LEASE AND SUBLEASE AGREEMENT

(Refinancing of 2005 Lease Agreement and Related 2005 Lease Revenue Bonds)

This LEASE AND SUBLEASE AGREEMENT (this “Lease”), dated as of January 27, 2016, is between the GOLDEN WEST SCHOOLS FINANCING AUTHORITY, a joint powers agency duly organized and existing under the laws of the State of California (the “Authority”), as lessee and sublessor, and the OXNARD UNION HIGH SCHOOL DISTRICT, a high school district duly organized and existing under the laws of the State of California (the “District”), as lessor and sublessee.

BACKGROUND:

1. In order to provide financing for the acquisition of property as the site of the Rancho Campana High School, the Authority has previously issued its Golden West Schools Financing Authority 2005 Lease Revenue Bonds (Oxnard Union High School District Financing) in the original aggregate principal amount of $5,745,000 (the “2005 Bonds”), which are secured by lease payments (the “2005 Lease Payments”) made by the District under a Lease Agreement dated as of February 1, 2005 (the “2005 Lease”), between the Authority as lessor and the District as lessee.

2. The 2005 Lease Payments and the 2005 Bonds are subject to prepayment and redemption in full on February 1, 2016, and the District has determined that it can realize interest rate savings at this time by refinancing the 2005 Lease Payments and thereby refinancing the 2005 Bonds.

3. In order to raise funds in the principal amount of $3,904,000 for that purpose, the District has proposed to lease the property which was originally leased under the 2005 Lease, including the improvements thereon, as such property is more
particularly described in Appendix A attached hereto and by this reference incorporated herein (the “Leased Property”), to the Authority for an upfront rental payment which is sufficient for that purpose.

4. The Authority has proposed to lease the Leased Property back to the District in consideration of the payment by the District of semiannual lease payments which reflect the interest rate savings which are realized as a result of the refinancing of the 2005 Lease Payments and the 2005 Bonds.

5. The District and the Authority have agreed to enter into this Lease for the purpose of implementing the financing transactions described above.

AGREEMENT:

In consideration of the foregoing and the material covenants hereinafter contained, the District and the Authority formally covenant, agree and bind themselves as follows:

The District hereby covenants that it has fee simple merchantable title to the Leased Property, free and clear of all recorded liens, encumbrances, easements, public rights-of-way, assessments, leases, taxes and any or all other interests, excepting only Permitted Encumbrances. For and in consideration of the application by the Authority of funds in accordance with Section 3.1, the District hereby leases the Leased Property to the Authority, and the Authority hereby leases the Leased Property from the District, for a term which is coterminous with the Term of this Lease. No merger shall be effected by the District’s lease of the Leased Property to the Authority under this Section, and the Authority’s sublease of the Leased Property back to the District under Section 4.2.

SECTION 4.2. Sublease of Leased Property by Authority Back to District. The Authority hereby subleases the Leased Property back to the District, and the District hereby subleases the Leased Property from the Authority. The Leased Property shall be subleased to the District under this Lease upon the terms and provisions hereof.

SECTION 4.3. Term. The Term of this Lease commences on the date of recordation of this Lease and ends on the date on which all of the Lease Payments have been paid in full. The provisions of this Section are subject to the provisions of Section 6.2 relating to the taking in eminent domain of the Leased Property or any portion thereof.

SECTION 4.4. Lease Payments.

(a) Obligation to Pay. Subject to the provisions of Section 6.2 and the provisions of Article IX, the District agrees to pay to the Authority, its successors and assigns, the Lease Payments (denominated into components of principal and interest) in the respective amounts specified in Appendix B attached hereto and by this reference incorporated herein, to be due and payable in immediately available funds on each of the respective Lease Payment Dates specified in Appendix B. The Lease Payments payable in any Rental Period with respect to the Leased Property shall be for the use of the Leased Property during such Rental Period. The aggregate principal components of the Lease Payments shall be equal to $3,904,000, and the interest components of the
Lease Payments have been calculated based on an interest rate of 2.580% per annum, on the basis of a 360-day year of twelve 30-day months. (b) **Effect of Prepayment.** If the District prepays all Lease Payments in full under Sections 9.2 or 9.3, the District's obligations under this Section will thereupon cease and terminate. If the District prepays the Lease Payments in part but not in whole under Section 9.3, the principal components of the remaining Lease Payments will be reduced on a pro rata basis.

(c) **Rate on Overdue Payments.** If the District fails to make any of the payments required in this Section, the payment in default will continue as an obligation of the District until the amount in default has been fully paid, and the District agrees to pay the same with interest thereon, from the date of default to the date of payment at the rate of 8% per annum.

(d) **Fair Rental Value.** The Lease Payments coming due and payable during each Rental Period constitute the total rental for the Leased Property for such Rental Period, and will be paid by the District in each Rental Period for and in consideration of the right of the use and occupancy of, and the continued quiet use and enjoyment of the Leased Property during each Rental Period. The parties hereto have agreed and determined that the total Lease Payments represent the fair rental value of the Leased Property. In making this determination, consideration has been given to the estimated fair market value of the Leased Property, the costs of financing the deposit required to be made under Section 3.1, other obligations of the District and the Authority under this Lease, the uses and purposes which may be served by the Leased Property and the benefits therefrom which will accrue to the District and the general public.

(e) **Source of Payments; Budget and Appropriation.** The Lease Payments are payable from any source of legally available funds of the District, subject to the provisions of Sections 6.2 and 9.1. The District covenants to take such action as may be necessary to include all Lease Payments in each of its annual budgets during the Term of this Lease and to make the necessary annual appropriations for all such Lease Payments. The covenants on the part of the District herein contained constitute duties imposed by law and it is the duty of each and every public official of the District to take such action and do such things as are required by law in the performance of the official duty of such officials to enable the District to carry out and perform the covenants and agreements in this Lease agreed to be carried out and performed by the District.

(f) **Assignment.** The District understands and agrees that all Lease Payments have been assigned by the Authority to the Assignee under the Assignment of Lease, and the District hereby assents to such assignment. The Authority hereby directs the District, and the District hereby agrees, to pay to the Assignee all payments payable by the District under this Section and all amounts payable by the District under Article IX.

**SECTION 4.5. Quiet Enjoyment.** Throughout the Term of this Lease, the Authority will provide the District with quiet use and enjoyment of the Leased Property and the District will peaceably and quietly have and hold and enjoy the Leased Property, without suit, trouble or hindrance from the Authority, except as expressly set forth in this Lease.
The Authority will, at the request of the District and at the District's cost, join in any legal action in which the District asserts its right to such possession and enjoyment to the extent the Authority may lawfully do so. SECTION 4.6. Title. At all times during the Term of this Lease, the District shall hold title to the Leased Property, including all additions which comprise fixtures, repairs, replacements or modifications thereto, subject to Permitted Encumbrances and subject to the provisions of Section 7.2.

Upon the termination of this Lease (other than under Section 8.2(b) hereof), all right, title and interest of the Authority in and to the Leased Property shall be transferred to and vested in the District. Upon the payment in full of all Lease Payments allocable to the Leased Property, or upon the deposit by the District of security for such Lease Payments as provided in Section 9.1, all right, title and interest of the Authority in and to the Leased Property shall be transferred to and vested in the District. The Authority agrees to take any and all steps and execute and record any and all documents reasonably required by the District to consummate any such transfer of title.

SECTION 4.7. Release of Excess Property. The District may at any time and from time to time, release any portion the Leased Property (the “Released Property”) from the Lease, with the prior written consent of the Assignee (which may not unreasonably be withheld) and upon satisfaction of all of the following requirements which are conditions precedent to such release:

(a) The District shall certify to the Authority and the Assignee that no Event of Default has occurred and is continuing;

(b) The District shall file with the Authority and the Assignee, and cause to be recorded in the office of the Ventura County Recorder an amendment to this Lease which deletes the Released Property from the description of the Leased Property; and

(c) The District shall file with the Authority and the Assignee a written certificate of the District stating the District’s determination that the estimated value of the real property which will remain leased under this Lease following such release is at least equal to the original principal components of the Lease Payments.

Upon the satisfaction of all such conditions precedent, the Term of this Lease will thereupon end as to the Released Property. The District is not entitled to any reduction, diminution, extension or other modification of the Lease Payments whatsoever as a result of such release. The Authority and the District shall execute, deliver and cause to be recorded all documents required to discharge this Lease of record against the Released Property.
ARTICLE V
MAINTENANCE; TAXES; INSURANCE; AND OTHER MATTERS

SECTION 5.1. Maintenance, Utilities, Taxes and Assessments. Throughout the Term of this Lease, as part of the consideration for the rental of the Leased Property, all improvement, repair and maintenance of the Leased Property are the sole responsibility of the District, and the District shall pay for or otherwise arrange for the payment of all utility services supplied to the Leased Property, which may include, without limitation, janitor service, security, power, gas, telephone, light, heating, water and all other utility services, and shall pay for or otherwise arrange for the payment of the cost of the repair and replacement of the Leased Property resulting from ordinary wear and tear or want of care on the part of the District or any assignee or sublessee thereof. In exchange for the Lease Payments herein provided, the Authority agrees to provide only the Leased Property, as hereinbefore more specifically set forth. The District waives the benefits of subsections 1 and 2 of Section 1932, Section 1933(4) and Sections 1941 and 1942 of the California Civil Code, but such waiver does not limit any of the rights of the District under the terms of this Lease.

The District shall pay or cause to be paid all taxes and assessments of any type or nature, if any, charged to the Authority or the District affecting the Leased Property or the respective interests or estates therein; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the District shall pay only such installments as are required to be paid during the Term of this Lease as and when the same become due.

The District may, at the District's expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority notifies the District that, in its reasonable opinion, by nonpayment of any such items the interest of the Authority in the Leased Property will be materially endangered or the Leased Property or any part thereof will be subject to loss or forfeiture, in which event the District will promptly pay such taxes, assessments or charges or provide the Authority with full security against any loss which may result from nonpayment, in form satisfactory to the Authority.

SECTION 5.2. Modification of Leased Property. The District has the right, at its own expense, to make additions, modifications and improvements to the Leased Property or any portion thereof. All additions, modifications and improvements to the Leased Property will thereafter comprise part of the Leased Property and become subject to the provisions of this Lease. Such additions, modifications and improvements shall not in any way damage the Leased Property, or cause the Leased Property to be used for purposes other than those authorized under the provisions of state and federal law; and the Leased Property, upon completion of any additions, modifications and improvements made thereto under this Section, must be of a value which is not substantially less than the value thereof immediately prior to the making of such additions, modifications and improvements.
SECTION 5.3. **Public Liability Insurance.** The District shall maintain or cause to be maintained throughout the Term of this Lease a standard comprehensive general insurance policy or policies in protection of the District, its members, officers, agents, employees and assigns. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the operation of the Leased Property. Such policy or policies must provide coverage of at least $1,000,000 and may be subject to such deductibles as the District deems adequate and prudent. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the District, and may be maintained in whole or in part in the form of the participation by the District in a joint powers authority or other program providing pooled insurance. The District will apply the proceeds of such liability insurance toward extinguishment or satisfaction of the liability with respect to which such proceeds have been paid.

SECTION 5.4. **Casualty Insurance.** The District will procure and maintain, or cause to be procured and maintained, throughout the Term of this Lease, casualty insurance against loss or damage to all buildings situated on the Leased Property and owned by the District, in an amount at least equal to the replacement value of the insured buildings. Such insurance must, as nearly as practicable, cover loss or damage by all "special form" perils. Such insurance shall be subject to a deductible of not to exceed $250,000. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the District, and may be maintained in whole or in part in the form of the participation by the District in a joint powers authority or other program providing pooled insurance. The District will apply the Net Proceeds of such insurance as provided in Section 6.1.

SECTION 5.5. **Rental Interruption Insurance.** The District will procure and maintain, or cause to be procured and maintained, throughout the Term of this Lease, rental interruption or use and occupancy insurance to cover loss, total or partial, of the use of the Leased Property and the improvements situated thereon as a result of any of the hazards covered in the insurance required by Section 5.4, in an amount at least equal to the maximum Lease Payments coming due and payable during any future 24 month period. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the District, and may be maintained in whole or in part in the form of the participation by the District in a joint powers authority or other program providing pooled insurance. The District will apply the Net Proceeds of such insurance towards the payment of the Lease Payments allocable to the insured improvements as the same become due and payable.

SECTION 5.6. **Worker’s Compensation Insurance.** If required by applicable California law, the District shall carry worker’s compensation insurance covering all employees on, in, near or about the Leased Property and, only upon request, shall furnish to the Authority certificates evidencing such coverage throughout the Term of this Lease.

SECTION 5.7. **Recordation Hereof; Title Insurance.** On or before the Closing Date, the District shall, at its expense, (a) cause this Lease, or a memorandum hereof or thereof in form and substance approved by Bond Counsel, to be recorded in the office of the Ventura County Recorder with respect to the Leased Property, and (b) obtain a CLTA title insurance policy insuring the Assignee’s interests in the leasehold estate.
established hereunder in the Leased Property, subject only to Permitted Encumbrances, in an amount equal to the original principal components of the Lease Payments. The District will apply the Net Proceeds received under such title insurance policy to prepay the remaining Lease Payments under Section 9.3.

SECTION 5.8. Insurance Net Proceeds; Form of Policies. All insurance policies (or riders) required by this Article shall be taken out and maintained with responsible insurance companies organized under the laws of one of the states of the United States and qualified to do business in the State of California, and shall contain a provision that the insurer shall not cancel or revise coverage thereunder without giving written notice to the insured parties at least ten days before the cancellation or revision becomes effective. Each insurance policy or rider required by Sections 5.3, 5.4 and 5.5 shall name the District and the Assignee as insured parties and the Assignee as loss payee and shall include a lender’s loss payable endorsement for the benefit of the Assignee. Prior to the Closing Date, the District will provide a signed certification to the Assignee stating that all policies (and riders and endorsements, if any) are in full force and effect. Before the expiration of any such policy (or rider), the District will furnish to the Assignee a certification stating that the policy has been renewed or replaced by another policy conforming to the provisions of this Article unless such insurance is no longer obtainable, in which event the District shall notify the Assignee of such fact.

SECTION 5.9. Installation of District’s Personal Property. The District may at any time and from time to time, in its sole discretion and at its own expense, install or permit to be installed other items of equipment or other personal property in or upon the Leased Property. All such items shall remain the sole property of the District, in which the Authority has no interest, and may be modified or removed by the District at any time. The District must repair and restore any and all damage to the Leased Property resulting from the installation, modification or removal of any such items. Nothing in this Lease prevents the District from purchasing or leasing items to be installed under this Section under a lease or conditional sale agreement, or subject to a vendor’s lien or security agreement, as security for the unpaid portion of the purchase price thereof, provided that no such lien or security interest may attach to any part of the Leased Property.

SECTION 5.10. Liens. The District will not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the Leased Property, other than as herein contemplated and except for such encumbrances as the District certifies in writing to the Authority do not materially and adversely affect the leasehold estate in the Leased Property hereunder and for which the Assignee approves in writing, which approval may not be unreasonably withheld. Except as expressly provided in this Article, the District will promptly, at its own expense, take such action as may be necessary to duly discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim, for which it is responsible, if the same shall arise at any time. The District will reimburse the Authority for any expense incurred by it in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim.

SECTION 5.11. Advances. If the District fails to perform any of its obligations under this Article, the Authority may take such action as may be necessary to cure such failure, including the advancement of money, and the District shall be obligated to repay all such advances as additional rental hereunder, with interest at the rate set forth in Section 4.4(c).
ARTICLE VI
DAMAGE, DESTRUCTION AND EMINENT DOMAIN; USE OF NET PROCEEDS

SECTION 6.1. Application of Net Proceeds. The Net Proceeds of any insurance award resulting from any damage to or destruction of the Leased Property by fire or other casualty, and the Net Proceeds of any taking of the Leased Property or any portion thereof in eminent domain proceedings, shall be paid to the Authority to be applied as hereinafter set forth in this Section.

In the event that the Leased Property becomes destroyed or damaged beyond repair at any time during the Term of this Lease, or in the event the Leased Property or any portion thereof is taken in eminent domain proceedings at any time during the Term of this Lease, the District shall as soon as practicable after such event, with the prior written consent of the Authority, apply the Net Proceeds resulting therefrom either to: (a) repair the Leased Property to full use; (b) replace the Leased Property, at the District's sole cost and expense, with property of equal or greater value to the Leased Property immediately prior to the time of such destruction or damage, such replacement Leased Property to be subject to the Authority’s reasonable approval, whereupon such replacement shall be substituted in this Lease by appropriate endorsement; or (c) prepay the Lease Payments in accordance with Section 9.3. The District shall notify the Authority of which course of action it desires to take within 15 days after the occurrence of such destruction or damage. The Authority may (but is not required to) in its own name or in the District's name execute and deliver proofs of claim, receive all such moneys, endorse checks and other instruments representing payment of such moneys, and adjust, litigate, compromise or release any claim against the issuer of any such policy, and the District hereby grants to the Authority a power of attorney coupled with an interest to accomplish all or any of the foregoing. The Net Proceeds of all insurance payable with respect to the Leased Property shall be available to the District and shall be used to discharge the District's obligations under this Section.

SECTION 6.2. Termination or Abatement Due to Eminent Domain. If the Leased Property shall be taken permanently under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the Term of this Lease shall cease with respect thereto as of the day possession shall be so taken. If less than all of the Leased Property shall be taken permanently, or if the Leased Property shall be taken temporarily, under the power of eminent domain, (a) this Lease shall continue in full force and effect with respect thereto and shall not be terminated by virtue of such taking and the parties waive the benefit of any law to the contrary, and (b) there shall be a partial abatement of Lease Payments allocated thereto, in an amount to be determined by the District with the prior written consent of the Authority, such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property.

SECTION 6.3. Abatement Due to Damage or Destruction. The amount of Lease Payments shall be abated during any period in which by reason of damage or destruction (other than by eminent domain which is hereinbefore provided for) there is
substantial interference with the use and occupancy by the District of the Leased Property or any portion thereof. The amount of such abatement shall be determined by the District, with the prior written consent of the Authority, such that the resulting Lease Payments represent fair consideration for the use and occupancy of the portions of the Leased Property not damaged or destroyed. Such abatement shall continue for the period commencing with such damage or destruction and ending with the substantial completion of the work of repair or reconstruction. In the event of any such damage or destruction, this Lease shall continue in full force and effect and the District waives any right to terminate this Lease by virtue of any such damage and destruction. Notwithstanding the foregoing, there shall be no abatement of Lease Payments under this Section to the extent that the proceeds of hazard insurance or rental interruption insurance are available to pay Lease Payments which would otherwise be abated under this Section, it being hereby declared that such proceeds and amounts constitute a special fund for the payment of the Lease Payments.

ARTICLE VII

OTHER COVENANTS OF THE DISTRICT

SECTION 7.1. Disclaimer of Warranties. THE AUTHORITY MAKES NO AGREEMENT, WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY THE DISTRICT OF THE LEASED PROPERTY OR ANY PORTION THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE LEASED PROPERTY OR ANY PORTION THEREOF. THE DISTRICT ACKNOWLEDGES THAT THE AUTHORITY IS NOT A MANUFACTURER OF ANY PORTION OF THE LEASED PROPERTY OR A DEALER THEREIN, THAT THE DISTRICT LEASES THE LEASED PROPERTY AS-IS, IT BEING AGREED THAT ALL OF THE AFOREMENTIONED RISKS ARE TO BE BORNE BY THE DISTRICT. In no event is the Authority liable for incidental, indirect, special or consequential damages, in connection with or arising out of this Lease for the existence, furnishing, functioning or use of the Leased Property by the District.

SECTION 7.2. Access to the Leased Property. The District agrees that the Authority, and the Authority's successors or assigns, has the right at all reasonable times, following at least 48 hours' written notice provided to the District, to enter upon and to examine and inspect the Leased Property or any part thereof. The District further agrees that the Authority, and the Authority's successors or assigns shall have such rights of access to the Leased Property or any component thereof, following at least 48 hours' written notice provided to the District, as may be reasonably necessary to cause the proper maintenance of the Leased Property if the District fails to perform its obligations hereunder. Neither the Authority nor any of its assigns has any obligation to cause such proper maintenance.

SECTION 7.3. Release and Indemnification Covenants. The District hereby indemnifies the Authority, the Assignee and their respective officers, agents, successors and assigns against all claims, losses and damages, including legal fees and expenses, arising out of (a) the use, maintenance, condition or management of, or from any work or
thing done on the Leased Property by the District, (b) any breach or default on the part of the District in the performance of any of its obligations under this Lease, (c) any negligence or willful misconduct of the District or of any of its agents, contractors, servants, employees or licensees with respect to the Leased Property, (d) any intentional misconduct or negligence of any sublessee of the District with respect to the Leased Property, (e) the acquisition, construction, improvement and equipping of the Leased Property, or (f) the breach of any environmental laws or the clean-up of any hazardous materials or toxic wastes from the Leased Property, or the authorization of payment of the costs thereof. No indemnification is made under this Section or elsewhere in this Lease for willful misconduct or gross negligence under this Lease by the Authority, the Assignee, or their respective officers, agents, employees, successors or assigns.

SECTION 7.4. Assignment by the Authority. The Authority’s rights under this Lease, including the right to receive and enforce payment of the Lease Payments to be made by the District hereunder, have been assigned to the Assignee. The District hereby consents to such assignment. Whenever in this Lease any reference is made to the Authority and such reference concerns rights which the Authority has assigned to the Assignee, such reference shall be deemed to refer to the Assignee.

The Authority and the Assignee may make additional assignments of their interests herein, but no such assignment will be effective as against the District unless and until the Authority or the Assignee has filed with the District written notice thereof. The District shall pay all Lease Payments hereunder under the written direction of the Authority or the assignee named in the most recent assignment or notice of assignment filed with the District. During the Term of this Lease, the District will keep a complete and accurate record of all such notices of assignment.

SECTION 7.5. Assignment and Subleasing by the District. This Lease may not be assigned by the District. The District may sublease the Leased Property, or any portion thereof, subject to all of the following conditions:

(a) This Lease and the obligation of the District to make Lease Payments hereunder shall remain obligations of the District.

(b) The District shall, within 30 days after the delivery thereof, furnish or cause to be furnished to the Authority and the Assignee a true and complete copy of such sublease.

(c) No such sublease by the District may cause the Leased Property to be used for a purpose other than as may be authorized under the provisions of the laws of the State of California.

(d) The District shall furnish the Authority and the Assignee with a written opinion of Bond Counsel stating that such sublease does not cause the interest components of the Lease Payments to become includable in gross income for purposes of federal income taxation or to become subject to personal income taxation by the State of California.
SECTION 7.6. Amendment of Lease Agreement. This Lease may be amended with the prior written consent of the Authority (which may not unreasonably be withheld). Prior to the effective date of any such amendment, and as a condition precedent to the effectiveness thereof, the District at its expense shall obtain an opinion of Bond Counsel stating that such amendment will not adversely affect the exclusion from gross income of the interest component of the Lease Payments.

SECTION 7.7. Tax Covenants.

(a) Generally. The District will not take any action or permit to be taken any action within its control which would cause or which, with the passage of time if not cured would cause, the interest components of the Lease Payments to become includable in gross income for federal income tax purposes.

(b) Private Activity Bond Limitation. The District will ensure that the proceeds of the Lease Payments are not so used as to cause the District’s obligations hereunder to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(c) Federal Guarantee Prohibition. The District will not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Lease Payments to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(d) No Arbitrage. The District will not take, or permit or suffer to be taken, any action with respect to the proceeds of the Lease Payments which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Lease Payments to be “arbitrage bonds” within the meaning of Section 148(a) of the Tax Code.

(e) Small Issuer Exemption from Bank Nondeductibility Restriction. The District hereby designates the Lease Payments as “qualified tax-exempt obligations” for purposes of paragraph (3) of Section 265(b) of the Tax Code and represents that not more than $10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Tax Code) from gross income for federal income tax purposes (excluding (i) private activity bonds, as defined in Section 141 of the Tax Code, except qualified 501(c)(3) bonds as defined in Section 145 of the Tax Code and (ii) current refunding obligations to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligation), including the Lease Payments, has been or will be issued by the District, including all subordinate entities of the District, during the calendar year 2016.

(f) Arbitrage Rebate. The District will take any and all actions necessary to assure compliance with Section 148(f) of the Tax Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Lease Payments.

SECTION 7.8. Records and Accounts. The District will keep proper books of record and accounts, in which complete and correct entries shall be made of all transactions relating to the general fund of the District in each Fiscal Year during the Term of this Lease. The District shall cause the books and accounts to be audited
annually by an independent accountant and will file a copy of the report of such independent accountant with the Assignee within 270 days following the close of each Fiscal Year. The District shall also cause a budget to be prepared and approved for each fiscal year and will file a copy of such approved budget with the Assignee within 30 days following the commencement of each fiscal year. Such report may be part of a combined financial audit or report covering all or part of the District’s finances.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

SECTION 8.1. Events of Default Defined. Any one or more of the following events constitutes an Event of Default hereunder:

(a) Failure by the District to pay any Lease Payment or other payment required to be paid hereunder at the time specified herein.

(b) Failure by the District to observe and perform any covenant, condition or agreement on its part to be observed or performed hereunder, other than as referred to in the preceding clause (a) of this Section, for a period of 30 days after written notice specifying such failure and requesting that it be remedied has been given to the District by the Authority or the Assignee. However, if in the reasonable opinion of the District the failure stated in the notice can be corrected, but not within such 30-day period, the Authority and the Assignee shall not unreasonably withhold their consent to an extension of such time (for a period not to exceed 60 days) if corrective action is instituted by the District within such 30-day period and diligently pursued until the default is corrected.

(c) The filing by the District of a voluntary petition in bankruptcy, or failure by the District promptly to lift any execution, garnishment or attachment, or adjudication of the District as a bankrupt, or assignment by the District for the benefit of creditors, or the entry by the District into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the District in any proceedings instituted under the provisions of the Federal Bankruptcy Code, as amended, or under any similar acts which may hereafter be enacted.

SECTION 8.2. Remedies on Default. Whenever any Event of Default has happened and is continuing, the Authority may exercise any and all remedies available under law or granted under this Lease; provided, however, that notwithstanding anything herein to the contrary, there shall be no right under any circumstances to accelerate the Lease Payments or otherwise declare any Lease Payments not then in default to be immediately due and payable. Each and every covenant hereof to be kept and performed by the District is expressly made a condition and upon the breach thereof the Authority may exercise any and all rights granted hereunder; provided, that no
termination of this Lease shall be effected either by operation of law or acts of the parties hereto, except only in the manner herein expressly provided. Upon the occurrence and during the continuance of any Event of Default, the Authority may exercise any one or more of the following remedies:

(a) **Enforcement of Payments Without Termination.** If the Authority does not elect to terminate this Lease in the manner hereinafter provided for in subparagraph (b) hereof, the District agrees to and shall remain liable for the payment of all Lease Payments and the performance of all conditions herein contained and shall reimburse the Authority for any deficiency arising out of the re-leasing of the Leased Property, or, if the Authority is unable to re-lease the Leased Property, then for the full amount of all Lease Payments to the end of the Term of this Lease, but said Lease Payments and/or deficiency shall be payable only at the same time and in the same manner as hereinabove provided for the payment of Lease Payments hereunder, notwithstanding such entry or re-entry by the Authority or any suit in unlawful detainer, or otherwise, brought by the Authority for the purpose of effecting such re-entry or obtaining possession of the Leased Property or the exercise of any other remedy by the Authority. The District hereby irrevocably appoints the Authority as the agent and attorney-in-fact of the District to enter upon and re-lease the Leased Property upon the occurrence and continuation of an Event of Default and to remove all personal property whatsoever situated upon the Leased Property, to place such property in storage or other suitable place in the County of Ventura for the account of and at the expense of the District, and the District hereby exempts and agrees to save harmless the Authority from any costs, loss or damage whatsoever arising or occasioned by any such entry upon and re-leasing of the Leased Property and the removal and storage of such property by the Authority or its duly authorized agents in accordance with the provisions herein contained. The District agrees that the terms of this Lease constitute full and sufficient notice of the right of the Authority to re-lease the Leased Property in the event of such re-entry without effecting a surrender of this Lease, and further agrees that no acts of the Authority in effecting such re-leasing shall constitute a surrender or termination of this Lease irrespective of the term for which such re-leasing is made or the terms and conditions of such re-leasing, or otherwise, but that, on the contrary, in the event of such default by the District the right to terminate this Lease shall vest in the Authority to be effected in the sole and exclusive manner hereinafter provided for in subparagraph (b) hereof. The District agrees to surrender and quit possession of the Leased Property upon demand of the Authority for the purpose of enabling the Leased Property to be re-let under this paragraph, and the District further waives the right to any rental obtained by the Authority in excess of the Lease Payments and hereby conveys and releases such excess to the Authority as compensation to the Authority for its services in re-leasing the Leased Property.
(b) **Termination of Lease.** If an Event of Default occurs and is continuing hereunder, the Authority at its option may terminate this Lease and re-lease all or any portion of the Leased Property. If the Authority terminates this Lease at its option and in the manner hereinafter provided due to a default by the District (and notwithstanding any re-entry upon the Leased Property by the Authority in any manner whatsoever or the re-leasing of the Leased Property), the District nevertheless agrees to pay to the Authority all costs, loss or damages howsoever arising or occurring payable at the same time and in the same manner as is herein provided in the case of payment of Lease Payments and Additional Payments. Any surplus received by the Authority from such re-leasing shall be applied by the Authority to Lease Payments due under this Lease. Neither notice to pay rent or to deliver up possession of the premises given under law nor any proceeding in unlawful detainer taken by the Authority shall of itself operate to terminate this Lease, and no termination of this Lease on account of default by the District shall be or become effective by operation of law, or otherwise, unless and until the Authority shall have given written notice to the District of the election on the part of the Authority to terminate this Lease. The District covenants and agrees that no surrender of the Leased Property, or of the remainder of the Term hereof or any termination of this Lease shall be valid in any manner or for any purpose whatsoever unless stated or accepted by the Authority by such written notice.

(c) **Proceedings at Law or In Equity.** If an Event of Default occurs and continues hereunder, the Authority may take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce any other of its rights hereunder.

**SECTION 8.3. No Remedy Exclusive.** No remedy herein conferred upon or reserved to the Authority is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon the occurrence of any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority to exercise any remedy reserved to it in this Article it shall not be necessary to give any notice, other than such notice as may be required in this Article or by law.

**SECTION 8.4. Agreement to Pay Attorneys' Fees and Expenses.** If either party to this Lease defaults under any of the provisions hereof and the nondefaulting party should employ attorneys (including in-house legal counsel) or incur other expenses for the collection of moneys or the enforcement or performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party agrees that it will on demand therefor pay to the nondefaulting party the reasonable fees of such attorneys (including allocable costs and expenses of in-house legal counsel, if any) and such other expenses so incurred by the nondefaulting party.
SECTION 8.5. *No Additional Waiver Implied by One Waiver.* If any agreement contained in this Lease is breached by either party and thereafter waived by the other party, such waiver is limited to the particular breach so waived and will not be deemed to waive any other breach hereunder.

SECTION 8.6. *Assignee to Exercise Rights.* Such rights and remedies as are given to the Authority under this Article have been assigned by the Authority to the Assignee, to which assignment the District hereby consents. Such rights and remedies shall be exercised solely by the Assignee.

**ARTICLE IX**

**PREPAYMENT OF LEASE PAYMENTS**

SECTION 9.1. *Security Deposit.* Notwithstanding any other provision of this Lease, the District may on any date secure the payment of the Lease Payments in whole or in part by depositing with a fiduciary, in trust, an amount of cash which is either (a) sufficient to pay such Lease Payments, including the principal and interest components thereof, in accordance with the Lease Payment schedule set forth in Appendix B, or (b) invested in whole in non-callable Federal Securities in an amount which is sufficient, in the opinion of an independent certified public accountant, together with interest to accrue thereon and together with any cash which is so deposited, to pay such Lease Payments when due under Section 4.4(a) or when due on any optional prepayment date under Section 9.2, as the District instructs at the time of said deposit. In the event of a security deposit under this Section with respect to all unpaid Lease Payments, (a) the Term of this Lease shall continue, (b) all obligations of the District under this Lease, and all security provided by this Lease for said obligations, shall thereupon cease and terminate, excepting only the obligation of the District to make, or cause to be made all of the Lease Payments from such security deposit, and (c) under Section 4.6, title to the Leased Property will vest in the District on the date of said deposit automatically and without further action by the District or the Authority. The District hereby grants a first priority security interest in and the lien on said security deposit and all proceeds thereof in favor of the Authority and the Assignee. Said security deposit shall be deemed to be and shall constitute a special fund for the payment of Lease Payments in accordance with the provisions of this Lease.

SECTION 9.2. *Optional Prepayment.* The District may prepay the unpaid principal components of the Lease Payments in whole or in part, on any Lease Payment Date on or after August 1, 2018, by paying a prepayment price equal to the principal components of the Lease Payments to be prepaid, together with the interest required to be paid on such Lease Payment Date, without premium. The District shall give the Authority notice of its intention to exercise its option not less than 30 days in advance of the date of exercise.

SECTION 9.3. *Mandatory Prepayment From Net Proceeds of Insurance or Eminent Domain.* The District shall be obligated to prepay the unpaid principal components of the Lease Payments in whole or in part on any date, from and to the extent of any proceeds of insurance award or condemnation award with respect to the
Leased Property to be used for such purpose under Section 6.1. The District and the Authority hereby agree that such proceeds, to the extent remaining after payment of any delinquent Lease Payments, shall be credited towards the District’s obligations under this Section.

ARTICLE X
