in excess of $10,000, evidence of builders’ risk insurance along with workers’ compensation and public liability insurance in such amounts and in such form as the Servicer may reasonably require;

(vi) if requested by the Servicer in connection with construction work in excess of $10,000, evidence that the Consulting Engineer shall have inspected and approved of the work performed to date;

(vii) copies of bills or invoices documenting the proposed expenditure (with paid receipts or other evidence of payment for such Capital Expenditures to be provided to the
Servicer before the next requested requisition and in any event within ten (10) days of disbursement to the Borrower of the requested payment); and

(viii) evidence that the general contractor has delivered and filed effective mechanics lien waivers prior to the commencement of work or, if such waivers were not delivered and filed, a release of liens in connection with all work performed, which releases may be conditioned upon payment to the general contractor provided that the general contractor delivers unconditional releases within thirty (30) days of receipt of such payment.

(e) Provided the conditions set forth in Section 5.22(d) have been satisfied (or waived in writing by the Servicer), the Servicer shall authorize the disbursement from the Replacement Reserve Fund of the amount requested by the Borrower in its requisition, or such lesser amount approved by the Consulting Engineer, to the Borrower. It shall be a condition to all withdrawals from the Replacement Reserve Fund that (i) all work shall be performed in a good and workmanlike manner and in compliance with all applicable Legal Requirements, (ii) the Servicer shall have reviewed and approved each of the foregoing requirements, (iii) the work to be performed is consistent with the Approved Budget or the recommendations of the Consulting Engineer, and (iv) sufficient amounts are on deposit in the Replacement Reserve Fund to pay the amount requisitioned.

(f) For any single Capital Expenditure (not part of, or related to, a sequence or a series of Capital Expenditures or a particular capital improvement plan or project) costing less than Ten Thousand Dollars ($10,000.00) and whether or not described in the Approved Budget, the Borrower, upon completion of the work, shall deliver to the Servicer evidence reasonably satisfactory to the Servicer of such completion and shall deliver to the Servicer invoices for such work, and, for all of such subsequent disbursements from the Replacement Reserve Fund, the Borrower shall deliver evidence of payment in full for all invoices pertaining to the previous disbursement from the Replacement Reserve Fund, whereupon the Servicer shall authorize reimbursement of the cost of the Capital Expenditure from the Replacement Reserve Fund to the Borrower or, at the Servicer’s option, to the contractors to whom such funds are owed.

(g) For any Capital Expenditure (not part of or related to a sequence or series of Capital Expenditures) costing Ten Thousand Dollars ($10,000.00) or more which is to be paid from the Replacement Reserve Fund, before entering into any contracts in connection with such Capital Expenditure (whether or not the Capital Expenditure was described in the Approved Budget), the Borrower shall submit to the Servicer for its prior review and approval (which shall not be unreasonably withheld or delayed) copies of the proposed contracts to be entered into with respect to such Capital Expenditure and copies of the proposed plans and specifications for the Capital Expenditure. Once the Capital Expenditure is approved in advance by the Servicer, the provisions of Section 5.22(d) shall apply. Upon completion of such work, the Borrower shall deliver to the Servicer evidence reasonably satisfactory to the Servicer of such completion and shall deliver to the Servicer invoices for such work and, for all of such subsequent disbursements from the Replacement Reserve Fund, the Borrower shall deliver evidence of payment in full for all invoices pertaining to the previous disbursement from the Replacement Reserve Fund, whereupon the Servicer shall authorize reimbursement of the cost of the Capital Expenditure from the Replacement Reserve Fund to the Borrower, or, at the Servicer’s option, the contractors to whom such costs are owed.

(h) Borrower shall provide to the Trustee and the Servicer, promptly following the Borrower’s receipt thereof, copies of all bills received by the Borrower for real property taxes for
the Property and for the premiums on the insurance policies required to be maintained pursuant to the
loan documents. On each Interest Payment Date, beginning with the first month after the Conversion
Date, the Borrower shall deposit funds into the Tax and Insurance Fund in an amount equal to one-
twelveth (1/12) of the amount required to be payable during the current year for real estate taxes and
insurance premiums with respect to the Project, as indicated by the current bills. If, one month prior
to the due date of any aforementioned obligations, the amounts then on deposit shall be insufficient
for the payment of such obligation in full, the Borrower shall deposit with the Trustee the amount of
the deficiency within ten (10) days after demand from the Trustee or the Servicer. Amounts held in
the Tax and Insurance Fund shall be applied by the Trustee to the payment of real estate taxes and
insurance premiums on or before the respective dates on which the same or any of them would
become delinquent.

(i) On the Stabilization Date, the Borrower shall transfer, or cause to be
transferred, to the Trustee the amount of Three Hundred Twenty-Seven Thousand Dollars ($327,000)
in its own funds for deposit into the Operating Reserve Fund. Moneys in the Operating Reserve
Fund shall be disbursed only upon the authorization of the Servicer. To the extent that Project
Revenues are insufficient to pay Operating Expenses and/or the amount necessary to pay principal
and interest on the Bonds as required pursuant to Section 3.2, the Borrower may make written
request to the Servicer for disbursement of amounts in the Operating Reserve Fund for payment of
such Operating Expenses and debt service on the Bonds. Following receipt of any such request, the
Servicer may authorize the disbursement of such sums from the Operating Reserve Fund as it shall
have approved from time to time. If moneys are disbursed from the Operating Reserve Fund, the
Borrower shall, from time to time, deposit into the Operating Reserve Fund any Net Operating
Revenues that it realizes until the amount so deposited is equal to the aggregate amounts so
disbursed.

(j) [Reserved].

(k) On or before February 15, 2016, the Borrower shall deposit 85% of the Net
Operating Income for calendar year 2015 into the NOI Account of the Project Fund to be held by the
Trustee until the Stabilization Date and applied to the redemption of Bonds at Stabilization. The
Borrower shall not be obligated to deposit additional funds into the NOI Account of the Project Fund
so long as the Loan remains “in balance.” If an Event of Default has occurred due to the Loan not
being “in balance,” the Servicer may require that the Net Operating Income of the Project be
deposited into the NOI Account of the Project Fund.

Section 5.23 Covenants Regarding Tax Credits. The Borrower hereby agrees to comply
with all of the following covenants (each, a “Tax Credit Covenant”):

(a) To observe and perform all obligations imposed on the Borrower in
connection with the Tax Credits, including the obligation to have the Project “placed in service”
(within the meaning given in Section 42 of the Code) in a timely manner; and to operate the
residential units of the Project, and to use the Borrower’s best efforts to cause all appropriate parties
to operate the same, in accordance with all requirements, statutes, and regulations governing the Tax
Credits;

(b) To preserve at all times the allocation and availability of the Tax Credits;
(c) Not to release, forego, alter, amend, or modify its rights to the Tax Credits without the Servicer’s prior written consent, which the Servicer may give or withhold in the Servicer’s reasonable discretion;

(d) Not to execute any residential lease of all or any portion of the Project which does not comply fully with all requirements, statutes, and regulations governing the Tax Credits, without the Servicer’s prior written consent, which the Servicer may give or withhold in the Servicer’s sole and absolute discretion;

(e) To cause to be kept all records, and cause to be made all elections and certifications, pertaining to the number and size of apartment units, occupancy thereof by tenants, income level of tenants, set-asides for low-income tenants, and any other matters now or hereafter required to qualify for and maintain the Tax Credits in connection with the low-income occupancy of the Project;

(f) To comply with the appropriate minimum low-income set-aside requirements under the Code or applicable federal regulations (the “Federal Laws”) and all laws and regulations of the State (the “State Laws”) applicable to the creation, maintenance and continued availability of the Tax Credits;

(g) To certify compliance with the set-aside requirements and report the dollar amount of qualified basis and maximum applicable percentage, date of placement in service and any other information required for the Tax Credits at such time periods as required by Federal Laws or State Laws for such Tax Credits;

(h) To set aside the appropriate number of units for households with incomes meeting the required standards of the median income of the county in which the Project is located to qualify for the Tax Credits (as determined pursuant to Section 42 of the Code and/or State Laws), adjusted for family size, and to operate and maintain all such units as “low-income units” qualifying for the Tax Credits under Section 42(i)(3) of the Code and/or State Laws;

(i) To exercise good faith in all activities relating to the operation and maintenance of the Project in accordance with the requirement of Federal Laws and State Laws; and

(j) To promptly deliver to the Servicer true and correct copies of all notices or other documents or communications received or given by the Borrower with regard to or relating in any way to the Borrower’s partnership interests and/or the Tax Credits. Immediately upon receipt thereof, the Borrower shall deliver to the Servicer a copy of (i) the fully-executed allocation of Tax Credits for the Project; (ii) the basis audit (as required by Section 42 of the Code) for the Project (including a certificate of the Borrower’s accountant or attorneys if requested by the Servicer); (iii) the first annual income certification for all tenants of the Project showing that the tenants are qualified for purposes of the Borrower’s obtaining Tax Credits, and (iv) the fully-completed Form 8609 (required by the Code) issued for the Project. The Borrower shall deliver promptly to the Servicer such other certificates, income certificates, reports and information as the Servicer may reasonably request in connection with the availability of the Tax Credits.

The Borrower understands and acknowledges that the Bank is purchasing the Bonds based, in part, upon the value of the Tax Credits, and the Tax Credits, directly or indirectly, constitute part of Trustee’s security on behalf of the Owners of the Bonds, for the obligations of the Borrower in
connection with the Loan. The Borrower agrees to indemnify, defend, and hold the Servicer and the Owners harmless for, from, and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations, and costs or expenses, including litigation costs and reasonable attorneys’ fees, arising from or in any way connected with the Borrower’s failure to comply with one or more Tax Credit Covenants, excepting those arising out of, or resulting, solely from the gross negligence or willful misconduct of the Servicer.

Section 5.24  Leasing.

(a) The Servicer (and all other parties whose approval is required) must approve the Borrower’s standard form of residential lease or rental agreement prior to its use by the Borrower. The Borrower may not materially modify the approved standard form of residential lease without the Servicer’s prior written consent in each instance (which consent shall not be unreasonably withheld), together with the approval of all other parties whose consent is required. Each lease, other than leases on the Borrower’s standard form of residential lease, of any part of the Project is subject to the Servicer’s written approval as to form and substance prior to execution and delivery. Despite the foregoing, the Borrower may enter into residential leases (and amendments) in the ordinary course of business with bona fide third party tenants without the Servicer’s prior written consent if the Borrower uses the approved standard form of residential lease and:

(i) Within fifteen (15) days after the Servicer’s written request therefor, the Servicer receives a copy of the executed lease (accompanied by all financial information and certificates obtained by the Borrower pertaining to the tenant);

(ii) The Borrower, acting in good faith and exercising due diligence, has determined that the tenant qualifies as a low-income family for purposes of meeting the requirements for obtaining Tax Credits;

(iii) The lease meets the standards required by Section 42 of the Code;

(iv) The lease meets the requirements of the Servicer, the Issuer, and the Investor Limited Partner;

(v) The lease reflects an arm’s-length transaction and, so long as the Construction Disbursement Agreement is in effect, conforms to the projections of the Pro Forma Schedule attached thereto;

(vi) The lease does not affect more than one (1) residential unit within the Improvements and is for a minimum term of six (6) months and a maximum term of twelve (12) months, unless otherwise agreed in writing by the Servicer; and

(vii) So long as the Construction Disbursement Agreement is in effect, the lease, together with all leases previously executed, does not cause the Loan to become “out of balance” as that term is defined in Section 1.2(a) of the Construction Disbursement Agreement. The Borrower acknowledges that the Loan may become “out of balance” if the landlord’s aggregate economic obligations under the leases exceed, or the Net Operating Income from the Project fails to meet, the Borrower’s projections for such obligations, thereby increasing the cost or decreasing the value of the Project.
(b) The Servicer in the exercise of its sole discretion may consider any executed lease it receives to be unsatisfactory if the lease fails to meet any of the requirements of this Agreement. If this happens, or if the Borrower at any time fails to submit any executed lease (and accompanying information) at the time required by this Section, or if any Event of Default has occurred and is continuing, the Servicer may make written demand on the Borrower to submit all future leases for the Servicer’s approval prior to execution. The Borrower must comply with any such demand by the Servicer.

(c) The Servicer’s approval of any lease is for the sole purpose of protecting the Servicer’s security and preserving the Servicer’s rights under the Loan Documents. No approval by the Servicer will result in a waiver of any default of the Borrower. In no event will the Servicer’s approval of any lease be a representation of any kind with regard to the lease, its enforceability or the financial capacity of any tenant or guarantor.

(d) The Borrower must perform all obligations required to be performed by it as landlord under any lease affecting any part of the Land or any space within the Improvements.

Section 5.25 Compliance with Anti-Terrorism Regulations.

(a) None of the Related Persons will be included in, owned by, Controlled by, act for or on behalf of, provide assistance, support, sponsorship, or services of any kind to, or otherwise associate with any of the Persons referred to or described in any list of persons, entities, and governments issued by OFAC pursuant to Executive Order 13224 or any other OFAC List.

(c) If Borrower becomes aware or receives any notice that any of the Related Persons are named on any of the OFAC Lists (such occurrence, an “OFAC Violation”), Borrower will immediately (i) give notice to the Issuer, the Trustee and the Servicer of such OFAC Violation, and (ii) comply with all laws applicable to such OFAC Violation (regardless of whether the party included on any of the OFAC Lists is located within the jurisdiction of the United States of America), including, without limitation, the Anti-Terrorism Regulations, and Borrower hereby authorizes and consents to Issuer’s, Trustee’s and Servicer’s taking any and all steps Issuer, Trustee and Servicer deem necessary, in the sole discretion of each of Issuer, Trustee and Servicer, to comply with all laws applicable to any such OFAC Violation, including, without limitation, the requirements of the Anti-Terrorism Regulations (including the “freezing” and/or “blocking” of assets).
(d) Upon Issuer, Trustee’s or Servicer’s request from time to time during the term of the Loan, Borrower agrees deliver a certification confirming that the representations and warranties set forth in this Agreement remain true and correct as of the date of such certificate and confirming Borrower’s compliance with this Section. Borrower also agrees to cooperate with each of Issuer, Trustee and Servicer, and to cause each Related Person to cooperate with Issuer, Trustee and Servicer, in providing such additional information and documentation on Borrower’s and such Related Person’s legal or beneficial ownership, policies, procedures and sources of funds as Issuer, Trustee and Servicer deem necessary or prudent to enable each of them to comply with the Anti-Terrorism Regulations as now in existence or hereafter amended. From time to time upon the written request of Issuer, Trustee or Servicer, Borrower shall deliver to the requesting party a schedule of the name, legal domicile, address and jurisdiction of organization, if applicable, for each Related Party and each holder of a legal interest in any Borrower.

ARTICLE VI

OPTION AND OBLIGATIONS OF BORROWER TO PREPAY

Section 6.1 Optional Prepayment.

(iii) cause the Project to be completed, constructed and equipped in accordance with the Plans and Specifications, with such changes therein as the Servicer may, from time to time, and in its sole discretion, deem appropriate.

Any amounts collected pursuant to action taken under this Section (other than amounts collected by the Issuer pursuant to the Reserved Rights) shall, after the payment of the costs
and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer, the Trustee or the Servicer and their respective Counsel, be paid into the Revenue Fund (unless otherwise provided in this Loan Agreement) and applied in accordance with the provisions of the Indenture. No action taken pursuant to this Section 7.2 shall relieve the Borrower from the Borrower’s obligations pursuant to Section 3.2 hereof.

Section 7.3  No Remedy Exclusive. No remedy conferred herein or in any other Loan Document upon or reserved to the Trustee or the Servicer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee or the Servicer to exercise any remedy reserved to it herein or in any other Loan Document, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

Section 7.4  Agreement to Pay Fees and Expenses of Counsel. If an Event of Default shall occur under this Loan Agreement or under any of the other Loan Documents, and the Issuer, the Trustee, the Servicer should employ counsel or incur other expenses for the collection of the indebtedness or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower herein or therein contained, the Borrower agrees that it will on demand therefor pay to any such party, or, if so directed by any such party, to its counsel, the reasonable actually incurred fees of such Counsel and all other out-of-pocket expenses incurred by or on behalf of the Issuer, the Trustee, the Servicer.

Section 7.5  No Additional Waiver Implied by One Waiver; Consents to Waivers. In the event any agreement contained in this Loan Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. No waiver shall be effective unless in writing and signed by the party making the waiver.

Section 7.6  Remedies Subject to Applicable Law. All rights, remedies, and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of law, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the Land and to be limited to the extent necessary so that they will not render this Loan Agreement invalid, unenforceable, or not entitled to be recorded, registered, or filed under the provisions of any applicable law.

Section 7.7  Cure by Investor Limited Partner. The Issuer, the Trustee and the Servicer hereby agree that cure of any Event of Default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 7.8  Issuer Exercise of Remedies. Notwithstanding anything to the contrary contained herein, the Issuer may enforce its Reserved Rights under the Loan Documents and exercise the permitted remedies with respect thereto against the Borrower; provided that the Issuer shall not commence or direct the Trustee to commence any action to declare the outstanding balance of the
Bonds or the Loan to be due and neither the Issuer nor the Trustee shall take any action in respect of Reserved Rights (i) to foreclose to take similar action under the Mortgage or otherwise in respect of any liens upon or security interests in the Project or other property pledged to secure the Borrower’s obligations under the Loan Documents, (ii) to appoint a receiver, (iii) to enforce any similar remedy against the Project or other property pledged to secure the Borrower’s obligations under the Loan Documents; or (iv) to enforce any other remedy which would cause any liens or security interests granted under the Loan Documents to be discharged or materially impaired thereby.

ARTICLE VIII

MISCELLANEOUS

Section 8.1 General Provisions. The following provisions shall be applicable at all times throughout the term of this Loan Agreement:

(a) The Issuer, the Trustee and the Servicer shall, at all times, be free to establish independently to their respective satisfaction and in their respective absolute discretion the existence or nonexistence of any fact or facts the existence of which is a condition of this Loan Agreement or any other Loan Document.

(b) The Bonds and the obligations and undertakings of the Issuer hereunder do not constitute a general obligation of the Issuer, the City of Sacramento or the State or any political subdivision thereof, and recourse on the Bonds and on the instruments and documents executed and delivered by or on behalf of the Issuer in connection with the transactions contemplated hereby may be had only against certain moneys due and to become due under the Loan Documents (and not against any moneys due or to become due to the Issuer pursuant to the Reserved Rights). No recourse shall be had for the payment of the principal of or interest on the Bonds, or for any claim based thereon or on this Loan Agreement or any other Loan Document, any Issuer Document or any instrument or document executed and delivered by or on behalf of the Issuer in connection with the transactions contemplated hereby, against the Issuer or any member, officer, employee or other elected or appointed official, past, present or future, of the Issuer or any successor body, as such, either directly or through the Issuer or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or by any legal or equitable proceeding or otherwise and all such liability of the Issuer or any such incorporation, member, officer, director, employee, any other elected or appointed official or trustee as such is hereby expressly waived and released as a condition of and consideration for the adoption of the resolution authorizing the execution of the Issuer Documents and issuance of the Bonds and the delivery of other documents in connection herewith. No member, officer, employee or other elected or appointed official past, present or future, of the Issuer or any successor body shall be personally liable on the Issuer Documents, the Bonds or any other documents in connection herewith, nor shall the issuance of the Bonds be considered as misfeasance or malfeasance in office. The Bonds and the undertakings of the Issuer under the Issuer Documents do not constitute a pledge of the general credit or taxing power of the Issuer, the City of Sacramento, the State, or any political subdivision thereof, do not evidence and shall never constitute a debt of the City of Sacramento, the State or any political subdivision thereof (other than the Issuer), and shall never constitute nor give rise to a pecuniary liability of the City of Sacramento, the State or any political subdivision thereof, other than the Issuer.
Section 8.2 Authorized Borrower Representative. Pursuant to written direction provided on the Closing Date, the Borrower has appointed one or more Authorized Representative for the purpose of taking all actions and making all certificates required to be taken and made by the Authorized Representative under the provisions of the Loan Documents. Whenever under the provisions of any Loan Document the approval of the Borrower is required or any party is required to take some action at the request of the Borrower, such approval or such request shall be made by the Authorized Borrower Representative, unless otherwise specified in this Loan Agreement, and the Issuer, the Trustee and the Servicer shall be authorized to act on any such approval or request and the Borrower shall have no complaint against any such party as a result of any such action taken in conformity with such approval or request by the Authorized Borrower Representative.

Section 8.3 Binding Effect. This Loan Agreement shall inure to the benefit of and shall be binding upon the Issuer, the Trustee and the Borrower and their respective successors and permitted assigns. The Borrower acknowledges and agrees that the Issuer has assigned or is assigning its rights under this Loan Agreement to the Trustee, and that, pursuant to the Indenture, Trustee will follow directions from the Servicer in implementing certain of the rights and remedies under this Loan Agreement. The Owners of the Bonds and the Servicer shall be express third party beneficiaries of this Loan Agreement, and shall have the right to enforce directly against Borrower or other persons the rights and implement the rights and remedies provided to each of them hereunder, but not including the Reserved Rights; provided, however, that the rights of the Owners to bring actions and implement rights and remedies hereunder shall be subject to the same restrictions as are imposed with respect to actions, rights and remedies of the Owners under the Indenture.

Section 8.4 Execution in Counterparts. This Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided, however, that for purposes of perfecting a lien or security interest in this Loan Agreement by the Trustee, whether under Article 9 of the Uniform Commercial Code of the State or otherwise, only the counterpart delivered to, and receipted by, the Trustee shall be deemed the original.

Section 8.5 Amendments, Changes and Modifications. Subsequent to the issuance of the Bonds and prior to payment or provision for the payment of the Bonds in full (including interest thereon) in accordance with the provisions of the Indenture and except as otherwise provided herein, the Loan Documents may not be amended, changed, modified, altered or terminated by the Issuer, the Trustee or the Borrower except in compliance with Article IX of the Indenture.

Section 8.6 Severability. In the event any provision of this Loan Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof and such invalid or unenforceable provision shall be deemed no longer to be contained in this Loan Agreement.

Section 8.7 Notices. All notices, demands, requests, consents, approvals, certificates or other communications hereunder shall be effective if given in the manner required in Section 10.08 of the Indenture.

Section 8.8 Applicable Law. This Loan Agreement shall be governed exclusively by and construed in accordance with the laws of the State.
Section 8.9  Debtor-Creditor Relationship. It is expressly understood and agreed that the relationship between the Issuer and the Borrower established by the transaction contemplated by this Loan Agreement and by all of the other Loan Documents is exclusively that of creditor or lender, on the part of the Issuer, and debtor or borrower, on the part of the Borrower and is in no way to be construed as a partnership or joint venture of any kind. It is further understood that all payments by the Borrower under the Loan Documents shall be exclusively on account of the said debtor/creditor relationship.

Section 8.10  Usury; Total Interest. This Loan Agreement is subject to the express condition, and it is agreed, that at no time shall payments hereunder, under the Note or under the other Loan Documents that are or are construed to be payments of interest on the unpaid principal amount of the Loan reflect interest that is borne at a rate in excess of the Maximum Interest Rate. The Borrower shall not be obligated or required to pay, nor shall the Issuer be permitted to charge or collect, interest borne at a rate in excess of the Maximum Interest Rate. If by the terms of this Loan Agreement or the other Loan Documents the Borrower is required to make such payments reflecting interest borne at a rate in excess of the Maximum Interest Rate, such payments shall be deemed to be reduced immediately and automatically to reflect the Maximum Interest Rate. It is further agreed that the total of amounts paid hereunder as interest on the Loan which is to pay interest on the Bonds, cumulative from the date of the Note, shall not exceed the sum of 5% per month, simple and non-compounded for each month from such date to the date of calculation (calculated on the basis of a 360-day year of twelve thirty-day months). Any such excess payment previously made in either case shall be immediately and automatically applied to the unpaid balance of the principal sum of the Loan and not to the payment of interest thereon. This Loan Agreement is also subject to the condition that amounts paid hereunder representing late payment or penalty charges or the like shall only be payable to the extent permitted by law.

Section 8.11  Term of this Loan Agreement. This Loan Agreement shall be in full force and effect from its date to and including such date as all of the Bonds issued under the Indenture shall have been fully paid or retired in accordance with their terms and the terms of the Indenture (or provision for such payment shall have been made as provided in the Indenture), except, however, that the covenants and provisions relating to the Reserved Rights of the Issuer and the covenants relating to the preservation of exclusion from gross income of interest on the Bonds for purposes of federal income taxation shall survive the termination hereof.

Section 8.12  Non-Recourse. Anything contained in any provision of this Loan Agreement, the Mortgage, the Regulatory Agreement, the Borrower’s Tax Certificate or the Note notwithstanding, in the event of any proceeding to foreclose the Mortgage or otherwise to enforce the provisions of the Note, this Loan Agreement, the Mortgage or the Regulatory Agreement after Stabilization, neither the Issuer, nor the Trustee or other holder of the Note (collectively, the “Noteholder”), nor any Owner of Bonds, nor any beneficiary of the Mortgage shall be entitled to take any action to procure any personal money judgment or any deficiency decree against the Borrower or any partner of the Borrower or its or their heirs, personal representatives, successors and assigns, it being understood and agreed that recourse hereon and under the Mortgage, the Regulatory Agreement and the Note shall, following Stabilization, be limited to the assets of the Borrower that are the security from time to time provided with respect to the Note and this Loan Agreement; provided, however, nothing herein contained shall limit or be construed to limit or impair the enforcement against the Project or any other additional security as may from time to time be given to the beneficiary hereof as security for the performance of this Loan Agreement, the Mortgage, the Regulatory Agreement, the Borrower’s Tax Certificate, the Note, or any other instrument now or

hereafter securing the Note or this Loan Agreement, or the rights and remedies of the Trustee or the beneficiary, its successors and assigns, under this Loan Agreement, the Mortgage, the Regulatory Agreement, the Tax Certificate or the Note or any other instruments. Notwithstanding the foregoing, the provisions of this Section shall be null and void and have no force and effect to the extent of any loss suffered by the Issuer, the Trustee, any Bondholder or any beneficiary of or the trustee under the Mortgage as a result of the Borrower’s: (a) committing any act of fraud; (b) misapplication of any condemnation award or casualty insurance proceeds; (c) failure to apply the revenues of the Project in the manner and for the purposes provided in the Bond Documents, whether before or after an Event of Default; or (d) violation of any environmental laws. Nothing herein shall be deemed to prohibit the naming of the Borrower in an action to realize upon the remedies provided herein either at law or in equity, subject to the foregoing limitation against a personal money judgment or deficiency decree against the Borrower, the partners of the Borrower or their heirs, personal representatives, successors and assigns, or to prohibit the naming of any person in any action to realize upon the remedies provided in the General Partner Documents, the Guarantor Documents or any other guaranty given in favor of the Issuer, the Trustee or the Servicer.

Section 8.13 PATRIOT Act Notice. Issuer hereby notifies Borrower and Guarantor that, pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies Borrower and Guarantor, which information includes the names and addresses of Borrower and Guarantor and other information that will allow Issuer to identify Borrower and Guarantor in accordance with the PATRIOT Act.

At no time shall interest be payable on this Note or under the Mortgage or the Loan Agreement at a rate in excess of the Maximum Interest Rate. Borrower shall not be obligated or required to pay, nor shall the Holder per permitted to charge or collect, interest at a rate in excess of the Maximum Interest Rate. If by the terms of this Note or of the Mortgage or Loan Agreement, Borrower is required to pay interest at a rate in excess of the Maximum Interest Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to the Maximum Interest Rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Note is subject to all of the terms, conditions, and provisions of the Loan Agreement, including Section 8.12 thereof and the provisions of the Loan Agreement respecting prepayment and the acceleration of maturity and is further subject to all of the terms, conditions and provisions of the Indenture. The outstanding principal hereof is subject to acceleration at the same time or times and under the same terms and conditions, and with the same notice, if any, as provided under the Indenture for the acceleration of payment of the Bonds.

If there is an Event of Default under the Loan Documents, then in any such event and subject to the requirements set forth in the Loan Agreement, the Holder may, upon the direction of the Servicer, declare the entire unpaid principal balance of this Note and accrued interest, if any, due and payable at once. All of the covenants, conditions and agreements contained in the Loan Documents are hereby made part of this Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Note or the Loan Documents shall operate as a waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of the Holder under this Note and the Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

Borrower shall pay all costs of collection on demand by the Holder, including without limitation, reasonable attorneys’ fees and disbursements actually incurred, which costs may be added to the indebtedness hereunder, together with interest thereon at the Alternative Rate to the extent allowed by law.

This Note may not be changed orally. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of Borrower to pay the entire sum then due, and Borrower’s failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Consent by the Holder to any action of Borrower which is subject to consent or approval of the Holder hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions.
Borrower agrees that this Note shall be construed in accordance with and governed by the laws of the State of California.

SCHEDULE OF INSURANCE REQUIREMENTS

1. General Requirements

In order to close, the following insurance specifications must be met and approved in writing by the Bank’s insurance consultant. Copies of policies together with an original ACORD 28 (Evidence of Property Insurance) and an ACORD 25 (Certificate of Insurance) or an approved equivalent listing all coverage will be accepted for pre-closing contingent on complete “true and certified” copies of the policies with all endorsements attached being received within 90 days after closing. Each certificate must correctly identify the property by address and the insured by borrowing entity name.

Policy premiums cannot be financed or paid in installments to an insurance carrier, but must be paid in full as evidenced by a paid receipt presented prior to or at pre-closing. All policies and renewals thereof are to be written for not less than one year. An escrow account, as described further in the loan application, will be established to pay the premium at renewal.

All of the liability policies must be written and provide for claims to be paid on an “Occurrence” basis.

Each policy must have a cancellation provision that provides that the carrier will notify Mortgagee, its successors and/or assigns, in writing at least 30 days in advance of any policy reduction or cancellation for any reason except for non-payment of premium (for which not less than 10 days written notice shall be provided).

The insurer under each policy shall be a domestic primary insurance company duly qualified as such under the laws of the states in which the Property is located and duly authorized, admitted and licensed in such states to transact the applicable insurance business and to write the insurance provided and must have and maintain a rating of AA or higher by Standard & Poor’s or A.M. Best rating of A-IX or higher for any Mortgage Loan $20,000,000 or above. For any Mortgage Loan below $20,000,000, the insurance carrier must have and maintain a rating of “A” or higher by Standard & Poor’s and/or an A.M. Best rating of A-VI or higher.

The insurance policies may be part of a blanket policy provided the insured acknowledges that failure to pay any portion of the premium which is not allocable to the mortgaged property or any other action not relating to the mortgaged property which would otherwise permit the issuer to cancel the coverage, would require the mortgaged property to be insured by a separate, single-property policy. The blanket policy must properly identify and fully protect the mortgaged property as if a separate policy were issued for 100% of Replacement Cost (insurable value) at the time of loss, allocate a portion of the premium to the mortgaged property, and otherwise meet all applicable insurance requirements of the Bank.

During the life of the loan, should any condition change or occur which affects the levels of risk anticipated, Borrower will be required to obtain appropriate coverage to mitigate the associated risk.

*If any required type of coverage is not available for the mortgaged property, Mortgagee shall have no obligation to close the loan.*
2. **Mortgagee Clause**

All policies must include EXACTLY the following standard, non-contributory, mortgagee clause:

U.S. Bank National Association  
One California Street, Suite 1000,  
Mail Code-SF-CA-SFCT,  
San Francisco, CA 94111  

Mortgagee must be named as a first *Mortgagee* with respect to buildings, *Loss Payee* with respect to loss of rents/business interruption, and *Additional Insured* with respect to general liability.

3. **Waiver of Subrogation**

Not Required.

4. **Required Insurance Coverage**

Borrower is required to maintain the following policies of insurance during the term of the Loan:

- **All Risk or Special Causes of Loss Form Property Insurance.** Property insurance must be maintained insuring against loss or damage by fire, lightning, wind and such other perils as are included in a standard “all-risk” or “special causes of loss” form, and against loss or damage by all other risks and hazards covered by a standard property insurance policy including, without limitation, riot and civil commotion, vandalism, malicious mischief, burglary and theft. Such insurance shall be in an amount equal to the then full replacement cost of the Improvements, Equipment and personal property, without deduction for physical depreciation, no co-insurance is permitted, and maximum acceptable deductible is $25,000. If the property is “non-conforming” with respect to zoning requirements, Borrower will be required to maintain “demolition” insurance (in an amount equal to 10% of the building value) and “increased cost of construction” insurance (in an amount equal to 25% of the building value). The burden to prove conforming use is the borrowers.

- **Terrorism Insurance.** For Loans in excess of $10 million and if the insurance required under the subparagraph immediately above excludes terrorism, terrorism insurance must be maintained, unless at the time of determination: (i) it is not available at commercially reasonable rates; (ii) no affiliates of Borrower have purchased terrorism insurance with respect to another property, (iii) terrorism insurance is not commonly maintained by owners of other similar properties and (iv) it is not required for securitized loans similar to the Loan and secured by property similar to the Property in the commercial mortgage-backed securities market.

- **Flood Insurance.** If any portion of the Improvements are located in an area identified by the Federal Emergency Management Agency as an area having special flood hazards (i.e. Zone A and V) and in which flood insurance is made available under the National Flood Insurance Program, then flood insurance must be maintained at least equal to the lesser of (A) the full replacement cost, together with business interruption coverage or (B) the maximum limit of coverage available for the Property under the National Flood Insurance Act of 1968, The Flood Disaster Protection Act of 1973 and the National Flood Insurance Reform Act of 1994,
as each may be amended, or $250,000 per residential building and $500,000 per commercial building.

- **Earthquake Insurance.** If a seismic study is required by this Program Summary and such study reveals a 50 year/10% PML of not more than 20% of the replacement cost (as determined by the Bank), earthquake insurance will not be required. If the PML study reveals that a 50 year/10% PML of greater than 20% of the replacement cost, then earthquake insurance must be maintained in an amount equal to the replacement cost with a maximum deductible of 10% replacement cost.

- **Boiler and Machinery Insurance.** If the Property contains HVAC equipment, or there are boilers or other pressure-fired vessels that are required to be regulated by the state in which the property is located, then Broad Form Boiler and Machinery Insurance (without exclusion for explosion and including “system breakdown coverage) must be maintained on the Property and Improvements in an amount at least equal to or greater than the repair and full replacement cost of such equipment and insurance against loss of occupancy or use arising from any breakdown of such equipment in such amounts as are generally required by institutional lenders for properties comparable to the Property.

- **Business Interruption/Loss of Rental Income Insurance.** Business Interruption and/or loss of rental income insurance must be maintained in an amount sufficient to provide proceeds that will cover the “actual loss” sustained during the restoration. No co-insurance is permitted. The “actual loss” coverage amount may be capped based on projected gross revenues (less non-recurring expenses) for a twelve (12) month period. The policy can provide an “Extended Period of Indemnity” endorsement for at least an additional 90 days for loans of $20 million or more. The perils covered by this insurance shall be the same as those required to be covered on the real property including flood, terrorism and earthquake, as necessary.

- **Builders Risk Insurance.** Borrower is required to maintain, at all times during which structural construction repairs or alterations are being made with respect to the improvements (A) owner’s contingent or protective liability insurance covering claims not covered by or under the terms or provisions of the above mentioned commercial general liability insurance policy; and (B) the insurance provided for in Paragraph 1 hereof written in a so-called builder’s risk completed value form (1) on a non-reporting basis, (2) against all risks insured against pursuant to said Paragraph 1 hereof, (3) including permission to occupy the Property, and (4) with an agreed amount endorsement waiving co-insurance provisions.

- **Commercial General Liability Insurance.** Borrower must maintain Commercial General Liability Insurance on an “occurrence” form including broad form property damage, contractual damages and personal injuries (including death resulting therefrom) and a liquor liability endorsement if Borrower sells liquor on the Property. In addition, excess and/or umbrella liability insurance must be maintained against all claims typically covered by an umbrella liability policy including all legal liability imposed upon Borrower and all court costs and attorneys’ fees connected with the ownership, operation, and maintenance of the Property and Equipment, including products/completed operations, if applicable. The per occurrence limits including umbrella liability insurance, if applicable, must be maintained in the minimum amounts as outlined below:
$1,000,000 total coverage for 1 to 3 story buildings
$5,000,000 total coverage for 4 to 10 story buildings
$10,000,000 total coverage for 11 to 20 story buildings
$25,000,000 total coverage for buildings with greater than 20 stories

If Borrower has a multi-location policy or loan, the aggregates referred to above must be maintained on a per location basis.

- **Wind Insurance.** If the All Risk or Special Cause of Loss coverage excludes wind, the Borrower must present evidence of separate wind coverage. Maximum acceptable deductible for this peril is 5% of total insured value.

- **Sinkhole and Mine Subsidence Insurance.** Sinkhole and mine subsidence insurance must be maintained if, in the opinion of a professional engineer, whose resume shows evidence of his/her experience in this professional area, that there is a foreseeable risk of loss due to this hazard. If necessary, as determined by the engineer, Borrower shall maintain coverage in the full principal amount of the Loan.

- **Statutory Workers Compensation Insurance.** If Borrower has employees on site, statutory workers compensation insurance as required by law and including employer’s liability must be maintained in an amount that is at least customary for employers insuring similar risks.

- **Hired and Non-Owned Auto Insurance.** If Borrower has employees on site, Hired and Non-Owned Auto Insurance must be maintained in an amount equal to $1 Million combined single limit.

- **Employee Dishonesty.** If Borrower has employees on site, in an amount not less than three (3) months of gross revenue from the property and with a deductible not greater than Twenty-Five Thousand and no/100 Dollars ($25,000). This coverage is required only on Cooperative Corporations.

- **Other Insurance Coverage.** Such other insurance with respect to the Property or on any replacements or substitutions or additions or increased coverage limits as may from time to time be required by the holder of the Loan against other insurable hazards or casualties which at the time are commonly insured against in the case of property similarly situated, including, without limitation, sinkhole, mold, mine subsidence, earthquake and environmental insurance, due regard being given the height and typed of buildings, their construction, location, use and occupancy.

This Bond and the interest thereon shall not be deemed to constitute or to create in any manner an indebtedness or obligation of the City of Sacramento, the State or any county, municipality or political subdivision thereof, and will not constitute or result in the creation of an indebtedness of the City of Sacramento, the State or any county, municipality or political subdivision thereof, but shall be limited obligations of the Issuer payable solely from the

The Issuer has no taxing power.

THE OBLIGATIONS OF THE ISSUER ON THIS BOND ARE EXPRESSLY LIMITED TO AND ARE PAYABLE SOLELY FROM (I) THE PAYMENTS MADE PURSUANT TO THE LOAN AGREEMENT BY THE BORROWER, AND THE SECURITY THEREFOR PROVIDED BY THE MORTGAGE AND THE SECURITY AGREEMENT (AS THOSE TERMS ARE DEFINED IN THE INDENTURE) AND ANY OTHER COLLATERAL SECURITY FROM TIME TO TIME HELD BY THE TRUSTEE, AND (II) ANY ADDITIONAL SECURITY PROVIDED IN THE INDENTURE.

Interest Rates. This Bond shall bear interest at the applicable rate provided below. On each Interest Payment Date, interest accrued through the day immediately preceding such Interest Payment Date shall be payable. While this Bond bears interest at the Fixed Rate (or an Alternative Rate based upon the Fixed Rate), interest on this Bond shall be computed on the basis of a 360-day year of twelve equal months of 30 days each. While this Bond bears interest at the Reset Rate or the Variable Rate (or an Alternative Rate based upon the Reset Rate or the Variable Rate), interest on this Bond shall be computed on the basis of a 360-day year and actual days elapsed. While this Bond bears interest at the Taxable Rate, interest on this Bond shall be computed on the basis of a year of 365 or 366 days, as applicable, and actual days elapsed.

Variable Rate. Commencing on the Dated Date and ending on (and including) the earliest of the day before the Conversion Date (hereinafter defined), the day before the Maturity Date or the date of redemption prior to maturity, this Bond shall bear interest at the Variable Rate (as defined in the Indenture) per annum equal to a variable rate established as hereinafter provided (the “Variable Rate”).

Fixed Rate. From and after the Conversion Date (as defined in the Indenture), this Bond shall bear interest at a fixed rate per annum of Three and Ninety-Three One Hundredths of One percent (3.93%).

Reset Rate. From and after the Reset Date (as defined in the Indenture) until the Maturity Date, this Bond shall bear interest at the Reset Rate (as defined in the Indenture).

Following the occurrence of an Event of Default under the Loan Agreement or an Event of Default under the Indenture, the Bonds shall bear interest at the Alternative Rate, as that term is defined in the Indenture. If a Determination of Taxability occurs, this Bond shall bear interest from the date of the Determination of Taxability at the Taxable Rate, and the Owner shall also be paid Additional Interest, as provided in the Indenture.

Maximum Rate. Notwithstanding any other provision of this Bond or the Indenture, under no circumstances shall interest on the Bonds exceed the Maximum Rate, which is the highest per annum rate of interest permissible under the Act and the laws of the State, calculated
by taking into account all available exceptions. At the time of Bond issuance, the Maximum Rate is twelve percent (12%) per annum.

Usury. Notwithstanding any provision of this Bond to the contrary, in no event shall the interest contracted for, charged or received in connection with this Bond (including any other costs or considerations that constitute interest under the laws of the State which are contracted for, charged or received pursuant to this Bond) exceed the maximum rate of nonusurious interest allowed under the laws of the State as presently in effect and to the extent of any increase allowable by such laws. To the extent permitted by law, interest contracted for, charged or received on this Bond shall be allocated over the entire term of this Bond, to the end that interest paid on this Bond does not exceed the Maximum Rate. Excess interest, if any, provided for in this Bond, or otherwise, shall be canceled automatically as of the date of such acceleration or, if theretofore paid, shall be credited as principal paid on this Bond.

Registration and Transfer. THIS BOND IS SUBJECT TO THE TRANSFER RESTRICTIONS SET FORTH IN SECTION 3.09 OF THE INDENTURE. This Bond is transferable by the registered owner hereof in person or by his attorney duly authorized in writing at the office of the Trustee as registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. Upon such transfer a new registered Bond or Bonds, of any authorized denomination or denominations, of the same maturity and for the same aggregate principal amount will be issued to the transferee in exchange herefor. The Bonds are issuable as fully registered Bonds in Authorized Denominations as provided in the Indenture. The Issuer, the Trustee, and any other person may treat the person in whose name this Bond is registered on the books of registry as the Owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Bond be overdue, and no person shall be affected by notice to the contrary.

Transfer Restrictions. The Bonds shall be transferred only in minimum denominations of $250,000; provided, however, that a single Bond may remain outstanding if due to partial redemptions the amount remaining outstanding on the applicable Bond is less than $250,000; provided further that an additional Bond may be transferred in a principal amount not less than $250,000. Without the prior written consent of the Issuer (which may be granted or withheld in its sole and absolute discretion), prior to the Conversion Date, there shall be no transfer of the Bonds except to (i) an affiliate of the initial Owner, or to any successor to initial Owner, whether by merger, acquisition of assets or otherwise, or (ii) a single Qualified Institutional Buyer which certifies that it is a Qualified Institutional Buyer to the Issuer by executing and delivering an investor’s letter substantially in the form attached as Exhibit B to the Indenture. On and after the Conversion Date, the Bonds shall only be sold and subsequently transferred to (A) Qualified Institutional Buyers (with the transferee certifying in writing to the Issuer that it is a Qualified Institutional Buyer by executing and delivering an investor’s letter substantially in the form attached as Exhibit B to the Indenture), (B) a trustee or custodian of a trust the participants of which are all Qualified Institutional Buyers and/or (C) an affiliate of the initial Owner, or any successor to the initial Owner, whether by merger, acquisition of assets or otherwise. Following any transfer of the Bonds, subject to the restrictions in Section 3.09(f) of the Indenture, there shall be no more than fifteen (15) different Bondowners; provided there shall at all times be a
Majority Owner. No Bondholder shall transfer any Bond other than by a transfer made on the Bond Register maintained by the Trustee in accordance with the Indenture.

Redemption of Bonds. This Bond is subject to optional and mandatory redemption (and purchase in lieu of redemption by the Borrower) prior to maturity as a whole or in part at such time or times, under such circumstances, at such redemption prices and in such manner as is set forth in the Indenture.

Enforcement. Only the Servicer shall have the right to direct the Trustee to enforce the provisions of this Bond or the Indenture or to institute any action to enforce the covenants herein or therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture. If an Event of Default occurs and is continuing, the principal of all Bonds then outstanding may be declared due and payable by the Servicer upon the conditions and in the manner and with the effect provided in the Indenture. As provided in the Indenture, and to the extent permitted by law, interest and a penalty rate of interest shall be payable on unpaid amounts due hereon.

Discharge. The Indenture prescribes the manner in which it may be discharged and after which the Bonds shall be deemed to be paid and no longer be secured by or entitled to the benefits of the Indenture, except for the purposes of registration and exchange of Bonds and of such payment.

Modifications. Modifications or alterations of the Indenture, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Indenture.

This Bond shall not be valid or obligatory for any purpose until it shall have been signed on behalf of the Issuer and such signature attested, by the officer, and in the manner, provided in the Indenture, and authenticated by a duly authorized officer of the Trustee, as Authenticating Agent.

It is hereby certified and recited that all conditions, acts and things required by the statutes of the State or by the Act or the Indenture to exist, to have happened or to have been performed precedent to or in the issuance of this Bond exist, have happened and have been performed and that the issue of the Bonds, together with all other indebtedness of the Issuer, is within every debt and other limit prescribed by said statutes.

In the event of any inconsistency between the provisions of this Bond and the provisions of the Indenture, the provisions of the Indenture shall control.
IN WITNESS WHEREOF, the Housing Authority of the City of Sacramento has caused this Bond to be executed in its name by the manual or facsimile signature of its Executive Director and attested by the manual or facsimile signature of the Clerk of the Sacramento Housing and Redevelopment Agency.
