During the Variable Rate Period, the Servicer shall determine a Variable Rate for the Bond for each day. The Servicer shall give telephonic or facsimile notice (with following written confirmation) on or before the Business Day prior to each Interest Payment Date to the Trustee and the Borrower of the interest payable on such Interest Payment Date. Notwithstanding anything to the contrary herein, the Trustee shall only be required to make any payment due on an Interest Payment Date as soon as reasonably practicable after receipt by the Trustee of such notice from the Servicer. Absent manifest error, the determination of the Variable Rate by the Servicer shall be conclusive and binding upon the Owner, the Issuer, the Borrower and the Trustee.

(c) Fixed Rate; Conversion to Fixed Rate. During the Fixed Rate Period, the P-1A Bond shall bear interest at the Fixed Rate.

(d) [Reserved].

(e) Alternative Rate. Notwithstanding anything to the contrary set forth herein, following the occurrence of an Event of Default under the Loan Agreement or an Event of Default under this Indenture, the Bond shall bear interest at the Alternative Rate.

(f) Taxable Rate. If an Initial Notification of Taxability shall occur, the Tax-Exempt Bond shall bear interest from the date of such Initial Notification of Taxability at the Taxable Rate. If such Initial Notification of Taxability is reversed by the Internal Revenue Service or a court of competent jurisdiction and a Determination of Taxability has not occurred, then the Tax-Exempt Bond shall bear interest from the date of such reversal at the rate applicable to the Tax-Exempt Bond prior to the Initial Notification of Taxability and the Servicer shall refund to the Borrower on or prior to the next succeeding Bond Payment Date the excess interest previously paid. This provision shall survive the discharge of this Indenture.

(g) Additional Interest. The Owner of the Tax-Exempt Bond shall also be entitled to Additional Interest, which amount, if any, shall be deposited in the Revenue Fund pursuant to the provisions of Section 3.2(b) of the Loan Agreement.
Usury. Notwithstanding any provision of this Indenture to the contrary, in no event shall the interest contracted for, charged or received in connection with the Bond (including any other costs or considerations that constitute interest under the laws of the State which are contracted for, charged or received pursuant to this Indenture) exceed the maximum rate of nonusurious interest allowed under the laws of the State as presently in effect and to the extent of any increase allowable by such laws. To the extent permitted by law, interest contracted for, charged or received on the Bond shall be allocated over the entire term of the Bond, to the end that interest paid on the Bond does not exceed the maximum amount permitted to be paid thereon by law. Excess interest, if any, provided for in this Indenture, or otherwise, shall be canceled automatically as of the date of such acceleration or, if theretofore paid, shall be credited as principal paid on the Bond.

Section 3.07. Payment of Principal and Interest on the Bond. Principal and interest on the Bond shall be payable in the following manner: (i) commencing the first day of the second month after the month in which the Closing Date occurs and continuing on each Interest Payment Date thereafter until the Conversion Date, interest on the Outstanding principal balance of the Taxable Bond (which amount shall reflect so much of the purchase price as shall have been paid pursuant to Section 3.01(c) hereof) at the applicable interest rate shall be due and payable in arrears; (ii) commencing the first day of the first month after the month in which the Closing Date occurs and continuing on each Interest Payment Date thereafter until the Conversion Date, interest on the Outstanding principal balance of the P-1B Bond (which amount shall reflect so much of the purchase price as shall have been paid pursuant to Section 3.01(c) hereof) at the applicable interest rate shall be due and payable in arrears; (iii) commencing on the Principal Amortization Commencement Date and continuing on each Interest Payment Date thereafter until the Fixed Rate Period Maturity Date, payments of principal and interest in arrears on the P-1A Bond shall be due and payable in accordance with the terms of the P-1A Note; and (vi) the entire unpaid principal balance thereof, the Prepayment Equalization Payment (if any) and all accrued and unpaid interest thereon shall be due and payable in full, on the earlier of the Fixed Rate Period Maturity Date or the Maturity Date of the P-1A Bond, if not paid earlier.

Section 3.08. Execution and Authentication of Bond.

(a) The Bond shall be executed on behalf of the Issuer by the manual or facsimile signature of an Authorized Representative of the Issuer, and its corporate seal (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced, and attested by the manual or facsimile signature of an Authorized Attesting Officer.

(b) In case any officer of the Issuer whose signature or facsimile signature shall appear on the Bond shall cease to be such officer before the Bond so signed and sealed shall have been actually delivered, such Bond may, nevertheless, be delivered as herein provided, and may be issued as if the persons who signed or sealed such Bond had not ceased to hold such offices or be so employed. Any Bond may be signed and sealed on behalf of the Issuer by such persons as, at the actual time of the execution of such Bond, shall be duly authorized or hold the proper office in or employment by the Issuer, although at the date of the Bond such persons may not have been so authorized nor have held such office or employment.

(c) No Bond shall be valid or obligatory for any purpose or shall be entitled to any right or benefit under this Indenture unless there shall be endorsed on such Bond a certificate of
authentication in the form set forth in such Bond duly executed by the Trustee, by the manual signature of an authorized signatory thereof, and such certificate of the Trustee upon any Bond executed on behalf of the Issuer shall be conclusive evidence that the Bond so authenticated has been duly issued under this Indenture and that the Owner thereof is entitled to the benefits of this Indenture.

Section 3.09. Negotiability, Transfer and Registry of Bond.

(a) Each Bond issued under this Indenture shall be negotiable, subject to the provisions for registration and transfer contained in this Indenture and in the Bond. So long as this Indenture remains in force, the Trustee, as registrar, shall maintain and keep books for the recordation of the taxpayer identification number of the Owner of the Bond and the registration, transfer and exchange of the Bond. The Bond shall be transferable only upon the books of registration. The Trustee is hereby appointed registrar, to act as agent of the Issuer for the registration and transfer of Bond and the maintenance of the books of registration. The Issuer may appoint a successor registrar upon notice by mail to the Trustee and the Owner of the Bond.

(b) Upon a partial redemption of the Bond, the Issuer shall execute and the Trustee shall authenticate and deliver new certificates representing the unredeemed portion of the Bond to be so tendered or redeemed in part, in exchange for the certificate representing the Bond to be so tendered or redeemed in part. Surrender of the Bond for execution, authentication and delivery of new a certificate shall not be a precondition to the redemption of the Bond pursuant to Section 4.01(e) hereof.

(c) Upon surrender of the Bond at the Principal Office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the Owner or his attorney duly authorized in writing, such Bond may, at the option of the Owner thereof, be exchanged for a new Bond of equal aggregate principal amount and series designation.

(d) The Borrower shall bear all costs in connection with any transfer or exchange of the Bond, including the reasonable fees and expenses of the Issuer, Bond Counsel and the Trustee and of any required indemnity for the Issuer and the Trustee, provided that the costs of any tax or other governmental charge imposed upon such transfer or exchange shall be borne by the Owner of the Bond.

(e) Each Bond shall be transferred upon presentation and surrender thereof at the Principal Office of the Trustee by the Owner thereof or his attorney duly authorized in writing with due endorsement for transfer or accompanied by a written instrument of transfer in form satisfactory to the Trustee. Each Bond surrendered in any exchanges or transfers shall forthwith be canceled. For every such exchange or transfer of the Bond, there shall be made a charge sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the Owner requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be obligated to authenticate, exchange or transfer any Bond during a period beginning at the opening of business on any Record Date and ending at the close of business on the next succeeding Interest Payment Date.

(f) The Bond may be transferred, only in whole, to: (i) a Sophisticated Investor or (ii) JPMorgan. The Majority Owner shall agree not to sell any participating interest in the Bond without the prior written consent of the Issuer, except to JPMorgan. In connection with the acquisition of such participation interest, JPMorgan will enter into an investor’s letter
substantially in the form set forth in Exhibit B to this Indenture. If the transferee is a “Commercial Bank” as defined in the Responsible Banking Ordinance, the transferee shall deliver to the Issuer an executed Responsible Banking Ordinance Certificate in the form of Exhibit D hereto. The Bond Registrar shall not register any transfer or exchange of the Bond unless such Bondholder’s prospective transferee delivers to the Trustee an investor’s letter substantially in the form set forth in Exhibit B to this Indenture and, except in the case of a transfer to JPMorgan, obtains the written consent of the Issuer to such transfer. The Trustee shall be entitled to rely, without any further inquiry, on any investor’s letter delivered to it and shall be fully protected in registering any transfer or exchange of the Bond in reliance on any such investor’s letter which appears on its face to be correct and of which the Trustee has no actual knowledge otherwise. Any such Holder desiring to effect such transfer shall agree to indemnify the Issuer and the Trustee from and against any and all liability, cost or expense (including attorneys’ fees) that may result if the transfer is not so exempt or is not made in accordance with such federal and state laws. Notwithstanding anything to the contrary herein, the Holder shall not transfer or sell any Bond or any interest therein to a party related to or affiliated with the Borrower, the General Partner or the Investor Limited Partner without the prior written consent of the Issuer.

Section 3.10. Ownership of Bond. The Issuer, the Trustee and any other Person may treat the registered owner of the Bond as the absolute owner thereof, whether the Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or redemption price of and interest on such Bond and for all other purposes whatsoever, and payment of the principal or redemption price, if any, of and interest on any such Bond shall be made only to, or upon the order of, such registered owner. All such payments to such registered owner shall be valid and effectual to satisfy and discharge the liability of the Issuer upon such Bond to the extent of the sum or sums so paid, and neither the Issuer nor any Trustee shall be affected by any notice to the contrary.

Section 3.11. Payments on Bond Due on Non-Business Days. In any case where any Bond Payment Date shall be a day other than a Business Day, then payment of the Bond need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the Bond Payment Date, and no interest shall accrue for the period after such date.

Section 3.12. Registration of Bond in the Book-Entry Only System.

(a) Notwithstanding any provision herein to the contrary, the provisions of this Section 3.12 and the Representation Letter (as defined below) shall apply with respect to any Bond registered to Cede & Co. or any other nominee of The Depository Trust Company (“DTC”) while the Book-Entry Only System (meaning the system of registration described in paragraph (b) of this Section 3.12) is in effect. The Book-Entry Only System shall become effective only after the Issuer, in its sole discretion, approves registration of the Bond in the Book-Entry Only System; provided, however, that the Owner of the Bond shall provide notice of application of the Book-Entry Only System in writing to the Trustee, the Borrower and the Issuer, no later than 30 days before the effective date of the Book-Entry Only System, subject to the provisions below concerning termination of the Book-Entry Only System. Until the Owner of the Bond provides such notice and receives approval of the Issuer, the Book-Entry Only System shall not be in effect.

(b) Upon the effectiveness of the Book-Entry Only System, the Issuer shall execute and deliver, and the Trustee shall transfer and exchange Bond certificate for a single authenticated fully registered Bond in substantially the form provided for in Exhibit A hereto. Any legend required to be on the Bond by DTC may be added by the Trustee. On the date of
delivery thereof, the Bond shall be registered in the registry books of the Trustee in the name of Cede & Co., as nominee of DTC as agent for the Issuer in maintaining the Book-Entry Only System. With respect to a Bond registered in the registry books kept by the Trustee in the name of Cede & Co., as nominee of DTC, the Issuer, the Borrower and the Trustee shall have no responsibility or obligation to any Participant (which means securities brokers and dealers, banks, trust companies, clearing corporations and various other entities, some of whom or their representatives own DTC) or to any Beneficial Owner (which means, when used with reference to the Book-Entry Only System, the Person who is considered the Beneficial Owner of the Bond pursuant to the arrangements for book-entry determination of ownership applicable to DTC) with respect to the following: (i) the accuracy of the records of DTC, Cede & Co. or any Participant with respect to any ownership interest in the Bond, (ii) the delivery to or from any Participant, any Beneficial Owner or any other Person, other than DTC, of any notice with respect to the Bond, including any notice of redemption or tender (whether mandatory or optional), or (iii) the payment to any Participant, any Beneficial Owner or any other Person, other than DTC, of any amount with respect to the principal or premium, if any, or interest on the Bond. The Trustee shall pay all principal of and premium, if any, and interest on the Bond only to or upon the order of DTC, and all such payments shall be valid and effective fully to satisfy and discharge the Issuer’s obligations with respect to the principal of any premium, if any, and interest on the Bond to the extent of the sum or sums so paid. No Person other than DTC or its agent shall be entitled to receive an authenticated Bond evidencing the obligation of the Issuer to make payments of principal and premium, if any, and interest pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the words “Cede & Co.” in this Indenture shall refer to such new nominee of DTC.

(c) Upon receipt by the Trustee of written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities, the Issuer shall issue and the Trustee shall transfer and exchange the Bond as requested by DTC in appropriate amounts and in Authorized Denominations, and whenever DTC requests the Issuer and the Trustee to do so, the Trustee and the Issuer will, at the expense of the Borrower, cooperate with DTC in taking appropriate action after reasonable notice (i) to arrange for a substitute bond depository willing and able upon reasonable and customary terms to maintain custody of the Bond or (ii) to make available for transfer and exchange the Bond registered in whatever name or names and in whatever Authorized Denominations as DTC shall designate.

(d) In the event the Beneficial Owners subsequently determine that the Beneficial Owners should be able to obtain Bond certificates, the Beneficial Owners may so notify DTC and the Trustee, whereupon DTC will notify the Participants of the availability through DTC of a Bond certificate. In such event, the Issuer shall issue and the Trustee shall, at the expense of the Beneficial Owners, transfer and exchange a Bond certificate as requested by DTC in appropriate amounts and in an Authorized Denomination. Whenever DTC requests the Trustee to do so, the Trustee will, at the expense of the Beneficial Owners, cooperate with DTC in taking appropriate action after reasonable notice to make available for transfer and exchange the Bond registered in whatever name or names and in whatever Authorized Denominations as DTC shall designate.

(e) Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, to DTC as provided in the Letter of Representation to be delivered by the Borrower and the Trustee to DTC.
(f) Notwithstanding any provision herein to the contrary, so long as the Bond outstanding is held in the Book-Entry Only System, if less than all of the Bond of a maturity is to be redeemed upon any redemption of the Bond hereunder, the particular portions of the Bond to be redeemed shall be selected by DTC in such manner as DTC may determine.

(g) So long as the Book-Entry Only System is in effect, a Beneficial Owner who elects to have the Bond purchased pursuant to this Indenture shall effect delivery by causing a Participant to transfer the Beneficial Owner’s interest in the Bond pursuant to the Book-Entry Only System. The requirement for physical delivery of a Bond in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Bond are transferred in accordance with the Book-Entry Only System.

**ARTICLE IV**

**REDEMPTION OF BOND**

**Section 4.01. Mandatory Redemption.** The Bond shall be subject to mandatory redemption and shall be redeemed prior to maturity as follows:

(a) in whole or in part on the first Interest Payment Date for which notice can be given in accordance with this Indenture after the Completion Date to the extent of excess funds on deposit on such date in the Loan Account of the Project Fund, determined as provided in Section 5.03 of this Indenture;

(b) in whole or in part on the first Interest Payment Date for which adequate notice can be given in accordance with this Indenture after and to the extent that Insurance Proceeds or a Condemnation Award in connection with the Project are deposited in the Insurance and Condemnation Account of the Project Fund and are not to be used to repair or restore the Project (which unused Condemnation Award or Insurance Proceeds shall be applied to the redemption of the Bond, unless the Owner shall have approved a proposed alternative application of such funds and the Trustee and the Servicer shall have received an opinion of Bond Counsel to the effect that such proposed alternative application of such funds will not adversely affect the exclusion of interest on the Tax-Exempt Bond from gross income of the Owner (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code);

(c) in whole, as to the Tax-Exempt Bond, on the first Interest Payment Date for which notice can be given to the Bondholder in accordance with this Indenture following receipt by the Trustee of notice from the Servicer demanding such redemption, following a Determination of Taxability;

(d) The P-1A Bond, the P-1B Bond and the Taxable Bond shall be subject to mandatory redemption in whole on the date of the payment of the P-1A Note, P-1B Note and the Taxable Note, respectively;

(e) in part in amounts corresponding to the principal payments of the Loan made pursuant to the terms of this Indenture or the Permanent Period Note Addendum;

(f) in whole, following receipt by the Trustee of notice from the Servicer stating that an Event of Default has occurred under the Loan Agreement or the Construction Disbursement
Agreement and demanding redemption of the Bond, on any date selected by the Servicer, specified in a notice in writing delivered to the Borrower at least 10 days prior to such date; or

(g) the Bond shall be subject to mandatory redemption in part on the Conversion Date to the extent necessary to prepay the Taxable Bond and the P-1B Bond in whole and to prepay the P-1A Bond in part if determined by Majority Owner to be necessary to satisfy the Conversion Conditions.

Section 4.02. Redemption Price of Bond Redeemed Pursuant to Mandatory Redemption. Any portion of the Bond being redeemed before maturity in accordance with Section 4.01 of this Indenture shall be redeemed at a redemption price equal to the principal amount of the Bond being redeemed, together with accrued interest to the date of redemption, plus (a) the Prepayment Equalization Payment (calculated by the Servicer) if redemption is under Section 4.01(a), (b), (c) or (f), but only to the extent such redemption prior to Conversion reduces the principal amount of the Tax-Exempt Bond Outstanding to less than $7,504,000 and (b) Additional Interest (calculated by the Servicer) if redemption is under Section 4.01(c).

Section 4.03. Optional Redemption. The Bond shall be subject to redemption from the proceeds of an optional prepayment of the Loan by the Borrower, (a) in whole or in part on any Interest Payment Date on or prior to the Conversion Date and (b) on and after the Conversion Date and continuing until the Fixed Rate Period Maturity Date, to the extent of permitted prepayments under the terms of the Permanent Period Note Addendum. No Prepayment Equalization Payment shall be due on any optional redemption prior to the Conversion Date which reduces the principal amount Outstanding of the Tax-Exempt Bond to not less than $7,504,000.

Section 4.04. Purchase in Lieu of Redemption. At the election of the Borrower upon a redemption in whole of the Bond, with the written consent of the Issuer, by written notice to the Trustee and the Servicer given not less than five Business Days in advance of such redemption date, the Bond will be deemed tendered for purchase in lieu of the redemption on such date. The purchase price of the Bond so purchased in lieu of redemption shall be the principal amount thereof together with all accrued and unpaid interest to the date of redemption and shall be payable on the date of redemption thereof. The Bond, if so purchased in lieu of redemption, shall remain Outstanding and shall be registered to or upon the direction of the Borrower upon satisfaction of the requirements of Section 3.09(f) hereof as applicable. If the Bond is not delivered to the Trustee on the purchase date it shall nonetheless be deemed to have been so purchased and not redeemed on the purchase date and shall cease to accrue interest as to the former owner on the purchase date.

Section 4.05. Notice of Redemption.

(a) Notice of redemption shall be given by the Trustee to the Owner and the Borrower by facsimile transmission or other similar electronic means of communication, promptly confirmed in writing, not less than 10 Business Days prior to the date fixed for redemption; provided, however, that no notice of redemption shall be required to be given to the Owner for a redemption pursuant to Section 4.01(c) or (f) of this Indenture. Receipt of such notice of redemption shall not be a condition precedent to such redemption, and failure to so notify any of such registered Owner shall not affect the validity of the proceedings for the redemption of the Bond.

(b) Notice of redemption having been given as provided in subsection (a) of this Section 4.05 and all conditions precedent, if any, specified in such notice having been satisfied, the Bond or portions thereof so to be redeemed shall become due and payable on the date fixed
for redemption at the redemption price specified therein plus any accrued interest to the redemption date, and upon presentation and surrender (if required hereunder) thereof at the place specified in such notice, such Bond or portions thereof shall be paid at the redemption price, plus any accrued interest to the redemption date. On and after the redemption date (unless funds for the payment of the redemption price and accrued interest shall not have been provided to the Trustee), (i) such Bond shall cease to bear interest and (ii) such Bond shall no longer be considered as Outstanding under this Indenture.

Section 4.06. Selection of Bond To Be Redeemed. Except as otherwise expressly set forth herein including, without limitation, in connection with an Event of Default and corresponding demand for redemption in accordance with Section 4.01(f) hereof, if less than all the Tax-Exempt Bond is to be redeemed, the P-1B Bond shall be redeemed in whole before any redemption of the P-1A Bond.

Section 4.07. Partial Redemption of Registered Bond.

(a) In case part but not all of the Bond shall be selected for redemption, upon presentation and surrender at the Principal Office of the Trustee of such Bond by the Owner thereof or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver to or upon the order of such Owner, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond in an amount necessary to equal the unredeemed portion of the principal amount of the Bond; provided, however, that such surrender of the Bond shall not be required for payment of the redemption price. The Bond so presented and surrendered shall be canceled in accordance with this Indenture.

(b) In the event of a partial redemption of the Bond other than pursuant to (i) Section 4.01(e) or Section 4.01(g) of this Indenture, or (ii) any failure of the entire Bond authorized hereunder to be purchased prior to the Conversion Date through the “drawdown” mechanism described in Section 3.01(c), the mandatory sinking fund schedule set forth on the schedule delivered pursuant to the Note on or after the date of such redemption hereto shall be adjusted to provide for approximately equal monthly payments of principal and interest at the applicable rate hereunder on the Bond remaining Outstanding after taking into account such partial redemption; the Servicer shall provide the Trustee with a new schedule reflecting such adjustment.

(c) Any partial prepayment of the Note shall first be used to pay the Taxable Bond, then the P-1B Bond and finally the P-1A Bond.

(d) On the Closing Date, the Borrower shall cause the sum of $1,669,624 to be delivered to the Trustee for deposit into the Equity Account of the Project Fund, which shall be subject to the lien of this Indenture.

Section 5.02. Project Fund.

(a) Deposit of Moneys. The amounts specified in Section 5.01(c) shall be deposited in the Loan Account, the Capitalized Interest Account and the Costs of Issuance Account. After the Closing Date, the Trustee shall deposit sale proceeds of the Bond received from time to time
from the Bondholder pursuant to the terms hereof in the Tax-Exempt subaccount or the Taxable Subaccount of the Loan Account of the Project Fund, as applicable. The Loan Account and Capitalized Interest Account of the Project Fund shall be funded from time to time as and when installments of the purchase price of the Bond are paid by the Owner pursuant to Section 3.01(c) hereof. Capitalized interest deposited by the Borrower in connection with any extension of the Completion Date approved by the Servicer shall be deposited in the Capitalized Interest Account of the Project Fund. Any amounts received by the Trustee from the Guarantor, and any amounts received by the Trustee from the Borrower in response to demands by the Servicer for deposits of the Borrower’s funds, shall be deposited in the Equity Account of the Project Fund. All Condemnation Awards and Insurance Proceeds shall be deposited in the Insurance and Condemnation Proceeds Account of the Project Fund. Any other funds directed by the Issuer, the Servicer or the Borrower to be deposited in the Project Fund which are not required to be otherwise deposited or disbursed shall be so deposited by the Trustee upon receipt of funds and such direction.

(b) **Use of Moneys.**

(i) **Loan Account and Equity Account.** The Trustee shall make payments from the Loan Account for the purpose of paying the Qualified Costs of the Project. The Trustee shall make payments from the Equity Account to pay (A) all costs of acquisition, construction and equipping of the Project other than Qualified Costs of the Project, (B) to the extent amounts on deposit in the Loan Account are insufficient for such purposes, all Qualified Costs of the Project and (C) on the Conversion Date, to redeem the Bond in part pursuant to Section 4.01(g). Disbursements from the Loan Account shall be made by the Trustee upon receipt of a Requisition, executed by an Authorized Representative of the Borrower and approved by an Authorized Representative of the Servicer and (except for the initial disbursement of $55,000 on the Closing Date) the Issuer. Disbursements from the Equity Account shall be made by the Trustee upon receipt of a Requisition, executed by an Authorized Representative of the Borrower, provided that no Requisition shall be required to use funds held in the Equity Account to redeem the Bond in part pursuant to Section 4.01(g); provided, further, however, that the Servicer may, at its option, by submitting a requisition signed by it but not by the Borrower or the Issuer, cause the Trustee to make disbursements from the Capitalized Interest Account of the Project Fund to pay interest due and payable on the Bond. The Issuer agrees, however, that if the Issuer has not objected in writing to any disbursement within five Business Days of receipt of a request for approval of such disbursement, the Issuer shall be deemed to have approved such disbursement. Furthermore, if the Issuer and the Servicer disagree as to whether a particular disbursement shall be approved or disapproved, they shall meet and confer in good faith, upon the request of either of them in an effort to resolve the matter, which meeting may be by telephonic or electronic means, or may be at a personal meeting. If they fail to agree upon the approval or disapproval of a disbursement following such good-faith efforts, the Servicer can approve the disbursement and pay it from the proceeds of the Bond.

(ii) **Capitalized Interest.** On the last Business Day immediately preceding each Interest Payment Date up to and including the Completion Date, the Trustee shall transfer funds, if any are available therein, from the Capitalized Interest Account to the Revenue Fund to pay interest on the Bond accruing up to and including the Completion Date without submission of any Requisition. After the Completion Date, amounts held in the Capitalized Interest Account, if any, shall be applied to pay Project Costs, transferred to the Revenue Fund for application to the payment of amounts due in respect to the
Bond, or, as further provided in Section 5.03 hereof, released to the Borrower, in each case upon the written direction of the Servicer to the Trustee (a copy of which shall be provided to the Borrower).

(iii) [Reserved.]

(iv) Costs of Issuance Account. Amounts in the Costs of Issuance Account shall be disbursed by the Trustee: (A) on the Closing Date to the Trustee in the amount of $4,500 as the Trustee’s acceptance fee and to pay Trustee’s counsel; and (B) to CDIAC in an amount not exceeding $3,000 following receipt of an invoice therefor. Thereafter amounts held in the Costs of Issuance Account shall be disbursed only to pay costs of issuance of the Bond pursuant to a written requisition signed by the Borrower and the Servicer and approved by the Issuer identifying the amount to be paid and the payee. Amounts remaining in the Costs of Issuance Account (including investment proceeds) after the payment of all costs of issuance, and in any event not later than 60 days following the Closing Date, shall be transferred to the Equity Account of the Project Fund.

(v) Insurance and Condemnation Proceeds Account. The Trustee shall make all disbursements from the Insurance and Condemnation Proceeds Account only upon the receipt by the Trustee of the written request of the Borrower accompanied by the written approval of the Servicer and in accordance with the provisions of Section 5.04 hereof.

(vi) Acceleration. Upon the occurrence and continuation of an Event of Default hereunder and an acceleration of the Bond pursuant thereto, at the direction of the Servicer, all moneys and investments in the Project Fund shall be transferred to the Revenue Fund and applied to the payment of the Bond.

(c) Requisitions. The Trustee may rely fully on the representations of the Borrower contained in any Requisition, and upon the written approval of the Servicer and the Issuer set forth on any Requisition, delivered pursuant to the Loan Agreement, this Indenture and the Construction Disbursement Agreement, and shall not be required to make any investigation or inspection of the Project in connection therewith.

Section 5.03. Use of Moneys Following Completion and Conversion. Following written direction of Borrower and Servicer, moneys (including investment proceeds but net of amounts that the Trustee is directed by a written notice from the Servicer and the Borrower to retain to pay Qualified Costs of the Project (a) incurred but not then due and payable or (b) allocated to construction contingency, marketing or operating expenses and other Qualified Project Costs after the Completion Date) held in the Loan Account after the Completion Date shall be transferred to the Revenue Fund for application to the redemption of the Bond pursuant to Section 4.01(a) of this Indenture. Moneys held in the Equity Account after the Completion Date shall be released to or upon the order of the Borrower when: (i) the Servicer has notified the Trustee that both of the following conditions have been satisfied or waived by the Servicer (A) the Borrower has obtained, and applied to costs of the Project in accordance with the requirements of the Construction Disbursement Agreement, all funds required to be paid by the Borrower pursuant to the Construction Disbursement Agreement and (B) Conversion has occurred; and (ii) the Bond has been prepaid in part as set forth in Section 4.01(g).
Section 5.04. Condemnation Awards and Insurance Proceeds.

(a) Moneys representing a Condemnation Award or Insurance Proceeds shall be deposited into the Insurance and Condemnation Proceeds Account of the Project Fund, and notice of such deposit thereof shall be given by the Trustee to the Servicer.

(b) To the extent there has been a determination pursuant to the Loan Documents to restore the Project, such Condemnation Award or Insurance Proceeds as have been approved for disbursement by the Servicer shall be disbursed by the Trustee to or for the account of the Borrower, in accordance with terms, conditions and procedures specified by the Servicer, for application by the Borrower for such purposes in accordance with the provisions of the Loan Documents.

(c) In the event there is a determination pursuant to the Loan Documents not to restore the Project, such Condemnation Award or Insurance Proceeds shall be either (i) transferred to the Revenue Fund and applied to the redemption of Bond in accordance with Section 4.01(b) hereof, or (ii) released to the Borrower if the Borrower obtains an opinion of Bond Counsel that such release will not affect the excludability of the interest on the Tax-Exempt Bond from gross income of the Owner (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) for federal income tax purposes, all in accordance with written direction of the Servicer to the Trustee and subject to the provisions of the Loan Documents.

Section 5.05. Replacement Reserve Fund and Operating Reserve Fund.

(a) There shall be deposited in the Replacement Reserve Fund all moneys received for such purpose by the Issuer or the Trustee from the Borrower pursuant to Section 5.22(c) of the Loan Agreement or transferred pursuant to Section 5.07 of this Indenture. Moneys in the Replacement Reserve Fund shall be disbursed by the Trustee only upon receipt of a written request therefor executed by the Authorized Representative of the Borrower and approved by the Servicer to be applied to repairs of or replacements in part of the Project, except that upon the occurrence and continuation of an Event of Default hereunder and an acceleration of the Bond pursuant hereto, all moneys and investments in the Replacement Reserve Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be transferred to the Revenue Fund and applied to the payment of the Bond. Upon the payment in full of the Bond and the fees and expenses of the Issuer, the Majority Owner, the Servicer and the Trustee, and upon payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Replacement Reserve Fund shall be paid to the Borrower as soon as practicable upon its written request therefor. Notwithstanding the foregoing, in the event that JPMorgan purchases the P-1A Bond and becomes the Majority Owner, on and following the Conversion Date, the establishment, maintenance, deposit and disbursement of funds in and from the Replacement Reserve Fund shall be governed by the terms of that certain Replacement Reserve and Security Agreement, dated as of March 1, 2017, by and between the Borrower and JPMorgan, and the other requirements of this Section 5.05(a) shall not be effective.

(b) There shall be deposited in the Operating Reserve Fund all moneys received for such purpose by the Issuer or the Trustee from the Borrower pursuant to Section 5.22(i) of the Loan Agreement or transferred pursuant to Section 5.07 of this Indenture. Moneys in the Operating Reserve Fund shall be disbursed by the Trustee only upon receipt of a written request therefor executed by the Authorized Representative of the Borrower and approved by the Servicer to be applied to costs of operation of the Project or debt service on the Bond, except that upon the
occurrence and continuation of an Event of Default hereunder and an acceleration of the Bond pursuant hereto, all moneys and investments in the Operating Reserve Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be transferred to the Revenue Fund and applied to the payment of the Bond. Upon the payment in full of the Bond and the fees and expenses of the Issuer, the Majority Owner, the Servicer and the Trustee and upon payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Operating Reserve Fund shall be paid to the Borrower as soon as practicable upon its written request therefor. Notwithstanding the foregoing, in the event that JPMorgan purchases the P-1A Bond and becomes the Majority Owner, on and following the Conversion Date, the establishment, maintenance, deposit and disbursement of funds in and from the Operating Reserve Fund shall be governed by the terms of that certain Operating Reserve Agreement dated as of March 1, 2017, by and between the Borrower and JPMorgan, and the other requirements of this Section 5.05(b) shall not be effective.

Section 5.06. Tax and Insurance Fund. There shall be deposited in the Tax and Insurance Fund all moneys received for such purpose by the Issuer or the Trustee from the Borrower pursuant to Section 5.22(h) of the Loan Agreement or transferred pursuant to Section 5.07 of this Indenture. Moneys in the Tax and Insurance Fund shall be applied to payment of real estate taxes and insurance premiums at the direction of the Servicer. Upon the occurrence and continuation of an Event of Default hereunder and an acceleration of the Bond pursuant hereto, all moneys and investment in the Tax and Insurance Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be transferred to the Revenue Fund and applied to the payment of the Bond. Upon the payment in full of the Bond and the fees and expenses of the Issuer, the Majority Owner, the Servicer and the Trustee, and upon payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Tax and Insurance Fund shall be paid to the Borrower as soon as practicable upon its written request therefor. Upon and after the Conversion Date, deposits to disbursements from and the use and maintenance of the Tax and Insurance Fund shall be governed by the terms and requirements of the Permanent Period Supplemental Agreement.

Section 5.07. Revenue Fund.

(a) There shall be deposited in the Revenue Fund all amounts transferred from the Project Fund or received from the Borrower pursuant to Section 3.2 of the Loan Agreement with respect to the Loan Documents or from the Guarantor under the Guaranty, including payments of interest and principal and voluntary and involuntary prepayments of the Loan and investment earnings on investments held in the Funds and Accounts created by this Indenture (except as otherwise provided in Section 5.08 and Section 5.10).

(b) Amounts in the Revenue Fund shall be applied to the following items in the following order of priority:

(i) on each Interest Payment Date, to the payment of interest on the Bond;

(ii) on each Bond Payment Date, to the payment of the principal of or redemption price (or purchase price in the event of an election of the Borrower under Section 4.04) of, interest on, and any Prepayment Equalization Payment or Additional Interest due with respect to, the Bond;

(iii) on the first day of each month, to the payment of any required deposit in the Tax and Insurance Fund;
(iv) on the first day of each month, to the payment of any required deposit in the Replacement Reserve Fund, subject to the terms of Section 5.05(a) above;

(v) on the first day of each month, to the payment of any required deposit in the Operating Reserve Fund, subject to the terms of Section 5.05(b) above;

(vi) on the first day of each month, to the payment of the fees of the Trustee, the Majority Owner and the Servicer, if any (including any extension fee due and owing under Section 3.2(c) of the Loan Agreement), due and owing under the Loan Documents and this Indenture and credit to payment of the semi-annual Issuer’s Fee, which funds shall be held in a separate account of the Revenue Fund until paid semi-annually to the Issuer pursuant to the Regulatory Agreement; and

(vii) on the first day of each month, to the payment of any other amounts then due and owing under the Loan Documents.

(c) Upon the payment in full of the Bond and the fees and expenses of the Issuer and the Trustee and the payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Revenue Fund (except amounts held for future payment to the United States pursuant to Section 5.08 hereof) shall be paid to the Borrower promptly upon its request therefor.

Section 5.08. Rebate Fund.

(a) The Rebate Fund shall be held and applied as provided in this Section 5.08. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust for payment, to the extent required under the Code and as calculated by the Rebate Analyst, for payment to the United States government. None of the Issuer, the Borrower or the Owners shall have any rights in or claim to such moneys. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and by the Tax Certificate. The Trustee shall conclusively be deemed to have complied with such provision if it follows the written instructions of the Issuer or of Bond Counsel or the Rebate Analyst, including supplying all necessary information in the manner set forth in the Tax Certificate and shall not be required to take any actions thereunder in the absence of written instructions from the Issuer, Bond Counsel or the Rebate Analyst.

(b) The Trustee shall make information regarding the Tax-Exempt Bond and the investments hereunder available to the Borrower promptly upon written request, shall make deposits to and disbursements from the Rebate Fund in accordance with the directions received from the Authorized Representative of the Borrower, shall invest moneys in the Rebate Fund pursuant to said directions and shall deposit income from such investments pursuant to said directions, and shall make payments to the United States of America in accordance with written directions received from the Borrower.

(c) Notwithstanding any provision of this Indenture to the contrary, the Trustee shall not be liable or responsible for any calculation or determination which may be required in connection with or for the purpose of complying with Section 148 of the Code or any applicable Treasury regulation (the “Arbitrage Rules”), including, without limitation, the calculation of amounts required to be paid to the United States under the provisions of the Arbitrage Rules and the fair market value of any investment made hereunder, it being understood and agreed that the sole obligation of the Trustee with respect to investments of funds hereunder shall be to invest the moneys received by the Trustee pursuant to the written instructions of the Authorized
Representative of the Borrower given in accordance with Section 5.09 hereof. The Trustee shall have no responsibility for determining whether or not the investments made pursuant to the direction of the Borrower or any of the instructions received by the Trustee under this Section comply with the requirements of the Arbitrage Rules and shall have no responsibility for monitoring the obligations of the Borrower or the Issuer for compliance with the provisions of the Indenture with respect to the Arbitrage Rules.

(d) Notwithstanding any provision of this Indenture to the contrary, the obligation to remit payment of the rebate amount to the United States and to comply with all other requirements of this Section 5.08 shall survive the defeasance or payment in full of the Tax-Exempt Bond.

(e) Any funds remaining in the Rebate Fund after redemption and payment of all of the Tax-Exempt Bond and payment and satisfaction of any Rebate Requirement, or provision made therefor satisfactory to the Trustee, shall be withdrawn and remitted to the Borrower.

(f) The Trustee shall keep such records of the computations made pursuant to this Section 5.08 as are provided to it and as are required under Section 148(f) of the Code. The Trustee shall keep and make available to the Borrower such records concerning the investments of the gross proceeds of the Bond and the investments of earnings from those investments as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

(g) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.08 need not be made if there shall have been delivered to the Trustee, the Issuer and the Servicer an opinion of Bond Counsel to the effect that such withdrawal and payment are not necessary in order to establish or maintain the exclusion from gross income of Owners (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) of interest on the Tax-Exempt Bond. In the event Bond Counsel so opines, the moneys on deposit in the Rebate Fund shall be applied to such purpose as the Borrower shall direct provided that the Borrower shall deliver to the Issuer, the Trustee and the Servicer an opinion of Bond Counsel to the effect that such application will not adversely affect the exclusion from gross income of Owners (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) of interest on the Tax-Exempt Bond for purposes of federal income taxation.

Section 5.09. Moneys Held in Trust; Investment of Moneys.

(a) All moneys from time to time received by the Trustee and held in the Funds and Accounts created hereby (other than the Rebate Fund) shall be held in trust as security for the benefit of the Owner of the Bond. All such moneys, including the moneys held in the Rebate Fund, shall be invested as provided in this Indenture.

(b) Any such investments shall be held by or under the control of the Trustee. A sufficient amount of such investments shall be liquidated whenever the cash balance in any Fund or Account is insufficient to pay an approved Requisition when presented or debt service on the Bond when due, provided that proceeds of the Bond may only be used to fund debt service up to the Completion Date. Any moneys held as a part of the Funds shall be invested or reinvested, to the extent permitted by law, in Investment Securities at the request of and as directed in writing by an Authorized Representative of the Borrower. In the absence of such written direction, the
Trustee shall hold money in the Funds in Permitted Investments of the type described in clause (h) of the definition of Investment Securities. Any loss resulting from such investment shall be charged to the Fund from which the investment was made, and in the event such loss reduces the amount held in such Fund below the amount required to be deposited in such Fund, the Trustee shall request the Borrower to transfer to the Trustee for deposit into such Fund the amount required to restore amounts in such Fund to the required amount. The Trustee shall not be liable for any loss incurred from the purchase or sale of any investment (except for any such loss resulting from the negligence or willful misconduct of the Trustee or its employees).

(c) The Trustee may purchase from or sell to itself, or through any affiliated company, as principal or agent, Investment Securities herein authorized so long as such purchase or sale is at fair market value.

The Trustee is hereby authorized, in making or disposing of any investment permitted by this Section, to deal with itself (in its individual capacity) or with any one or more of its affiliates, whether it or such affiliate is acting as an agent of the Trustee or for any third person or dealing as principal for its own account.

The Issuer (and the Borrower by its execution of the Loan Agreement) acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Issuer or the Borrower the right to receive brokerage confirmations of security transactions as they occur, the Issuer and the Borrower will not receive such confirmations to the extent permitted by law. The Trustee will furnish the Issuer and the Borrower periodic cash transaction statements, which include detail for all investment transactions made by the Trustee hereunder. The Trustee, or any of its affiliates, may act as sponsor, advisor or manager in connection with any investments made by the Trustee hereunder. For investment purposes, the Trustee may, in its discretion, commingle the funds and accounts established hereunder, but shall account for each separately.

Section 5.10. Investment Earnings. Earnings on investments held in the Capitalized Interest Account, the Loan Account, the Equity Account and the Insurance and Condemnation Proceeds Account shall be retained in the Capitalized Interest Account, the Loan Account, the Equity Account and the Insurance and Condemnation Proceeds Account, respectively, for application pursuant to Sections 5.02, 5.03 and 5.04 hereof. Earnings on all investments held in the Revenue Fund shall be retained in the Revenue Fund for application pursuant to Section 5.07 hereof. Earnings on investments held in the Replacement Reserve Fund, the Operating Reserve Account, the Tax and Insurance Fund and the Rebate Fund shall be retained therein and applied in the manner prescribed by Sections 5.05, 5.06 and 5.08 hereof, respectively.

Section 5.11. Covenants Respecting Arbitrage and Rebate. The Trustee shall keep and make available to the Borrower such records concerning the investment of the gross proceeds of the Bond and the investments of earnings from those investments as may be requested by the Borrower in order to enable the Borrower to fulfill the requirements of Section 148(f) of the Code.

Section 5.12. Records. The Trustee shall keep and maintain adequate records pertaining to the Funds and Accounts established hereunder, including all deposits to and disbursements from said funds and accounts. The Trustee shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal and interest paid on the Bond, subject to the inspection of the Borrower, the Issuer, the Trustee and the Owner of the Bond and their representatives at all reasonable times and upon reasonable prior notice.
Section 5.13. Reports From the Trustee. The Trustee shall, on or before the tenth day of each month and annually, file with the Servicer, the Borrower and the Issuer a statement setting forth in respect to the preceding calendar month or year:

(a) the amount withdrawn or transferred by it and the amount deposited within or on account of each Fund and Account held by it under the provisions of this Indenture, including the amount of investment income on each Fund and Account;

(b) the amount on deposit with it at the end of such month to the credit of each Fund and Account;

(c) a brief description of all obligations held by it as an investment of moneys in each such Fund and Account;

(d) the amount applied to the purchase or redemption of the Bond and a description of the portion of the Bond so purchased or redeemed; and

(e) any other information which the Borrower, the Servicer or the Issuer may reasonably request and to which the Trustee has access in the ordinary course of its operations.

Upon the written request of the Owner of the Bond, the Trustee, at the cost of the Borrower, shall provide a copy of such statement to the Owner of the Bond. All records and files pertaining to the Trust Estate shall be open at all reasonable times to the inspection of the Servicer and its agents and representatives upon reasonable prior notice.

ARTICLE VI

DEFAULT PROVISIONS; REMEDIES

Upon a default by the Issuer of its obligations hereunder, the Trustee shall take such actions, and only such actions, to enforce the provisions of this Indenture and the Loan Documents as are specified in writing by the Servicer. Notwithstanding the foregoing, or anything else to the contrary herein, no default by the Borrower under the Loan Agreement shall constitute an event of default with respect to the Bond (including, without limitation, a failure to make any payment due with respect to the Bond as a consequence of the Borrower’s failure to make any payment due under the Loan Agreement). The Issuer’s, Trustee’s, Owner’s and Servicer’s remedies with respect to a default under the Loan Documents shall be as set forth under the Loan Documents. Notwithstanding the foregoing, the Servicer may, upon the acceleration of the Borrower’s obligations under the Loan Documents, direct the Trustee to accelerate the maturity of the Bond and apply any funds available hereunder for such purpose (after paying the fees and expenses of the Trustee and the Issuer). Any Bond remaining Outstanding shall be deemed paid upon transfer, to or at the direction of the Owner, of the Loan Documents and all security therefor free and clear of the lien of this Indenture.
ARTICLE VII

CONCERNING THE TRUSTEE

Section 7.01. Trustee; Appointment and Acceptance of Duties.

(a) The Issuer hereby appoints U.S. Bank National Association, as trustee hereunder. The Trustee shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing this Indenture.

(b) Unless otherwise provided, the corporate trust offices of the Trustee are designated as the respective offices or agencies of the Trustee for the authentication and delivery of the Bond.

Section 7.02. Responsibilities of Trustee.

(a) The recitals of fact herein and in the Bond contained (other than the certificate of authentication) shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Bond issued hereunder or as to the security afforded by this Indenture, and the Trustee shall incur no liability in respect thereof. The Trustee shall be under no responsibility or duty with respect to the application of any moneys properly paid to it except as provided herein or as otherwise expressly agreed by the Trustee. Except for a declaration of acceleration under Article VI hereof or the payment of principal and interest on the Bond, the Trustee shall be under no obligation or duty to perform any act that would involve it in expense or liability or to institute or defend any suit in respect of this Indenture or to advance any of its own moneys, unless indemnified to its reasonable satisfaction. Subject to the provisions of subsection (b) of this Section 7.02, the Trustee shall not be liable in connection with the performance of its duties under this Indenture except for its own negligence or willful misconduct.

(b) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (and has not been cured within any applicable grace period) and subject to the rights of the Servicer with respect to control of remedies following an Event of Default hereunder, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person’s own affairs. Any provisions of this Indenture relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section 7.02.

(c) The Trustee shall cooperate fully with the Servicer in the enforcement and protection of the rights of the Owner of the Bond to the fullest extent possible under this Indenture, the Loan Documents and applicable law. Toward this end, the Trustee shall take such action as directed by the Servicer, including foreclosure of the Secured Property under the Mortgage, suit for specific performance of the Loan Documents or for damages for nonperformance thereof and assignment of the Loan Documents to the Owner of the Bond for purposes of enforcing the rights of the Owner of the Bond, provided that without the prior written consent of the Issuer, the Servicer shall give the Trustee no direction as to the enforcement of the
Reserved Rights, which shall, except with the prior written consent of the Issuer, be enforceable only by the Issuer.

(d) The Trustee shall not take any discretionary action under the Loan Documents (although approval or disapproval of disbursement of Loan proceeds and investment earnings thereon under the Loan Agreement shall be made in accordance with the terms of Article V hereof) without the written approval of the Servicer and shall, subject to the proviso of paragraph (c) of this section, take such discretionary action permitted or required under the Loan Documents, as may be directed in writing by the Servicer.

(e) The Trustee shall notify the Servicer of any notification received by the Trustee under or pursuant to the Loan Documents promptly after receipt of said notice.

(f) If any Event of Default occurs and is continuing hereunder and if the Trustee has received written notice thereof or is deemed to have notice pursuant to this Indenture, the Trustee shall give to the Owner, the Issuer and the Borrower written notice of such default or Event of Default within 30 days after receipt of such information. For the purpose of this Section 7.02 only, the term “default” means any event which is, or after notice or lapse of time or both would become, a default under Article VI hereof or under any Loan Document.

(g) Promptly upon receipt of notice of the occurrence of a Determination of Taxability, the Trustee shall give immediate telephonic notice, promptly confirmed in writing, to the Borrower, the Issuer, the Owner and former Owners (provided that the Trustee shall not be obligated to maintain records of such former Owners or to retain records relating to such former Owners for more than six years).

(h) The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder or under the Loan Agreement except for a default or Event of Default causing the Trustee to be unable to make any payment of principal of or interest on the Bond then due, unless the Trustee shall have received written notice of such Event of Default by the Issuer, the Borrower, the Servicer or by the Owner of the Bond then Outstanding.

(i) The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay (“unavoidable delay”) in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the project, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

**Section 7.03. Evidence on Which Trustee May Act.**

(a) The Trustee, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document furnished to it pursuant to any provision of this Indenture, shall examine such instrument to determine whether it conforms to the requirements of this Indenture and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties.
The Trustee may consult with counsel selected by it in respect of any action taken or suffered by the Trustee under this Indenture and the Trustee shall be protected in relying in good faith on the opinion or advice of such counsel.

(b) Except as otherwise expressly provided in this Indenture, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision of this Indenture by the Issuer to any Trustee shall be sufficiently executed if executed in the name of the Issuer by an Authorized Representative of the Issuer.

(c) The Trustee agrees to accept and act upon facsimile transmission of written instructions and/or directions pursuant to this Indenture provided, however, that: (a) subsequent to such facsimile transmission of written instructions and/or directions the Trustee shall forthwith receive the originally executed instructions and/or directions, (b) such originally executed instructions and/or directions shall be signed by a person as may be designated and authorized to sign for the party signing such instructions and/or directions, and (c) the Trustee shall have received a current incumbency certificate containing the specimen signature of such designated person.

Section 7.04. Compensation; No Trustee Liens. The Borrower shall pay to the Trustee, as provided in the Loan Agreement, from time to time reasonable compensation for all services rendered under this Indenture and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Indenture, provided that the Trustee shall not have a lien therefor on any moneys or Investment Securities at any time held or received by it under this Indenture.

Section 7.05. Certain Permitted Acts. The Trustee may become the owner of the Bond with the same rights it would have if it were not the Trustee. To the extent permitted by law, the Trustee may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owner of the Bond or to effect or aid in any reorganization growing out of the enforcement of the Bond or this Indenture.

Section 7.06. Resignation of Trustee. The Trustee may resign at any time and be discharged of the duties and obligations created by this Indenture by giving not less than 60 days’ written notice to the Issuer, the Borrower and the Owner of the Bond, provided that no resignation shall become effective until the acceptance of appointment by a successor Trustee as provided in Section 7.08 of this Indenture. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 60 days after the giving of such notice of resignation, the retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

Section 7.07. Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing, signed by the Issuer or by the Servicer (subject to the prior written consent of the Issuer, which consent shall not be unreasonably withheld or delayed, if such removal is not for cause) and filed with the Trustee and the Borrower, provided that no removal shall become effective until the acceptance of appointment by a successor Trustee as provided in Section 7.08 of this Indenture.

Section 7.08. Appointment of Successor Trustee; Temporary Trustee. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, the Issuer shall appoint a successor Trustee, subject to the prior written consent of the Servicer (which
consent shall not be unreasonably withheld or delayed); provider, however, that the Servicer may appoint a successor Trustee if the Issuer has not appointed a successor Trustee within 15 days of such time.

Section 7.09. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor, and also to the Issuer, the Servicer and to any Owner which shall request the same, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named; but the Trustee ceasing to act nevertheless, shall execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as reasonably may be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of the predecessor Trustee in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in or pursuant to this Indenture. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Trustee for more fully and certainly vesting in and confirming any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged and delivered by the Issuer.

Section 7.10. Merger or Consolidation of Trustee. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it may be party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, and shall be authorized by law to perform all the duties imposed upon it by this Indenture, shall be the successor to the Trustee without the execution or filing of any paper or the performance of any further act.

Section 7.11. Servicer. The Trustee, at the written direction of the Owner, shall appoint (with prompt notice thereof to the Issuer and the Borrower) a mortgage servicer to service the Loan for all or a portion of the term of the Loan. The initial Owner hereby appoints Bank of America, N.A., as the Servicer. In the event that JPMorgan purchases the P-1A Bond and becomes the Majority Owner, JPMorgan shall be the Servicer effective as of the Conversion Date without requirement for any further action of the Owner. Any Servicer hereafter appointed shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing the Servicing Agreement. Any Servicer appointed hereunder may be removed at any time, with or without cause, by the Owner, by written notice to the Issuer, the Trustee, the Borrower and the Servicer. At any time when a Servicer has not been appointed or when a Servicer has been removed without appointment of a successor Servicer, pursuant to this Section 7.11, all references in this Indenture and in the Loan Documents to the Servicer shall be deemed to refer to the Owner. The Servicer may, with the prior written consent of the Owner, appoint an agent as subservicer to perform the duties of the Servicer under the Servicing Agreement.

ARTICLE VIII

AMENDMENTS AND SUPPLEMENTAL INDENTURES; AMENDMENTS OF ISSUER DOCUMENTS

Section 8.01. Supplemental Indentures Not Requiring Consent of Owner of the Bond. The Issuer and the Trustee may, without the consent of, or notice to, the Owner of the Bond (but only with the prior written consent of the Servicer and with notice to the Borrower), enter into one or more Supplemental Indentures for any one or more of the following purposes:
to cure any ambiguity or formal defect or omission in this Indenture;

(b) to grant to or confer any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Owner of the Bond or the Trustee, or to make any change which, in the judgment of the Trustee and the Servicer, is not to the prejudice of the Owner of the Bond;

(c) to subject to the pledge and lien of this Indenture additional revenues, properties and collateral;

(d) to evidence the appointment of a separate Trustee or co-Trustee or the succession of a new Trustee; or

(e) to modify, amend or supplement the provisions of this Indenture or any Supplemental Indenture relating to the holding or investing by the Trustee of moneys hereunder or thereunder in such manner as the Issuer may deem necessary or desirable to maintain the exclusion from gross income of the Owner (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) for purposes of federal income taxation of interest on the Tax-Exempt Bond.

Section 8.02. Supplemental Indentures Requiring Consent of the Owner of the Bond.

(a) Exclusive of Supplemental Indentures covered by Section 8.01 of this Indenture and subject to the terms and provisions contained in this Section 8.02, and not otherwise, neither the Issuer nor the Trustee shall enter into any amendment, change or modification of this Indenture without the prior written consent of the Owner of the Bond then Outstanding.

(b) If at any time the Issuer and the Trustee shall desire to execute and deliver a Supplemental Indenture for any of the purposes of this Section 8.02, the Trustee shall, upon being provided with reasonably satisfactory arrangements for payment of its fees and expenses, cause notice of the proposed execution of such Supplemental Indenture to be mailed by registered or certified mail to the Owner of the Bond. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the Principal Office of the Trustee for inspection by the Owner of the Bond. If within 60 days or such longer period as shall be prescribed by the Issuer following the giving of such notice, the Owner of the Bond Outstanding at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof as herein provided, no subsequent Owner of the Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof. Subject to Section 8.04 hereof, upon the execution of any such Supplemental Indenture as in this Section 8.02 permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

Section 8.03. Reliance on Opinion of Counsel. The Trustee and the Issuer shall be entitled to rely upon an opinion of Counsel stating that a Supplemental Indenture is authorized or permitted by this Indenture, and prior to the execution and delivery of any Supplemental Indenture, the Trustee, the Issuer and the Servicer shall be furnished with an opinion of Bond Counsel stating that the provisions of such Supplemental Indenture will not cause the interest on the Tax-Exempt Bond to be includable in gross income of the Owner (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) for purposes of federal income taxation.
Section 8.04. Consents Required. Anything herein to the contrary notwithstanding, a Supplemental Indenture described in Section 8.02 hereof which adversely affects any rights of the Borrower, the Servicer or the Trustee shall not become effective unless and until the affected party shall have consented in writing to the execution and delivery of such Supplemental Indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any Supplemental Indenture together with a copy of the proposed Supplemental Indenture to be mailed as provided in Section 4.05 with respect to the redemption of the Bond to the Borrower and the Servicer at least 10 days before the date of its proposed execution and delivery.

Section 8.05. Amendments of Loan Documents Not Requiring Consent of the Owner of the Bond. The Issuer, the Trustee and the Borrower may, without the consent of or notice to the Owner of the Bond (but only with the consent of the Servicer) enter into any amendment, change or modification of any of the Loan Documents as may be required (a) by the provisions of the Loan Agreement or this Indenture, (b) for the purpose of curing any ambiguity or formal defect or omission therein, (c) so as to add additional rights and remedies for the benefit of the Owner of the Bond or (d) in connection with any other change therein which, in the judgment of the Trustee and the Servicer, is not to the prejudice of the Trustee or the Owner of the Bond.

Section 8.06. Amendments of Loan Documents Requiring Consent of the Owner of the Bond. Except for the amendments, changes or modifications as provided in Section 8.05 hereof, none of the Issuer, the Trustee or the Borrower shall enter into any other amendment, change or modification of the Loan Documents without the mailing of notice and the written approval or consent of the Owner of the Outstanding Bond. If at any time the Issuer, the Trustee or the Borrower shall desire the consent to any such proposed amendment, change or modification, the Trustee shall, upon being satisfactorily indemnified with respect to fees and expenses, cause notice of such proposed amendment, change or modification to be mailed in the same manner as provided herein with respect to redemption of the Bond. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Principal Office of the Trustee for inspection by the Owner of the Bond. If, within 60 days, or such longer period as shall be prescribed by the Trustee as the case may be, following the mailing of such notice, the Owner of the Bond Outstanding at the time of the execution of any such amendment, change or modification shall have consented to and approved the execution thereof as hereto provided, no subsequent Owner of the Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Borrower or the Issuer or the Trustee as the case may be, from executing the same or from taking any action pursuant to the provisions thereof. The Issuer, or the Trustee as the case may be, shall have the right to extend from time to time the period within which such consent and approval may be obtained from the Owner of the Bond. Upon the execution of any such amendment, change or modification as in this Section permitted and provided, the Issuer Documents shall be and be deemed to be modified, changed and amended in accordance therewith.

ARTICLE IX

DISCHARGE

Section 9.01. Discharge of Indenture. If the Issuer shall pay, or there shall otherwise be paid, to the Owner of the Bond the principal or redemption price, if applicable, and interest due thereon, at the times and in the manner stipulated therein and in this Indenture, and if all Trustee Expenses and all amounts payable to the Issuer for its own account (including fees, expenses and indemnification) shall be paid in full, then the pledge of revenues, other moneys and securities under this Indenture, and all covenants, agreements and other obligations of the Issuer to the Owner of the Bond, shall thereupon
cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the Issuer to be prepared and filed with the Issuer and, upon the request of the Issuer, shall execute and deliver to the Issuer and the Borrower all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver as provided in Article V hereof all moneys or securities held by them pursuant to this Indenture (except as otherwise specified in Section 5.08) after the payment of principal or redemption price, if applicable, of or interest on the Bond. Notwithstanding the foregoing, upon such discharge the provisions of this Indenture relating to the Rebate Fund and Section 5.18(c) of the Loan Agreement shall continue in effect.

**Section 9.02. Discharge by Delivery.** The obligation to pay the principal of and interest on all or any portion of the Bond (the “Bond Obligations”) may be discharged by the delivery of the Bond to the Trustee accompanied by written direction from the Owner thereof to cancel such Bond without payment (except as provided hereafter in this Section 9.02), and upon such delivery such Bond Obligations shall be canceled and deemed paid. In the event only a portion of the Bond Obligations shall be canceled and deemed paid pursuant to the terms of this Section 9.02, those Bond Obligations which are not so canceled and deemed paid shall remain Outstanding for all purposes of this Indenture, provided that if the Outstanding Bond shall be delivered to the Trustee in accordance with the terms of this Section 9.02 and all of the requirements for the discharge of this Indenture (other than the payment of Bond Obligations) shall be paid and satisfied in full, then the Trustee shall discharge and release the lien of this Indenture, assign to the Owner of the Bond all right, title and interest of the Trustee in and to the Note, the Loan Agreement and the other Loan Documents, deliver to the Owner of the Bond all moneys and securities held by the Trustee pursuant to this Indenture (except as otherwise specified in Section 5.08) up to an amount necessary to pay in full all of the principal of and interest on the Bond through such cancellation and any other amounts due under the Loan Documents, and execute and deliver such releases or other instruments requisite to release the lien hereof.

**Section 9.03. Discharge by Deposit.** The obligation to pay the principal of and interest on all or a portion of the Bond may be discharged if the Issuer or the Borrower has deposited or caused to be deposited, as trust funds, with the Trustee cash and/or Government Obligations which do not permit the redemption thereof at the option of the issuer thereof, the principal of and interest on which when due (or upon the redemption thereof at the option of the owner), will, without reinvestment, provide cash which together with the cash, if any, on deposit with the Trustee at the same time, shall be sufficient to pay and discharge the entire indebtedness on the Bond not theretofore canceled by the Trustee or delivered to the Trustee for cancellation by the payment of interest on and principal of the Bond which have become due and payable or which shall become due at its stated maturity or redemption date, as the case may be (the “Defeasance Collateral”), and which is to be discharged under the provisions hereof, and has made arrangements satisfactory to the Trustee for the giving of notice of redemption, if any, by the Trustee in the name, and at the expense, of the Borrower. If the period over which payments will be made from the Defeasance Collateral is greater than 90 days, the Borrower must also deliver to the Trustee a verification report prepared by a certified public accountant, with respect to the sufficiency of the Defeasance Collateral to make such payments. In addition, to discharge the obligation to pay the principal and interest on the Bond pursuant to this Section 9.03, the Issuer or the Borrower must (a) obtain an opinion of Bond Counsel addressed to the Issuer and the Trustee to the effect that all actions have been taken to cause the defeasance of this Indenture and such actions will not adversely affect the excludability of interest on the Tax-Exempt Bond for federal income tax purposes under existing law, and (b) provide written notice to the Servicer of such discharge at least 30 days in advance.
ARTICLE X
MISCELLANEOUS

Section 10.01. Evidence of Signatures of Bond Owners and Ownership of Bond.

(a) Any request, consent, revocation of consent or other instrument that this Indenture may require or permit to be signed and executed by the Owner may be in one or more instruments of similar tenor, and shall be signed or executed by such Owner in person or by their attorneys appointed in writing. The fact and date of the execution by any Owner of the Bond or his attorney of such instruments may be proved by a guaranty of the signature thereon by a bank, trust company or national banking association or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guaranty, certificate or affidavit also shall constitute sufficient proof of his authority.

(b) The ownership of the Bond and the amount, numbers and other identification, and date of holding the same, shall be proved by the registry books maintained by the Trustee.

(c) Any request or consent by the Owner of the Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by the Issuer or any Trustee in accordance therewith.

No recourse under or upon any obligation, covenant, warranty or agreement contained in this Indenture or in the Bond, or under any judgment obtained against the Issuer, or the enforcement of any assessment, or any legal or equitable proceedings by virtue of any constitution or statute or otherwise, or under any circumstances under or independent of this Indenture, shall be had against the Mayor, the City Council or any of the members, officers, agents or employees of the Issuer, as such, past, present or future of the Issuer, either directly or through the Issuer or otherwise, for the payment for or to the Issuer or any receiver of the Issuer, or for or to the owners of the Bond, or otherwise, of any sum that may be due and unpaid by the Issuer upon the Bond. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of the Mayor, the City Council or of any such member, officer, agent or employee, past, present or future, of the Issuer, as such, by reason of any
act of omission on his or her part or otherwise, for the payment for or to the owners of the Bond or otherwise of any sum that may remain due and unpaid upon the Bond secured by this Indenture or any of them is, by the acceptance of the Bond, expressly waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of the Bond. Anything in this Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Indenture that (a) the Issuer may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Trustee, the Servicer or the Owner as to the existence of any fact or state of affairs, (b) the Issuer shall not be under any obligation under this Indenture to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Trustee or by the Servicer and (c) none of the provisions of this Indenture shall require the Issuer to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Indenture, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action. No recourse for the payment of any part of the principal of, premium, if any, or interest on the Bond or for the satisfaction of any liability arising from, founded upon or existing by reason of the issuance, purchase or ownership of the Bond shall be had against the Mayor, the City Council or any officer, member, agent or employee of the Issuer, as such, all such liability being expressly released and waived as a condition of and as a part of the consideration for the execution of this Indenture and the issuance of the Bond. No covenant, stipulation, obligation or agreement of the Issuer contained in this Indenture shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the Issuer or the Mayor or the City Council in other than that person’s official capacity. No member, officer, agent or employee of the Issuer shall be individually or personally liable for the payment of the principal or redemption price of or interest on the Bond or be subject to any personal liability or accountability by reason of the issuance of the Bond.

It is recognized that notwithstanding any other provision of this Indenture, neither the Borrower, the Trustee nor the Owner shall look to the Issuer for damages suffered by the Borrower, the Trustee or the Owner as a result of the failure of the Issuer to perform any covenant, undertaking or obligation under this Indenture, the Loan Agreement, the Bond or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Issuer in any of such documents, nor for any other reason. Although this Indenture recognizes that such documents shall not give rise to any pecuniary liability of the Issuer, nothing contained in this Indenture shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Issuer) in any court or before any governmental body, agency or instrumentality or otherwise against the Issuer or any of its officers or employees to enforce the provisions of any of such documents which the Issuer is obligated to perform and the performance of which the Issuer has not assigned to the Trustee or any other person; provided, however, that as a condition precedent to the Issuer proceeding pursuant to this Section 10.02, the Issuer shall have received satisfactory indemnification.

**Section 10.03. Preservation and Inspection of Documents.** All documents received by any Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times and upon reasonable prior notice to the inspection of the Issuer, any other Trustee, and the Owner of the Bond and its agents and their representatives, any of whom may make copies thereof.

Parties Interested Herein.** Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any Person, other than the Issuer, the Trustee, the Servicer, the Borrower and the Owner of the Bond, any right, remedy or claim under or by reason of this Indenture or any covenant, condition or stipulation of this Indenture; and all the covenants, stipulations, promises and agreements in this Indenture shall be for the sole and exclusive benefit of the Issuer, the Trustee, the Servicer, the Borrower and the Owner of the Bond.
Section 10.05. No Recourse on the Bond. No recourse shall be had for the payment of the principal or redemption price or purchase price of or interest on the Bond or for any claim based thereon or on this Indenture or any other Issuer Document or the Loan Documents against any member, officer, employee or agent of the Issuer, past, present or future or any person executing the Bond.

Section 10.06. Severability of Invalid Provisions. If any one or more of the covenants or agreements provided in this Indenture on the part of the Issuer or any Trustee to be performed should be contrary to law, then such covenant or covenants or agreement or agreements shall be deemed severable from the remaining covenants and agreements, and in no way shall affect the validity of the other provisions of this Indenture.

Section 10.07. Successors. Whenever in this Indenture the Issuer is named or referred to, it shall be deemed to include any entity that may succeed to the principal functions and powers of the Issuer under the Act and the Law, and all the covenants and agreements contained in this Indenture by or on behalf of the Issuer shall bind and inure to the benefit of said successor whether so expressed or not.

Section 10.08. Notices, Demands and Requests. Except as otherwise provided in Section 4.05, all notices, demands and requests to be given or made under this Indenture to or by the Issuer or the Trustee shall be in writing and shall be sufficiently given and shall be deemed given (a) three days after mailing by certified mail, first-class, postage prepaid; (b) the Business Day after sending by expedited overnight delivery service; (c) the date of receipt if delivered by personal delivery; or (d) if sent by facsimile transmission, the date of transmission if receipt of such transmission is telephonically confirmed on such day and addressed to the Notice Address of the respective addressee. Either the Issuer or the Trustee may change the Notice Address listed for it at any time upon written notice of such change sent by United States mail, postage prepaid, to the other party, which charge shall be effective upon receipt.

Section 10.10. Table of Contents and Section Headings Not Controlling. Ladies and Gentlemen:

The undersigned (the “Investor”) hereby represents and warrants to you as follows:

1. The Investor proposes to purchase all of the aggregate principal amount of the above-referenced bond (the “Bond”) issued pursuant to that certain Trust Indenture, dated as of March 1, 2017 (the “Indenture”), between the City of Los Angeles (the “Issuer”) and U.S. Bank National Association, as trustee (the “Trustee”). The Investor understands that the Bond is not rated by any securities rating agency and are secured only by the Jordan Downs Phase 1A Apartments and the revenues therefrom, and will be sold to the Investor in reliance upon the representations and warranties of the Investor set forth herein. The Investor acknowledges that no offering document has been prepared in connection with the issuance and sale of the Bond. The Investor has requested and received all materials which the Investor has deemed relevant in connection with its purchase of the Bond (the “Offering Information”). The Investor has reviewed the documents executed in conjunction with the issuance of the Bond, including, without limitation, the Indenture and the Loan Documents. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Indenture.

2. The Investor hereby waives the requirement of any “due diligence investigation or inquiry” by the Issuer, by each employee of the Issuer, by each member of the City Council of the Issuer, and by counsel to the Issuer, the Trustee, counsel to the Trustee and Bond Counsel in connection with the authorization, execution, delivery of the Bond and Investor’s purchase of the Bond. The Investor recognizes and agrees that the Issuer, each employee of the Issuer, each member of the City Council of the Issuer, counsel to the Issuer, the Trustee, counsel to the Trustee and Bond Counsel have made no representations or statements (expressed or implied) with respect to the accuracy or completeness of any of the materials reviewed by the Investor in connection with the Issuer’s purchase of the Bond. In making an investment decision, the Investor is relying upon its own examination of the Issuer, the Borrower, the Project and the terms of the offering.

3. The Investor has been provided an opportunity to ask questions of, and the Investor has received answers from, representatives of the Issuer and the Borrower regarding the terms and conditions
of the Bond, and the Investor has obtained all additional information requested by it in connection with

4. The Investor has sufficient knowledge and experience in business and financial matters in
general, and investments such as the Bond in particular, and is capable of evaluating the merits and risks
involved in an investment in the Bond. The Investor is able to bear the economic risk of, and an entire
loss of, an investment in the Bond.

5. The Investor is purchasing the Bond solely for its own account for investment purposes
and, except as contemplated by the Indenture, has no present intention to resell or distribute the Bond,
provided that the Investor reserves the right to transfer or dispose of the Bond in whole (but not in part),
at any time, and from time to time, in its complete and sole discretion, subject, however, to the restrictions
described in paragraphs 6 through 8 of this Letter. The Investor hereby agrees that the Bond may only be
transferred in whole to a transferee, which must execute and deliver to the parties addressed above a form
of this Investor Letter and only, if and to the extent required in the Indenture, with the prior written
consent of the Issuer, which shall not be unreasonably withheld.

6. The Investor agrees that it will only offer, sell, pledge, transfer or exchange the Bond (or
any legal or beneficial interest therein) (i) in accordance with an available exemption from the registration
requirements of Section 5 of the Securities Act of 1933, as amended (the “1933 Act”), (ii) in accordance
with any applicable state securities laws, and (iii) in accordance with the transfer restrictions set forth in
the Bond and the Indenture. The Investor further agrees that the Bond will not be transferred to or held in
a pool, trust or similar arrangement and that it will not sell any participating interest in the Bond, except
as from the Majority Owner to JPMorgan, without the prior written consent of the Issuer.

7. The Investor agrees that it will only offer, sell, pledge, transfer or exchange the Bond (or
any legal or beneficial interest therein) (i) in accordance with an available exemption from the registration
requirements of Section 5 of the Securities Act of 1933, as amended (the “1933 Act”), (ii) in accordance
with any applicable state securities laws, and (iii) in accordance with the transfer restrictions set forth in
the Bond and the Indenture. The Investor further agrees that the Bond will not be transferred to or held in
a pool, trust or similar arrangement and that it will not sell any participating interest in the Bond, except
as from the Majority Owner to JPMorgan, without the prior written consent of the Issuer.

8. If the Investor sells the Bond (or any legal or beneficial interest therein), the Investor or
its agent will obtain for the benefit of each of you from any subsequent purchaser an Investor Letter in the
form of this letter or such other materials as are required by the Bond and the Indenture to effect such sale
and purchase. The Investor understands and agrees that the Trustee is not authorized to register any
transfer of the Bond prior to receipt of such Investor Letter and evidence of Issuer consent pursuant to
paragraph 6 above.

9. Neither the Trustee, the Bond Counsel to the Issuer, the Issuer, its governing body, or any
of its employees or agents will have any responsibility to the Investor for the accuracy or completeness of
information obtained by the Purchaser from any source regarding the Project, the Issuer, the Borrower or
their financial conditions or regarding the Bond, the provisions for payment thereof, or the sufficiency of
any security therefor, including, without limitation, any information specifically provided by any of such
parties contained in the Offering Information. The Investor acknowledges that, as between Investor and
all of such parties: (a) the Investor has assumed responsibility for obtaining such information and making
such review as the Investor has deemed necessary or desirable in connection with its decision to purchase
the Bond and (b) the Offering Information and any additional information specifically requested from the
Issuer or the Borrower and provided to the Investor prior to closing constitute all the information and
review, with the investigation made by Investor (including specifically the Investor’s investigation of the
Issuer, the Project and the Borrower) prior to its purchase of the Bond, that Investor has deemed necessary or desirable in connection with its decision to purchase the Bond.

The Investor understands that (a) the Bond has not been registered with any federal or state securities agency or commission, and (b) no credit rating has been sought or obtained with respect to the Bond, and the Investor acknowledges that the Bond is a speculative investment and that there is a high degree of risk in such investment.

11. The Investor acknowledges that the Bond is a limited obligation of the Issuer, payable solely from amounts provided by or at the direction of the Borrower, and is not an obligation payable from the general revenues or other funds of the Issuer, the State of California or any other political subdivision of the State of California. The Investor acknowledges that the Issuer is issuing the Bond on a conduit, nonrecourse basis, and has no continuing obligations with respect thereto except as expressly set forth in the Indenture.

12. The undersigned is a duly appointed, qualified and acting officer of the Investor and authorized to make the certifications, represents and warranties contained herein.

13. The Investor agrees to indemnify and hold harmless the Issuer, the Issuer’s officials, officers, directors, employees, agents, attorneys, accountants, advisors, consultants, servants and the members of the governing board of the Issuer past, present and future with respect to any claim asserted against any of them that is based upon the Investor’s sale, transfer or other disposition of its interests in the Bond in violation of the provisions hereof or of the Indenture or any inaccuracy in any statement made by the Investor in this letter.

Section 2.02. Covenants of the Issuer. The Issuer hereby agrees with the Owners from time to time of the Bond that, so long as the Bond remains unpaid:

ARTICLE III
AUTHORIZATION AND ISSUANCE OF BOND

Section 3.01. Authorization of Bond.

(a) There is hereby authorized, established and created a Bond comprised of three series of the Issuer to be known and designated as the “City of Los Angeles Multifamily Housing Revenue Bond (Jordan Downs Phase 1A Apartments), Series 2016P-1A” in the original aggregate principal amount of $7,504,000, “City of Los Angeles Multifamily Housing Revenue Bond (Jordan Downs Phase 1A Apartments), Series 2016P-1B” in the original aggregate
principal amount of $20,496,000 and “City of Los Angeles Multifamily Housing Revenue Bond (Jordan Downs Phase 1A Apartments), Taxable Series 2016P-2” in an original aggregate principal amount of $5,959,951.

(b) No additional Bonds shall be authorized or issued under this Indenture. The Bond shall be issued for the purpose of making the Loan by depositing such amounts in the various accounts of the Project Fund established hereunder.

(c) The Bond is hereby authorized to be issued as a drawdown Bond. The Owner of the Bond shall fund the purchase price of the Bond in installments. The initial installment for the purchase of the Bond shall be in the amount of $55,000, to be advanced by the Owner of such Bond and received by the Trustee on the Closing Date, which purchase price shall be deposited in the Project Fund or elsewhere as provided in Section 5.01(c) hereof for application as provided in Section 5.02 hereof. Provided that the conditions to advance contained in the Construction Disbursement Agreement are either satisfied or waived by the Servicer, the balance of the purchase price of the Bond shall be advanced in subsequent installments by the Owner, with advances of purchase price allocated: (i) first to fund the P-1A Bond and P-1B Bond on an equal basis until the P-1A Bond is fully funded; (ii) second to fund the remainder of the P-1B Bond; and (iii) finally, to fund the Taxable Bond. The Servicer shall provide to the Trustee and Owner a Funding Notice (in the form set forth as Exhibit G to the Construction Disbursement Agreement, each, a “Funding Notice”) not less than three Business Days prior to the date when such funds are required from the Owner, which such notice shall describe the amount of the purchase price to be funded and the purposes to which the proceeds of the Bond so purchased will be applied. Upon the payment of any portion of the purchase price of the Bond by the Owner in accordance with the terms of this Section 3.01(c), such payment shall be deposited by the Trustee in the Project Fund and thereafter immediately applied in accordance with the corresponding Requisition pursuant to Section 5.02 hereof. The Trustee shall maintain in its books a log which shall reflect from time to time the payment of the purchase price of the Bond by the Owner in accordance with the provisions of this Section 3.01(c). If presented to the Trustee by any Owner, amounts funded by the Owner in accordance with the provisions of this Section 3.01(c) shall be noted on Schedule A attached to the Bond so presented to the Trustee. Notwithstanding any provision in Section 3.06 hereof, the Bond shall bear interest as provided in Section 3.06 hereof upon the deposit with Trustee by the Owner of the amount of purchase price of the Bond so paid in accordance with the provisions of this Section 3.01(c). Notwithstanding anything to the contrary herein, no additional portion of the Bond may be funded on or after December 31, 2020.

Section 3.02. Conditions Precedent to Authentication and Delivery of Bond. Prior to the initial authentication and delivery of the Bond, the Trustee shall have received each of the following:

(a) executed original counterparts of this Indenture, the other Issuer Documents and the Loan Documents;

(b) confirmation from the Servicer or its counsel that the conditions to initial purchase of the Bond contained in the Construction Disbursement Agreement have been satisfied or waived by Servicer;

(c) a certified copy of the Resolution;

(d) evidence of the payment of the initial installment of the purchase price of the Bond and deposit of the Borrower funds required pursuant to Section 5.01(c) of this Indenture;
(e) an opinion of Bond Counsel substantially to the effect that the Bond constitutes a legal, valid and binding obligation of the Issuer and that under existing statutes, regulations, rulings and court decisions, the interest on the Tax-Exempt Bond is not includable in gross income of the Owners (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) for federal income tax purposes;

(f) an original investor letter executed by the initial purchaser of the Bond, in substantially the form set forth in Exhibit B hereto; and

(g) confirmation of filing pursuant to the Responsible Banking Ordinance.

Section 3.03. Registered Bond. The Bond shall be in fully registered, certificated form, without coupons and shall be payable in accordance with the provisions hereof and of the Bond to the Owner thereof as shown on the records maintained by the Trustee.

Section 3.04. Loss, Theft, Destruction or Mutilation of Bond. In the event the Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate and deliver a new Bond of the same series, bearing the same number, if any, as the mutilated, destroyed, lost or stolen Bond and bearing a notation indicating the principal amount outstanding, in exchange for the mutilated Bond, or in substitution for a Bond so destroyed, lost or stolen. In every case of exchange or substitution, the applicant shall furnish to the Issuer and the Trustee (i) such security or indemnity as may be required by them to save them harmless from all risks, however remote, and (ii) evidence to their satisfaction of the mutilation, destruction, loss or theft of the Bond and of the ownership thereof. Upon the issuance of a Bond upon such exchange or substitution, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses, including counsel fees, of the Issuer and the Trustee. In case the Bond shall become mutilated or be destroyed, lost or stolen, the Trustee may, instead of authenticating a Bond in exchange or substitution therefor, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Bond) if the applicant for such payment shall furnish to the Issuer and the Trustee such security or indemnity as they may require to save them harmless and evidence satisfactory to them of the mutilation, destruction, loss or theft of the Bond and of the ownership thereof.

Section 3.05. Terms of Bond—General.

(a) Registration; Denomination. The Bond shall be issuable only as a single fully-registered Bond of each series in the initial principal amount of $7,504,000 for the P-1A Bond, $20,496,000 for the P-1B Bond and $5,959,951 for the Taxable Bond. The Bond shall be substantially in the form of Exhibit A hereto, with such amendments and changes as the officer executing the same shall deem appropriate.

(b) Date and Maturity. The Bond shall be dated the Closing Date. The Bond shall bear interest from the Closing Date until paid in full, payable for the periods, in the amounts, at the rates, and as provided in Section 3.06 hereof. The Bond shall mature on the Maturity Date, unless sooner redeemed or accelerated.

(c) Payment. The principal of and interest on the Bond shall be payable in lawful money of the United States of America by check or draft of the Trustee mailed by first-class mail to the Owner of the Bond at its address appearing on the records of the Trustee. provided, however, that the payment to the Owner shall, upon written request of the Owner, be transmitted by the Trustee by wire transfer or other means requested in writing by the Owner.
Notwithstanding anything in this Indenture to the contrary, all payments of principal and interest with respect to the Bond shall, at the written request of the Owner, be made by wire transfer to the Owner without the requirement of surrender of such Bond under any circumstances.

Section 3.06. Interest on the Bond.

(a) General. The cumulative principal amount of the Bond for which installment purchase payments have been received by the Trustee shall bear interest at the applicable rate provided below. On each Interest Payment Date, interest accrued for the previous Calculation Period shall be payable. While the Bond bears interest at a Variable Rate or at an Alternative Rate based on a Variable Rate, interest on the Bond shall be computed on the basis of a 360-day year, for the number of days actually elapsed. While the Tax-Exempt Bond bears interest at the Fixed Rate, or at an Alternative Rate based on the Fixed Rate, interest on the Tax-Exempt Bond shall be computed on the basis of a 360-day year for the actual number of days elapsed (including the first day but excluding the last day). While the Tax-Exempt Bond bears interest at the Taxable Rate, interest on the Tax-Exempt Bond shall be computed on the basis of a year of 365 or 366 days, as applicable, and actual days elapsed.

(b) Variable Rate. During the Variable Rate Period, the Bond shall bear interest at the Variable Rate. During the Variable Rate Period, the Servicer shall determine a Variable Rate for the Bond for each day. The Servicer shall give telephonic or facsimile notice (with following written confirmation) on or before the Business Day prior to each Interest Payment Date to the Trustee and the Borrower of the interest payable on such Interest Payment Date. Notwithstanding anything to the contrary herein, the Trustee shall only be required to make any payment due on an Interest Payment Date as soon as reasonably practicable after receipt of such notice from the Servicer. Absent manifest error, the determination of the Variable Rate by the Servicer shall be conclusive and binding upon the Owner, the Issuer, the Borrower and the Trustee.

(c) Fixed Rate; Conversion to Fixed Rate. During the Fixed Rate Period, the P-1A Bond shall bear interest at the Fixed Rate.

(d) [Reserved].

(e) Alternative Rate. Notwithstanding anything to the contrary set forth herein, following the occurrence of an Event of Default under the Loan Agreement or an Event of Default under this Indenture, the Bond shall bear interest at the Alternative Rate.

(f) Taxable Rate. If an Initial Notification of Taxability shall occur, the Tax-Exempt Bond shall bear interest from the date of such Initial Notification of Taxability at the Taxable Rate. If such Initial Notification of Taxability is reversed by the Internal Revenue Service or a court of competent jurisdiction and a Determination of Taxability has not occurred, then the Tax-Exempt Bond shall bear interest from the date of such reversal at the rate applicable to the Tax-Exempt Bond prior to the Initial Notification of Taxability and the Servicer shall refund to the Borrower on or prior to the next succeeding Bond Payment Date the excess interest previously paid. This provision shall survive the discharge of this Indenture.

(g) Additional Interest. The Owner of the Tax-Exempt Bond shall also be entitled to Additional Interest, which amount, if any, shall be deposited in the Revenue Fund pursuant to the provisions of Section 3.2(b) of the Loan Agreement.
(h) Usury. Notwithstanding any provision of this Indenture to the contrary, in no event shall the interest contracted for, charged or received in connection with the Bond (including any other costs or considerations that constitute interest under the laws of the State which are contracted for, charged or received pursuant to this Indenture) exceed the maximum rate of nonusurious interest allowed under the laws of the State as presently in effect and to the extent of any increase allowable by such laws. To the extent permitted by law, interest contracted for, charged or received on the Bond shall be allocated over the entire term of the Bond, to the end that interest paid on the Bond does not exceed the maximum amount permitted to be paid thereon by law. Excess interest, if any, provided for in this Indenture, or otherwise, shall be canceled automatically as of the date of such acceleration or, if theretofore paid, shall be credited as principal paid on the Bond.

Section 3.07. Payment of Principal and Interest on the Bond. Principal and interest on the Bond shall be payable in the following manner: (i) commencing the first day of the second month after the month in which the Closing Date occurs and continuing on each Interest Payment Date thereafter until the Conversion Date, interest on the Outstanding principal balance of the Taxable Bond (which amount shall reflect so much of the purchase price as shall have been paid pursuant to Section 3.01(c) hereof) at the applicable interest rate shall be due and payable in arrears; (ii) commencing the first day of the first month after the month in which the Closing Date occurs and continuing on each Interest Payment Date thereafter until the Conversion Date, interest on the Outstanding principal balance of the P-1B Bond (which amount shall reflect so much of the purchase price as shall have been paid pursuant to Section 3.01(c) hereof) at the applicable interest rate shall be due and payable in arrears; (iii) commencing the first day of the first month after the month in which the Closing Date occurs and continuing on each Interest Payment Date thereafter until the Principal Amortization Commencement Date, interest on the Outstanding principal balance of the P-1A Bond (which amount shall reflect so much of the purchase price as shall have been paid pursuant to Section 3.01(c) hereof) at the applicable interest rate shall be due and payable in arrears; (iv) commencing on the Principal Amortization Commencement Date and continuing on each Interest Payment Date thereafter until the Fixed Rate Period Maturity Date, payments of principal and interest in arrears on the P-1A Bond shall be due and payable in accordance with the terms of the P-1A Note; and (vi) the entire unpaid principal balance thereof, the Prepayment Equalization Payment (if any) and all accrued and unpaid interest thereon shall be due and payable in full, on the earlier of the Fixed Rate Period Maturity Date or the Maturity Date of the P-1A Bond, if not paid earlier.

Section 3.08. Execution and Authentication of Bond.

(a) The Bond shall be executed on behalf of the Issuer by the manual or facsimile signature of an Authorized Representative of the Issuer, and its corporate seal (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced, and attested by the manual or facsimile signature of an Authorized Attesting Officer.

(b) In case any officer of the Issuer whose signature or facsimile signature shall appear on the Bond shall cease to be such officer before the Bond so signed and sealed shall have been actually delivered, such Bond may, nevertheless, be delivered as herein provided, and may be issued as if the persons who signed or sealed such Bond had not ceased to hold such offices or be so employed. Any Bond may be signed and sealed on behalf of the Issuer by such persons as, at the actual time of the execution of such Bond, shall be duly authorized or hold the proper office in or employment by the Issuer, although at the date of the Bond such persons may not have been so authorized nor have held such office or employment.

(c) No Bond shall be valid or obligatory for any purpose or shall be entitled to any right or benefit under this Indenture unless there shall be endorsed on such Bond a certificate of
authentication in the form set forth in such Bond duly executed by the Trustee, by the manual
signature of an authorized signatory thereof, and such certificate of the Trustee upon any Bond
executed on behalf of the Issuer shall be conclusive evidence that the Bond so authenticated has
been duly issued under this Indenture and that the Owner thereof is entitled to the benefits of this
Indenture.

Section 3.09. Negotiability, Transfer and Registry of Bond.

(a) Each Bond issued under this Indenture shall be negotiable, subject to the
provisions for registration and transfer contained in this Indenture and in the Bond. So long as
this Indenture remains in force, the Trustee, as registrar, shall maintain and keep books for the
recording of the taxpayer identification number of the Owner of the Bond and the registration,
transfer and exchange of the Bond. The Bond shall be transferable only upon the books of
registration. The Trustee is hereby appointed registrar, to act as agent of the Issuer for the
registration and transfer of Bond and the maintenance of the books of registration. The Issuer
may appoint a successor registrar upon notice by mail to the Trustee and the Owner of the Bond.

(b) Upon a partial redemption of the Bond, the Issuer shall execute and the Trustee
shall authenticate and deliver new certificates representing the unredeemed portion of the Bond to
be so tendered or redeemed in part, in exchange for the certificate representing the Bond to be so
tendered or redeemed in part. Surrender of the Bond for execution, authentication and delivery of
new a certificate shall not be a precondition to the redemption of the Bond pursuant to
Section 4.01(e) hereof.

(c) Upon surrender of the Bond at the Principal Office of the Trustee with a written
instrument of transfer satisfactory to the Trustee, duly executed by the Owner or his attorney duly
authorized in writing, such Bond may, at the option of the Owner thereof, be exchanged for a new
Bond of equal aggregate principal amount and series designation.

(d) The Borrower shall bear all costs in connection with any transfer or exchange of
the Bond, including the reasonable fees and expenses of the Issuer, Bond Counsel and the Trustee
and of any required indemnity for the Issuer and the Trustee, provided that the costs of any tax or
other governmental charge imposed upon such transfer or exchange shall be borne by the Owner
of the Bond.

(e) Each Bond shall be transferred upon presentation and surrender thereof at the
Principal Office of the Trustee by the Owner thereof or his attorney duly authorized in writing
with due endorsement for transfer or accompanied by a written instrument of transfer in form
satisfactory to the Trustee. Each Bond surrendered in any exchanges or transfers shall forthwith
be canceled. For every such exchange or transfer of the Bond, there shall be made a charge
sufficient to pay any tax or other governmental charge required to be paid with respect to such
exchange or transfer, which sum or sums shall be paid by the Owner requesting such exchange or
transfer as a condition precedent to the exercise of the privilege of making such exchange or
transfer. The Trustee shall not be obligated to authenticate, exchange or transfer any Bond during
a period beginning at the opening of business on any Record Date and ending at the close of
business on the next succeeding Interest Payment Date.

(f) The Bond may be transferred, only in whole, to: (i) a Sophisticated Investor or
(ii) JPMorgan. The Majority Owner shall agree not to sell any participating interest in the Bond
without the prior written consent of the Issuer, except to JPMorgan. In connection with the
acquisition of such participation interest, JPMorgan will enter into an investor's letter
substantially in the form set forth in Exhibit B to this Indenture. If the transferee is a "Commercial Bank" as defined in the Responsible Banking Ordinance, the transferee shall deliver to the Issuer an executed Responsible Banking Ordinance Certificate in the form of Exhibit D hereto. The Bond Registrar shall not register any transfer or exchange of the Bond unless such Bondholder’s prospective transferee delivers to the Trustee an investor’s letter substantially in the form set forth in Exhibit B to this Indenture and, except in the case of a transfer to JPMorgan, obtains the written consent of the Issuer to such transfer. The Trustee shall be entitled to rely, without any further inquiry, on any investor’s letter delivered to it and shall be fully protected in registering any transfer or exchange of the Bond in reliance on any such investor’s letter which appears on its face to be correct and of which the Trustee has no actual knowledge otherwise. Any such Holder desiring to effect such transfer shall agree to indemnify the Issuer and the Trustee from and against any and all liability, cost or expense (including attorneys’ fees) that may result if the transfer is not so exempt or is not made in accordance with such federal and state laws. Notwithstanding anything to the contrary herein, the Holder shall not transfer or sell any Bond or any interest therein to a party related to or affiliated with the Borrower, the General Partner or the Investor Limited Partner without the prior written consent of the Issuer.

Section 3.10. Ownership of Bond. The Issuer, the Trustee and any other Person may treat the registered owner of the Bond as the absolute owner thereof, whether the Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or redemption price of and interest on such Bond and for all other purposes whatsoever, and payment of the principal or redemption price, if any, of and interest on any such Bond shall be made only to, or upon the order of, such registered owner. All such payments to such registered owner shall be valid and effectual to satisfy and discharge the liability of the Issuer upon such Bond to the extent of the sum or sums so paid, and neither the Issuer nor any Trustee shall be affected by any notice to the contrary.

Section 3.11. Payments on Bond Due on Non-Business Days. In any case where any Bond Payment Date shall be a day other than a Business Day, then payment of the Bond need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the Bond Payment Date, and no interest shall accrue for the period after such date.

Section 3.12. Registration of Bond in the Book-Entry Only System.

(a) Notwithstanding any provision herein to the contrary, the provisions of this Section 3.12 and the Representation Letter (as defined below) shall apply with respect to any Bond registered to Cede & Co. or any other nominee of The Depository Trust Company ("DTC") while the Book-Entry Only System (meaning the system of registration described in paragraph (b) of this Section 3.12) is in effect. The Book-Entry Only System shall become effective only after the Issuer, in its sole discretion, approves registration of the Bond in the Book-Entry Only System; provided, however, that the Owner of the Bond shall provide notice of application of the Book-Entry Only System in writing to the Trustee, the Borrower and the Issuer, no later than 30 days before the effective date of the Book-Entry Only System, subject to the provisions below concerning termination of the Book-Entry Only System. Until the Owner of the Bond provides such notice and receives approval of the Issuer, the Book-Entry Only System shall not be in effect.

(b) Upon the effectiveness of the Book-Entry Only System, the Issuer shall execute and deliver, and the Trustee shall transfer and exchange Bond certificate for a single authenticated fully registered Bond in substantially the form provided for in Exhibit A hereto. Any legend required to be on the Bond by DTC may be added by the Trustee. On the date of
delivery thereof, the Bond shall be registered in the registry books of the Trustee in the name of Cede & Co., as nominee of DTC as agent for the Issuer in maintaining the Book-Entry Only System. With respect to a Bond registered in the registry books kept by the Trustee in the name of Cede & Co., as nominee of DTC, the Issuer, the Borrower and the Trustee shall have no responsibility or obligation to any Participant (which means securities brokers and dealers, banks, trust companies, clearing corporations and various other entities, some of whom or their representatives own DTC) or to any Beneficial Owner (which means, when used with reference to the Book-Entry Only System, the person who is considered the Beneficial Owner of the Bond pursuant to the arrangements for book-entry determination of ownership applicable to DTC) with respect to the following: (i) the accuracy of the records of DTC, Cede & Co. or any Participant with respect to any ownership interest in the Bond, (ii) the delivery to or from any Participant, any Beneficial Owner or any other Person, other than DTC, of any notice with respect to the Bond, including any notice of redemption or tender (whether mandatory or optional), or (iii) the payment to any Participant, any Beneficial Owner or any other Person, other than DTC, of any amount with respect to the principal or premium, if any, or interest on the Bond. The Trustee shall pay all principal of and premium, if any, and interest on the Bond only to or upon the order of DTC, and all such payments shall be valid and effective fully to satisfy and discharge the Issuer’s obligations with respect to the principal of any premium, if any, and interest on the Bond to the extent of the sum or sums so paid. No Person other than DTC or its agent shall be entitled to receive an authenticated Bond evidencing the obligation of the Issuer to make payments of principal and premium, if any, and interest pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the words “Cede & Co.” in this Indenture shall refer to such new nominee of DTC.

(c) Upon receipt by the Trustee of written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities, the Issuer shall issue and the Trustee shall transfer and exchange the Bond as requested by DTC in appropriate amounts and in Authorized Denominations, and whenever DTC requests the Issuer and the Trustee to do so, the Trustee and the Issuer will, at the expense of the Borrower, cooperate with DTC in taking appropriate action after reasonable notice (i) to arrange for a substitute bond depository willing and able upon reasonable and customary terms to maintain custody of the Bond or (ii) to make available for transfer and exchange the Bond registered in whatever name or names and in whatever Authorized Denominations as DTC shall designate.

(d) In the event the Beneficial Owners subsequently determine that the Beneficial Owners should be able to obtain Bond certificates, the Beneficial Owners may so notify DTC and the Trustee, whereupon DTC will notify the Participants of the availability through DTC of a Bond certificate. In such event, the Issuer shall issue and the Trustee shall, at the expense of the Beneficial Owners, transfer and exchange a Bond certificate as requested by DTC in appropriate amounts and in an Authorized Denomination. Whenever DTC requests the Trustee to do so, the Trustee will, at the expense of the Beneficial Owners, cooperate with DTC in taking appropriate action after reasonable notice to make available for transfer and exchange the Bond registered in whatever name or names and in whatever Authorized Denominations as DTC shall designate.

(e) Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, to DTC as provided in the Letter of Representation to be delivered by the Borrower and the Trustee to DTC.
(f) Notwithstanding any provision herein to the contrary, so long as the Bond outstanding is held in the Book-Entry Only System, if less than all of the Bond of a maturity is to be redeemed upon any redemption of the Bond hereunder, the particular portions of the Bond to be redeemed shall be selected by DTC in such manner as DTC may determine.

(g) So long as the Book-Entry Only System is in effect, a Beneficial Owner who elects to have the Bond purchased pursuant to this Indenture shall effect delivery by causing a Participant to transfer the Beneficial Owner’s interest in the Bond pursuant to the Book-Entry Only System. The requirement for physical delivery of a Bond in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Bond are transferred in accordance with the Book-Entry Only System.

Any portion of the Bond being redeemed before maturity in accordance with Section 4.01 of this Indenture shall be redeemed at a redemption price equal to the principal amount of the Bond being redeemed, together with accrued interest to the date of redemption, plus (a) the Prepayment Equalization Payment (calculated by the Servicer) if redemption is under Section 4.01(a), (b), (c) or (f), but only to the extent such redemption prior to Conversion reduces the principal amount of the Tax-Exempt Bond Outstanding to less than $7,504,000 and (b) Additional Interest (calculated by the Servicer) if redemption is under Section 4.01(c).

Section 4.03. Optional Redemption. The Bond shall be subject to redemption from the proceeds of an optional prepayment of the Loan by the Borrower, (a) in whole or in part on any Interest Payment Date on or prior to the Conversion Date and (b) on and after the Conversion Date and continuing until the Fixed Rate Period Maturity Date, to the extent of permitted prepayments under the terms of the Permanent Period Note Addendum. No Prepayment Equalization Payment shall be due on any optional redemption prior to the Conversion Date which reduces the principal amount Outstanding of the Tax-Exempt Bond to not less than $7,504,000.

Section 4.04. Purchase in Lieu of Redemption. At the election of the Borrower upon a redemption in whole of the Bond, with the written consent of the Issuer, by written notice to the Trustee and the Servicer given not less than five Business Days in advance of such redemption date, the Bond will be deemed tendered for purchase in lieu of the redemption on such date. The purchase price of the Bond so purchased in lieu of redemption shall be the principal amount thereof together with all accrued and unpaid interest to the date of redemption and shall be payable on the date of redemption thereof. The Bond, if so purchased in lieu of redemption, shall remain Outstanding and shall be registered to or upon the direction of the Borrower upon satisfaction of the requirements of Section 3.09(f) hereof as applicable. If the Bond is not delivered to the Trustee on the purchase date it shall nonetheless be deemed to have been so purchased and not redeemed on the purchase date and shall cease to accrue interest as to the former owner on the purchase date.

Section 4.05. Notice of Redemption.

(a) Notice of redemption shall be given by the Trustee to the Owner and the Borrower by facsimile transmission or other similar electronic means of communication, promptly confirmed in writing, not less than 10 Business Days prior to the date fixed for redemption; provided, however, that no notice of redemption shall be required to be given to the Owner for a redemption pursuant to Section 4.01(e) or (f) of this Indenture. Receipt of such notice of redemption shall not be a condition precedent to such redemption, and failure to so notify any of such registered Owner shall not affect the validity of the proceedings for the redemption of the Bond.

(b) Notice of redemption having been given as provided in subsection (a) of this Section 4.05 and all conditions precedent, if any, specified in such notice having been satisfied, the Bond or portions thereof so to be redeemed shall become due and payable on the date fixed
for redemption at the redemption price specified therein plus any accrued interest to the redemption date, and upon presentation and surrender (if required hereunder) thereof at the place specified in such notice, such Bond or portions thereof shall be paid at the redemption price, plus any accrued interest to the redemption date. On and after the redemption date (unless funds for the payment of the redemption price and accrued interest shall not have been provided to the Trustee), (i) such Bond shall cease to bear interest and (ii) such Bond shall no longer be considered as Outstanding under this Indenture.

Section 4.06. Selection of Bond To Be Redeemed. Except as otherwise expressly set forth herein including, without limitation, in connection with an Event of Default and corresponding demand for redemption in accordance with Section 4.01(f) hereof, if less than all the Tax-Exempt Bond is to be redeemed, the P-1B Bond shall be redeemed in whole before any redemption of the P-1A Bond.

Section 4.07. Partial Redemption of Registered Bond.

(a) In case part but not all of the Bond shall be selected for redemption, upon presentation and surrender at the Principal Office of the Trustee of such Bond by the Owner thereof or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver to or upon the order of such Owner, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond in an amount necessary to equal the unredeemed portion of the principal amount of the Bond, provided, however, that such surrender of the Bond shall not be required for payment of the redemption price. The Bond so presented and surrendered shall be canceled in accordance with this Indenture.

(b) In the event of a partial redemption of the Bond other than pursuant to (i) Section 4.01(e) or Section 4.01(g) of this Indenture, or (ii) any failure of the entire Bond authorized hereunder to be purchased prior to the Conversion Date through the “drawdown” mechanism described in Section 3.01(c), the mandatory sinking fund schedule set forth on the schedule delivered pursuant to the Note on or after the date of such redemption hereto shall be adjusted to provide for approximately equal monthly payments of principal and interest at the applicable rate hereunder on the Bond remaining Outstanding after taking into account such partial redemption; the Servicer shall provide the Trustee with a new schedule reflecting such adjustment.

(c) Any partial prepayment of the Note shall first be used to pay the Taxable Bond, then the P-1B Bond and finally the P-1A Bond.

Furthermore, if the Issuer and the Servicer disagree as to whether a particular disbursement shall be approved or disapproved, they shall meet and confer in good faith, upon the request of either of them in an effort to resolve the matter, which meeting may be by telephonic or electronic means, or may be at a personal meeting. Notwithstanding the foregoing, in the event that JPMorgan purchases the P-IA Bond and becomes the Majority Owner, on and following the Conversion Date, the establishment, maintenance, deposit and disbursement of funds in and from the Replacement Reserve Fund shall be governed by the terms of that certain Replacement Reserve and Security Agreement, dated as of March 1, 2017, by and between the Borrower and JPMorgan, and the other requirements of this Section 5.05(a) shall not be effective.

(b) There shall be deposited in the Operating Reserve Fund all moneys received for such purpose by the Issuer or the Trustee from the Borrower pursuant to Section 5.22(i) of the Loan Agreement or transferred pursuant to Section 5.07 of this Indenture. Moneys in the Operating Reserve Fund shall be disbursed by the Trustee only upon receipt of a written request therefor executed by the Authorized Representative of the Borrower and approved by the Servicer to be applied to costs of operation of the Project or debt service on the Bond, except that upon the
occurrence and continuation of an Event of Default hereunder and an acceleration of the Bond pursuant hereto, all moneys and investments in the Operating Reserve Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be transferred to the Revenue Fund and applied to the payment of the Bond. Upon the payment in full of the Bond and the fees and expenses of the Issuer, the Majority Owner, the Servicer and the Trustee and upon payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Operating Reserve Fund shall be paid to the Borrower as soon as practicable upon its written request therefor. Section 5.06. Tax and Insurance Fund. There shall be deposited in the Tax and Insurance Fund all moneys received for such purpose by the Issuer or the Trustee from the Borrower pursuant to Section 5.22(h) of the Loan Agreement or transferred pursuant to Section 5.07 of this Indenture. Moneys in the Tax and Insurance Fund shall be applied to payment of real estate taxes and insurance premiums at the direction of the Servicer. Upon the occurrence and continuation of an Event of Default hereunder and an acceleration of the Bond pursuant hereto, all moneys and investment in the Tax and Insurance Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be transferred to the Revenue Fund and applied to the payment of the Bond. Upon the payment in full of the Bond and the fees and expenses of the Issuer, the Majority Owner, the Servicer and the Trustee, and upon payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Tax and Insurance Fund shall be paid to the Borrower as soon as practicable upon its written request therefor. Upon and after the Conversion Date, deposits to disbursements from and the use and maintenance of the Tax and Insurance Fund shall be governed by the terms and requirements of the Permanent Period Supplemental Agreement.

Section 5.07. Revenue Fund.

(a) There shall be deposited in the Revenue Fund all amounts transferred from the Project Fund or received from the Borrower pursuant to Section 3.2 of the Loan Agreement with respect to the Loan Documents or from the Guarantor under the Guaranty, including payments of interest and principal and voluntary and involuntary prepayments of the Loan and investment earnings on investments held in the Funds and Accounts created by this Indenture (except as otherwise provided in Section 5.08 and Section 5.10).

(b) Amounts in the Revenue Fund shall be applied to the following items in the following order of priority:

(i) on each Interest Payment Date, to the payment of interest on the Bond;

(ii) on each Bond Payment Date, to the payment of the principal of or redemption price (or purchase price in the event of an election of the Borrower under Section 4.04) of, interest on, and any Prepayment Equalization Payment or Additional Interest due with respect to, the Bond;

(iii) on the first day of each month, to the payment of any required deposit in the Tax and Insurance Fund;
(iv) on the first day of each month, to the payment of any required deposit in the Replacement Reserve Fund, subject to the terms of Section 5.05(a) above;

(v) on the first day of each month, to the payment of any required deposit in the Operating Reserve Fund, subject to the terms of Section 5.05(b) above;

(vi) on the first day of each month, to the payment of the fees of the Trustee, the Majority Owner and the Servicer, if any (including any extension fee due and owing under Section 3.2(c) of the Loan Agreement), due and owing under the Loan Documents and this Indenture and credit to payment of the semi-annual Issuer’s Fee, which funds shall be held in a separate account of the Revenue Fund until paid semi-annually to the Issuer pursuant to the Regulatory Agreement; and

(vii) on the first day of each month, to the payment of any other amounts then due and owing under the Loan Documents.

(c) Upon the payment in full of the Bond and the fees and expenses of the Issuer and the Trustee and the payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Revenue Fund (except amounts held for future payment to the United States pursuant to Section 5.08 hereof) shall be paid to the Borrower promptly upon its request therefor.

Section 5.08. Rebate Fund.

(a) The Rebate Fund shall be held and applied as provided in this Section 5.08. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust for payment, to the extent required under the Code and as calculated by the Rebate Analyst, for payment to the United States government. None of the Issuer, the Borrower or the Owners shall have any rights in or claim to such moneys. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and by the Tax Certificate. The Trustee shall conclusively be deemed to have complied with such provision if it follows the written instructions of the Issuer or of Bond Counsel or the Rebate Analyst, including supplying all necessary information in the manner set forth in the Tax Certificate and shall not be required to take any actions thereunder in the absence of written instructions from the Issuer, Bond Counsel or the Rebate Analyst.

(b) The Trustee shall make information regarding the Tax-Exempt Bond and the investments hereunder available to the Borrower promptly upon written request, shall make deposits to and disbursements from the Rebate Fund in accordance with the directions received from the Authorized Representative of the Borrower, shall invest moneys in the Rebate Fund pursuant to said directions and shall deposit income from such investments pursuant to said directions, and shall make payments to the United States of America in accordance with written directions received from the Borrower.

(c) Notwithstanding any provision of this Indenture to the contrary, the Trustee shall not be liable or responsible for any calculation or determination which may be required in connection with or for the purpose of complying with Section 148 of the Code or any applicable Treasury regulation (the “Arbitrage Rules”), including, without limitation, the calculation of amounts required to be paid to the United States under the provisions of the Arbitrage Rules and the fair market value of any investment made hereunder, it being understood and agreed that the sole obligation of the Trustee with respect to investments of funds hereunder shall be to invest the moneys received by the Trustee pursuant to the written instructions of the Authorized
Representative of the Borrower given in accordance with Section 5.09 hereof. The Trustee shall have no responsibility for determining whether or not the investments made pursuant to the direction of the Borrower or any of the instructions received by the Trustee under this Section comply with the requirements of the Arbitrage Rules and shall have no responsibility for monitoring the obligations of the Borrower or the Issuer for compliance with the provisions of the Indenture with respect to the Arbitrage Rules.

(d) Notwithstanding any provision of this Indenture to the contrary, the obligation to remit payment of the rebate amount to the United States and to comply with all other requirements of this Section 5.08 shall survive the defeasance or payment in full of the Tax-Exempt Bond.

(e) Any funds remaining in the Rebate Fund after redemption and payment of all of the Tax-Exempt Bond and payment and satisfaction of any Rebate Requirement, or provision made therefor satisfactory to the Trustee, shall be withdrawn and remitted to the Borrower.

(f) The Trustee shall keep such records of the computations made pursuant to this Section 5.08 as are provided to it and as are required under Section 148(f) of the Code. The Trustee shall keep and make available to the Borrower such records concerning the investments of the gross proceeds of the Bond and the investments of earnings from those investments as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

(g) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.08 need not be made if there shall have been delivered to the Trustee, the Issuer and the Servicer an opinion of Bond Counsel to the effect that such withdrawal and payment are not necessary in order to establish or maintain the exclusion from gross income of Owners (other than an Owner who is a "substantial user" of the Project or a "related person" to a "substantial user," as defined in Section 147(a) of the Code) of interest on the Tax-Exempt Bond. In the event Bond Counsel so opines, the moneys on deposit in the Rebate Fund shall be applied to such purpose as the Borrower shall direct provided that the Borrower shall deliver to the Issuer, the Trustee and the Servicer an opinion of Bond Counsel to the effect that such application will not adversely affect the exclusion from gross income of Owners (other than an Owner who is a "substantial user" of the Project or a "related person" to a "substantial user," as defined in Section 147(a) of the Code) of interest on the Tax-Exempt Bond for purposes of federal income taxation.

Section 5.09. Moneys Held in Trust; Investment of Moneys.

(a) All moneys from time to time received by the Trustee and held in the Funds and Accounts created hereby (other than the Rebate Fund) shall be held in trust as security for the benefit of the Owner of the Bond. All such moneys, including the moneys held in the Rebate Fund, shall be invested as provided in this Indenture.

(b) Any such investments shall be held by or under the control of the Trustee. A sufficient amount of such investments shall be liquidated whenever the cash balance in any Fund or Account is insufficient to pay an approved Requisition when presented or debt service on the Bond when due, provided that proceeds of the Bond may only be used to fund debt service up to the Completion Date. Any moneys held as a part of the Funds shall be invested or reinvested, to the extent permitted by law, in Investment Securities at the request of and as directed in writing by an Authorized Representative of the Borrower. In the absence of such written direction, the
Trustee shall hold money in the Funds in Permitted Investments of the type described in clause (h) of the definition of Investment Securities. Any loss resulting from such investment shall be charged to the Fund from which the investment was made, and in the event such loss reduces the amount held in such Fund below the amount required to be deposited in such Fund, the Trustee shall request the Borrower to transfer to the Trustee for deposit into such Fund the amount required to restore amounts in such Fund to the required amount. The Trustee shall not be liable for any loss incurred from the purchase or sale of any investment (except for any such loss resulting from the negligence or willful misconduct of the Trustee or its employees).

(c) The Trustee may purchase from or sell to itself, or through any affiliated company, as principal or agent, Investment Securities herein authorized so long as such purchase or sale is at fair market value.

The Trustee is hereby authorized, in making or disposing of any investment permitted by this Section, to deal with itself (in its individual capacity) or with any one or more of its affiliates, whether it or such affiliate is acting as an agent of the Trustee or for any third person or dealing as principal for its own account.

The Issuer (and the Borrower by its execution of the Loan Agreement) acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Issuer or the Borrower the right to receive brokerage confirmations of security transactions as they occur, the Issuer and the Borrower will not receive such confirmations to the extent permitted by law. The Trustee will furnish the Issuer and the Borrower periodic cash transaction statements, which include detail for all investment transactions made by the Trustee hereunder. The Trustee, or any of its affiliates, may act as sponsor, advisor or manager in connection with any investments made by the Trustee hereunder. For investment purposes, the Trustee may, in its discretion, commingle the funds and accounts established hereunder, but shall account for each separately.

Section 5.10. Investment Earnings. Earnings on investments held in the Capitalized Interest Account, the Loan Account, the Equity Account and the Insurance and Condemnation Proceeds Account shall be retained in the Capitalized Interest Account, the Loan Account, the Equity Account and the Insurance and Condemnation Proceeds Account, respectively, for application pursuant to Sections 5.02, 5.03 and 5.04 hereof. Earnings on all investments held in the Revenue Fund shall be retained in the Revenue Fund for application pursuant to Section 5.07 hereof. Earnings on investments held in the Replacement Reserve Fund, the Operating Reserve Account, the Tax and Insurance Fund and the Rebate Fund shall be retained therein and applied in the manner prescribed by Sections 5.05, 5.06 and 5.08 hereof, respectively.

Section 5.11. Covenants Respecting Arbitrage and Rebate. The Trustee shall keep and make available to the Borrower such records concerning the investment of the gross proceeds of the Bond and the investments of earnings from those investments as may be requested by the Borrower in order to enable the Borrower to fulfill the requirements of Section 148(f) of the Code.

Section 5.12. Records. The Trustee shall keep and maintain adequate records pertaining to the Funds and Accounts established hereunder, including all deposits to and disbursements from said funds and accounts. The Trustee shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal and interest paid on the Bond, subject to the inspection of the Borrower, the Issuer, the Trustee and the Owner of the Bond and their representatives at all reasonable times and upon reasonable prior notice.
Section 5.13. Reports From the Trustee. The Trustee shall, on or before the tenth day of each month and annually, file with the Servicer, the Borrower and the Issuer a statement setting forth in respect to the preceding calendar month or year:

(a) the amount withdrawn or transferred by it and the amount deposited within or on account of each Fund and Account held by it under the provisions of this Indenture, including the amount of investment income on each Fund and Account;

(b) the amount on deposit with it at the end of such month to the credit of each Fund and Account;

(c) a brief description of all obligations held by it as an investment of moneys in each such Fund and Account;

(d) the amount applied to the purchase or redemption of the Bond and a description of the portion of the Bond so purchased or redeemed; and

(e) any other information which the Borrower, the Servicer or the Issuer may reasonably request and to which the Trustee has access in the ordinary course of its operations.

Upon the written request of the Owner of the Bond, the Trustee, at the cost of the Borrower, shall provide a copy of such statement to the Owner of the Bond. All records and files pertaining to the Trust Estate shall be open at all reasonable times to the inspection of the Servicer and its agents and representatives upon reasonable prior notice.

ARTICLE VI

DEFAULT PROVISIONS; REMEDIES

Upon a default by the Issuer of its obligations hereunder, the Trustee shall take such actions, and only such actions, to enforce the provisions of this Indenture and the Loan Documents as are specified in writing by the Servicer. Notwithstanding the foregoing, or anything else to the contrary herein, no default by the Borrower under the Loan Agreement shall constitute an event of default with respect to the Bond (including, without limitation, a failure to make any payment due with respect to the Bond as a consequence of the Borrower’s failure to make any payment due under the Loan Agreement). The Issuer’s, Trustee’s, Owner’s and Servicer’s remedies with respect to a default under the Loan Documents shall be as set forth under the Loan Documents. Notwithstanding the foregoing, the Servicer may, upon the acceleration of the Borrower’s obligations under the Loan Documents, direct the Trustee to accelerate the maturity of the Bond and apply any funds available hereunder for such purpose (after paying the fees and expenses of the Trustee and the Issuer). Any Bond remaining Outstanding shall be deemed paid upon transfer, to or at the direction of the Owner, of the Loan Documents and all security therefor free and clear of the lien of this Indenture.
ARTICLE VII

Section 7.02. Responsibilities of Trustee.

(a) The recitals of fact herein and in the Bond contained (other than the certificate of authentication) shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Bond issued hereunder or as to the security afforded by this Indenture, and the Trustee shall incur no liability in respect thereof. The Trustee shall be under no responsibility or duty with respect to the application of any moneys properly paid to it except as provided herein or as otherwise expressly agreed by the Trustee. Except for a declaration of acceleration under Article VI hereof or the payment of principal and interest on the Bond, the Trustee shall be under no obligation or duty to perform any act that would involve it in expense or liability or to institute or defend any suit in respect of this Indenture or to advance any of its own moneys, unless indemnified to its reasonable satisfaction. Subject to the provisions of subsection (b) of this Section 7.02, the Trustee shall not be liable in connection with the performance of its duties under this Indenture except for its own negligence or willful misconduct.

(b) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred and has not been cured within any applicable grace period and subject to the rights of the Servicer with respect to control of remedies following an Event of Default hereunder, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. Any provisions of this Indenture relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section 7.02.

(c) The Trustee shall cooperate fully with the Servicer in the enforcement and protection of the rights of the Owner of the Bond to the fullest extent possible under this Indenture, the Loan Documents and applicable law. Toward this end, the Trustee shall take such action as directed by the Servicer, including foreclosure of the Secured Property under the Mortgage, suit for specific performance of the Loan Documents or for damages for nonperformance thereof and assignment of the Loan Documents to the Owner of the Bond for purposes of enforcing the rights of the Owner of the Bond, provided that without the prior written consent of the Issuer, the Servicer shall give the Trustee no direction as to the enforcement of the
Reserved Rights, which shall, except with the prior written consent of the Issuer, be enforceable only by the Issuer.

(d) The Trustee shall not take any discretionary action under the Loan Documents (although approval or disapproval of disbursement of Loan proceeds and investment earnings thereon under the Loan Agreement shall be made in accordance with the terms of Article V hereof) without the written approval of the Servicer and shall, subject to the proviso of paragraph (c) of this section, take such discretionary action permitted or required under the Loan Documents, as may be directed in writing by the Servicer.

(e) The Trustee shall notify the Servicer of any notification received by the Trustee under or pursuant to the Loan Documents promptly after receipt of said notice.

(f) If any Event of Default occurs and is continuing hereunder and if the Trustee has received written notice thereof or is deemed to have notice pursuant to this Indenture, the Trustee shall give to the Owner, the Issuer and the Borrower written notice of such default or Event of Default within 30 days after receipt of such information. For the purpose of this Section 7.02 only, the term “default” means any event which is, or after notice or lapse of time or both would become, a default under Article VI hereof or under any Loan Document.

(g) Promptly upon receipt of notice of the occurrence of a Determination of Taxability, the Trustee shall give immediate telephonic notice, promptly confirmed in writing, to the Borrower, the Issuer, the Owner and former Owners (provided that the Trustee shall not be obligated to maintain records of such former Owners or to retain records relating to such former Owners for more than six years).

(h) The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder or under the Loan Agreement except for a default or Event of Default causing the Trustee to be unable to make any payment of principal of or interest on the Bond then due, unless the Trustee shall have received written notice of such Event of Default by the Issuer, the Borrower, the Servicer or by the Owner of the Bond then Outstanding.

(i) The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay (“unavoidable delay”) in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the project, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

Section 7.03. Evidence on Which Trustee May Act.

(a) The Trustee, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document furnished to it pursuant to any provision of this Indenture, shall examine such instrument to determine whether it conforms to the requirements of this Indenture and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties.
The Trustee may consult with counsel selected by it in respect of any action taken or suffered by the Trustee under this Indenture and the Trustee shall be protected in relying in good faith on the opinion or advice of such counsel.

(b) Except as otherwise expressly provided in this Indenture, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision of this Indenture by the Issuer to any Trustee shall be sufficiently executed if executed in the name of the Issuer by an Authorized Representative of the Issuer.

(c) The Trustee agrees to accept and act upon facsimile transmission of written instructions and/or directions pursuant to this Indenture provided, however, that: (a) subsequent to such facsimile transmission of written instructions and/or directions the Trustee shall forthwith receive the originally executed instructions and/or directions, (b) such originally executed instructions and/or directions shall be signed by a person as may be designated and authorized to sign for the party signing such instructions and/or directions, and (c) the Trustee shall have received a current incumbency certificate containing the specimen signature of such designated person.

Section 7.04. Compensation; No Trustee Liens. The Borrower shall pay to the Trustee, as provided in the Loan Agreement, from time to time reasonable compensation for all services rendered under this Indenture and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Indenture, provided that the Trustee shall not have a lien therefor on any moneys or Investment Securities at any time held or received by it under this Indenture.

Section 7.05. Certain Permitted Acts. The Trustee may become the owner of the Bond with the same rights it would have if it were not the Trustee. To the extent permitted by law, the Trustee may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owner of the Bond or to effect or aid in any reorganization growing out of the enforcement of the Bond or this Indenture.

Section 7.06. Resignation of Trustee. The Trustee may resign at any time and be discharged of the duties and obligations created by this Indenture by giving not less than 60 days’ written notice to the Issuer, the Borrower and the Owner of the Bond, provided that no resignation shall become effective until the acceptance of appointment by a successor Trustee as provided in Section 7.08 of this Indenture. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 60 days after the giving of such notice of resignation, the retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

Section 7.07. Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing, signed by the Issuer or by the Servicer (subject to the prior written consent of the Issuer, which consent shall not be unreasonably withheld or delayed, if such removal is not for cause) and filed with the Trustee and the Borrower, provided that no removal shall become effective until the acceptance of appointment by a successor Trustee as provided in Section 7.08 of this Indenture.

Section 7.08. Appointment of Successor Trustee; Temporary Trustee. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, the Issuer shall appoint a successor Trustee, subject to the prior written consent of the Servicer (which
Section 7.09. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor, and also to the Issuer, the Servicer and to any Owner which shall request the same, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named; but the Trustee ceasing to act nevertheless, shall execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as reasonably may be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of the predecessor Trustee in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in or pursuant to this Indenture. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Trustee for more fully and certainly vesting in and confirming any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged and delivered by the Issuer.

Section 7.10. Merger or Consolidation of Trustee. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it may be party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, and shall be authorized by law to perform all the duties imposed upon it by this Indenture, shall be the successor to the Trustee without the execution or filing of any paper or the performance of any further act.

Section 7.11. Servicer. The Trustee, at the written direction of the Owner, shall appoint (with prompt notice thereof to the Issuer and the Borrower) a mortgage servicer to service the Loan for all or a portion of the term of the Loan. The initial Owner hereby appoints Bank of America, N.A., as the Servicer. In the event that JPMorgan purchases the P-IA Bond and becomes the Majority Owner, JPMorgan shall be the Servicer effective as of the Conversion Date without requirement for any further action of the Owner. Any Servicer hereafter appointed shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing the Servicing Agreement. Any Servicer appointed hereunder may be removed at any time, with or without cause, by the Owner, by written notice to the Issuer, the Trustee, the Borrower and the Servicer. At any time when a Servicer has not been appointed or when a Servicer has been removed without appointment of a successor Servicer, pursuant to this Section 7.11, all references in this Indenture and in the Loan Documents to the Servicer shall be deemed to refer to the Owner. The Servicer may, with the prior written consent of the Owner, appoint an agent as subservicer to perform the duties of the Servicer under the Servicing Agreement.

ARTICLE VIII

AMENDMENTS AND SUPPLEMENTAL INDENTURES;
AMENDMENTS OF ISSUER DOCUMENTS

Section 8.01. Supplemental Indentures Not Requiring Consent of Owner of the Bond. The Issuer and the Trustee may, without the consent of, or notice to, the Owner of the Bond (but only with the prior written consent of the Servicer and with notice to the Borrower), enter into one or more Supplemental Indentures for any one or more of the following purposes:
(a) to cure any ambiguity or formal defect or omission in this Indenture;

(b) to grant to or confer any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Owner of the Bond or the Trustee, or to make any change which, in the judgment of the Trustee and the Servicer, is not to the prejudice of the Owner of the Bond;

(c) to subject to the pledge and lien of this Indenture additional revenues, properties and collateral;

(d) to evidence the appointment of a separate Trustee or co-Trustee or the succession of a new Trustee; or

(e) to modify, amend or supplement the provisions of this Indenture or any Supplemental Indenture relating to the holding or investing by the Trustee of moneys hereunder or thereunder in such manner as the Issuer may deem necessary or desirable to maintain the exclusion from gross income of the Owner (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) for purposes of federal income taxation of interest on the Tax-Exempt Bond.

Section 8.02. Supplemental Indentures Requiring Consent of the Owner of the Bond.

(a) Exclusive of Supplemental Indentures covered by Section 8.01 of this Indenture and subject to the terms and provisions contained in this Section 8.02, and not otherwise, neither the Issuer nor the Trustee shall enter into any amendment, change or modification of this Indenture without the prior written consent of the Owner of the Bond then Outstanding.

(b) If at any time the Issuer and the Trustee shall desire to execute and deliver a Supplemental Indenture for any of the purposes of this Section 8.02, the Trustee shall, upon being provided with reasonably satisfactory arrangements for payment of its fees and expenses, cause notice of the proposed execution of such Supplemental Indenture to be mailed by registered or certified mail to the Owner of the Bond. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the Principal Office of the Trustee for inspection by the Owner of the Bond. If within 60 days or such longer period as shall be prescribed by the Issuer following the giving of such notice, the Owner of the Bond Outstanding at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof as herein provided, no subsequent Owner of the Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof. Subject to Section 8.04 hereof, upon the execution of any such Supplemental Indenture as in this Section 8.02 permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

Section 8.03. Reliance on Opinion of Counsel. The Trustee and the Issuer shall be entitled to rely upon an opinion of Counsel stating that a Supplemental Indenture is authorized or permitted by this Indenture, and prior to the execution and delivery of any Supplemental Indenture, the Trustee, the Issuer and the Servicer shall be furnished with an opinion of Bond Counsel stating that the provisions of such Supplemental Indenture will not cause the interest on the Tax-Exempt Bond to be includable in gross income of the Owner (other than an Owner who is a "substantial user" of the Project or a "related person" to a "substantial user," as defined in Section 147(a) of the Code) for purposes of federal income taxation.
Section 8.04. Consents Required. Anything herein to the contrary notwithstanding, a Supplemental Indenture described in Section 8.02 hereof which adversely affects any rights of the Borrower, the Servicer or the Trustee shall not become effective unless and until the affected party shall have consented in writing to the execution and delivery of such Supplemental Indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any Supplemental Indenture together with a copy of the proposed Supplemental Indenture to be mailed as provided in Section 4.05 with respect to the redemption of the Bond to the Borrower and the Servicer at least 10 days before the date of its proposed execution and delivery.

Section 8.05. Amendments of Loan Documents Not Requiring Consent of the Owner of the Bond. The Issuer, the Trustee and the Borrower may, without the consent of or notice to the Owner of the Bond (but only with the consent of the Servicer) enter into any amendment, change or modification of any of the Loan Documents as may be required (a) by the provisions of the Loan Agreement or this Indenture, (b) for the purpose of curing any ambiguity or formal defect or omission therein, (c) so as to add additional rights and remedies for the benefit of the Owner of the Bond or (d) in connection with any other change therein which, in the judgment of the Trustee and the Servicer, is not to the prejudice of the Trustee or the Owner of the Bond.

Section 8.06. Amendments of Loan Documents Requiring Consent of the Owner of the Bond. Except for the amendments, changes or modifications as provided in Section 8.05 hereof, none of the Issuer, the Trustee or the Borrower shall enter into any other amendment, change or modification of the Loan Documents without the mailing of notice and the written approval or consent of the Owner of the Outstanding Bond. If at any time the Issuer, the Trustee or the Borrower shall desire the consent to any such proposed amendment, change or modification, the Trustee shall, upon being satisfactorily indemnified with respect to fees and expenses, cause notice of such proposed amendment, change or modification to be mailed in the same manner as provided herein with respect to redemption of the Bond. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Principal Office of the Trustee for inspection by the Owner of the Bond. If, within 60 days, or such longer period as shall be prescribed by the Trustee as the case may be, following the mailing of such notice, the Owner of the Bond Outstanding at the time of the execution of any such amendment, change or modification shall have consented to and approved the execution thereof as heretofore provided, no subsequent Owner of the Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Borrower or the Issuer or the Trustee as the case may be, from executing the same or from taking any action pursuant to the provisions thereof. The Issuer, or the Trustee as the case may be, shall have the right to extend from time to time the period within which such consent and approval may be obtained from the Owner of the Bond. Upon the execution of any such amendment, change or modification as in this Section permitted and provided, the Issuer Documents shall be and be deemed to be modified, changed and amended in accordance therewith.

ARTICLE IX

DISCHARGE

Section 9.01. Discharge of Indenture. If the Issuer shall pay, or there shall otherwise be paid, to the Owner of the Bond the principal or redemption price, if applicable, and interest due thereon, at the times and in the manner stipulated therein and in this Indenture, and if all Trustee Expenses and all amounts payable to the Issuer for its own account (including fees, expenses and indemnification) shall be paid in full, then the pledge of revenues, other moneys and securities under this Indenture, and all covenants, agreements and other obligations of the Issuer to the Owner of the Bond, shall thereupon
cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the Issuer to be prepared and filed with the Issuer and, upon the request of the Issuer, shall execute and deliver to the Issuer and the Borrower all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver as provided in Article V hereof all moneys or securities held by them pursuant to this Indenture (except as otherwise specified in Section 5.08) after the payment of principal or redemption price, if applicable, of or interest on the Bond. Notwithstanding the foregoing, upon such discharge the provisions of this Indenture relating to the Rebate Fund and Section 5.18(c) of the Loan Agreement shall continue in effect.

Section 9.02. Discharge by Delivery. The obligation to pay the principal of and interest on all or any portion of the Bond (the “Bond Obligations”) may be discharged by the delivery of the Bond to the Trustee accompanied by written direction from the Owner thereof to cancel such Bond without payment (except as provided hereafter in this Section 9.02), and upon such delivery such Bond Obligations shall be canceled and deemed paid. In the event only a portion of the Bond Obligations shall be canceled and deemed paid pursuant to the terms of this Section 9.02, those Bond Obligations which are not so canceled and deemed paid shall remain Outstanding for all purposes of this Indenture, provided that if the Outstanding Bond shall be delivered to the Trustee in accordance with the terms of this Section 9.02 and all of the requirements for the discharge of this Indenture (other than the payment of Bond Obligations) shall be paid and satisfied in full, then the Trustee shall discharge and release the lien of this Indenture, assign to the Owner of the Bond all right, title and interest of the Trustee in and to the Note, the Loan Agreement and the other Loan Documents, deliver to the Owner of the Bond all moneys and securities held by the Trustee pursuant to this Indenture (except as otherwise specified in Section 5.08) up to an amount necessary to pay in full all of the principal of and interest on the Bond through such cancellation and any other amounts due under the Loan Documents, and execute and deliver such releases or other instruments requisite to release the lien hereof.

Section 9.03. Discharge by Deposit. The obligation to pay the principal of and interest on all or a portion of the Bond may be discharged if the Issuer or the Borrower has deposited or caused to be deposited, as trust funds, with the Trustee cash and/or Government Obligations which do not permit the redemption thereof at the option of the Issuer thereof, the principal of and interest on which when due (or upon the redemption thereof at the option of the owner), will, without reinvestment, provide cash which together with the cash, if any, on deposit with the Trustee at the same time, shall be sufficient to pay and discharge the entire indebtedness on the Bond not theretofore canceled by the Trustee or delivered to the Trustee for cancellation by the payment of interest on and principal of the Bond which have become due and payable or which shall become due at its stated maturity or redemption date, as the case may be (the “Defeasance Collateral”), and which is to be discharged under the provisions hereof, and has made arrangements satisfactory to the Trustee for the giving of notice of redemption, if any, by the Trustee in the name, and at the expense, of the Borrower. If the period over which payments will be made from the Defeasance Collateral is greater than 90 days, the Borrower must also deliver to the Trustee a verification report prepared by a certified public accountant, with respect to the sufficiency of the Defeasance Collateral to make such payments. In addition, to discharge the obligation to pay the principal and interest on the Bond pursuant to this Section 9.03, the Issuer or the Borrower must (a) obtain an opinion of Bond Counsel addressed to the Issuer and the Trustee to the effect that all actions have been taken to cause the defeasance of this Indenture and such actions will not adversely affect the excludability of interest on the Tax-Exempt Bond for federal income tax purposes under existing law, and (b) provide written notice to the Servicer of such discharge at least 30 days in advance.
ARTICLE X

MISCELLANEOUS

Section 10.01. Evidence of Signatures of Bond Owners and Ownership of Bond.

(a) Any request, consent, revocation of consent or other instrument that this Indenture may require or permit to be signed and executed by the Owner may be in one or more instruments of similar tenor, and shall be signed or executed by such Owner in person or by their attorneys appointed in writing. The fact and date of the execution by any Owner of the Bond or his attorney of such instruments may be proved by a guaranty of the signature thereon by a bank, trust company or national banking association or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guaranty, certificate or affidavit also shall constitute sufficient proof of his authority.

(b) The ownership of the Bond and the amount, numbers and other identification, and date of holding the same, shall be proved by the registry books maintained by the Trustee.

(c) Any request or consent by the Owner of the Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by the Issuer or any Trustee in accordance therewith.

No recourse under or upon any obligation, covenant, warranty or agreement contained in this Indenture or in the Bond, or under any judgment obtained against the Issuer, or the enforcement of any assessment, or any legal or equitable proceedings by virtue of any constitution or statute or otherwise, or under any circumstances under or independent of this Indenture, shall be had against the Mayor, the City Council or any of the members, officers, agents or employees of the Issuer, as such, past, present or future of the Issuer, either directly or through the Issuer or otherwise, for the payment for or to the Issuer or any receiver of the Issuer, or for or to the owners of the Bond, or otherwise, of any sum that may be due and unpaid by the Issuer upon the Bond. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of the Mayor, the City Council or of any such member, officer, agent or employee, past, present or future, of the Issuer, as such, by reason of any
act of omission on his or her part or otherwise, for the payment for or to the owners of the Bond or otherwise of any sum that may remain due and unpaid upon the Bond secured by this Indenture or any of them is, by the acceptance of the Bond, expressly waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of the Bond. Anything in this Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Indenture that (a) the Issuer may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Trustee, the Servicer or the Owner as to the existence of any fact or state of affairs, (b) the Issuer shall not be under any obligation under this Indenture to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Trustee or by the Servicer and (c) none of the provisions of this Indenture shall require the Issuer to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Indenture, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action. No recourse for the payment of any part of the principal of, premium, if any, or interest on the Bond or for the satisfaction of any liability arising from, founded upon or existing by reason of the issuance, purchase or ownership of the Bond shall be had against the Mayor, the City Council or any officer, member, agent or employee of the Issuer, as such, all such liability being expressly released and waived as a condition of and as a part of the consideration for the execution of this Indenture and the issuance of the Bond. No covenant, stipulation, obligation or agreement of the Issuer contained in this Indenture shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the Issuer or the Mayor or the City Council in other than that person's official capacity. No member, officer, agent or employee of the Issuer shall be individually or personally liable for the payment of the principal or redemption price of or interest on the Bond or be subject to any personal liability or accountability by reason of the issuance of the Bond.

It is recognized that notwithstanding any other provision of this Indenture, neither the Borrower, the Trustee nor the Owner shall look to the Issuer for damages suffered by the Borrower, the Trustee or the Owner as a result of the failure of the Issuer to perform any covenant, undertaking or obligation under this Indenture, the Loan Agreement, the Bond or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Issuer in any of such documents, nor for any other reason. Although this Indenture recognizes that such documents shall not give rise to any pecuniary liability of the Issuer, nothing contained in this Indenture shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Issuer) in any court or before any governmental body, agency or instrumentality or otherwise against the Issuer or any of its officers or employees to enforce the provisions of any of such documents which the Issuer is obligated to perform and the performance of which the Issuer has not assigned to the Trustee or any other person, provided, however, that as a condition precedent to the Issuer proceeding pursuant to this Section 10.02, the Issuer shall have received satisfactory indemnification.

Section 10.03. Preservation and Inspection of Documents. All documents received by any Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times and upon reasonable prior notice to the inspection of the Issuer, any other Trustee, and the Owner of the Bond and its agents and their representatives, any of whom may make copies thereof.

Section 10.04. Parties Interested Herein. Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any Person, other than the Issuer, the Trustee, the Servicer, the Borrower and the Owner of the Bond, any right, remedy or claim under or by reason of this Indenture or any covenant, condition or stipulation of this Indenture; and all the covenants, stipulations, promises and agreements in this Indenture shall be for the sole and exclusive benefit of the Issuer, the Trustee, the Servicer, the Borrower and the Owner of the Bond.
Section 10.05. No Recourse on the Bond. No recourse shall be had for the payment of the principal or redemption price or purchase price of or interest on the Bond or for any claim based thereon or on this Indenture or any other Issuer Document or the Loan Documents against any member, officer, employee or agent of the Issuer, past, present or future or any person executing the Bond.

Section 10.06. Severability of Invalid Provisions. If any one or more of the covenants or agreements provided in this Indenture on the part of the Issuer or any Trustee to be performed should be contrary to law, then such covenant or covenants or agreement or agreements shall be deemed severable from the remaining covenants and agreements, and in no way shall affect the validity of the other provisions of this Indenture.

Section 10.07. Successors. Whenever in this Indenture the Issuer is named or referred to, it shall be deemed to include any entity that may succeed to the principal functions and powers of the Issuer under the Act and the Law, and all the covenants and agreements contained in this Indenture by or on behalf of the Issuer shall bind and inure to the benefit of said successor whether so expressed or not.

Section 10.08. Notices, Demands and Requests. Except as otherwise provided in Section 4.05, all notices, demands and requests to be given or made under this Indenture to or by the Issuer or the Trustee shall be in writing and shall be sufficiently given and shall be deemed given (a) three days after mailing by certified mail, first-class, postage prepaid; (b) the Business Day after sending by expedited overnight delivery service; (c) the date of receipt if delivered by personal delivery; or (d) if sent by facsimile transmission, the date of transmission if receipt of such transmission is telephonically confirmed on such day and addressed to the Notice Address of the respective addressee. Either the Issuer or the Trustee may change the Notice Address listed for it at any time upon written notice of such change sent by United States mail, postage prepaid, to the other party, which change shall be effective upon receipt.

Section 10.09. Applicable Law. This Indenture shall be governed exclusively by the applicable laws of the State.

Section 10.10. Table of Contents and Section Headings Not Controlling. The Table of Contents and the headings of the several Articles and Sections of this Indenture have been prepared for convenience of reference only and shall not control, affect the meaning of, or be taken as an interpretation of any provision of this Indenture.

Section 10.11. Effective Date. This Indenture shall take effect immediately upon the execution and delivery by all of the parties hereto.

Section 10.12. Nondiscrimination and Affirmative Action. The Trustee shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the Issuer. Trustee shall not discriminate in its employment practices against any employee or applicant for employment; denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Trustee shall comply with Executive Order 11246, entitled “Equal Employment Opportunity”, as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Trustee shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. (j) The Project is located wholly within the State and within the jurisdiction of the Issuer.

(k) None of the Issuer, the Trustee or any director, member, officer or employee of the Issuer or the Trustee has any interest, financial, employment or other, in the Borrower, the Project or the transactions contemplated hereby.

(l) There is no Event of Default on the part of the Borrower or any Obligor under this Loan Agreement or any other Loan Document, any General Partner Document, any Guarantor Document or any Organizational Document, and no event has occurred and is continuing which after notice or passage of time or both would give rise to a default under any thereof. The Borrower has received no notices of and has no knowledge of any violations of any Legal Requirements or Project Approvals.

(m) The certifications, representations, warranties, statements, information and descriptions contained in the Loan Documents, in the Tax Certificate and in the Borrower Cost Certificate, as of the date of the first authentication and delivery of the Bond, are and will be true, correct and complete in all material respects, do not and will not contain any untrue statement or misleading statement of a material fact, and do not and will not omit to state a material fact required to be stated therein or necessary to make the certifications, representations, warranties, statements, information and descriptions contained therein, in light of the circumstances under which they were made, not misleading. The estimates and the assumptions contained in the Loan Documents, in the Tax Certificate and in the Borrower Cost Certificate, as of the date of the first authentication and delivery of the Bond, are reasonable and based on the best information available to the Borrower. Each of the certifications, representations, warranties, statements, information and descriptions contained in the Tax Certificate and in the Borrower Cost Certificate is hereby incorporated into this Loan Agreement by reference, as if fully set forth herein.

(n) The Borrower has furnished to the Issuer in the Borrower’s Tax Certificate all information necessary for the Issuer to file an IRS Form 8038 with respect to the Tax-Exempt Bond, and all of such information is and will be on the date of filing, true, complete and correct.

(o) The Borrower is not contemplating either the filing of a petition by it, or by either General Partner under any state or federal bankruptcy or insolvency law or the liquidation of all or a major portion of its property, and the Borrower has no knowledge of any Person contemplating the filing of any such petition against it or any Obligor.

(p) The Borrower is not an “employee benefit plan,” as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute “plan assets” of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101.
(q) No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any “margin stock” within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other Regulation of such Board of Governors, or for any purpose prohibited by Legal Requirements or any Loan Document.

(r) The Borrower is not (i) an “investment company” or a company “controlled” by an “investment company,” within the meaning of the Investment Company Act of 1940, as amended; (ii) a “holding company” or a “subsidiary company” of a “holding company” or an “affiliate” of either a “holding company” or a “subsidiary company” within the meaning of the Public Utility Holding Company Act of 1935, as amended; or (iii) subject to any other federal or state law or regulation which purports to restrict or regulate its ability to borrow money.

(s) The Borrower has not entered into the Loan or any Loan Document with the actual intent to hinder, delay, or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Loan Documents. Giving effect to the transactions contemplated by the Loan Documents, the fair saleable value of the Borrower’s assets exceeds and will, immediately following the execution and delivery of the Loan Documents, exceed the Borrower’s total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the Borrower’s assets is and will, immediately following the execution and delivery of the Loan Documents, be greater than the Borrower’s probable liabilities, including maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower’s assets do not, and immediately following the execution and delivery of the Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

(t) All information regarding the Borrower, the Project and any Obligor delivered to the Issuer, the Trustee, the Servicer and the Majority Owner is true and correct in all material respects and all such financial information fairly presents the financial condition and results of operations of the Borrower and the other Obligors for the periods to which such financial information relates, and discloses all liabilities and contingent liabilities of the Borrower or the other Obligors.

(u) There are no actions, suits, proceedings or investigations of any kind pending or to the best of Borrower’s knowledge, threatened against the Borrower or the General Partner before any court, tribunal or administrative agency or board or any mediator or arbitrator that, if adversely determined, might, either in any case or in the aggregate, materially and adversely affect the business, assets or financial condition of the Borrower or the General Partner, or result in any liability not adequately covered by insurance, or for which adequate reserves are not maintained on the balance sheet of the Borrower or the General Partner, or which question the validity of this Loan Agreement or any of the other Loan Documents or any of the General Partner Documents, any action taken or to be taken pursuant hereto or thereto, or any lien or security interest created or intended to be created pursuant hereto or thereto, or which will
adversely affect the ability of the Borrower or the General Partner to construct, equip, use and occupy the Project or to pay and perform its obligations hereunder in the manner contemplated by this Loan Agreement, any of the other Loan Documents or any of the General Partner Documents.

(v) All utility services necessary and sufficient for the construction, equipping and operation of the Project shall be, upon Completion of the Project, and thereafter will at all times be, available through dedicated public rights of way or through perpetual private easements, appurtenant to the Property, with respect to the Borrower’s interest in which the Mortgage creates a valid and enforceable first priority mortgage lien. The Borrower has obtained, or will obtain prior to certificate of occupancy, all utility installations and connections required for the operation and servicing of the Project for its intended purposes.

(w) The rights of way for all roads necessary for the full utilization of the Project for its intended purposes have either been acquired by the appropriate Governmental Authority or have been dedicated to public use and accepted by such Governmental Authority or will be dedicated and accepted prior to certificate of occupancy. All such roads shall be completed at certificate of occupancy, and the right to use all such roads, or suitable substitute rights of way approved by the initial Servicer, shall be maintained at all times for the Project. All curb cuts, driveways and traffic signals shown on the Plans and Specifications are existing or have been fully approved by the appropriate Governmental Authority and after the completion thereof, shall be maintained at all times for the Project.

(x) The acquisition, construction, equipping, use and occupancy of the Project will at times comply with all Legal Requirements. The Borrower will give all notices to, and take all other actions with respect to, such Governmental Authorities as may be required under applicable Legal Requirements to construct and equip the Improvements and to use, occupy and operate the Project.

(y) Except as set forth on Exhibit C hereto, the Borrower has obtained all Project Approvals required for the acquisition, construction and equipping of the Project in accordance with the Plans and Specifications. All Project Approvals obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Project Approvals required for acquisition, construction and equipping of the Project in accordance with the Plans and Specifications and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course in order to permit completion of construction and equipping of the Project in accordance with the Plans and Specifications on or before the Completion Date. The Borrower will timely obtain all Project Approvals not heretofore obtained by the Borrower (including those listed and described on Exhibit C hereto, those required for use and occupancy of the Project for its intended purpose upon Completion and any other Project Approvals which may hereafter become required, necessary or desirable) and will furnish the Servicer and the Majority Owner with evidence that the Borrower has obtained such Project Approvals promptly upon their receipt. The Borrower will duly perform and comply with all of the terms and conditions of all Project Approvals obtained at any time. No Project Approvals will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure, deed in lieu of foreclosure or exercise of power of sale under the Mortgage.
(z) The Borrower has furnished the Servicer and the Majority Owner with true and complete sets of the Plans and Specifications. The Plans and Specifications so furnished to the initial Servicer comply with all Legal Requirements, all Project Approvals, and all restrictions, covenants and easements affecting the Project, and have been approved by such Governmental Authority as is required for construction and equipping of the Improvements.

(aa) The Development Budget accurately reflects all Project Costs.

(bb) The Survey delivered to the Servicer and the Majority Owner does not fail to reflect any material matter of survey affecting the Project or the title thereto.

(cc) No part of the Improvements is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazard or to the extent any part of the Improvements is an area identified as an area having special flood hazard, adequate flood insurance has been obtained by the Borrower.

(dd) The Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority, the violation of which might materially adversely affect the condition (financial or otherwise) or business of the Borrower. There has not been and shall never be committed by the Borrower or any other Person in occupancy of or involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof any moneys paid in performance of the Borrower’s obligations under any Loan Document.

(ee) The Construction Contract and the Architect’s Contract are each in full force and effect and each of the parties thereto are in full compliance with their respective obligations thereunder. The work to be performed by the Contractor under the Construction Contract is the work called for by the Plans and Specifications, and all work required to complete the Improvements in accordance with the Plans and Specifications is provided for under the Construction Contract.

(ff) Each Requisition submitted by the Borrower shall contain an affirmation that the foregoing representations and warranties remain true and correct as of the date hereof.

(gg) The Related Persons are not (and to Borrower’s knowledge after diligent inquiry, no other Person holding any legal or beneficial interest whatsoever in the Related Persons), directly or indirectly, included in, owned by, Controlled by, acting for or on behalf of, providing assistance, support, sponsorship, or services of any kind to, or otherwise associated with any of the Persons referred to or described in any list of persons, entities, and governments issued by the Office of Foreign Assets Control of the United States Department of the Treasury (“OFAC”) pursuant to Executive Order 13224 – Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism, as amended (“Executive Order 13224”), or any similar list issued by OFAC or any other department or agency of the United States of America (collectively, the “OFAC Lists”).

Section 2.3 Covenants by the Borrower. The Borrower hereby covenants and agrees that, on and after the Closing Date, it will:
(a) Give written notice promptly, and in any event at least thirty (30) days prior to the closing thereof, of any intended refinancing of the Project to the Issuer, the Trustee, Majority Owner and the Servicer;

(b) Comply with all Legal Requirements and promptly furnish the Issuer, the Trustee, Bank and the Majority Owner with reports of any official searches made by any Governmental Authority and any claims of violations thereof;

(c) Upon reasonable written notice and at reasonable times, permit the Servicer, the Majority Owner, the Issuer and the Trustee (or their representatives) to enter upon the Improvements and inspect the Project;

(d) Indemnify the Issuer, the Trustee, the Owner and the Servicer against claims of brokers arising by reason of the execution hereof or the consummation of the transactions contemplated hereby;

(e) Deliver to the Servicer, Majority Owner and the Issuer copies of all leases (other than leases to residential tenants in the ordinary course of business) with respect to the Project or any portion thereof, whether executed before or after the date of this Loan Agreement;

(f) Not enter into, cancel or amend any agreement for the furnishing of management or similar services to the Project, without the prior written consent of the Servicer, Majority Owner and the Issuer, such consent not to be unreasonably withheld or delayed. Notwithstanding anything to the contrary contained in any of the Loan Documents, Borrower may replace the Manager with BRIDGE Property Management Company and further, Borrower shall have the right to immediately remove any management company for the Project, and terminate the management agreement without Lender, Servicer, Majority Owner and Issuer consent in the event of gross negligence, fraud, criminal or willful misconduct on the part of the management company. The Borrower will have the duty to self-manage the Project during any period when there is no management company until such time as a replacement management company satisfactory to the Borrower and the Lender is found, and the parties hereto agree to use their best efforts to agree on an acceptable replacement management company within thirty (30) days;

(g) Comply with all restrictions, covenants and easements affecting the Project, including, without limitation, all requirements of the Regulatory Agreement;

(h) Take, or require to be taken, such acts as may be required under applicable law or regulation in order that the interest on the Tax-Exempt Bond continues to be excludable from gross income for purposes of federal income taxation, and refrain from taking any action which would adversely affect the exclusion from gross income of interest on the Tax-Exempt Bond from federal income taxation;

(i) Perform and satisfy all the duties and obligations of the Borrower set forth and specified in the Indenture as duties and obligations of the Borrower, including those duties and obligations which the Indenture requires this Loan Agreement or the other Loan Documents to impose upon the Borrower;
(j) Confirm and assure that the Project, equipment, buildings, plans, offices, apparatus, devices, books, contracts, records, documents and other papers relating thereto shall at all times be maintained in reasonable condition for proper audit and shall be subject to examination and inspection at reasonable times and upon reasonable notice by the Issuer, the Trustee, Majority Owner or the Servicer or the duly authorized agent of any of them and shall keep copies of all written contracts or other instruments which affect the Project, all or any of which shall be subject to inspection and examination by the Issuer, the Trustee, Majority Owner, the Servicer or the duly authorized agent of any of them;

(k) Commencing on the fifth anniversary of the Closing Date, and on such anniversary in each fifth year thereafter, if requested by the Servicer, cause to be delivered to the Trustee and, if requested by the Servicer, the Servicer, at Borrower’s cost, evidence of the filing of continuation statements or instruments of a similar character relating to the pledges and assignments made by the Borrower to the Issuer or the Trustee to or for the benefit of the Owner of the Bond as required by law in order to fully preserve and protect the rights of the Issuer, the Trustee and the Owner of the Bond, as the case may be;

(l) Promptly notify the Issuer, the Trustee, Majority Owner and the Servicer in writing of any (i) default by the Borrower in the performance or observance of any covenant, agreement, representation, warranty or obligation of the Borrower set forth in this Loan Agreement or any other Loan Documents or (ii) any event or condition which with the lapse of time or the giving of notice, or both would constitute an Event of Default under this Loan Agreement or any other Loan Documents; and

(m) Commence, pursue and complete construction and equipping of the Improvements as provided herein and in the Construction Disbursement Agreement; and Comply with all applicable state and local rules and regulations relating to the construction and operation of the Project, including, without limitation, all applicable minimum wage, prevailing wage or living wage requirements.

**ARTICLE III**

**LOAN AND PROVISIONS FOR REPAYMENT**

**Section 3.1 Issuance of Bond and Delivery of Note and other Loan Documents.**

(a) In order to finance a portion of the costs of the construction and equipping of the Project, the Issuer has, consistent with its duties and purpose under the Act and the Law, issued and caused the Trustee to authenticate and deliver the Bond pursuant to the Indenture to the initial Owner. The Bond bears interest and is payable as provided therein and in the Indenture. The Bond shall mature and all Outstanding principal of, Prepayment Equalization Payments (if
any), interest and Additional Interest (if any) on such Bond shall be due and payable in full on the Maturity Date applicable thereto, all as provided more fully in the Bond and the Indenture.

(b) The Issuer agrees to lend the proceeds received from the sale of the Bond to the Borrower, by causing such amounts to be deposited directly into the Project Fund, subject to the terms and conditions of the Indenture and this Loan Agreement, including the terms and conditions thereof and hereof governing the disbursement of proceeds of the Loan.

(c) Pursuant to the Indenture, the Trustee shall make disbursements from the Project Fund created pursuant to the Indenture to pay or to reimburse the Borrower for costs of the acquisition, construction and equipping of the Project, subject to the conditions of the Indenture and this Loan Agreement. Upon receipt of a properly signed Requisition approved by the Servicer (which approval of the Servicer is expressly subject to the satisfaction of the conditions precedent set forth in the Construction Disbursement Agreement) and the Issuer, the Trustee is authorized to act upon such Requisition without further inquiry, and, except for negligence after notice of facts to the contrary or willful misconduct of the Trustee, the Borrower shall hold the Trustee harmless against any and all losses, claims or liabilities incurred in connection with the Trustee’s making disbursements from the Project Fund in accordance with such Requisition. Neither the Trustee nor the Issuer shall be responsible for the application by the Borrower of moneys properly disbursed from the Project Fund.

(d) Concurrently with the sale and delivery of the Bond, and to evidence further the obligation to repay the Loan in accordance with the provisions of this Loan Agreement, the Borrower has executed and delivered the Note and the other Loan Documents.

Section 3.2 Loan Repayments and Other Amounts.

(a) The Borrower shall pay to the Trustee, for deposit into the Revenue Fund: (i) on the first day of each month, commencing May 1, 2017 and continuing until the Conversion Date, an amount equal to the sum of (A) the interest due on the Bond on said date (after taking into account funds available for such purpose, if any, in the Capitalized Interest Account of the Project Fund), and (B) the principal due on the Bond on said date; and (ii) on and after the Conversion Date, the amount of interest and principal due pursuant to the terms of the P-1A Note related to the P-1A Bond, as supplemented by the Permanent Period Note Addendum; and (iii) on the first day of each month following the month in which Conversion occurs, amounts required to be deposited into the Tax and Insurance Fund (pursuant to Section 5.22(h) hereof) as of such date. Amounts so paid to the Trustee by the Borrower shall be in immediately available funds or shall be such that on the Bond Payment Date they are available funds.

(b) The Borrower understands that the interest rate applicable under the P-1A Note and P-1B Note related to the Tax-Exempt Bond and with respect to the Tax-Exempt Bond is based upon the assumption that interest income paid on the Tax-Exempt Bond will be excludable from the gross income of the Owner under Section 103 of the Code and applicable state law. In the event that an Initial Notification of Taxability shall occur, then the interest rate on the P-1A Note and P-1B Note related to the Tax-Exempt Bond and the Tax-Exempt Bond, and on all obligations under this Loan Agreement (other than those to which the Alternative Rate applies) shall, effective on the date of such Initial Notification of Taxability, be increased to a rate equal
to the Taxable Rate. The Borrower shall, in addition, pay to the Trustee, for deposit into the Revenue Fund, promptly upon demand from the Trustee or the Servicer, an amount equal to the Additional Interest payable on the Tax-Exempt Bond. The Borrower shall also indemnify, defend and hold the Owner, the Issuer and the Trustee harmless from any penalties, interest expense or other costs, including reasonable attorneys’ fees (including all reasonably allocated time and charges of Owner’s, Issuer’s and Trustee’s “in-house” and “outside” counsel) and accountants’ costs, resulting from any dispute with the Internal Revenue Service concerning the proper tax treatment of the Tax-Exempt Bond and any interest payable to the Owner with respect to the Tax-Exempt Bond. The obligations of the Borrower under this Section 3.2(b) shall survive termination of this Loan Agreement and the Note and repayment of the Loan. If, following any increase in interest rates pursuant to this Section 3.2(b), a final determination is made, to the satisfaction of the Owner, that interest paid on the Tax-Exempt Bond is excludable from the Owner’s gross income under Section 103 of the Code and applicable state law, the Owner shall promptly refund to the Borrower any Additional Interest and other additional amounts paid by the Borrower pursuant to this Section 3.2(b).

(c) The Borrower agrees to pay the Trustee Fee and Trustee Expenses to the Trustee and agrees to pay the Issuer’s Fee to the Issuer. The Issuer’s Fee shall be paid to the Trustee monthly for remittance to the Issuer when due. The Borrower also agrees to pay all fees, charges and expenses of the Trustee and the Issuer, respectively (including, without limitation, the reasonable, actually incurred fees and expenses of counsel to the Issuer, Bond Counsel and counsel to the Trustee), as and when the same become due. The Borrower also agrees to pay the printing and engraving costs of the Bond, including any certificates required to be prepared for use in connection with any exchanges of Bond for the cost of which the Owner is not liable. The Borrower also agrees to pay the Loan Fee to Bank on or before the Closing Date, to pay the fees of the Majority Owner, Bank and the Servicer, and to pay all reasonable costs and expenses incurred by the Majority Owner, Bank and the Servicer in connection with the negotiation, closing, execution, delivery, modification and administration of the Bond, the Loan or the collateral therefor, and any amendments, modifications or “workouts” thereof, including, without limitation, reasonable attorneys’ fees and costs (including allocated costs of in-house attorneys), fees and costs of engineers, accountants, appraisers and other consultants, title insurance premiums and recording costs upon receipt of written demand therefor.

(d) The Borrower agrees to pay all Costs of Issuance (in addition to those Costs of Issuance otherwise required to be paid by this Section 3.2).

(e) The Borrower agrees to pay any Prepayment Equalization Payments at the times and in the amounts the same become payable pursuant to the Indenture or the P-1A Note related to the P-1A Bond.

(f) The Borrower agrees to pay, as and when the same become due, to the Issuer, the Servicer or the Trustee any extraordinary expenses, including, without limitation, any costs of litigation, which may be incurred by the Issuer, the Servicer, Majority Owner or the Trustee in connection with this Loan Agreement or the Indenture, including the reasonable, actually incurred costs and fees of any attorneys or other experts retained by the Issuer, the Servicer, Majority Owner or the Trustee in connection therewith, including, without limitation, any costs, fees or expenses relating to any audit of the Bond by the Internal Revenue Service.
(g) Without limitation of the foregoing, the Borrower agrees to repay the Loan at the times and in the amounts necessary to enable the Trustee, on behalf of the Issuer, to pay all amounts payable with respect to the Bond, when due, whether at maturity or upon redemption, acceleration, tender, purchase or otherwise.

Section 3.3 Payments Pledged and Assigned. It is understood and agreed that the Loan Documents and certain other documents and property and all payments required to be made by the Borrower pursuant hereto (except payments to be made to the Issuer in respect of its Reserved Rights and payments to be made to the Servicer and the Trustee pursuant to Section 3.2(b) hereof) have been assigned to the Trustee simultaneously herewith pursuant to the Indenture as and for security for the Bond. The Borrower hereby consents to such assignment and recognizes the Trustee as the assignee of the Issuer, to the extent of the assignment, for purposes of said documents and property.

Section 3.4 Obligations of Borrower Hereunder Unconditional. The obligations of the Borrower to make any payments required by the terms of this Loan Agreement and the other Loan Documents, including, without limitation, the payments required in Section 3.2 hereof, and to perform and observe the other agreements on its part contained herein and in the other Loan Documents shall be absolute and unconditional and shall not be subject to any defense (other than payment) or any right of setoff, counterclaim, abatement or otherwise and, until such time as the principal of and interest on the Bond shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture. The Borrower (i) will not suspend or discontinue, or permit the suspension or discontinuance of, any payments provided for herein or in the other Loan Documents, (ii) will perform and observe all of its other agreements contained herein and the other Loan Documents and (iii) will not suspend the performance of its obligations hereunder and under the other Loan Documents for any cause, including, without limiting the generality of the foregoing, failure to complete construction and equipping of the Project, any acts or circumstances that may constitute failure of consideration, failure of or a defect of title to the Project or any part thereof, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws or administrative rulings of or administrative actions by the United States of America or the State or any political subdivision of either, or any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Loan Agreement or the other Loan Documents. The Borrower may, at its own cost and expense and in its own name or in the name of the Issuer (provided the Issuer is a necessary party and consents thereto), prosecute or defend any action or proceeding or take any other action involving third persons which the Borrower deems reasonably necessary in order to secure or protect its rights hereunder, and in such event the Issuer, subject to the provisions of the Indenture, hereby agrees to cooperate fully with the Borrower and to take all action (at the Borrower’s cost and expense) necessary to effect the substitution of the Borrower for the Issuer in any such action or proceeding if the Borrower shall so request.
ARTICLE IV

ADVANCES

Section 4.1 Requisition. At such time as the Borrower shall desire to obtain an advance from the Loan Account, the Insurance and Condemnation Proceeds Account or the Equity Account of the Project Fund, the Borrower shall complete, execute and deliver a Requisition to the Servicer. Each Requisition shall be signed on behalf of the Borrower and shall be in the form attached as Exhibit I to the Construction Disbursement Agreement. The Trustee may rely conclusively on the statements and certifications contained in any Requisition. The Borrower shall not submit any Requisition directly to the Trustee. Each advance from the Loan Account, the Insurance and Condemnation Proceeds Account or the Equity Account of the Project Fund by the Trustee shall be subject to prior approval of the Requisition by the Servicer and, if and to the extent required by the Indenture, the Issuer. Upon such approval by the Servicer, the Servicer shall forward each Requisition to the Trustee for payment.

ARTICLE V

Project and the operations of the Borrower shall be governed by the terms of the Permanent Period Supplemental Agreement. All renewal policies, with premiums paid, shall be delivered to the Servicer at least thirty (30) days before expiration of the existing policies. If any such insurance shall expire or be canceled, or become void or voidable by reason of the breach of any condition of coverage, or if the Servicer determines that any coverage is unsatisfactory by reason of the failure or impairment of the capital of any insurance carrier, or if any insurance is unsatisfactory to the Servicer, in its sole judgment, the Borrower shall promptly place new insurance satisfactory to the Servicer.

(b) The Borrower will provide the Trustee, Majority Owner and the Servicer with certificates evidencing such insurance upon the request of the Servicer.

(c) If the Borrower fails to provide, maintain, keep in force or deliver to the Servicer the policies of insurance and certificates required by this Loan Agreement, the Servicer may (but shall have no obligation to) procure such insurance, and the Borrower will pay all premiums thereon promptly on demand by the Servicer, and until such payment is made by the Borrower, the amount of all such premiums shall bear interest at the Alternative Rate.

Section 5.5 Liens and Other Charges. The Borrower will duly pay and discharge, cause to be paid and discharged, or provide a bond satisfactory to the Servicer to pay or discharge, before the same shall become overdue all claims for labor, materials, or supplies that if unpaid might by law become a lien or charge upon any of its property.

(a) The Borrower shall permit the Issuer, the Trustee, Majority Owner and the Servicer upon reasonable written notice at reasonable times, at the Borrower’s cost and expense, to visit and inspect the Project and all materials to be used in the construction and equipping thereof and will cooperate with the Issuer, the Trustee, Majority Owner and the Servicer during such inspections (including making available working drawings of the Plans and Specifications), provided that this provision shall not be deemed to impose on the Issuer, the Trustee, Majority Owner and the Servicer any obligation to undertake such inspections.

(b) The Borrower shall permit the Issuer, the Trustee, Majority Owner and the Servicer, upon reasonable notice at reasonable times, at the Borrower’s cost and expense, to examine the books of account of the Borrower and the Project (and to make copies thereof and extracts therefrom) and to discuss the affairs, finances and accounts of the Borrower and the Project with, and to be advised as to the same by, its officers, partners, or trustees, all at such reasonable times and intervals as the Issuer, the Trustee, Majority Owner and the Servicer may reasonably request, provided that so long as no Default or Event of Default shall have occurred and be continuing, the Borrower shall only be obligated to pay the expenses associated with one (1) such investigation during any twelve (12) month period.

(c) The Issuer, the Trustee, Majority Owner and the Servicer shall have the right to obtain from time to time, at the Borrower’s cost and expense, updated Appraisals of the Project, provided that so long as no Default or Event of Default shall have occurred and be continuing,
the Borrower shall only be obligated to pay for the costs and expenses associated with one (1) such Appraisal during any twelve (12) month period.

(d) The costs and expenses incurred by the Issuer, the Trustee, Majority Owner and the Servicer in obtaining such Appraisals or performing such inspections shall be paid by the Borrower promptly upon billing or request by the Issuer, the Trustee, Majority Owner and the Servicer for reimbursement.

Section 5.8 Use of Proceeds. In accordance with the Development Budget, the Borrower will use the proceeds of the Taxable Bonds for purposes related to the Project and at least 95% of the proceeds of the Tax-Exempt Bond for the purpose of paying for Qualified Costs of the Project.

Section 5.9 Borrower to Pay Excess Project Costs. The Borrower will pay when due all costs of acquisition, construction and equipping of the Project in excess of the proceeds of the Bond, regardless of the amount. If at any time, the Servicer shall in its sole discretion determine that the remaining undisbursed portion of the Project Fund, together with the undisbursed balance of Required Equity Funds, and any other sums previously deposited or to be deposited by the Borrower in connection with the Project, is or will be insufficient to complete the construction and equipping of the Improvements in accordance with the Plans and Specifications, to operate and carry the Project after Completion until Conversion, to pay all other Project Costs, to pay all interest accrued or to accrue on the Bond from and after the date hereof or until Conversion, and to pay all other sums due or to become due under the Loan Documents (or any budget category or line item), regardless of how such condition may be caused, the Borrower will, within ten (10) days after written notice of such determination from the Servicer, deposit with the Trustee such sums of money in cash as the Servicer may reasonably require, in an amount sufficient to remedy the condition described in such notice, and sufficient to pay any liens for labor and materials alleged to be due and payable at the time in connection with the Improvements other than those being contested in good faith and for which a bond has been posted, and, at the Servicer’s direction, no further disbursements from the Project Fund shall be made by the Trustee until the provisions of this Section have been fully complied with. The Servicer may direct the Trustee to enforce the Payment Guaranty and the Completion Agreement in accordance with their terms, and upon such direction, the Trustee shall proceed to enforce the Completion Agreement. All such deposited sums shall constitute additional security under the Loan Documents and, prior to the occurrence of a Default, shall be disbursed by the Trustee in the same manner as disbursements under the Indenture before any further disbursements from the Project Fund shall be made by the Trustee. Notwithstanding the above, in the event amounts deposited hereunder are actually in excess of the amount necessary to achieve Completion, such excess amounts shall be returned to the Borrower in accordance with Section 5.03 of the Indenture.
Section 5.10  Laborers, Subcontractors and Materialmen. The Borrower will furnish to the Issuer, the Trustee, Majority Owner or the Servicer, upon reasonable request, and from time to time, affidavits listing all laborers, subcontractors, materialmen, and any other Persons who might or could claim statutory or common law liens and are furnishing or have furnished labor or material to the Project or any part thereof, together with affidavits, or other evidence satisfactory to the Issuer, the Trustee or the Servicer, showing that such parties have been paid all amounts then due for labor and materials furnished to the Project, that the applicable lien period has expired without the filing of a claim, or the liens have been bonded. The Borrower will also furnish to the Issuer, the Trustee, Majority Owner and the Servicer, at any time and from time to time upon reasonable request by the Issuer, the Trustee, Majority Owner or the Servicer, lien waivers bearing a then current date and prepared on a form satisfactory to the Issuer, the Trustee, Majority Owner or the Servicer from the Contractor and such subcontractors or materialman as the Issuer, the Trustee, Majority Owner or the Servicer may designate.

Section 5.11  Further Assurance of Title. If at any time the Servicer has reason to believe that any disbursement from the Project Fund is not secured or will or may not be secured by the Mortgage as a first priority mortgage lien and security interest on the Property, then the Borrower shall, within ten (10) days after written notice from the Servicer, do all things and matters necessary to assure to the satisfaction of the Servicer that any disbursement from the Project Fund previously made hereunder or to be made hereunder is secured or will be secured by the Mortgage as a first priority mortgage lien and security interest on the Property, and the Servicer, at its option, may decline to approve any further Requisitions until the Servicer has received such assurance. Nothing in this Section shall limit the right of the Servicer, at the Borrower’s expense, to order searches of title from time to time and to require bringdowns or endorsements extending the effective date of the Title Policy in connection with the making of advances as herein set forth.

Section 5.12  Publicity. The Borrower will permit the Servicer to obtain publicity in connection with the acquisition, construction and equipping of the Improvements through press releases and participation in such events as ground breaking and opening ceremonies and placement of signs on the Project Site.

Section 5.13  Further Assurances.

(a)  Regarding Construction. The Borrower will furnish or cause to be furnished to the Issuer, Majority Owner and the Servicer all instruments, documents, boundary surveys, footing or foundation surveys, certificates, plans and specifications, title and other insurance, reports and agreements and each and every other document and instrument required to be furnished by the terms of this Loan Agreement or the other Loan Documents, all at the Borrower’s expense.

(b)  Regarding Preservation of Collateral. The Borrower will execute and deliver to the Issuer, the Trustee, Majority Owner and the Servicer such further documents, instruments, assignments and other writings, and will do such other acts necessary or desirable, to preserve and protect the collateral at any time securing or intended to secure the obligations of the Borrower under the Loan Documents, as the Issuer, the Trustee, Majority Owner and the Servicer may require.
Regarding this Loan Agreement. The Borrower will cooperate with, and will do such further acts and execute such further instruments and documents as the Issuer, the Trustee, Majority Owner and the Servicer shall reasonably request to carry out to their satisfaction the transactions contemplated by this Loan Agreement and the other Loan Documents.

Bank of Account. Prior to the Conversion Date, the Borrower will utilize Bank as its principal bank of account, including all construction disbursement, operating accounts, and reserve accounts.

Section 5.14 Notices. The Borrower will promptly notify the Issuer, the Trustee, Majority Owner and the Servicer in writing of (i) the occurrence of any Default or Event of Default or event which, with the giving of notice or the passage of time, or both, would constitute a Default or Event of Default; (ii) the Borrower’s receipt of notice from any Governmental Authority of any alleged violation of environmental laws or regulations or other Legal Requirements; (iii) any labor problems with respect to the Borrower or the Project; (iv) the occurrence of any other event which would have a material adverse effect on the Project or the business or financial condition of the Borrower; or (v) the receipt by the Borrower of any notice of default or notice of termination with respect to any contract or agreement relating to the ownership, construction, equipping, operation, or use of the Project.

Section 5.15 Solvency; Adequate Capital. The Borrower will:

(a) Remain solvent and pay all of its indebtedness from its assets as the same become due; and

(b) Maintain adequate capital for the normal obligations reasonably foreseeable for a business of its size and character and in light of its contemplated business operations.

Section 5.16 Management Contract.

(a) At all times following Completion, the Project shall be managed pursuant to a management contract with the Manager, which contract shall be terminable with or without cause by the Borrower or its successors as owner of the Project and shall otherwise be in form and substance satisfactory to Majority Owner and the Servicer. The Borrower acknowledges that the Issuer, the Trustee, Majority Owner and the Servicer will rely on the Manager’s experience in operating properties such as the Project as a means of maintaining the value of the collateral. In connection with the approval of the Manager, or any replacement management company:

(i) the Manager or holder of the stock or partnership interest therein shall be a Person whose character, financial strength, stability and experience is acceptable to the Servicer and who shall have experience managing properties of a type and size reasonably similar to the Project;

(ii) the Manager shall deliver all organizational documentation and other materials evidencing its experience acceptable to Majority Owner and the Servicer; and

(iii) any management fees payable to the Manager under any management for the Project in excess of 5.1% of the Project Revenues shall be paid only out of surplus cash
flow and the terms of such management contract must otherwise be acceptable to Majority Owner and the Servicer in all respects.

(b) The Borrower shall, from time to time, obtain from the Manager such certificates of estoppel with respect to compliance by the Borrower with the terms of the management contract as may be requested by the Servicer, the Trustee, Majority Owner and the Servicer.

(c) The Project will be managed by the Manager pursuant to the Management Agreement. The Borrower acknowledges and agrees that Trustee, as mortgagee under the Mortgage, is and shall be a third-party beneficiary of the Management Agreement and any replacement management agreement. Any amendment to the Management Agreement or delivery of a replacement management agreement must be approved in writing by Majority Owner and the Servicer.

**Section 5.17 Negative Covenants of the Borrower.** The Borrower covenants and agrees that, so long as the Loan is outstanding:

(a) **Restrictions on Easements and Covenants.** Except for Permitted Encumbrances and matters permitted by Section 5.17(d), the Borrower will not create or suffer to be created or to exist any easement, right of way, restriction, covenant, condition, license or other right in favor of any Person which affects or might affect title to the Project or the use and occupancy of the Project or any part thereof without obtaining the prior written consent of the Servicer, which shall not be unreasonably withheld or delayed so long as the proposed action is necessary for the operation of the Project for the purposes contemplated hereby and the proposed action does not materially impair the validity or priority of the lien of the Mortgage.

(b) **No Amendments, Terminations or Waivers.** Neither the Borrower nor the General Partner shall amend, supplement, terminate or otherwise modify or waive any provision of its Organizational Documents, the documents evidencing the Subordinate Loan or any material term or provision of the documents relating to the contribution of equity by the partners of the Borrower without obtaining the prior written consent of the Servicer.

(c) **Restrictions on Indebtedness.** Without obtaining the prior written consent of the Servicer, the Borrower will not create, incur, assume, guarantee or be or remain liable, contingently or otherwise, with respect to any Indebtedness other than:

(i) Indebtedness arising under the Loan Documents or the Partnership Agreement and Indebtedness arising under the Subordinate Loans;

(ii) current liabilities of the Borrower relating to the Project, incurred in the ordinary course of business but not incurred through (A) the borrowing of money, or (B) the obtaining of credit except for credit on an open account basis customarily extended and in fact extended in connection with normal purchases of goods and services; and

(iii) Indebtedness relating to the Project, in respect of taxes, assessments, governmental charges or levies, claims for labor, materials and supplies and costs arising under the CC&RS to the extent that payment therefor shall not at the time be required to be made.
(d) **Restrictions on Liens.** Without obtaining the prior written consent of the Servicer, the Borrower will not (i) create or incur or suffer to be created or incurred or to exist any lien, encumbrance, deed to secure debt, mortgage, deed of trust, pledge, charge, restriction or other security interest of any kind upon any of its property or assets of any character whether now owned or hereafter acquired, or upon the income or profits therefrom; (ii) transfer any of its property or assets or the income or profits therefrom for the purpose of subjecting the same to the payment of Indebtedness or performance of any other obligation in priority to payment of its general creditors; (iii) acquire, or agree or have an option to acquire, any property or assets upon conditional sale or other title retention or purchase money security agreement, device or arrangement; (iv) suffer to exist for a period of more than thirty (30) days after the same shall have been incurred any Indebtedness or claim or demand against it that if unpaid might by operation of law or upon bankruptcy or insolvency, or otherwise, be given any priority whatsoever over its general creditors; or (v) sell, assign, pledge or otherwise transfer any accounts, contract rights, general intangibles, chattel paper or instruments, with or without recourse, provided that the Borrower may create or incur or suffer to be created or incurred or to exist:

(A) Statutory liens relating to the project to secure taxes, assessments and other governmental charges or claims for labor, material or supplies in respect of obligations not overdue;

(B) Liens in favor of the Issuer and/or the Trustee under the Loan Documents;

and

(C) The Permitted Encumbrances.

(e) **Transfers.**

(i) Except for Permitted Encumbrances and a declaration of restrictive covenants for low-income housing credits in a form approved by the Servicer, without obtaining the prior written consent of Majority Owner and the Servicer (and the Issuer, as required under the Regulatory Agreement), the Borrower will not, directly or indirectly, by operation of law or otherwise, sell, assign, mortgage, pledge, hypothecate, transfer or otherwise dispose of the Project or any interest in the Project, and will not encumber, alienate, hypothecate, grant a security interest in or grant any other interest whatsoever (whether superior or inferior to the lien of the Mortgage) in the Project, in the Leases or in the rents, issues and profits therefrom.

(ii) Except as otherwise permitted by the Construction Disbursement Agreement or the Deed of Trust, without obtaining the prior written consent of the Servicer (and the Issuer; to the extent required under the Regulatory Agreement), no general or limited partnership interest in the Borrower and no ownership interest in the General Partner may be sold, conveyed, transferred, assigned, pledged or otherwise transferred, in whole or in part, directly or indirectly, by operation of law or otherwise; provided, however, that the following transfers may occur with notice to, but without the consent of, the Servicer:
(A) the Investor Limited Partner may at any time and without the consent of the Servicer, the Issuer or Trustee transfer, but upon at least twenty (20) days’ prior written notice to Issuer, Trustee and Majority Owner, sell, or assign its limited partner interest in the Borrower to any Affiliate or to any limited partnership of which Bank of America, N.A., or any Affiliate thereof, is a general partner, or to any limited liability company of which Bank of America, N.A., or any Affiliate thereof, is the managing member, and upon the assumption by any such transferee of the obligations of the transferor hereunder, the transferor shall be automatically released from further liability hereunder as the Investor Limited Partner.

(B) After the Restricted Period (as defined below), the Investor Limited Partner may at any time and without the consent of the Servicer, Majority Owner, or Trustee, but in conformance with the requirement of the Regulatory Agreement, transfer, sell, assign or pledge its interest in the Borrower to any third party. The Investor Limited Partner shall give notice of such transfer, sale or assignment to the Trustee not less than twenty (20) days prior to such transfer, sale or assignment (but no such notice shall be required in the case of a pledge or collateral assignment by the Investor Limited Partner of its limited partner interest in the Borrower). “Restricted Period” shall be defined as the period commencing on the Closing Date and ending on the first to occur of the making of the Final Installment (as defined in the Partnership Agreement) or an event that gives the Investor Limited Partner the right to require the repurchase of its interest under Section 5.3 of the Partnership Agreement. The Investor Limited Partner shall provide written notice to the Trustee, Issuer, Majority Owner and Servicer of the end of the Restricted Period.

(f) **Merger, Consolidation, Conversion and Disposition of Assets.**

(i) The Borrower will not become a party to any merger or consolidation or agree to or effect any asset acquisition or stock acquisition.

(ii) The Borrower will not convert into any other type of entity.

(iii) The Borrower will not seek the dissolution or winding up, in whole or in part, of the Borrower or voluntarily file, or consent to the filing of, a petition for bankruptcy, reorganization, assignment for the benefit of creditors or similar proceedings.

(g) **Sale and Leaseback.** The Borrower will not enter into any arrangement, directly or indirectly, whereby the Borrower shall sell or transfer any property owned by it in order then or thereafter to lease such property or lease other property that the Borrower intends to use for substantially the same purpose as the property being sold or transferred.

(h) **Preservation of Tax Exemption.** The Borrower will not take any action that would adversely affect the exclusion of interest on the Tax-Exempt Bond from gross income for purposes of federal income taxation, nor omit or fail to take any action required to maintain the exclusion of interest on the Tax-Exempt Bond from gross income for purposes of federal income taxation.
Section 5.18  Arbitrage and Tax Matters.

(a) The Borrower hereby represents, warrants and agrees that all certifications and representations of fact made by the Borrower in the Regulatory Agreement, the Tax Certificate and the Borrower Cost Certificate are true, accurate and complete in all material respects of the date on which executed and delivered.

(b) The Borrower covenants not to cause or direct any moneys on deposit in any fund or account to be used in a manner which would cause the Tax-Exempt Bond to be classified as an “arbitrage bond” within the meaning of Section 148 of the Code, and the Borrower certifies and covenants to and for the benefit of the Issuer and the Owner that so long as there is any portion of the Bond Outstanding, moneys on deposit in any fund or account in connection with the Bond, whether such moneys were derived from the proceeds of the sale of the Bond or from any other sources, will not be used in a manner which will cause the Tax-Exempt Bond to be classified as an “arbitrage bond” within the meaning of Section 148 of the Code. In furtherance of the foregoing, the Borrower covenants to comply with the terms and conditions of TaxCertificate and to pay when due any amount required to be paid to the United States in accordance with Tax Certificate and this Loan Agreement.

(c) At any time when any amount required to be paid under Section 148(f) of the Code (the “Rebate Regulations”) is due, the Borrower shall pay to the United States on behalf of the Issuer the full amount then required to be paid under the Rebate Regulations. Within sixty (60) days after the Tax-Exempt Bond has been paid in full, the Borrower shall pay to the United States on behalf of the Issuer the full amount then required to be paid under the Rebate Regulations. Each such payment shall be made to such location specified by the Internal Revenue Service, accompanied by a Form 8038-T (or other appropriate information reporting form) prepared by the Borrower. No later than fifteen (15) days prior to each date on which a payment could become due under the Rebate Regulations (“Rebate Payment Date”), the Borrower shall deliver to the Issuer and the Trustee a certificate of a Rebate Analyst either summarizing the determination that no amount is required to be paid or specifying the amount then required to be paid, if the certificate specifies an amount to be paid, (A) such certificate shall be accompanied by a completed Form 8038-T, which is to be signed by an Authorized Representative of the Issuer, and shall include a certification by the Borrower that the Form 8038-T is accurate and complete, and (B) no later than ten (10) days after the Rebate Payment Date, the Borrower shall furnish to the Issuer and the Trustee a certificate state that such amount has been timely paid. This Section 5.18(c) shall be construed so as to cause compliance with the Rebate Regulations. The Borrower covenants that all action taken under this Section 5.18(c) shall be taken in a manner that complies with the Rebate Regulations and that it shall neither take any action nor omit to take any action that would cause the Tax-Exempt Bond to be an “arbitrage bond” by reason of the failure to comply with the Rebate Regulations. To the extent that any payment of rebatable arbitrage or penalty in lieu of rebate is not timely made to the United States, the Borrower shall pay to the United States on behalf of the Issuer any correction amount, interest, penalty or other amount necessary to prevent the Tax-Exempt Bond from becoming an “arbitrage bond” within the meaning of Section 148 of the Code. The Borrower covenants that, to the extent necessary, it shall obtain the advice and assistance of a Rebate Analyst to aid it in complying with the Rebate Regulations.
**Section 5.19 Indemnification.** Borrower releases Issuer and Trustee and their respective officers, directors, agents, officials, employees, counsel, attorneys and agents, past, present and future (and as to Issuer, members of its governing body) and any person who controls Issuer or Trustee within the meaning of the Securities Act, from, and covenants and agrees, without limiting the indemnity provided in the Regulatory Agreement, to indemnify, hold harmless and defend Issuer, Trustee, Majority Owner and the Servicer and their respective officers, members, supervisors, directors, officials and employees, counsel, attorneys and agents, past present and future of each of them and any person who controls such party within the meaning of the Securities Act and employees and each of them (each, an “**Indemnified Party**”) from and against, any and all losses, claims, damages, demands, liabilities and expenses (including reasonable attorney’s fees and expenses), taxes (other than income taxes payable by any party as a result of any fees payable to such parties in connection with the transaction contemplated hereby), causes of action, suits, claims, demands and judgments of any nature, joint or several, by or on behalf of any person arising out of:

(a) the transactions provided for in the Loan Documents or the Indenture or otherwise in connection with the Project, the Bond, the Loan or the execution and delivery or amendment of any other document entered into in connection with the transactions provided for in the Indenture or the Loan Documents (provided no indemnity shall be required for claims due to nonpayment of the Note);

(b) the approval of the financing for the Project or the making of the Loan;

(c) the issuance and sale of the Bond or any certifications or representations made by any person other than the party seeking indemnification;

(d) any and all claims arising in connection with the interpretation, performance, enforcement, breach, default or amendment of the Indenture, the Loan Documents or any other documents relating to the Project or the Bond or in connection with any federal or state tax audit or any questions or other matters arising under such documents (provided no indemnity shall be required for claims due to nonpayment of the Note);

(e) the carrying out by Borrower of any of the transactions provided for in the Indenture or the Loan Documents;

(f) Trustee’s acceptance or administration of the trusts created by the Indenture or the exercise of its powers or duties under the Indenture or under this Loan Agreement, the Regulatory Agreement or any other agreements to which it is a party or otherwise in connection with the transactions provided for in the Indenture or the Loan Documents except for claims arising from Trustee’s administration where such is a result of actions contrary to Trustee’s duties and obligations;

(g) any and all claims arising in connection with the issuance and sale of the Bond or any certifications or representations made by any person other than the Indemnified Party seeking indemnification, including, without limitation, any statement or information made by Borrower with respect to Borrower or the Project in any offering document or materials regarding the initial offering of the Bond (in connection with their issuance under the Indenture),
the Project or Borrower or the Tax Certificate executed by Borrower or any other certificate executed by Borrower which, at the time made, is misleading, untrue or incorrect in any material respect and any untrue statement or alleged untrue statement of a material fact by the Borrower relating to Borrower or the Project contained in any offering material relating to the initial offering of the Bond, as from time to time amended or supplemented with information provided by Borrower, or arising out of or based upon the omission or alleged omission to state in such offering material a material fact relating to Borrower or the Project required to be stated in such offering material or necessary in order to make the statements in such offering material not misleading, or failure to properly register or otherwise qualify the sale of the Bond or failure to comply with any licensing or other law or regulation which would affect the manner in which or to whom the Bond could be sold and the carrying out by Borrower of any of the transactions contemplated by the Indenture or the Loan Documents;

(h) Borrower’s failure to comply with any requirement of this Loan Agreement or the Regulatory Agreement (provided no indemnity shall be required for claims due to nonpayment of the Note);

(i) any act or omission of Borrower or any of its agents, servants, employees or licensees in connection with the Loan or the Project, including violation of any law, ordinance, court order or regulation affecting the Project or any part of it or the ownership, occupancy or use of it (provided no indemnity shall be required for claims due to nonpayment of the Note);

(j) any damage or injury, actual or claimed, of whatsoever kind, cause or character, to property (including loss of use of property) or persons, occurring or allegedly occurring in, on or about the Project or arising out of any action or inaction of Borrower, whether or not related to the Project, or resulting from or in any way connected with the acquisition, rehabilitation and construction or management of the Project, the issuance of the Bond or otherwise in connection with transactions contemplated or otherwise in connection with the Project, the Bond or the execution or amendment of any document relating to the Project or the Bond;

(k) any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project; and

(l) any and all claims arising in connection with the operation of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or supervision of work done in or about, or from the planning, design, acquisition, rehabilitation, construction, repair or equipping of, the Project or any part of it, including, but not limited to, the Americans with Disabilities Act, if applicable (as evidenced by an architect’s certificate to such effect).

This indemnification shall extend to and include, without limitation, all reasonable costs, counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought with respect to such claim, except:

(i) in the case of the foregoing indemnification of Trustee, Majority Owner, Servicer or any of their respective related Indemnified Parties to the extent such damages are caused by the negligence or willful misconduct of such Person; and
(ii) in the case of the foregoing indemnification of Issuer or any of its related Indemnified Parties, to the extent such damages are caused by the active negligence or willful misconduct of the Issuer.

In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought under this Agreement, Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense of the action or proceeding, including the employment of counsel selected by Borrower, subject to the approval of the Indemnified Party, which approval shall not be unreasonably withheld, conditioned or delayed, and shall assume the payment of all expenses related to the action or proceeding, with full power to litigate, compromise or settle the same in its sole discretion, provided that Issuer, and Trustee, as appropriate, shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense of the action or proceeding, and Borrower shall be obligated to pay the reasonable fees and expenses of such separate counsel if (A) the Indemnified Party, upon the advice of counsel, determines that a conflict of interest exists between the interests of the Indemnified Party and the interests of Borrower or (B) such separate counsel is employed with the approval of Borrower, which approval shall not be unreasonably withheld, conditioned or delayed.

Borrower understands and agrees that the foregoing release includes all claims of every nature and kind whatsoever, whether known or unknown, suspected or unsuspected, and Borrower has read and understands, and hereby waives the benefits of, Section 1542 of the California Civil Code which provides as follows:

“A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.”

Borrower acknowledges that it may hereafter discover facts different from or in addition to those which it now knows or believes to be true with respect to the foregoing release by Borrower and agrees that the foregoing release shall be and remain effective in all respects notwithstanding such different or additional facts or the discovery thereof.

Nothing in this Section 5.19 shall in any way limit the Borrower’s indemnification and other payment obligations set forth in the Regulatory Agreement.

Section 5.20 Agreements Between Borrower and its Affiliates. Except for the Partnership Agreement, the Management Agreement, Loan Agreement dated as of March 1, 2017 between the Borrower and MCB Family Housing, Inc. and the Right of First Refusal Agreement dated as of March 1 2017 and the Purchase Option Agreement dated as of March 1, 2017, the Borrower shall not enter into any agreement, written or otherwise, directly or indirectly relating to the Project with an Affiliate of the Borrower without the prior written consent of the Servicer.
Section 5.21 Sale of Bond and Securitization.

(a) At the request of the Servicer, and subject to the limitations on sale or transfer of the Bond set forth in the Indenture, the Borrower shall take such actions and execute and deliver such documents and data as may be reasonably necessary or appropriate in connection with the sale of the Bond or participation therein or any securitization (such sale and/or securitization, the “Securitization”) of single or multiclass securities (the “Securities”) secured by or evidencing ownership interests in the Bond. Without limiting the generality of the foregoing, the Borrower shall:

(i) provide financial and other information with respect to the Project, the Borrower and its Affiliates, the manager and any tenants of the Project and provide business plans and budgets relating to the Project;

(ii) perform or permit or cause to be performed or permitted such site inspection, appraisals, market studies, environmental reviews and reports (Phase I and, if appropriate, Phase II), engineering reports and other due diligence investigations of the Project, as may be reasonably requested by the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with the Securitization (the items provided to the Servicer pursuant to this paragraph (a) being called the “Provided Information”), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Servicer and the Rating Agencies;

(iii) cause counsel to render opinions as to nonconsolidation, fraudulent conveyance, true sale and true contribution and any other opinion customary in securitization transactions with respect to the Project, the Borrower and its Affiliates, which counsel and opinions shall be satisfactory to the Servicer and the Rating Agencies;

(iv) make such representations and warranties as of the closing date of the Securitization with respect to the Project, the Borrower and the Loan Documents as are customarily provided in securitization transactions and as may be reasonably requested by the Servicer or the Rating Agencies and consistent with the facts covered by such representations and warranties as they exist on the date thereof, including the representations and warranties made in the Loan Documents;

(v) provide current certificates of existence with respect to the Borrower from appropriate Governmental Authorities; and

(vi) execute such amendments to the Loan Documents and the Organizational Documents of the Borrower as may be requested by the Servicer or the Rating Agencies or otherwise to effect the Securitization; so long as such amendments do not materially increase the burden on or materially reduce the benefits of the financing provided pursuant to this Agreement to the Borrower.

(b) All reasonable third-party costs and expenses incurred by the Borrower solely in connection with the Borrower’s complying with requests made under this Section 5.21 shall
promptly be paid or caused to be paid by the Servicer. The Borrower shall not be liable for third-party costs or expenses incurred by the Servicer in connection with the Securitization.

(c) The Borrower understands that certain of the Provided Information may be included in disclosure documents in connection with the Securitization, including a prospectus or private placement memorandum (each, a “Disclosure Document”) and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the “Securities Act”), or the Securities and Exchange Act of 1934, as amended (the “Exchange Act”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, the Borrower shall cooperate with the Servicer in updating the Provided Information for inclusion or summary in the Disclosure Document by providing all current information pertaining to the Borrower and the Project necessary to keep the Disclosure Document accurate and complete in all material respects with respect to such matters.

(d) In connection with a preliminary and a final private placement memorandum or prospectus, as applicable, the Borrower agrees, if requested by the Servicer, to certify in writing that the Borrower has carefully examined those portions of such memorandum or prospectus, as applicable, pertaining to the Borrower and the Project and such sections (and any other sections reasonably requested and pertaining to Borrower and the Project) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statement made, in the light of the circumstances under which they were made, not misleading.

(e) The Borrower’s liability under this Section 5.21 shall be limited to liabilities arising out of or based upon any such material untrue statement or omission made with knowledge thereof and made therein in reliance upon and in conformity with information furnished to the Servicer by or on behalf of the Borrower in connection with the preparation of those portions of the Disclosure Document pertaining to the Borrower or the Project or in connection with the underwriting of the debt, including financial statements of the Borrower, operating statements, rent rolls, environmental site assessment reports and property condition reports with respect to the Project.

Section 5.22 Funds. The Borrower acknowledges the creation of the Replacement Reserve Fund, the Operating Reserve Fund and the Tax and Insurance Fund pursuant to the Indenture. The Replacement Reserve Fund, the Operating Reserve Fund and the Tax and Insurance Fund shall be funded, and moneys therein shall be disbursed, in accordance with the provisions of the Indenture and this Section 5.22. Notwithstanding the foregoing or any other provision of this Loan Agreement to the contrary, on and after the Conversion Date, (i) the Replacement Reserve Fund shall be funded, maintained and governed, and moneys therein shall be disbursed pursuant to the terms of the Permanent Period Replacement Reserve Agreement, and (ii) the Operating Reserve Fund shall be funded, maintained and governed, and moneys therein shall be disbursed pursuant to the terms of the Permanent Period Operating Reserve Agreement.

(a) On or before December 1 of each year, the Borrower shall submit to the Servicer for approval the Proposed Budget to be effective for the next following year. The Servicer shall have the right to approve or disapprove any Proposed Budget or any line item contained in such
Proposed Budget. If any Proposed Budget is not approved by the Servicer within thirty (30) days following submission by the Borrower, such Proposed Budget shall be deemed disapproved. If any line item or Proposed Budget is disapproved, the Borrower shall thereafter consult for an additional thirty (30) days with the Servicer in an effort to achieve mutually acceptable Approved Budget. To the extent that the Proposed Budget is disapproved, the Approved Budget for the previous year shall remain in effect, increased by 5% over the previous year (except for costs of utilities, real estate taxes and assessments and insurance and other third-party costs or cost associated with remediation of emergency conditions which shall be permitted variances to the Proposed Budget) until the parties resolve their differences. In addition to, and not in limitation of the foregoing, each Approved Budget may be revised from time to time with prior written consent of the Servicer to reflect changes to items set forth in the then-current Approved Budget.

(b) Each Proposed Budget:

(i) shall be prepared on the basis of sound accounting practices consistently applied;

(ii) shall reflect the projected gross revenues and operating expenses regarding the Project;

(iii) shall reflect all projected Capital Expenditures which are reasonably expected to be made in connection with the Project during the year covered by such Proposed Budget; and

(iv) shall contain such other information as reasonably may be requested by the Servicer.

(c) On each Interest Payment Date, beginning with the first Interest Date following Conversion, the Borrower shall deposit an amount equal to one-twelfth (1/12) of the Unit Reserve Amount in the Replacement Reserve Fund; provided, however, that upon and after the Conversion Date, deposits to and disbursements from and the use and maintenance of the Replacement Reserve Fund shall be governed by the terms and requirements of the Permanent Period Replacement Reserve Agreement.

(d) Except as otherwise provided in this Section, before the Servicer shall authorize the disbursement of any amounts from the Replacement Reserve Fund, the Borrower shall submit the following items to the Servicer for its review and approval:

(i) a requisition from the Borrower stating that no Event of Default exists and requesting the Servicer to approve a disbursement;

(ii) the identity of all general contractors, architects, engineers and other professionals, if any, engaged in connection with the proposed capital expenditures along with copies of the contracts entered into between the Borrower and such entities;

(iii) copies of the plans and specifications for the work to be done, if required or produced in connection with the work contemplated;
(iv) if requested by the Servicer, evidence of compliance with all applicable Legal Requirements;

(v) if requested by the Servicer in connection with construction work in excess of $10,000, evidence of builders’ risk insurance along with workers’ compensation and public liability insurance in such amounts and in such form as the Servicer may reasonably require;

(vi) if requested by the Servicer in connection with construction work in excess of $10,000, evidence that the Consulting Engineer shall have inspected and approved of the work performed to date;

(vii) copies of bills or invoices documenting the proposed expenditure (with paid receipts or other evidence of payment for such Capital Expenditures to be provided to the Servicer before the next requested requisition and in any event within ten (10) days of disbursement to the Borrower of the requested payment); and

(viii) evidence that the general contractor has delivered and filed effective mechanics lien waivers prior to the commencement of work or, if such waivers were not delivered and filed, a release of liens in connection with all work performed, which releases may be conditioned upon payment to the general contractor, provided that the general contractor delivers unconditional releases within thirty (30) days of receipt of such payment.

(e) Provided the conditions set forth in Section 5.22(d) have been satisfied (or waived in writing by the Servicer), the Servicer shall authorize the disbursement from the Replacement Reserve Fund of the amount requested by the Borrower in its requisition, or such lesser amount approved by the Consulting Engineer, to the Borrower. It shall be a condition to all withdrawals from the Replacement Reserve Fund that (i) all work shall be performed in a good and workmanlike manner and in compliance with all applicable Legal Requirements, (ii) the Servicer shall have reviewed and approved each of the foregoing requirements, (iii) the work to be performed is consistent with the Approved Budget or the recommendations of the Consulting Engineer, and (iv) sufficient amounts are on deposit in the Replacement Reserve Fund to pay the amount requisitioned.

(f) For any single Capital Expenditure (not part of, or related to, a sequence or a series of Capital Expenditures or a particular capital improvement plan or project) costing less than $5,000 and whether or not described in the Approved Budget, the Borrower, upon completion of the work, shall deliver to the Servicer evidence reasonably satisfactory to the Servicer of such completion and shall deliver to the Servicer invoices for such work, and, for all of such subsequent disbursements from the Replacement Reserve Fund, the Borrower shall deliver evidence of payment in full for all invoices pertaining to the previous disbursement from the Replacement Reserve Fund, whereupon the Servicer shall authorize reimbursement of the cost of the Capital Expenditure from the Replacement Reserve Fund to the Borrower or, at the Servicer’s option, to the contractors to whom such funds are owed.

(g) For any Capital Expenditure (not part of or related to a sequence or series of Capital Expenditures) costing $5,000 or more which is to be paid from the Replacement Reserve
Fund, before entering into any contracts in connection with such Capital Expenditure (whether or not the Capital Expenditure was described in the Approved Budget), the Borrower shall submit to the Servicer for its prior review and approval (which shall not be unreasonably withheld or delayed) copies of the proposed contracts to be entered into with respect to such Capital Expenditure and copies of the proposed plans and specifications for the Capital Expenditure. Once the Capital Expenditure is approved in advance by the Servicer, the provisions of Section 5.22(d) shall apply. Upon completion of such work, the Borrower shall deliver to the Servicer evidence reasonably satisfactory to the Servicer of such completion and shall deliver to the Servicer invoices for such work and, for all of such subsequent disbursements from the Replacement Reserve Fund, the Borrower shall deliver evidence of payment in full for all invoices pertaining to the previous disbursement from the Replacement Reserve Fund, whereupon the Servicer shall authorize reimbursement of the cost of the Capital Expenditure from the Replacement Reserve Fund to the Borrower, or, at the Servicer’s option, the contractors to whom such costs are owed.

(h) On each Interest Payment Date, beginning with the first month after the Conversion Date, the Borrower shall deposit funds into the Tax and Insurance Fund in an amount equal to one-twelfth (1/12) of the amount reasonably estimated by the Servicer to be payable during the current year for real estate taxes and insurance premiums with respect to the Project; provided, however, that upon and after the Conversion Date, deposits to disbursements from and the use and maintenance of the Tax and Insurance Fund shall be governed by the terms and requirements of the Permanent Period Supplemental Agreement.

(i) On or before the Conversion Date, the Borrower shall deposit $403,000 of its own funds into the Operating Reserve Fund. Moneys in the Operating Reserve Fund shall be disbursed only upon the authorization of the Servicer. To the extent that Project Revenues are insufficient to pay Operating Expenses and/or the amount necessary to pay principal and interest on the Bond as required pursuant to Section 3.2, the Borrower may make written request to the Servicer for disbursement of amounts in the Operating Reserve Fund for payment of such Operating Expenses and debt service on the Bond. Following receipt of any such request, the Servicer may authorize the disbursement of such sums from the Operating Reserve Fund as it shall have approved from time to time. If moneys are disbursed from the Operating Reserve Fund, the Borrower shall, from time to time, deposit into the Operating Reserve Fund any Project net operating income that it realizes until the amount so deposited is equal to the aggregate amounts so disbursed. Notwithstanding the foregoing, upon and after the Conversion Date, deposits to disbursements from and the use and maintenance of the Operating Reserve Fund shall be governed by the terms and requirements of the Permanent Period Operating Reserve Agreement.

Section 5.23 [Intentionally Deleted].

Section 5.24 Covenants Regarding Tax Credits. The Borrower hereby agrees to comply with all of the following covenants (each, a “Tax Credit Covenant”):

(a) To observe and perform all obligations imposed on the Borrower in connection with the Tax Credits, including the obligation to operate the residential units of the Project, and
to use the Borrower’s best efforts to cause all appropriate parties to operate the same, in accordance with all requirements, statutes, and regulations governing the Tax Credits;

(b) To preserve at all times the allocation and availability of the Tax Credits;

(c) Not to release, forgo, alter, materially amend, or modify its rights to the Tax Credits without the Servicer’s prior written consent, which the Servicer may give or withhold in the Servicer’s reasonable discretion;

(d) Not to execute any residential lease (excluding the lease for the one non-tax credit unit) of all or any portion of the Project which does not comply fully with all requirements, statutes, and regulations governing the Tax Credits, without the Servicer’s prior written consent, which the Servicer may give or withhold in the Servicer’s sole and absolute discretion;

(e) To cause to be kept all records, and cause to be made all elections and certifications, pertaining to the number and size of apartment units, occupancy thereof by tenants, income level of tenants, set-asides for low-income tenants, and any other matters now or hereafter required to qualify for and maintain the Tax Credits in connection with the low-income occupancy of the Project;

(f) To comply with the appropriate minimum low-income set-aside requirements under the Code or applicable federal regulations (the “Federal Laws”) and all laws and regulations of the State (the “State Laws”) applicable to the creation, maintenance and continued availability of the Tax Credits;

(g) To certify compliance with the set-aside requirements and report the dollar amount of qualified basis and maximum applicable percentage, date of placement in service and any other information required for the Tax Credits at such time periods as required by Federal Laws or State Laws for such Tax Credits;

(h) To set aside the appropriate number of units for households with incomes meeting the required standards of the median income of the county in which the Project is located to qualify for the Tax Credits (as determined pursuant to Section 42 of the Code and/or State Laws), adjusted for family size, and to operate and maintain all such units as “low-income units” qualifying for the Tax Credits under Section 42(i)(3) of the Code and/or State Laws;

(i) To exercise good faith in all activities relating to the operation and maintenance of the Project in accordance with the requirement of Federal Laws and State Laws; and

(j) To promptly deliver to the Servicer true and correct copies of all notices or other documents or communications received or given by the Borrower with regard to or relating in any way to the Borrower’s partnership interests and/or the Tax Credits. Immediately upon receipt thereof, the Borrower shall deliver to the Servicer a copy of (i) the fully executed allocation and final reservation of Tax Credits for the Project; (ii) the basis audit (as required by Section 42 of the Code) for the Project (including a certificate of the Borrower’s accountant or attorneys if requested by the Servicer); (iii) the first annual income certification for all tenants of the Project showing that the tenants are qualified for purposes of the Borrower’s obtaining Tax Credits, and (iv) the fully completed Form 8609 (required by the Code) issued for the Project.
The Borrower shall deliver promptly to the Servicer such other certificates, income certificates, reports and information as the Servicer may request.

The Borrower understands and acknowledges that the Servicer is purchasing the Bond based, in part, upon the value of the Tax Credits, and the Tax Credits, directly or indirectly, constitute part of Trustee’s security on behalf of the Owner of the Bond, for the obligations of the Borrower in connection with the Loan. The Borrower agrees to indemnify, defend, and hold the Servicer and the Owner harmless for, from, and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations, and costs or expenses, including litigation costs and reasonable attorneys’ fees, arising from or in any way connected with the Borrower’s failure to comply with one or more Tax Credit Covenants, excepting those arising out of, or resulting, solely from the gross negligence or willful misconduct of the Servicer.

Section 5.25 Leasing.

(a) The Servicer (and all other parties whose approval is required) must approve the Borrower’s standard form of residential lease or rental agreement prior to its use by the Borrower. The Borrower may not materially modify the approved standard form of residential lease without the Servicer’s prior written consent in each instance (which consent shall not be unreasonably withheld), together with the approval of all other parties whose consent is required. Each lease, other than leases on the Borrower’s standard form of residential lease, of any part of the Project is subject to the Servicer’s written approval as to form and substance prior to execution and delivery. Despite the foregoing, the Borrower may enter into residential leases (and amendments) in the ordinary course of business with bona fide third-party tenants without the Servicer’s prior written consent if the Borrower uses the approved standard form of residential lease and:

(i) Within fifteen (15) days after the Servicer’s written request therefor, the Servicer receives a copy of the executed lease (accompanied by all financial information and certificates obtained by the Borrower pertaining to the tenant);

(ii) For those units set aside for low-income households in accordance with the Tax Credit Covenants (the “Tax Credit Units”), the Borrower, acting in good faith and exercising due diligence, has determined that the tenant qualifies as a low-income household for purposes of meeting the requirements for obtaining Tax Credits;

(iii) For the Tax Credit Units, the lease meets the standards required by Section 42 of the Code;

(iv) The lease meets the requirements of the Servicer, the Issuer, and the Investor Limited Partner;

(v) The lease reflects an arm’s-length transaction and, so long as the Construction Disbursement Agreement is in effect, conforms to the projections of the Pro Forma Schedule attached thereto;
(vi) The lease does not affect more than one (1) residential unit within the Improvements and is for a minimum term of six (6) months and a maximum term of twelve (12) months, unless otherwise agreed in writing by the Servicer; and

(vii) So long as the Construction Disbursement Agreement is in effect, the lease, together with all leases previously executed, does not cause the Loan to become “out of balance” as that term is defined in Section 1.2(a) of the Construction Disbursement Agreement.

(b) The Servicer in the exercise of its sole discretion may consider any executed lease it receives to be unsatisfactory if the lease fails to meet any of the requirements of this Loan Agreement. If this happens, or if the Borrower at any time fails to submit any executed lease (and accompanying information) at the time required by this Section, or if any Event of Default has occurred and is continuing, the Servicer may make written demand on the Borrower to submit all future leases for the Servicer’s approval prior to execution. The Borrower must comply with any such demand by the Servicer.

(c) The Servicer’s approval of any lease is for the sole purpose of protecting the Servicer’s security and preserving the Servicer’s rights under the Loan Documents. No approval by the Servicer will result in a waiver of any default of the Borrower. In no event will the Servicer’s approval of any lease be a representation of any kind with regard to the lease, its enforceability or the financial capacity of any tenant or guarantor.

(d) The Borrower must perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project Site or any space within the Improvements.

Section 5.26 Compliance with Anti-Terrorism Regulations. None of the Related Persons will be included in, owned by, Controlled by, act for or on behalf of, provide assistance, support, sponsorship, or services of any kind to, or otherwise associate with any of the Persons referred to or described in any list of persons, entities, and governments issued by OFAC pursuant to Executive Order 13224 or any other OFAC List.

(b) If Borrower becomes aware or receives any notice that any of the Related Persons are named on any of the OFAC Lists (such occurrence, an “OFAC Violation”), Borrower will immediately (i) give notice to the Issuer, the Trustee and the Servicer of such OFAC Violation, and (ii) comply with all laws applicable to such OFAC Violation (regardless of whether the party included on any of the OFAC Lists is located within the jurisdiction of the United States of America), including, without limitation, the Anti-Terrorism Regulations, and Borrower hereby authorizes and consents to Issuer’s, Trustee’s and Servicer’s taking any and all steps Issuer, Trustee and Servicer deem necessary, in the sole discretion of each of Issuer, Trustee and Servicer, to comply with all laws applicable to any such OFAC Violation, including, without limitation, the requirements of the Anti-Terrorism Regulations (including the “freezing” and/or “blocking” of assets).

(c) Upon Issuer, Trustee’s or Servicer’s request from time to time during the term of the Loan, Borrower agrees to deliver a certification confirming that the representations and warranties set forth in this Agreement remain true and correct as of the date of such certificate and confirming Borrower’s compliance with this Section. Borrower also agrees to cooperate with each of Issuer, Trustee and Servicer, and to cause each Related Person to cooperate with Issuer, Trustee and Servicer, in providing such additional information and documentation on Borrower’s and such Related Person’s legal or beneficial ownership, policies, procedures and sources of funds as Issuer, Trustee and Servicer deem necessary or prudent to enable each of them to comply with the Anti-Terrorism Regulations as now in existence or hereafter amended. From time to time upon the written request of Issuer, Trustee or Servicer, Borrower shall deliver to the requesting party a schedule of the name, legal domicile, address and jurisdiction of organization, if applicable, for each Related Party and each holder of a legal interest in any Borrower.

ARTICLE VI

OPTION AND OBLIGATIONS OF BORROWER TO PREPAY

Section 6.1 Optional Prepayment.

(a) If and to the extent expressly permitted by Section 4.03 of the Indenture, the Note and amounts due under Section 3.2(a) hereof are subject to prepayment in order to effect the redemption of the Bond under Section 4.03 of the Indenture at the option of the Borrower in whole or in part at the times (and not before the times) and at the redemption prices plus accrued interest to the redemption date of the Bond, Additional Interest and the Prepayment Equalization Payment, if applicable, as set forth in Section 4.03 of the Indenture together with interest as set forth in Section 4.03 of the Indenture. The Note is not otherwise subject to optional prepayment by the Borrower.

(b) To effect prepayment of the Note and redemption of the Bond as contemplated in subparagraph (a) above, the Borrower shall deliver to the Trustee and the Servicer, not less than ninety (90) days prior to the date on which the Bond is subject to redemption under said Section, a written certificate of the Borrower stating that the Borrower is prepaying the Note pursuant to this Section 6.1. The certificate from the Borrower shall certify the following: (i) the principal amount of the Note to be prepaid, (ii) the series designation of the Note to be prepaid, (iii) that
the amount to be prepaid on the Note shall be credited to redemption of the Bond pursuant to Section 4.03 of the Indenture, (iv) the date for redemption of the Bond, and (v) any conditions to such prepayment.

(c) The options granted to the Borrower in this Section 6.1 shall be exercisable only (i) in the event and to the extent the Bond is subject to redemption in accordance with the Indenture and (ii) if no Event of Default under any of the Loan Documents shall have occurred and be then continuing or if all costs associated with any existing Event of Default (including, without limitation, late fees, penalties, costs of enforcement, protective advances and interest on such amounts) which are then due and owing under the Loan Documents are paid in full in connection with such prepayment.

(d) Notwithstanding anything to the contrary contained herein, on and after the Conversion Date, optional prepayment of the Loan and P-1A Bond shall only be permitted at the times and upon the terms and requirements set forth in the P-1A Note.

Section 6.2 Mandatory Prepayment. The Loan and amounts due under Section 3.2(a) hereof shall be prepaid in whole or in part in order to effect the mandatory redemption of the Bond at the times and in the amounts specified in Section 4.01 of the Indenture.

Section 6.3 Amounts Required for Prepayment.

(a) The amount payable by the Borrower hereunder upon either (i) the exercise of the option granted to the Borrower in Section 6.1 hereof, or (ii) the mandatory prepayment of the Note by the Borrower in Section 6.2 hereof, shall be, to the extent applicable and except as otherwise provided, the sum of the following:

(i) the amount of money necessary to pay the redemption price of any portion of the Bond to be redeemed specified in Section 4.03 of the Indenture, in the case of optional redemption, and Section 4.02 of the Indenture, in the case of mandatory redemption, together with all interest specified therein payable up to and including said redemption date, Prepayment Equalization Payment (if applicable), and all expenses of the redemption; plus

(ii) in the event of a redemption in whole, an amount of money equal to the Trustee Fee, Trustee’s Expenses and Issuer’s Fee and expenses under the Indenture and the other Bond Documents accrued and to accrue until the final payment and redemption of the Bond; plus

(iii) in the event of any prepayment during the existence and continuance of an Event of Default, the amounts described in Section 6.1(c)(ii) hereof.

(b) Any prepayment made pursuant to Section 6.1 or 6.2 hereof shall be deposited into the Revenue Fund. No prepayment or investment of the proceeds thereof shall be made which shall cause the Tax-Exempt Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code.

Section 6.4 Cancellation at Expiration of Term. At the acceleration, termination or expiration of the term of this Loan Agreement and following full payment of the Bond or

43
provision for payment thereof in accordance with Article IX of the Indenture and of all other fees and charges of all parties having been made in accordance with the provisions of this Loan Agreement and the Indenture, the Issuer shall deliver to the Borrower any documents and take or cause the Trustee to take such actions as may be necessary to effectuate the cancellation and evidence the termination of this Loan Agreement and the Loan Documents (other than the Regulatory Agreement, which shall not terminate except in accordance with the terms thereof).

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default. The following shall be “Events of Default” under this Loan Agreement, and the term “Event of Default” shall mean, whenever it is used in this Loan Agreement, any one or more of the following events:

(a) Failure by the Borrower to pay any amounts required to be paid on the Note or under Section 3.2(a) or (b) hereof when due; or

(b) Any failure by the Borrower to pay as and when due and payable any other sums to be paid by the Borrower under this Loan Agreement and the continuation of such failure for a period of five (5) days after the same are due; or

(c) Any failure of any representation or warranty made in this Loan Agreement, the Construction Disbursement Agreement, any other Loan Document, or any Requisition to be true and correct when made or renewed; or

(d) Any failure by the Borrower to observe and perform any covenant or agreement on its part to be observed or performed hereunder or thereunder, other than as referred to in subsection (a) or (b) of this Section 7.1, for a period of thirty (30) days after written notice specifying such breach or failure and requesting that it be remedied, given to the Borrower by the Issuer, the Trustee, Majority Owner or the Servicer; provided, however, that in the event such breach or failure be such that it can be corrected but cannot be corrected within said thirty (30) day period, the same shall not constitute an Event of Default hereunder if corrective action is instituted by the Borrower or on behalf of the Borrower within said thirty (30) day period and is diligently pursued to completion thereafter (unless, in the opinion of Bond Counsel delivered to the Servicer, failure to correct such breach or failure within the cure period herein provided (or such shorter time as shall be established as a limitation on the period of time during which correction may be pursued) will adversely affect the exclusion from gross income of interest on the Tax-Exempt Bond for federal income taxation purposes or violate State law, in which case the extension of cure period herein provided will not be available); or

(e) Any Event of Default (as defined or otherwise set forth in the Indenture or any of the Loan Documents, the General Partner Documents or the Guarantor Documents) shall have occurred and shall remain uncured beyond any applicable cure period provided in the applicable document; or

(f) Any dissolution, termination, partial or complete liquidation, merger or consolidation of any Obligor or the General Partner of Borrower, or any sale, transfer or other
disposition of the Project or of all or substantially all of the assets of Borrower except as otherwise approved by Issuer and Servicer or permitted pursuant to the terms hereof; or

(g) Any failure by the Borrower to obtain any Project Approvals as required in order to proceed with the construction of the Project so as to complete the same by the Completion Date, or the revocation or other invalidation of any Project Approvals previously obtained; or

(h) Any change in the legal or beneficial ownership of the Borrower or the General Partner other than as expressly permitted by the terms hereof or by reason of the death of the owner of such interests; or

(i) The General Partner ceases for any reason to act in that capacity unless replaced by a transeree permitted pursuant to Section 5.17(e); or

(j) [Intentionally Deleted];

(k) Any failure by the Borrower to pay at maturity, or within any applicable period of grace, any Indebtedness, or any failure to observe or perform any material term, covenant or agreement contained in any agreement by which it is bound, evidencing or securing any Indebtedness, for such period of time as would permit (assuming the giving of appropriate notice and opportunity to cure, if required) the holder or holders thereof or of any obligations issued thereunder to accelerate the maturity thereof; or

(l) Any Obligor shall file a voluntary petition in bankruptcy under Title 11 of the United States Code, or an order for relief shall be issued against any such Obligor in any involuntary petition in bankruptcy under Title 11 of the United States Code, or any such Obligor shall file any petition or answer seeking or acquiescing in any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any present or future federal, state or other law or regulation relating to bankruptcy, insolvency or other relief of debtors, or such Obligor shall seek or consent to or acquiesce in the appointment of any custodian, trustee, receiver, conservator or liquidator of such Obligor, or of all or any substantial part of its respective property, or such Obligor shall make an assignment for the benefit of creditors, or such Obligor shall give notice to any governmental authority or body of insolvency or pending insolvency or suspension of operation; or

(m) An involuntary petition in bankruptcy under Title 11 of the United States Code shall be filed against the Borrower or any Obligor and such petition shall not be dismissed within ninety (90) days of the filing thereof; or

(n) A court of competent jurisdiction shall enter any order, judgment or decree approving a petition filed against any Obligor seeking any reorganization, arrangement, composition, readjustment, liquidation or similar relief under any present or future federal, state or other law or regulation relating to bankruptcy, insolvency or other relief for debtors, or appointing any custodian, trustee, receiver, conservator or liquidator of all or any substantial part of its property; or

(o) [Reserved];
(p) Any uninsured final judgment in excess of $25,000 shall be rendered against the Borrower which is not covered by insurance and shall remain in force, undischarged, unsatisfied and unstayed, for more than thirty (30) days, whether or not consecutive; or

(q) Any of the Loan Documents, the General Partner Documents or the Guarantor Documents shall be canceled, terminated, revoked or rescinded otherwise than in accordance with the terms thereof or with the express prior written consent of the Servicer, or any action at law, suit in equity or other legal proceeding to cancel, revoke or rescind any of the Loan Documents, the General Partner Documents or the Guarantor Documents shall be commenced by or on behalf of any Obligor which is a party thereto, or any of their respective stockholders, partners or beneficiaries, or any court or any other governmental or regulatory authority or agency of competent jurisdiction shall make a determination that, or issue a judgment, order, decree or ruling to the effect that, any one or more of the Loan Documents, the General Partner Documents or the Guarantor Documents are illegal, invalid or unenforceable in accordance with the terms thereof; or

(r) The Trustee or any holder of a Tax-Exempt Bond receives a communication from a Governmental Agency to the effect that the exclusion from gross income of interest on the Tax-Exempt Bond will not continue in effect; or

(s) Any refusal by the Title Insurance Company to insure that any advance is secured by the Mortgage as a valid lien and security interest on the Project and the continuation of such refusal for a period of twenty (20) days after notice thereof by Servicer to the Borrower; or

(t) Completion shall not have been attained by the Completion Date subject to force majeure delays; or

(u) Any cessation at any time in construction or equipping of the Improvements for more than twenty (20) consecutive days except for strikes, acts of God, fire or other casualty, or other causes entirely beyond the Borrower’s control, or any cessation at any time in construction or equipping of the Improvements for more than sixty (60) consecutive days, regardless of the cause thereof; provided, however, that such cessation may continue for a period of longer than sixty (60) consecutive days with the consent of the Servicer if the Borrower shall have requested and received an extension of the Completion Date in accordance with the provisions of the Construction Disbursement Agreement, in which case it shall not be an Event of Default hereunder unless and until the period of cessation extends beyond the number of days for which the extension was granted; or

(v) Any of the Indenture, this Loan Agreement, the Regulatory Agreement or the Tax Certificate shall be amended in a material manner (including, without limitation, any “automatic” amendments of the Regulatory Agreement) without the prior written consent of the Servicer.

Section 7.2 Remedies on Default.

(a) Whenever any Event of Default referred to in Section 7.1 hereof shall have occurred and be continuing, any obligation of the Servicer to approve Requisitions shall be terminated, and the Trustee (but only if directed to do so by Servicer and, subject to the provisions of the Indenture), shall:
(i) by notice in writing to the Borrower declare the unpaid indebtedness under the Loan Documents to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable; and

(ii) take whatever action at law or in equity or under any of the Loan Documents, the General Partner Documents or the Guarantor Documents, as may appear necessary or desirable to collect the payments and other amounts then due and thereafter to become due hereunder or thereunder or under the Note, or to exercise any right or remedy or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement, the Note or any other Loan Document (including, without limitation, foreclosure of the Mortgage), the General Partner Document or any Guarantor Document; and

(iii) cause the Project to be completed, constructed and equipped in accordance with the Plans and Specifications, with such changes therein as the Servicer may, from time to time, and in its sole discretion, deem appropriate.

(b) [Intentionally Omitted].

(c) Any amounts collected pursuant to action taken under this Section (other than amounts collected by the Issuer pursuant to the Reserved Rights) shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer, the Trustee, Majority Owner or the Servicer and their respective Counsel, be paid into the Revenue Fund (unless otherwise provided in this Loan Agreement) and applied in accordance with the provisions of the Indenture. No action taken pursuant to this Section 7.2 shall relieve the Borrower from the Borrower’s obligations pursuant to Section 3.2 hereof.

Section 7.3 No Remedy Exclusive. No remedy conferred herein or in any other Loan Document upon or reserved to the Trustee, Majority Owner or the Servicer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee, Majority Owner or the Servicer to exercise any remedy reserved to it herein or in any other Loan Document, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

Section 7.4 Agreement to Pay Fees and Expenses of Counsel. If an Event of Default shall occur under this Loan Agreement or under any of the other Loan Documents, and the Issuer, the Trustee, Majority Owner and/or the Servicer should employ counsel or incur other expenses for the collection of the indebtedness or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower herein or therein contained, the Borrower agrees that it will on demand therefor pay to any such party, or, if so directed by any such party, to its counsel, the reasonable actually incurred fees of such Counsel and all other
out-of-pocket expenses incurred by or on behalf of the Issuer, the Trustee, Majority Owner and the Servicer.

Section 7.5 No Additional Waiver Implied by One Waiver; Consents to Waivers. In the event any agreement contained in this Loan Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. No waiver shall be effective unless in writing and signed by the party making the waiver.

Section 7.6 Remedies Subject to Applicable Law. All rights, remedies, and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of law, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the Project Site and to be limited to the extent necessary so that they will not render this Loan Agreement invalid, unenforceable, or not entitled to be recorded, registered, or filed under the provisions of any applicable law.

Section 7.7 Cure by Special Limited Partner. The Issuer, the Trustee, Majority Owner and the Servicer hereby agree that cure of any Event of Default made or tendered by either the Investor Limited Partner or the Special Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 7.8 Issuer Exercise of Remedies. Notwithstanding anything to the contrary contained herein, the Issuer may enforce its Reserved Rights under the Loan Documents and exercise the permitted remedies with respect thereto against the Borrower, provided that the Issuer shall not commence or direct the Trustee to commence any action to declare the outstanding balance of the Bond or the Loan to be due and neither the Issuer nor the Trustee shall take any action in respect of Reserved Rights (i) to foreclose to take similar action under the Mortgage or otherwise in respect of any liens upon or security interests in the Project or other property pledged to secure the Borrower’s obligations under the Loan Documents; (ii) to appoint a receiver; (iii) to enforce any similar remedy against the Project or other property pledged to secure the Borrower’s obligations under the Loan Documents; or (iv) to enforce any other remedy which would cause any liens or security interests granted under the Loan Documents to be discharged or materially impaired thereby.

MISCELLANEOUS

Section 8.1 General Provisions. The following provisions shall be applicable at all times throughout the term of this Loan Agreement:

(a) The Issuer, Majority Owner and the Servicer shall, at all times, be free to establish independently to their respective satisfaction and in their respective absolute discretion the existence or nonexistence of any fact or facts the existence of which is a condition of this Loan Agreement or any other Loan Document.
(b) No covenant, agreement or obligation contained herein shall be deemed to be a covenant, agreement or obligation of any present or future director, officer, employee or agent of the Issuer in his individual capacity, and neither the directors of Issuer nor any officer thereof executing the Bond shall be liable personally on the Bond or be subject to any personal liability or accountability by reason of the issuance thereof. No director, officer, employee or agent of Issuer shall incur any personal liability with respect to any other action taken by him pursuant to this Agreement, the Act or the Law, provided such director, officer, employee or agent acts in good faith. No agreements or provisions contained in this Agreement nor any agreement, covenant or undertaking by the Issuer contained in any document executed by Issuer in connection with the Project or the issuance, sale and delivery of the Bond shall give rise to any pecuniary liability of the Issuer or a charge against its general credit or taxing powers, or shall obligate Issuer financially in any way.

(c) The Borrower and Issuer acknowledge that this Agreement, and all Borrower’s obligations hereunder, are subject and subordinate to the RAD Agreement and all applicable laws and regulations applicable to HUD’s Rental Assistance Demonstration Program (“RAD Program”), including, but not limited to, those set forth in PIH 2012-13 and any additional guidance which HUD may issue related to the RAD Program.

Section 8.4 Execution in Counterparts. This Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided, however, that for purposes of perfecting a lien or security
interest in this Loan Agreement by the Trustee, whether under Article 9 of the Uniform Commercial Code of the State or otherwise, only the counterpart delivered to, and receipted by, the Trustee shall be deemed the original.

Section 8.5 Amendments, Changes and Modifications. Section 8.6 Severability. In the event any provision of this Loan Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof and such invalid or unenforceable provision shall be deemed no longer to be contained in this Loan Agreement.

Section 8.8  Applicable Law. This Loan Agreement shall be governed exclusively by and construed in accordance with the laws of the State.

Section 8.9  Debtor-Creditor Relationship. It is expressly understood and agreed that the relationship between the Issuer and the Borrower established by the transaction contemplated by this Loan Agreement and by all of the other Loan Documents is exclusively that of creditor or lender, on the part of the Issuer, and debtor or borrower, on the part of the Borrower and is in no way to be construed as a partnership or joint venture of any kind. It is further understood that all payments by the Borrower under the Loan Documents shall be exclusively on account of the said debtor/creditor relationship.

Section 8.10  Usury; Total Interest. This Loan Agreement is subject to the express condition, and it is agreed, that at no time shall payments hereunder, under the Note or under the other Loan Documents that are or are construed to be payments of interest on the unpaid principal amount of the Loan reflect interest that is borne at a rate in excess of the lesser of (i) 12% per annum or (ii) the maximum permitted by law. The Borrower shall not be obligated or required to pay, nor shall the Issuer be permitted to charge or collect, interest borne at a rate in excess of such maximum rate. If by the terms of this Loan Agreement or the other Loan Documents the Borrower is required to make such payments reflecting interest borne at a rate in excess of such maximum rate, such payments shall be deemed to be reduced immediately and automatically to reflect such maximum rate. It is further agreed that the total of amounts paid hereunder as interest on the Loan which is to pay interest on the Bond, cumulative from the date of the Note, shall not exceed the sum of 5% per month, simple and noncompounded for each month from such date to the date of calculation (calculated on the basis of a 360-day year of twelve 30-day months. Any such excess payment previously made in either case shall be immediately and automatically applied to the unpaid balance of the principal sum of the Loan and not to the payment of interest thereon. This Loan Agreement is also subject to the condition
that amounts paid hereunder representing late payment or penalty charges or the like shall only be payable to the extent permitted by law.

**Section 8.11  Term of this Loan Agreement.** This Loan Agreement shall be in full force and effect from its date to and including such date as the Bond issued under the Indenture shall have been fully paid or retired in accordance with its terms and the terms of the Indenture (or provision for such payment shall have been made as provided in the Indenture), except, however, that the covenants and provisions relating to the Reserved Rights of the Issuer and the covenants relating to the preservation of exclusion from gross income of interest on the Tax-Exempt Bond for purposes of federal income taxation shall survive the termination hereof.

**Section 8.12  Nonrecourse.** Anything contained in any provision of this Loan Agreement, the Mortgage, the Regulatory Agreement, the Tax Certificate or the Note notwithstanding, in the event of any proceeding to foreclose the Mortgage or otherwise to enforce the provisions of the Note, this Loan Agreement, the Mortgage or the Regulatory Agreement after Conversion, neither the Issuer, nor the Trustee or other holder of the Note (collectively, the “**Noteholder**”), nor the Owner of the Bond, nor any beneficiary of the Mortgage shall be entitled to take any action to procure any personal money judgment or any deficiency decree against the Borrower or any partner of the Borrower or its or their heirs, personal representatives, successors and assigns, it being understood and agreed that recourse hereon and under the Mortgage, the Regulatory Agreement and the Note shall, following Conversion, be limited to the assets of the Borrower that are the security from time to time provided with respect to the Note and this Loan Agreement; provided, however, nothing herein contained shall limit or be construed to limit or impair the enforcement against the Project or any other additional security as may from time to time be given to the beneficiary hereof as security for the performance of this Loan Agreement, the Mortgage, the Regulatory Agreement, the Tax Certificate, the Note, or any other instrument now or hereafter securing the Note or this Loan Agreement, or the rights and remedies of the Trustee or the beneficiary, its successors and assigns, under this Loan Agreement, the Mortgage, the Regulatory Agreement, the Tax Agreement or the Note or any other instruments. Notwithstanding the foregoing, the provisions of this Section shall be null and void and have no force and effect to the extent of any loss suffered by the Issuer, the Trustee, the Majority Owner, the Servicer, any Bondholder or any beneficiary of or the trustee under the Mortgage as a result of the Borrower’s: (a) committing any act of fraud; (b) misapplication of any condemnation award or casualty insurance proceeds; (c) failure to apply the revenues of the Project in the manner and for the purposes provided in the Bond Documents, whether before or after an Event of Default; or (d) violation of any environmental laws. Nothing herein shall be deemed to prohibit the naming of the Borrower in an action to realize upon the remedies provided herein either at law or in equity, subject to the foregoing limitation against a personal money judgment or deficiency decree against the Borrower, the partners of the Borrower or their heirs, personal representatives, successors and assigns, or to prohibit the naming of any person in any action to realize upon the remedies provided in the General Partner Documents, the Guarantor Documents or any other guaranty given in favor of the Issuer, the Trustee, the Majority Owner or the Servicer.

**Section 8.13  Limited Partner Rights.** Servicer agrees that it shall not complete a foreclosure sale of the Property or record a deed in lieu of foreclosure with respect to the Property (each, a **“Foreclosure Remedy”** ) unless and until Investor Limited Partner has first
been given thirty (30) days’ written notice of the Event(s) of Default, giving rise to such right to complete such Foreclosure Remedy, and Investor Limited Partner has failed, within such thirty (30) day period to cure such Event(s) of Default; provided, however, that Issuer, Trustee, Majority Owner and the Servicer shall be entitled during such thirty (30) day period to continue to pursue all of its rights and remedies under the Loan Documents, including, but not limited to, causing the redemption of the Bond and/or the acceleration of the Note (subject to any de-acceleration provisions specifically set forth in the Loan Documents), commencement and pursuit of foreclosure (but not completion of the foreclosure sale), any guaranty (subject to any notice and cure provisions contained therein), and/or any other Loan Document. In the event the Note has been accelerated and Investor Limited Partner cures all Events of Default giving rise to such acceleration within the thirty (30) day cure period described above, such cure shall have the effect of de-accelerating the Note; provided, however, that such de-acceleration shall not waive or limit any of Issuer’s, Trustee’s, Servicer’s or Majority Owner’s rights to accelerate the Note or exercise any other remedies under the Loan Documents as to any future or continuing Events of Default. It is the express intent of the parties hereunder that Issuer, Trustee, Servicer and Majority Owner shall have the right to pursue all rights and remedies except completion of a Foreclosure Remedy without liability to Investor Limited Partner for failure to provide notice to Investor Limited Partner, and that the liability of Trustee, Servicer and Majority Owner hereunder shall be expressly limited to actual damages to Investor Limited Partner directly caused by completion of a Foreclosure Remedy without Investor Limited Partner receiving the notice and opportunity to cure described above. The failure to give any such notice for any reason shall not act to impair or waive any remedy or right of Trustee, Servicer and Majority Owner under this Loan Agreement or any other Loan Document. Unless expressly prohibited by law, Investor Limited Partner agrees to record a “Request for Notice,” or similar appropriate document requesting notice of any foreclosure sale, in the Official Records of the County in which the Property is located, and in the event Trustee, Servicer and Majority Owner have failed to sooner provide notice to Investor Limited Partner, the receipt of such notice of foreclosure sale shall be deemed to be notice to Investor Limited Partner as contemplated hereunder. Investor Limited Partner shall be given notice at the address set forth below or such other address as Investor Limited Partner may instruct Trustee, Servicer and Majority Owner in writing from time to time. Any such notice given to Investor Limited Partner by any of Issuer, Trustee, Servicer or Majority Owner shall be deemed given by each of them.

Any subcontract entered into by Borrower relating to this Loan Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of Borrower to obtain compliance of its subcontractors shall constitute a default by Borrower under the terms of this Agreement, subjecting Borrower to the remedies provided herein where such failure shall continue for more than ninety (90) days after notice of such failure to Borrower by Issuer.

The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to this Loan Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this Section.

Section 8.17 Nondiscrimination and Affirmative Action. The Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the Issuer. The Borrower shall not discriminate in its employment practices against any employee or applicant for employment; denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person’s race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. Any subcontract entered into by the Borrower relating to this Loan Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

Section 8.18 PATRIOT Act Notice. Trustee hereby notifies Borrower and Guarantor that, pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies Borrower and Guarantor, which information includes the names and

(j) The Project is located wholly within the State and within the jurisdiction of the Issuer.

(l) There is no Event of Default on the part of the Borrower or any Obligor under this Loan Agreement or any other Loan Document, any General Partner Document, any Guarantor Document or any Organizational Document, and no event has occurred and is continuing which after notice or passage of time or both would give rise to a default under any thereof. The Borrower has received no notices of and has no knowledge of any violations of any Legal Requirements or Project Approvals.

(m) The certifications, representations, warranties, statements, information and descriptions contained in the Loan Documents, in the Tax Certificate and in the Borrower Cost Certificate, as of the date of the first authentication and delivery of the Bond, are and will be true, correct and complete in all material respects, do not and will not contain any untrue statement or misleading statement of a material fact, and do not and will not omit to state a material fact required to be stated therein or necessary to make the certifications, representations, warranties, statements, information and descriptions contained therein, in light of the circumstances under which they were made, not misleading. The estimates and the assumptions contained in the Loan Documents, in the Tax Certificate and in the Borrower Cost Certificate, as of the date of the first authentication and delivery of the Bond, are reasonable and based on the best information available to the Borrower. Each of the certifications, representations, warranties, statements, information and descriptions contained in the Tax Certificate and in the Borrower Cost Certificate is hereby incorporated into this Loan Agreement by reference, as if fully set forth herein.

(n) The Borrower has furnished to the Issuer in the Borrower’s Tax Certificate all information necessary for the Issuer to file an IRS Form 8038 with respect to the Tax-Exempt Bond, and all of such information is and will be on the date of filing, true, complete and correct.

(o) The Borrower is not contemplating either the filing of a petition by it, or by either General Partner under any state or federal bankruptcy or insolvency law or the liquidation of all or a major portion of its property, and the Borrower has no knowledge of any Person contemplating the filing of any such petition against it or any Obligor.

(p) The Borrower is not an “employee benefit plan,” as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute “plan assets” of one or more such plans within the meaning of 29C.F.R. Section 2510.3-101.

(s) The Borrower has not entered into the Loan or any Loan Document with the actual intent to hinder, delay, or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Loan Documents. Giving effect to the transactions contemplated by the Loan Documents, the fair saleable value of the Borrower's assets exceeds and will, immediately following the execution and delivery of the Loan Documents, exceed the Borrower's total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the Borrower's assets is and will, immediately following the execution and delivery of the Loan Documents, be greater than the Borrower's probable liabilities, including maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower's assets do not, and immediately following the execution and delivery of the Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

(t) All information regarding the Borrower, the Project and any Obligor delivered to the Issuer, the Trustee, the Servicer and the Majority Owner is true and correct in all material respects and all such financial information fairly presents the financial condition and results of operations of the Borrower and the other Obligors for the periods to which such financial information relates, and discloses all liabilities and contingent liabilities of the Borrower or the other Obligors.

(u) There are no actions, suits, proceedings or investigations of any kind pending or to the best of Borrower's knowledge, threatened against the Borrower or the General Partner before any court, tribunal or administrative agency or board or any mediator or arbitrator that, if adversely determined, might, either in any case or in the aggregate, materially and adversely affect the business, assets or financial condition of the Borrower or the General Partner, or result in any liability not adequately covered by insurance, or for which adequate reserves are not maintained on the balance sheet of the Borrower or the General Partner, or which question the validity of this Loan Agreement or any of the other Loan Documents or any of the General Partner Documents, any action taken or to be taken pursuant hereto or thereto, or any lien or security interest created or intended to be created pursuant hereto or thereto, or which will
adversely affect the ability of the Borrower or the General Partner to construct, equip, use and occupy the Project or to pay and perform its obligations hereunder in the manner contemplated by this Loan Agreement, any of the other Loan Documents or any of the General Partner Documents.

(v) All utility services necessary and sufficient for the construction, equipping and operation of the Project shall be, upon Completion of the Project, and thereafter will at all times be, available through dedicated public rights of way or through perpetual private easements, appurtenant to the Property, with respect to the Borrower’s interest in which the Mortgage creates a valid and enforceable first priority mortgage lien. The Borrower has obtained, or will obtain prior to certificate of occupancy, all utility installations and connections required for the operation and servicing of the Project for its intended purposes.

(w) The rights of way for all roads necessary for the full utilization of the Project for its intended purposes have either been acquired by the appropriate Governmental Authority or have been dedicated to public use and accepted by such Governmental Authority or will be dedicated and accepted prior to certificate of occupancy. All such roads shall be completed at certificate of occupancy, and the right to use all such roads, or suitable substitute rights of way approved by the initial Servicer, shall be maintained at all times for the Project. All curb cuts, driveways and traffic signals shown on the Plans and Specifications are existing or have been fully approved by the appropriate Governmental Authority and after the completion thereof, shall be maintained at all times for the Project.

(y) Except as set forth on Exhibit C hereto, the Borrower has obtained all Project Approvals required for the acquisition, construction and equipping of the Project in accordance with the Plans and Specifications. All Project Approvals obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Project Approvals required for acquisition, construction and equipping of the Project in accordance with the Plans and Specifications and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course in order to permit completion of construction and equipping of the Project in accordance with the Plans and Specifications on or before the Completion Date. The Borrower will timely obtain all Project Approvals not heretofore obtained by the Borrower (including those listed and described on Exhibit C hereto, those required for use and occupancy of the Project for its intended purpose upon Completion and any other Project Approvals which may hereafter become required, necessary or desirable) and will furnish the Servicer and the Majority Owner with evidence that the Borrower has obtained such Project Approvals promptly upon their receipt. The Borrower will duly perform and comply with all of the terms and conditions of all Project Approvals obtained at any time. No Project Approvals will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure, deed in lieu of foreclosure or exercise of power of sale under the Mortgage.
(z) The Borrower has furnished the Servicer and the Majority Owner with true and complete sets of the Plans and Specifications. The Plans and Specifications so furnished to the initial Servicer comply with all Legal Requirements, all Project Approvals, and all restrictions, covenants and easements affecting the Project, and have been approved by such Governmental Authority as is required for construction and equipping of the Improvements.

(aa) The Development Budget accurately reflects all Project Costs.

(bb) The Survey delivered to the Servicer and the Majority Owner does not fail to reflect any material matter of survey affecting the Project or the title thereto.

(cc) No part of the Improvements is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazard or to the extent any part of the Improvements is an area identified as an area having special flood hazard, adequate flood insurance has been obtained by the Borrower.

(dd) The Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority, the violation of which might materially adversely affect the condition (financial or otherwise) or business of the Borrower. There has not been and shall never be committed by the Borrower or any other Person in occupancy of or involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof any moneys paid in performance of the Borrower’s obligations under any Loan Document.

(ee) The Construction Contract and the Architect’s Contract are each in full force and effect and each of the parties thereto are in full compliance with their respective obligations thereunder. The work to be performed by the Contractor under the Construction Contract is the work called for by the Plans and Specifications, and all work required to complete the Improvements in accordance with the Plans and Specifications is provided for under the Construction Contract.

(ff) Each Requisition submitted by the Borrower shall contain an affirmation that the foregoing representations and warranties remain true and correct as of the date hereof.

(gg) The Related Persons are not (and to Borrower’s knowledge after diligent inquiry, no other Person holding any legal or beneficial interest whatsoever in the Related Persons), directly or indirectly, included in, owned by, Controlled by, acting for or on behalf of, providing assistance, support, sponsorship, or services of any kind to, or otherwise associated with any of the Persons referred to or described in any list of persons, entities, and governments issued by the Office of Foreign Assets Control of the United States Department of the Treasury ("OFAC") pursuant to Executive Order 13224 - Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism, as amended ("Executive Order 13224"), or any similar list issued by OFAC or any other department or agency of the United States of America (collectively, the "OFAC Lists").

Section 2.3 Covenants by the Borrower. The Borrower hereby covenants and agrees that, on and after the Closing Date, it will:

(f) Not enter into, cancel or amend any agreement for the furnishing of management or similar services to the Project, without the prior written consent of the Servicer, Majority Owner and the Issuer, such consent not to be unreasonably withheld or delayed. Notwithstanding anything to the contrary contained in any of the Loan Documents, Borrower may replace the Manager with BRIDGE Property Management Company and further, Borrower shall have the right to immediately remove any management company for the Project, and terminate the management agreement without Lender, Servicer, Majority Owner and Issuer consent in the event of gross negligence, fraud, criminal or willful misconduct on the part of the management company. The Borrower will have the duty to self-manage the Project during any period when there is no management company until such time as a replacement management company satisfactory to the Borrower and the Lender is found, and the parties hereto agree to use their best efforts to agree on an acceptable replacement management company within thirty (30) days;

(g) Comply with all restrictions, covenants and easements affecting the Project, including, without limitation, all requirements of the Regulatory Agreement;

(h) Take, or require to be taken, such acts as may be required under applicable law or regulation in order that the interest on the Tax-Exempt Bond continues to be excludable from gross income for purposes of federal income taxation, and refrain from taking any action which would adversely affect the exclusion from gross income of interest on the Tax-Exempt Bond from federal income taxation;

(i) Perform and satisfy all the duties and obligations of the Borrower set forth and specified in the Indenture as duties and obligations of the Borrower, including those duties and obligations which the Indenture requires this Loan Agreement or the other Loan Documents to impose upon the Borrower;

ARTICLE III

LOAN AND PROVISIONS FOR REPAYMENT

Section 3.1 Issuance of Bond and Delivery of Note and other Loan Documents.

(a) In order to finance a portion of the costs of the construction and equipping of the Project, the Issuer has, consistent with its duties and purpose under the Act and the Law, issued and caused the Trustee to authenticate and deliver the Bond pursuant to the Indenture to the initial Owner. The Bond bears interest and is payable as provided therein and in the Indenture. The Bond shall mature and all Outstanding principal of, Prepayment Equalization Payments (if
any), interest and Additional Interest (if any) on such Bond shall be due and payable in full on the Maturity Date applicable thereto, all as provided more fully in the Bond and the Indenture.

(b) The Issuer agrees to lend the proceeds received from the sale of the Bond to the Borrower, by causing such amounts to be deposited directly into the Project Fund, subject to the terms and conditions of the Indenture and this Loan Agreement, including the terms and conditions thereof and hereof governing the disbursement of proceeds of the Loan.

(c) Pursuant to the Indenture, the Trustee shall make disbursements from the Project Fund created pursuant to the Indenture to pay or to reimburse the Borrower for costs of the acquisition, construction and equipping of the Project, subject to the conditions of the Indenture and this Loan Agreement. Upon receipt of a properly signed Requisition approved by the Servicer (which approval of the Servicer is expressly subject to the satisfaction of the conditions precedent set forth in the Construction Disbursement Agreement) and the Issuer, the Trustee is authorized to act upon such Requisition without further inquiry, and, except for negligence after notice of facts to the contrary or willful misconduct of the Trustee, the Borrower shall hold the Trustee harmless against any and all losses, claims or liabilities incurred in connection with the Trustee’s making disbursements from the Project Fund in accordance with such Requisition. Neither the Trustee nor the Issuer shall be responsible for the application by the Borrower of moneys properly disbursed from the Project Fund.

(d) Concurrently with the sale and delivery of the Bond, and to evidence further the obligation to repay the Loan in accordance with the provisions of this Loan Agreement, the Borrower has executed and delivered the Note and the other Loan Documents.

Section 3.2 Loan Repayments and Other Amounts.

(a) The Borrower shall pay to the Trustee, for deposit into the Revenue Fund: (i) on the first day of each month, commencing May 1, 2017 and continuing until the Conversion Date, an amount equal to the sum of (A) the interest due on the Bond on said date (after taking into account funds available for such purpose, if any, in the Capitalized Interest Account of the Project Fund), and (B) the principal due on the Bond on said date; and (ii) on and after the Conversion Date, the amount of interest and principal due pursuant to the terms of the P-1A Note related to the P-1A Bond, as supplemented by the Permanent Period Note Addendum, and (iii) on the first day of each month following the month in which Conversion occurs, amounts required to be deposited into the Tax and Insurance Fund (pursuant to Section 5.22(h) hereof) as of such date. Amounts so paid to the Trustee by the Borrower shall be in immediately available funds or shall be such that on the Bond Payment Date they are available funds.

(b) The Borrower understands that the interest rate applicable under the P-1A Note and P-1B Note related to the Tax-Exempt Bond and with respect to the Tax-Exempt Bond is based upon the assumption that interest income paid on the Tax-Exempt Bond will be excludable from the gross income of the Owner under Section 103 of the Code and applicable state law. In the event that an Initial Notification of Taxability shall occur, then the interest rate on the P-1A Note and P-1B Note related to the Tax-Exempt Bond and the Tax-Exempt Bond, and on all obligations under this Loan Agreement (other than those to which the Alternative Rate applies) shall, effective on the date of such Initial Notification of Taxability, be increased to a rate equal
to the Taxable Rate. The Borrower shall, in addition, pay to the Trustee, for deposit into the Revenue Fund, promptly upon demand from the Trustee or the Servicer, an amount equal to the Additional Interest payable on the Tax-Exempt Bond. The Borrower shall also indemnify, defend and hold the Owner, the Issuer and the Trustee harmless from any penalties, interest expense or other costs, including reasonable attorneys’ fees (including all reasonably allocated time and charges of Owner’s, Issuer’s and Trustee’s “in-house” and “outside” counsel) and accountants’ costs, resulting from any dispute with the Internal Revenue Service concerning the proper tax treatment of the Tax-Exempt Bond and any interest payable to the Owner with respect to the Tax-Exempt Bond. The obligations of the Borrower under this Section 3.2(b) shall survive termination of this Loan Agreement and the Note and repayment of the Loan. If, following any increase in interest rates pursuant to this Section 3.2(b), a final determination is made, to the satisfaction of the Owner, that interest paid on the Tax-Exempt Bond is excludable from the Owner’s gross income under Section 103 of the Code and applicable state law, the Owner shall promptly refund to the Borrower any Additional Interest and other additional amounts paid by the Borrower pursuant to this Section 3.2(b).

(c) The Borrower agrees to pay the Trustee Fee and Trustee Expenses to the Trustee and agrees to pay the Issuer’s Fee to the Issuer. The Issuer’s Fee shall be paid to the Trustee monthly for remittance to the Issuer when due. The Borrower also agrees to pay all fees, charges and expenses of the Trustee and the Issuer, respectively (including, without limitation, the reasonable, actually incurred fees and expenses of counsel to the Issuer, Bond Counsel and counsel to the Trustee), as and when the same become due. The Borrower also agrees to pay the printing and engraving costs of the Bond, including any certificates required to be prepared for use in connection with any exchanges of Bond for the cost of which the Owner is not liable. The Borrower also agrees to pay the Loan Fee to Bank on or before the Closing Date, to pay the fees of the Majority Owner, Bank and the Servicer, and to pay all reasonable costs and expenses incurred by the Majority Owner, Bank and the Servicer in connection with the negotiation, closing, execution, delivery, modification and administration of the Bond, the Loan or the collateral therefor, and any amendments, modifications or “workouts” thereof, including, without limitation, reasonable attorneys’ fees and costs (including allocated costs of in-house attorneys), fees and costs of engineers, accountants, appraisers and other consultants, title insurance premiums and recording costs upon receipt of written demand therefor.

(d) The Borrower agrees to pay all Costs of Issuance (in addition to those Costs of Issuance otherwise required to be paid by this Section 3.2).

(e) The Borrower agrees to pay any Prepayment Equalization Payments at the times and in the amounts the same become payable pursuant to the Indenture or the P-1A Note related to the P-1A Bond.

(f) The Borrower agrees to pay, as and when the same become due, to the Issuer, the Servicer or the Trustee any extraordinary expenses, including, without limitation, any costs of litigation, which may be incurred by the Issuer, the Servicer, Majority Owner or the Trustee in connection with this Loan Agreement or the Indenture, including the reasonable, actually incurred costs and fees of any attorneys or other experts retained by the Issuer, the Servicer, Majority Owner or the Trustee in connection therewith, including, without limitation, any costs, fees or expenses relating to any audit of the Bond by the Internal Revenue Service.
(g) Without limitation of the foregoing, the Borrower agrees to repay the Loan at the times and in the amounts necessary to enable the Trustee, on behalf of the Issuer, to pay all amounts payable with respect to the Bond, when due, whether at maturity or upon redemption, acceleration, tender, purchase or otherwise.

Section 3.3 Payments Pledged and Assigned. It is understood and agreed that the Loan Documents and certain other documents and property and all payments required to be made by the Borrower pursuant hereto (except payments to be made to the Issuer in respect of its Reserved Rights and payments to be made to the Servicer and the Trustee pursuant to Section 3.2(b) hereof) have been assigned to the Trustee simultaneously herewith pursuant to the Indenture as and for security for the Bond. The Borrower hereby consents to such assignment and recognizes the Trustee as the assignee of the Issuer, to the extent of the assignment, for purposes of said documents and property.

Section 3.4 Obligations of Borrower Hereunder Unconditional. The obligations of the Borrower to make any payments required by the terms of this Loan Agreement and the other Loan Documents, including, without limitation, the payments required in Section 3.2 hereof, and to perform and observe the other agreements on its part contained herein and in the other Loan Documents shall be absolute and unconditional and shall not be subject to any defense (other than payment) or any right of setoff, counterclaim, abatement or otherwise and, until such time as the principal of and interest on the Bond shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture. The Borrower (i) will not suspend or discontinue, or permit the suspension or discontinuance of, any payments provided for herein or in the other Loan Documents, (ii) will perform and observe all of its other agreements contained herein and the other Loan Documents and (iii) will not suspend the performance of its obligations hereunder and under the other Loan Documents for any cause, including, without limiting the generality of the foregoing, failure to complete construction and equipping of the Project, any acts or circumstances that may constitute failure of consideration, failure of or a defect of title to the Project or any part thereof, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws or administrative rulings of or administrative actions by the United States of America or the State or any political subdivision of either, or any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Loan Agreement or the other Loan Documents. The Borrower may, at its own cost and expense and in its own name or in the name of the Issuer (provided the Issuer is a necessary party and consents thereto), prosecute or defend any action or proceeding or take any other action involving third persons which the Borrower deems reasonably necessary in order to secure or protect its rights hereunder, and in such event the Issuer, subject to the provisions of the Indenture, hereby agrees to cooperate fully with the Borrower and to take all action (at the Borrower’s cost and expense) necessary to effect the substitution of the Borrower for the Issuer in any such action or proceeding if the Borrower shall so request.

Each Requisition shall be signed on behalf of the Borrower and shall be in the form attached as Exhibit I to the Construction Disbursement Agreement. The Trustee may rely conclusively on the statements and certifications contained in any Requisition. The Borrower shall not submit any Requisition directly to the Trustee. Each advance from the Loan Account, the Insurance and Condemnation Proceeds Account or the Equity Account of the Project Fund by the Trustee shall be subject to prior approval of the Requisition by the Servicer and, if and to the extent required by the Indenture, the Issuer. Upon such approval by the Servicer, the Servicer shall forward each Requisition to the Trustee for payment.

ARTICLE V

SPECIAL COVENANTS OF THE BORROWER

Section 5.1 Commencement and Completion of Project. The Borrower will commence construction and equipping of the Improvements within thirty (30) days after the Closing Date, will diligently pursue construction and equipping of the Improvements, will attain Completion prior to the Completion Date, and will pay all sums and perform all such acts as may be necessary or appropriate to complete such construction and equipping, all as more fully set forth in the Construction Disbursement Agreement.

Section 5.2 Records and Accounts. The Borrower will (a) keep true and accurate records and books of account in which full, true and correct entries will be made in accordance with Generally Accepted Accounting Principles, which records and books will not be maintained on a consolidated basis with those of any other Person, including any Affiliate of the Borrower, (b) maintain adequate accounts and reserves for all taxes (including income taxes), depreciation and amortization of its properties, contingencies, and other reserves, all of which accounts shall not be commingled with accounts of any other Person, including any or Affiliate of the Borrower and (c) maintain all such records as are necessary to evidence compliance with the requirements of the Regulatory Agreement, the Tax Certificate and the Borrower Cost Certificate.

Section 5.3 Financial Statements and Information. The Borrower will deliver, or cause to be delivered, to the Majority Owner those reports described in Section 2.16 and Exhibit L of the Construction Disbursement Agreement at the time described in such section and exhibit.

Section 5.4 Insurance.

(a) The Borrower will obtain and maintain insurance with respect to the Project and the operations of the Borrower as required from time to time by the Servicer. The initial insurance requirements are set forth on Exhibit K of the Construction Disbursement Agreement. On and after the Conversion Date, the insurance requirements required with respect to the
Project and the operations of the Borrower shall be governed by the terms of the Permanent Period Supplemental Agreement. All renewal policies, with premiums paid, shall be delivered to the Servicer at least thirty (30) days before expiration of the existing policies. If any such insurance shall expire or be canceled, or become void or voidable by reason of the breach of any condition of coverage, or if the Servicer determines that any coverage is unsatisfactory by reason of the failure or impairment of the capital of any insurance carrier, or if any insurance is unsatisfactory to the Servicer, in its sole judgment, the Borrower shall promptly place new insurance satisfactory to the Servicer.

(b) The Borrower will provide the Trustee, Majority Owner and the Servicer with certificates evidencing such insurance upon the request of the Servicer.

(c) If the Borrower fails to provide, maintain, keep in force or deliver to the Servicer the policies of insurance and certificates required by this Loan Agreement, the Servicer may (but shall have no obligation to)procure such insurance, and the Borrower will pay all premiums thereon promptly on demand by the Servicer, and until such payment is made by the Borrower, the amount of all such premiums shall bear interest at the Alternative Rate.

Section 5.5 Liens and Other Charges. The Borrower will duly pay and discharge, cause to be paid and discharged, or provide a bond satisfactory to the Servicer to pay or discharge, before the same shall become overdue all claims for labor, materials, or supplies that if unpaid might by law become a lien or charge upon any of its property.

Section 5.6 Inspection of Project and Books, Appraisals.

(a) The Borrower shall permit the Issuer, the Trustee, Majority Owner and the Servicer upon reasonable written notice at reasonable times, at the Borrower’s cost and expense, to visit and inspect the Project and all materials to be used in the construction and equipping thereof and will cooperate with the Issuer, the Trustee, Majority Owner and the Servicer during such inspections (including making available working drawings of the Plans and Specifications), provided that this provision shall not be deemed to impose on the Issuer, the Trustee, Majority Owner and the Servicer any obligation to undertake such inspections.

(b) The Borrower shall permit the Issuer, the Trustee, Majority Owner and the Servicer, upon reasonable notice at reasonable times, at the Borrower’s cost and expense, to examine the books of account of the Borrower and the Project (and to make copies thereof and extracts therefrom) and to discuss the affairs, finances and accounts of the Borrower and the Project with, and to be advised as to the same by, its officers, partners, or trustees, all at such reasonable times and intervals as the Issuer, the Trustee, Majority Owner and the Servicer may reasonably request, provided that so long as no Default or Event of Default shall have occurred and be continuing, the Borrower shall only be obligated to pay the expenses associated with one (1) such investigation during any twelve (12) month period.

(c) The Issuer, the Trustee, Majority Owner and the Servicer shall have the right to obtain from time to time, at the Borrower’s cost and expense, updated Appraisals of the Project, provided that so long as no Default or Event of Default shall have occurred and be continuing,
the Borrower shall only be obligated to pay for the costs and expenses associated with one (1) such Appraisal during any twelve (12) month period.

(d) The costs and expenses incurred by the Issuer, the Trustee, Majority Owner and the Servicer in obtaining such Appraisals or performing such inspections shall be paid by the Borrower promptly upon billing or request by the Issuer, the Trustee, Majority Owner and the Servicer for reimbursement.

Section 5.7 Compliance with Laws, Contracts, Licenses, and Permits. The Borrower will comply with (a) all Legal Requirements, (b) the provisions of its Organizational Documents, (c) all applicable decrees, orders and judgments, and (d) all licenses and permits required by applicable laws and regulations for the conduct of its business or the ownership, use or operation of its properties, including all Project Approvals.

Section 5.8 Use of Proceeds. In accordance with the Development Budget, the Borrower will use the proceeds of the Taxable Bonds for purposes related to the Project and at least 95% of the proceeds of the Tax-Exempt Bond for the purpose of paying for Qualified Costs of the Project.

Section 5.9 Borrower to Pay Excess Project Costs. The Borrower will pay when due all costs of acquisition, construction and equipping of the Project in excess of the proceeds of the Bond, regardless of the amount. If at any time, the Servicer shall in its sole discretion determine that the remaining undisbursed portion of the Project Fund, together with the undisbursed balance of Required Equity Funds, and any other sums previously deposited or to be deposited by the Borrower in connection with the Project, is or will be insufficient to complete the construction and equipping of the Improvements in accordance with the Plans and Specifications, to operate and carry the Project after Completion until Conversion, to pay all other Project Costs, to pay all interest accrued or to accrue on the Bond from and after the date hereof or until Conversion, and to pay all other sums due or to become due under the Loan Documents (or any budget category or line item), regardless of how such condition may be caused, the Borrower will, within ten (10) days after written notice of such determination from the Servicer, deposit with the Trustee such sums of money in cash as the Servicer may reasonably require, in an amount sufficient to remedy the condition described in such notice, and sufficient to pay any liens for labor and materials alleged to be due and payable at the time in connection with the Improvements other than those being contested in good faith and for which a bond has been posted, and, at the Servicer’s direction, no further disbursements from the Project Fund shall be made by the Trustee until the provisions of this Section have been fully complied with. The Servicer may direct the Trustee to enforce the Payment Guaranty and the Completion Agreement in accordance with their terms, and upon such direction, the Trustee shall proceed to enforce the Completion Agreement. All such deposited sums shall constitute additional security under the Loan Documents and, prior to the occurrence of a Default, shall be disbursed by the Trustee in the same manner as disbursements under the Indenture before any further disbursements from the Project Fund shall be made by the Trustee. Notwithstanding the above, in the event amounts deposited hereunder are actually in excess of the amount necessary to achieve Completion, such excess amounts shall be returned to the Borrower in accordance with Section 5.03 of the Indenture.
Section 5.10 Laborers, Subcontractors and Materialmen. The Borrower will furnish to the Issuer, the Trustee, Majority Owner or the Servicer, upon reasonable request, and from time to time, affidavits listing all laborers, subcontractors, materialmen, and any other Persons who might or could claim statutory or common law liens and are furnishing or have furnished labor or material to the Project or any part thereof, together with affidavits, or other evidence satisfactory to the Issuer, the Trustee or the Servicer, showing that such parties have been paid all amounts then due for labor and materials furnished to the Project, that the applicable lien period has expired without the filing of a claim, or the liens have been bonded. The Borrower will also furnish to the Issuer, the Trustee, Majority Owner and the Servicer, at any time and from time to time upon reasonable request by the Issuer, the Trustee, Majority Owner or the Servicer, lien waivers bearing a then current date and prepared on a form satisfactory to the Issuer, the Trustee, Majority Owner or the Servicer from the Contractor and such subcontractors or materialmen as the Issuer, the Trustee, Majority Owner or the Servicer may designate.

Section 5.11 Further Assurance of Title. If at any time the Servicer has reason to believe that any disbursement from the Project Fund is not secured or will or may not be secured by the Mortgage as a first priority mortgage lien and security interest on the Property, then the Borrower shall, within ten (10) days after written notice from the Servicer, do all things and matters necessary to assure to the satisfaction of the Servicer that any disbursement from the Project Fund previously made hereunder or to be made hereunder is secured or will be secured by the Mortgage as a first priority mortgage lien and security interest on the Property, and the Servicer, at its option, may decline to approve any further Requisitions until the Servicer has received such assurance. Nothing in this Section shall limit the right of the Servicer, at the Borrower’s expense, to order searches of title from time to time and to require bringdowns or endorsements extending the effective date of the Title Policy in connection with the making of advances as herein set forth.

Section 5.12 Publicity. The Borrower will permit the Servicer to obtain publicity in connection with the acquisition, construction and equipping of the Improvements through press releases and participation in such events as ground breaking and opening ceremonies and placement of signs on the Project Site.

Section 5.13 Further Assurances

(a) Regarding Construction. The Borrower will furnish or cause to be furnished to the Issuer, Majority Owner and the Servicer all instruments, documents, boundary surveys, footing or foundation surveys, certificates, plans and specifications, title and other insurance, reports and agreements and each and every other document and instrument required to be furnished by the terms of this Loan Agreement or the other Loan Documents, all at the Borrower’s expense.

(b) Regarding Preservation of Collateral. The Borrower will execute and deliver to the Issuer, the Trustee, Majority Owner and the Servicer such further documents, instruments, assignments and other writings, and will do such other acts necessary or desirable, to preserve and protect the collateral at any time securing or intended to secure the obligations of the Borrower under the Loan Documents, as the Issuer, the Trustee, Majority Owner and the Servicer may require.
(c) Regarding this Loan Agreement. The Borrower will cooperate with, and will do such further acts and execute such further instruments and documents as the Issuer, the Trustee, Majority Owner and the Servicer shall reasonably request to carry out to their satisfaction the transactions contemplated by this Loan Agreement and the other Loan Documents.

(d) Bank of Account. Prior to the Conversion Date, the Borrower will utilize Bank as its principal bank of account, including all construction disbursement, operating accounts, and reserve accounts.

Section 5.14 Notices. The Borrower will promptly notify the Issuer, the Trustee, Majority Owner and the Servicer in writing of (i) the occurrence of any Default or Event of Default or event which, with the giving of notice or the passage of time, or both, would constitute a Default or Event of Default; (ii) the Borrower’s receipt of notice from any Governmental Authority of any alleged violation of environmental laws or regulations or other Legal Requirements; (iii) any labor problems with respect to the Borrower or the Project; (iv) the occurrence of any other event which would have a material adverse effect on the Project or the business or financial condition of the Borrower; or (v) the receipt by the Borrower of any notice of default or notice of termination with respect to any contract or agreement relating to the ownership, construction, equipping, operation, or use of the Project.

Section 5.15 Solvency; Adequate Capital. The Borrower will:

(a) Remain solvent and pay all of its indebtedness from its assets as the same become due; and

(b) Maintain adequate capital for the normal obligations reasonably foreseeable for a business of its size and character and in light of its contemplated business operations.

Section 5.16 Management Contract.

(a) At all times following Completion, the Project shall be managed pursuant to a management contract with the Manager, which contract shall be terminable with or without cause by the Borrower or its successors as owner of the Project and shall otherwise be in form and substance satisfactory to Majority Owner and the Servicer. The Borrower acknowledges that the Issuer, the Trustee, Majority Owner and the Servicer will rely on the Manager’s experience in operating properties such as the Project as a means of maintaining the value of the collateral. In connection with the approval of the Manager, or any replacement management company:

(i) the Manager or holder of the stock or partnership interest therein shall be a Person whose character, financial strength, stability and experience is acceptable to the Servicer and who shall have experience managing properties of a type and size reasonably similar to the Project;

(ii) the Manager shall deliver all organizational documentation and other materials evidencing its experience acceptable to Majority Owner and the Servicer; and

(iii) any management fees payable to the Manager under any management contract for the Project in excess of 5.1% of the Project Revenues shall be paid only out of surplus cash.
flow and the terms of such management contract must otherwise be acceptable to Majority Owner and the Servicer in all respects.

(b) The Borrower shall, from time to time, obtain from the Manager such certificates of estoppel with respect to compliance by the Borrower with the terms of the management contract as may be requested by the Servicer, the Trustee, Majority Owner and the Servicer.

(c) The Project will be managed by the Manager pursuant to the Management Agreement. The Borrower acknowledges and agrees that Trustee, as mortgagee under the Mortgage, is and shall be a third-party beneficiary of the Management Agreement and any replacement management agreement. Any amendment to the Management Agreement or delivery of a replacement management agreement must be approved in writing by Majority Owner and the Servicer.

Section 5.17 Negative Covenants of the Borrower. The Borrower covenants and agrees that, so long as the Loan is outstanding:

(a) Restrictions on Easements and Covenants. Except for Permitted Encumbrances and matters permitted by Section 5.17(d), the Borrower will not create or suffer to be created or to exist any easement, right of way, restriction, covenant, condition, license or other right in favor of any Person which affects or might affect title to the Project or the use and occupancy of the Project or any part thereof without obtaining the prior written consent of the Servicer, which shall not be unreasonably withheld or delayed so long as the proposed action is necessary for the operation of the Project for the purposes contemplated hereby and the proposed action does not materially impair the validity or priority of the lien of the Mortgage.

(b) No Amendments, Terminations or Waivers. Neither the Borrower nor the General Partner shall amend, supplement, terminate or otherwise modify or waive any provision of its Organizational Documents, the documents evidencing the Subordinate Loan or any material term or provision of the documents relating to the contribution of equity by the partners of the Borrower without obtaining the prior written consent of the Servicer.

(c) Restrictions on Indebtedness. Without obtaining the prior written consent of the Servicer, the Borrower will not create, incur, assume, guarantee or be or remain liable, contingently or otherwise, with respect to any Indebtedness other than:

(i) Indebtedness arising under the Loan Documents or the Partnership Agreement and Indebtedness arising under the Subordinate Loans;

(ii) current liabilities of the Borrower relating to the Project, incurred in the ordinary course of business but not incurred through (A) the borrowing of money, or (B) the obtaining of credit except for credit on an open account basis customarily extended and in fact extended in connection with normal purchases of goods and services; and

(iii) Indebtedness relating to the Project, in respect of taxes, assessments, governmental charges or levies, claims for labor, materials and supplies and costs arising under the CC&RS to the extent that payment therefor shall not at the time be required to be made.
(d) Restrictions on Liens. Without obtaining the prior written consent of the Servicer, the Borrower will not (i) create or incur or suffer to be created or incurred or to exist any lien, encumbrance, deed to secure debt, mortgage, deed of trust, pledge, charge, restriction or other security interest of any kind upon any of its property or assets of any character whether now owned or hereafter acquired, or upon the income or profits therefrom; (ii) transfer any of its property or assets or the income or profits therefrom for the purpose of subjecting the same to the payment of Indebtedness or performance of any other obligation in priority to payment of its general creditors; (iii) acquire, or agree or have an option to acquire, any property or assets upon conditional sale or other title retention or purchase money security agreement, device or arrangement; (iv) suffer to exist for a period of more than thirty (30) days after the same shall have been incurred any Indebtedness or claim or demand against it that if unpaid might by operation of law or upon bankruptcy or insolvency, or otherwise, be given any priority whatsoever over its general creditors; or (v) sell, assign, pledge or otherwise transfer any accounts, contract rights, general intangibles, chattel paper or instruments, with or without recourse, provided that the Borrower may create or incur or suffer to be created or incurred or to exist:

(A) Statutory liens relating to the project to secure taxes, assessments and other governmental charges or claims for labor, material or supplies in respect of obligations not overdue;

(B) Liens in favor of the Issuer and/or the Trustee under the Loan Documents; and

(C) The Permitted Encumbrances.

(e) Transfers.

(i) Except for Permitted Encumbrances and a declaration of restrictive covenants for low-income housing credits in a form approved by the Servicer, without obtaining the prior written consent of Majority Owner and the Servicer (and the Issuer, as required under the Regulatory Agreement), the Borrower will not, directly or indirectly, by operation of law or otherwise, sell, assign, mortgage, pledge, hypothecate, transfer or otherwise dispose of the Project or any interest in the Project, and will not encumber, alienate, hypothecate, grant a security interest in or grant any other interest whatsoever (whether superior or inferior to the lien of the Mortgage) in the Project, in the Leases or in the rents, issues and profits therefrom.

(ii) Except as otherwise permitted by the Construction Disbursement Agreement or the Deed of Trust, without obtaining the prior written consent of the Servicer (and the Issuer, to the extent required under the Regulatory Agreement), no general or limited partnership interest in the Borrower and no ownership interest in the General Partner may be sold, conveyed, transferred, assigned, pledged or otherwise transferred, in whole or in part, directly or indirectly, by operation of law or otherwise; provided, however, that the following transfers may occur with notice to, but without the consent of, the Servicer:
(A) the Investor Limited Partner may at any time and without the consent of the Servicer, the Issuer or Trustee transfer, but upon at least twenty (20) days' prior written notice to Issuer, Trustee and Majority Owner, sell, or assign its limited partner interest in the Borrower to any Affiliate or to any limited partnership of which Bank of America, N.A., or any Affiliate thereof, is a general partner, or to any limited liability company of which Bank of America, N.A., or any Affiliate thereof, is the managing member, and upon the assumption by any such transferee of the obligations of the transferor hereunder, the transferor shall be automatically released from further liability hereunder as the Investor Limited Partner.

(B) After the Restricted Period (as defined below), the Investor Limited Partner may at any time and without the consent of the Servicer, Majority Owner, or Trustee, but in conformance with the requirement of the Regulatory Agreement, transfer, sell, assign or pledge its interest in the Borrower to any third party. The Investor Limited Partner shall give notice of such transfer, sale or assignment to the Trustee not less than twenty (20) days prior to such transfer, sale or assignment (but no such notice shall be required in the case of a pledge or collateral assignment by the Investor Limited Partner of its limited partner interest in the Borrower). "Restricted Period" shall be defined as the period commencing on the Closing Date and ending on the first to occur of the making of the Final Installment (as defined in the Partnership Agreement) or an event that gives the Investor Limited Partner the right to require the repurchase of its interest under Section 5.3 of the Partnership Agreement. The Investor Limited Partner shall provide written notice to the Trustee, Issuer, Majority Owner and Servicer of the end of the Restricted Period.

(f) Merger, Consolidation, Conversion and Disposition of Assets.

(i) The Borrower will not become a party to any merger or consolidation or agree to or effect any asset acquisition or stock acquisition.

(ii) The Borrower will not convert into any other type of entity.

(iii) The Borrower will not seek the dissolution or winding up, in whole or in part, of the Borrower or voluntarily file, or consent to the filing of, a petition for bankruptcy, reorganization, assignment for the benefit of creditors or similar proceedings.

(g) Sale and Leaseback. The Borrower will not enter into any arrangement, directly or indirectly, whereby the Borrower shall sell or transfer any property owned by it in order then or thereafter to lease such property or lease other property that the Borrower intends to use for substantially the same purpose as the property being sold or transferred.

(h) Preservation of Tax Exemption. The Borrower will not take any action that would adversely affect the exclusion of interest on the Tax-Exempt Bond from gross income for purposes of federal income taxation, nor omit or fail to take any action required to maintain the exclusion of interest on the Tax-Exempt Bond from gross income for purposes of federal income taxation.
Section 5.18 Arbitrage and Tax Matters.

(a) The Borrower hereby represents, warrants and agrees that all certifications and representations of fact made by the Borrower in the Regulatory Agreement, the Tax Certificate and the Borrower Cost Certificate are true, accurate and complete in all material respects of the date on which executed and delivered.

(b) The Borrower covenants not to cause or direct any moneys on deposit in any fund or account to be used in a manner which would cause the Tax-Exempt Bond to be classified as an “arbitrage bond” within the meaning of Section 148 of the Code, and the Borrower certifies and covenants to and for the benefit of the Issuer and the Owner that so long as there is any portion of the Bond Outstanding, moneys on deposit in any fund or account in connection with the Bond, whether such moneys were derived from the proceeds of the sale of the Bond or from any other sources, will not be used in a manner which will cause the Tax-Exempt Bond to be classified as an “arbitrage bond” within the meaning of Section 148 of the Code. In furtherance of the foregoing, the Borrower covenants to comply with the terms and conditions of Tax Certificate and to pay when due any amount required to be paid to the United States in accordance with Tax Certificate and this Loan Agreement.

(c) At any time when any amount required to be paid under Section 148(f) of the Code (the “Rebate Regulations”) is due, the Borrower shall pay to the United States on behalf of the Issuer the full amount then required to be paid under the Rebate Regulations. Within sixty (60) days after the Tax-Exempt Bond has been paid in full, the Borrower shall pay to the United States on behalf of the Issuer the full amount then required to be paid under the Rebate Regulations. Each such payment shall be made to such location specified by the Internal Revenue Service, accompanied by a Form 8038-T (or other appropriate information reporting form) prepared by the Borrower. No later than fifteen (15) days prior to each date on which a payment could become due under the Rebate Regulations (“Rebate Payment Date”), the Borrower shall deliver to the Issuer and the Trustee a certificate of a Rebate Analyst either summarizing the determination that no amount is required to be paid or specifying the amount then required to be paid, if the certificate specifies an amount to be paid, (A) such certificate shall be accompanied by a completed Form 8038-T, which is to be signed by an Authorized Representative of the Issuer, and shall include a certification by the Borrower that the Form 8038-T is accurate and complete, and (B) no later than ten (10) days after the Rebate Payment Date, the Borrower shall furnish to the Issuer and the Trustee a certificate stating that such amount has been timely paid. This Section 5.18(c) shall be construed so as to cause compliance with the Rebate Regulations. The Borrower covenants that all action taken under this Section 5.18(c) shall be taken in a manner that complies with the Rebate Regulations and that it shall neither take any action nor omit to take any action that would cause the Tax-Exempt Bond to be an “arbitrage bond” by reason of the failure to comply with the Rebate Regulations. To the extent that any payment of rebatable arbitrage or penalty in lieu of rebate is not timely made to the United States, the Borrower shall pay to the United States on behalf of the Issuer any correction amount, interest, penalty or other amount necessary to prevent the Tax-Exempt Bond from becoming an “arbitrage bond” within the meaning of Section 148 of the Code. The Borrower covenants that, to the extent necessary, it shall obtain the advice and assistance of a Rebate Analyst to aid it in complying with the Rebate Regulations.
Section 5.19 Indemnification. Borrower releases Issuer and Trustee and their respective officers, directors, agents, officials, employees, counsel, attorneys and agents, past, present and future (and as to Issuer, members of its governing body) and any person who controls Issuer or Trustee within the meaning of the Securities Act, from, and covenants and agrees, without limiting the indemnity provided in the Regulatory Agreement, to indemnify, hold harmless and defend Issuer, Trustee, Majority Owner and the Servicer and their respective officers, members, supervisors, directors, officials and employees, counsel, attorneys and agents, past present and future of each of them and any person who controls such party within the meaning of the Securities Act and employees and each of them (each, an “Indemnified Party”) from and against, any and all losses, claims, damages, demands, liabilities and expenses (including reasonable attorney’s fees and expenses), taxes (other than income taxes payable by any party as a result of any fees payable to such parties in connection with the transaction contemplated hereby), causes of action, suits, claims, demands and judgments of any nature, joint or several, by or on behalf of any person arising out of:

(b) the approval of the financing for the Project or the making of the Loan;

(c) the issuance and sale of the Bond or any certifications or representations made by any person other than the party seeking indemnification;

(e) the carrying out by Borrower of any of the transactions provided for in the Indenture or the Loan Documents;

(f) Trustee’s acceptance or administration of the trusts created by the Indenture or the exercise of its powers or duties under the Indenture or under this Loan Agreement, the Regulatory Agreement or any other agreements to which it is a party or otherwise in connection with the transactions provided for in the Indenture or the Loan Documents except for claims arising from Trustee’s administration where such is a result of actions contrary to Trustee’s duties and obligations;

(g) any and all claims arising in connection with the issuance and sale of the Bond or any certifications or representations made by any person other than the Indemnified Party seeking indemnification, including, without limitation, any statement or information made by Borrower with respect to Borrower or the Project in any offering document or materials regarding the initial offering of the Bond (in connection with their issuance under the Indenture),

(h) Borrower’s failure to comply with any requirement of this Loan Agreement or the Regulatory Agreement (provided no indemnity shall be required for claims due to nonpayment of the Note);

(i) any act or omission of Borrower or any of its agents, servants, employees or licensees in connection with the Loan or the Project, including violation of any law, ordinance, court order or regulation affecting the Project or any part of it or the ownership, occupancy or use of it (provided no indemnity shall be required for claims due to nonpayment of the Note);

(j) any damage or injury, actual or claimed, of whatsoever kind, cause or character, to property (including loss of use of property) or persons, occurring or allegedly occurring in, on or about the Project or arising out of any action or inaction of Borrower, whether or not related to the Project, or resulting from or in any way connected with the acquisition, rehabilitation and construction or management of the Project, the issuance of the Bond or otherwise in connection with transactions contemplated or otherwise in connection with the Project, the Bond or the execution or amendment of any document relating to the Project or the Bond;

(l) any and all claims arising in connection with the operation of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or supervision of work done in or about, or from the planning, design, acquisition, rehabilitation, construction, repair or equipping of, the Project or any part of it, including, but not limited to, the Americans with Disabilities Act, if applicable (as evidenced by an architect’s certificate to such effect).

This indemnification shall extend to and include, without limitation, all reasonable costs, counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought with respect to such claim, except:

(i) in the case of the foregoing indemnification of Trustee, Majority Owner, Servicer or any of their respective related Indemnified Parties to the extent such damages are caused by the negligence or willful misconduct of such Person; and
(ii) in the case of the foregoing indemnification of Issuer or any of its related Indemnified Parties, to the extent such damages are caused by the active negligence or willful misconduct of the Issuer.

In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought under this Agreement, Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense of the action or proceeding, including the employment of counsel selected by Borrower, subject to the approval of the Indemnified Party, which approval shall not be unreasonably withheld, conditioned or delayed, and shall assume the payment of all expenses related to the action or proceeding, with full power to litigate, compromise or settle the same in its sole discretion, provided that Issuer, and Trustee, as appropriate, shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense of the action or proceeding, and Borrower shall be obligated to pay the reasonable fees and expenses of such separate counsel if (A) the Indemnified Party, upon the advice of counsel, determines that a conflict of interest exists between the interests of the Indemnified Party and the interests of Borrower or (B) such separate counsel is employed with the approval of Borrower, which approval shall not be unreasonably withheld, conditioned or delayed.

Borrower understands and agrees that the foregoing release includes all claims of every nature and kind whatsoever, whether known or unknown, suspected or unsuspected, and Borrower has read and understands, and hereby waives the benefits of, Section 1542 of the California Civil Code which provides as follows:

“A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.”

Borrower acknowledges that it may hereafter discover facts different from or in addition to those which it now knows or believes to be true with respect to the foregoing release by Borrower and agrees that the foregoing release shall be and remain effective in all respects notwithstanding such different or additional facts or the discovery thereof.

Nothing in this Section 5.19 shall in any way limit the Borrower’s indemnification and other payment obligations set forth in the Regulatory Agreement.

Section 5.20 Agreements Between Borrower and its Affiliates. Except for the Partnership Agreement, the Management Agreement, Loan Agreement dated as of March 1, 2017 between the Borrower and MCB Family Housing, Inc. and the Right of First Refusal Agreement dated as of March 1, 2017 and the Purchase Option Agreement dated as of March 1, 2017, the Borrower shall not enter into any agreement, written or otherwise, directly or indirectly relating to the Project with an Affiliate of the Borrower without the prior written consent of the Servicer.
Section 5.21 Sale of Bond and Securitization.

(a) At the request of the Servicer, and subject to the limitations on sale or transfer of the Bond set forth in the Indenture, the Borrower shall take such actions and execute and deliver such documents and data as may be reasonably necessary or appropriate in connection with the sale of the Bond or participation therein or any securitization (such sale and/or securitization, the “Securitization”) of single or multi-class securities (the “Securities”) secured by or evidencing ownership interests in the Bond. Without limiting the generality of the foregoing, the Borrower shall:

(i) provide financial and other information with respect to the Project, the Borrower and its Affiliates, the manager and any tenants of the Project and provide business plans and budgets relating to the Project;

(ii) perform or permit or cause to be performed or permitted such site inspection, appraisals, market studies, environmental reviews and reports (Phase I and, if appropriate, Phase II), engineering reports and other due diligence investigations of the Project, as may be reasonably requested by the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with the Securitization (the items provided to the Servicer pursuant to this paragraph (a) being called the “Provided Information”), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Servicer and the Rating Agencies;

(iii) cause counsel to render opinions as to nonconsolidation, fraudulent conveyance, true sale and true contribution and any other opinion customary in securitization transactions with respect to the Project, the Borrower and its Affiliates, which counsel and opinions shall be satisfactory to the Servicer and the Rating Agencies;

(iv) make such representations and warranties as of the closing date of the Securitization with respect to the Project, the Borrower and the Loan Documents as are customarily provided in securitization transactions and as may be reasonably requested by the Servicer or the Rating Agencies and consistent with the facts covered by such representations and warranties as they exist on the date thereof, including the representations and warranties made in the Loan Documents;

(v) provide current certificates of existence with respect to the Borrower from appropriate Governmental Authorities; and

(vi) execute such amendments to the Loan Documents and the Organizational Documents of the Borrower as may be requested by the Servicer or the Rating Agencies or otherwise to effect the Securitization; so long as such amendments do not materially increase the burden on or materially reduce the benefits of the financing provided pursuant to this Agreement to the Borrower.

(b) All reasonable third-party costs and expenses incurred by the Borrower solely in connection with the Borrower’s complying with requests made under this Section 5.21 shall
promptly be paid or caused to be paid by the Servicer. The Borrower shall not be liable for third-party costs or expenses incurred by the Servicer in connection with the Securitization.

(c) The Borrower understands that certain of the Provided Information may be included in disclosure documents in connection with the Securitization, including a prospectus or private placement memorandum (each, a “Disclosure Document”) and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the “Securities Act”), or the Securities and Exchange Act of 1934, as amended (the “Exchange Act”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, the Borrower shall cooperate with the Servicer in updating the Provided Information for inclusion or summary in the Disclosure Document by providing all current information pertaining to the Borrower and the Project necessary to keep the Disclosure Document accurate and complete in all material respects with respect to such matters.

(d) In connection with a preliminary and a final private placement memorandum or prospectus, as applicable, the Borrower agrees, if requested by the Servicer, to certify in writing that the Borrower has carefully examined those portions of such memorandum or prospectus, as applicable, pertaining to the Borrower and the Project and such sections (and any other sections reasonably requested and pertaining to Borrower and the Project) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statement made, in the light of the circumstances under which they were made, not misleading.

(e) The Borrower’s liability under this Section 5.21 shall be limited to liabilities arising out of or based upon any such material untrue statement or omission made with knowledge thereof and made therein in reliance upon and in conformity with information furnished to the Servicer by or on behalf of the Borrower in connection with the preparation of those portions of the Disclosure Document pertaining to the Borrower or the Project or in connection with the underwriting of the debt, including financial statements of the Borrower, operating statements, rent rolls, environmental site assessment reports and property condition reports with respect to the Project.

Section 5.22 Funds. The Borrower acknowledges the creation of the Replacement Reserve Fund, the Operating Reserve Fund and the Tax and Insurance Fund pursuant to the Indenture. The Replacement Reserve Fund, the Operating Reserve Fund and the Tax and Insurance Fund shall be funded, and moneys therein shall be disbursed, in accordance with the provisions of the Indenture and this Section 5.22. Notwithstanding the foregoing or any other provision of this Loan Agreement to the contrary, on and after the Conversion Date, (i) the Replacement Reserve Fund shall be funded, maintained and governed, and moneys therein shall be disbursed pursuant to the terms of the Permanent Period Replacement Reserve Agreement, and (ii) the Operating Reserve Fund shall be funded, maintained and governed, and moneys therein shall be disbursed pursuant to the terms of the Permanent Period Operating Reserve Agreement.

(a) On or before December 1 of each year, the Borrower shall submit to the Servicer for approval the Proposed Budget to be effective for the next following year. The Servicer shall have the right to approve or disapprove any Proposed Budget or any line item contained in such
Proposed Budget. If any Proposed Budget is not approved by the Servicer within thirty (30) days following submission by the Borrower, such Proposed Budget shall be deemed disapproved. If any line item or Proposed Budget is disapproved, the Borrower shall thereafter consult for an additional thirty (30) days with the Servicer in an effort to achieve mutually acceptable Approved Budget. To the extent that the Proposed Budget is disapproved, the Approved Budget for the previous year shall remain in effect, increased by 5% over the previous year (except for costs of utilities, real estate taxes and assessments and insurance and other third-party costs or cost associated with remediation of emergency conditions which shall be permitted variances to the Proposed Budget) until the parties resolve their differences. In addition to, and not in limitation of the foregoing, each Approved Budget may be revised from time to time with prior written consent of the Servicer to reflect changes to items set forth in the then-current Approved Budget.

(b) Each Proposed Budget:

(i) shall be prepared on the basis of sound accounting practices consistently applied;

(ii) shall reflect the projected gross revenues and operating expenses regarding the Project;

(iii) shall reflect all projected Capital Expenditures which are reasonably expected to be made in connection with the Project during the year covered by such Proposed Budget; and

(iv) shall contain such other information as reasonably may be requested by the Servicer.

(c) On each Interest Payment Date, beginning with the first Interest Date following Conversion, the Borrower shall deposit an amount equal to one-twelfth (1/12) of the Unit Reserve Amount in the Replacement Reserve Fund; provided, however, that upon and after the Conversion Date, deposits to and disbursements from and the use and maintenance of the Replacement Reserve Fund shall be governed by the terms and requirements of the Permanent Period Replacement Reserve Agreement.

(d) Except as otherwise provided in this Section, before the Servicer shall authorize the disbursement of any amounts from the Replacement Reserve Fund, the Borrower shall submit the following items to the Servicer for its review and approval:

(i) a requisition from the Borrower stating that no Event of Default exists and requesting the Servicer to approve a disbursement;

(ii) the identity of all general contractors, architects, engineers and other professionals, if any, engaged in connection with the proposed Capital Expenditures along with copies of the contracts entered into between the Borrower and such entities;

(iii) copies of the plans and specifications for the work to be done, if required or produced in connection with the work contemplated;
(iv) if requested by the Servicer, evidence of compliance with all applicable Legal Requirements;

(v) if requested by the Servicer in connection with construction work in excess of $10,000, evidence of builders’ risk insurance along with workers’ compensation and public liability insurance in such amounts and in such form as the Servicer may reasonably require;

(vi) if requested by the Servicer in connection with construction work in excess of $10,000, evidence that the Consulting Engineer shall have inspected and approved of the work performed to date;

(vii) copies of bills or invoices documenting the proposed expenditure (with paid receipts or other evidence of payment for such Capital Expenditures to be provided to the Servicer before the next requested requisition and in any event within ten (10) days of disbursement to the Borrower of the requested payment); and

(viii) evidence that the general contractor has delivered and filed effective mechanics lien waivers prior to the commencement of work or, if such waivers were not delivered and filed, a release of liens in connection with all work performed, which releases may be conditioned upon payment to the general contractor, provided that the general contractor delivers unconditional releases within thirty (30) days of receipt of such payment.

(e) Provided the conditions set forth in Section 5.22(d) have been satisfied (or waived in writing by the Servicer), the Servicer shall authorize the disbursement from the Replacement Reserve Fund of the amount requested by the Borrower in its requisition, or such lesser amount approved by the Consulting Engineer, to the Borrower. It shall be a condition to all withdrawals from the Replacement Reserve Fund that (i) all work shall be performed in a good and workmanlike manner and in compliance with all applicable Legal Requirements, (ii) the Servicer shall have reviewed and approved each of the foregoing requirements, (iii) the work to be performed is consistent with the Approved Budget or the recommendations of the Consulting Engineer, and (iv) sufficient amounts are on deposit in the Replacement Reserve Fund to pay the amount requisitioned.

(f) For any single Capital Expenditure (not part of, or related to, a sequence or a series of Capital Expenditures or a particular capital improvement plan or project) costing less than $5,000 and whether or not described in the Approved Budget, the Borrower, upon completion of the work, shall deliver to the Servicer evidence reasonably satisfactory to the Servicer of such completion and shall deliver to the Servicer invoices for such work, and, for all of such subsequent disbursements from the Replacement Reserve Fund, the Borrower shall deliver evidence of payment in full for all invoices pertaining to the previous disbursement from the Replacement Reserve Fund, whereupon the Servicer shall authorize reimbursement of the cost of the Capital Expenditure from the Replacement Reserve Fund to the Borrower or, at the Servicer’s option, to the contractors to whom such funds are owed.

(g) For any Capital Expenditure (not part of or related to a sequence or series of Capital Expenditures) costing $5,000 or more which is to be paid from the Replacement Reserve
Fund, before entering into any contracts in connection with such Capital Expenditure (whether or not the Capital Expenditure was described in the Approved Budget), the Borrower shall submit to the Servicer for its prior review and approval (which shall not be unreasonably withheld or delayed) copies of the proposed contracts to be entered into with respect to such Capital Expenditure and copies of the proposed plans and specifications for the Capital Expenditure. Once the Capital Expenditure is approved in advance by the Servicer, the provisions of Section 5.22(d) shall apply. Upon completion of such work, the Borrower shall deliver to the Servicer evidence reasonably satisfactory to the Servicer of such completion and shall deliver to the Servicer invoices for such work and, for all of such subsequent disbursements from the Replacement Reserve Fund, the Borrower shall deliver evidence of payment in full for all invoices pertaining to the previous disbursement from the Replacement Reserve Fund, whereupon the Servicer shall authorize reimbursement of the cost of the Capital Expenditure from the Replacement Reserve Fund to the Borrower, or, at the Servicer’s option, the contractors to whom such costs are owed.

(h) On each Interest Payment Date, beginning with the first month after the Conversion Date, the Borrower shall deposit funds into the Tax and Insurance Fund in an amount equal to one-twelfth (1/12) of the amount reasonably estimated by the Servicer to be payable during the current year for real estate taxes and insurance premiums with respect to the Project; provided, however, that upon and after the Conversion Date, deposits to disbursements from and the use and maintenance of the Tax and Insurance Fund shall be governed by the terms and requirements of the Permanent Period Supplemental Agreement.

(i) On or before the Conversion Date, the Borrower shall deposit $403,000 of its own funds into the Operating Reserve Fund. Moneys in the Operating Reserve Fund shall be disbursed only upon the authorization of the Servicer. To the extent that Project Revenues are insufficient to pay Operating Expenses and/or the amount necessary to pay principal and interest on the Bond as required pursuant to Section 3.2, the Borrower may make written request to the Servicer for disbursement of amounts in the Operating Reserve Fund for payment of such Operating Expenses and debt service on the Bond. Following receipt of any such request, the Servicer may authorize the disbursement of such sums from the Operating Reserve Fund as it shall have approved from time to time. If moneys are disbursed from the Operating Reserve Fund, the Borrower shall, from time to time, deposit into the Operating Reserve Fund any Project net operating income that it realizes until the amount so deposited is equal to the aggregate amounts so disbursed. Notwithstanding the foregoing, upon and after the Conversion Date, deposits to disbursements from and the use and maintenance of the Operating Reserve Fund shall be governed by the terms and requirements of the Permanent Period Operating Reserve Agreement.

Section 5.23 [Intentionally Deleted].

Section 5.24 Covenants Regarding Tax Credits. The Borrower hereby agrees to comply with all of the following covenants (each, a “Tax Credit Covenant”):

(a) To observe and perform all obligations imposed on the Borrower in connection with the Tax Credits, including the obligation to operate the residential units of the Project, and
to use the Borrower’s best efforts to cause all appropriate parties to operate the same, in accordance with all requirements, statutes, and regulations governing the Tax Credits;

(b) To preserve at all times the allocation and availability of the Tax Credits;

(c) Not to release, forgo, alter, materially amend, or modify its rights to the Tax Credits without the Servicer’s prior written consent, which the Servicer may give or withhold in the Servicer’s reasonable discretion;

(d) Not to execute any residential lease (excluding the lease for the one non-tax credit unit) of all or any portion of the Project which does not comply fully with all requirements, statutes, and regulations governing the Tax Credits, without the Servicer’s prior written consent, which the Servicer may give or withhold in the Servicer’s sole and absolute discretion;

(e) To cause to be kept all records, and cause to be made all elections and certifications, pertaining to the number and size of apartment units, occupancy thereof by tenants, income level of tenants, set-asides for low-income tenants, and any other matters now or hereafter required to qualify for and maintain the Tax Credits in connection with the low-income occupancy of the Project;

(f) To comply with the appropriate minimum low-income set-aside requirements under the Code or applicable federal regulations (the “Federal Laws”) and all laws and regulations of the State (the “State Laws”) applicable to the creation, maintenance and continued availability of the Tax Credits;

(g) To certify compliance with the set-aside requirements and report the dollar amount of qualified basis and maximum applicable percentage, date of placement in service and any other information required for the Tax Credits at such time periods as required by Federal Laws or State Laws for such Tax Credits;

(h) To set aside the appropriate number of units for households with incomes meeting the required standards of the median income of the county in which the Project is located to qualify for the Tax Credits (as determined pursuant to Section 42 of the Code and/or State Laws), adjusted for family size, and to operate and maintain all such units as “low-income units” qualifying for the Tax Credits under Section 42(i)(3) of the Code and/or State Laws;

(i) To exercise good faith in all activities relating to the operation and maintenance of the Project in accordance with the requirement of Federal Laws and State Laws; and

(j) To promptly deliver to the Servicer true and correct copies of all notices or other documents or communications received or given by the Borrower with regard to or relating in any way to the Borrower’s partnership interests and/or the Tax Credits. Immediately upon receipt thereof, the Borrower shall deliver to the Servicer a copy of (i) the fully executed allocation and final reservation of Tax Credits for the Project; (ii) the basis audit (as required by Section 42 of the Code) for the Project (including a certificate of the Borrower’s accountant or attorneys if requested by the Servicer); (iii) the first annual income certification for all tenants of the Project showing that the tenants are qualified for purposes of the Borrower’s obtaining Tax Credits, and (iv) the fully completed Form 8609 (required by the Code) issued for the Project.
The Borrower shall deliver promptly to the Servicer such other certificates, income certificates, reports and information as the Servicer may request.

The Borrower understands and acknowledges that the Servicer is purchasing the Bond based, in part, upon the value of the Tax Credits, and the Tax Credits, directly or indirectly, constitute part of Trustee’s security on behalf of the Owner of the Bond, for the obligations of the Borrower in connection with the Loan. The Borrower agrees to indemnify, defend, and hold the Servicer and the Owner harmless for, from, and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations, and costs or expenses, including litigation costs and reasonable attorneys’ fees, arising from or in any way connected with the Borrower’s failure to comply with one or more Tax Credit Covenants, excepting those arising out of, or resulting, solely from the gross negligence or willful misconduct of the Servicer.

Section 5.25 Leasing.

(a) The Servicer (and all other parties whose approval is required) must approve the Borrower’s standard form of residential lease or rental agreement prior to its use by the Borrower. The Borrower may not materially modify the approved standard form of residential lease without the Servicer’s prior written consent in each instance (which consent shall not be unreasonably withheld), together with the approval of all other parties whose consent is required. Each lease, other than leases on the Borrower’s standard form of residential lease, of any part of the Project is subject to the Servicer’s written approval as to form and substance prior to execution and delivery. Despite the foregoing, the Borrower may enter into residential leases (and amendments) in the ordinary course of business with bona fide third-party tenants without the Servicer’s prior written consent if the Borrower uses the approved standard form of residential lease and:

(i) Within fifteen (15) days after the Servicer’s written request therefor, the Servicer receives a copy of the executed lease (accompanied by all financial information and certificates obtained by the Borrower pertaining to the tenant);

(ii) For those units set aside for low-income households in accordance with the Tax Credit Covenants (the “Tax Credit Units”), the Borrower, acting in good faith and exercising due diligence, has determined that the tenant qualifies as a low-income household for purposes of meeting the requirements for obtaining Tax Credits;

(iii) For the Tax Credit Units, the lease meets the standards required by Section 42 of the Code;

(iv) The lease meets the requirements of the Servicer, the Issuer, and the Investor Limited Partner;

(v) The lease reflects an arm’s-length transaction and, so long as the Construction Disbursement Agreement is in effect, conforms to the projections of the Pro Forma Schedule attached thereto;
(vi) The lease does not affect more than one (1) residential unit within the Improvements and is for a minimum term of six (6) months and a maximum term of twelve (12) months, unless otherwise agreed in writing by the Servicer; and

(vii) So long as the Construction Disbursement Agreement is in effect, the lease, together with all leases previously executed, does not cause the Loan to become “out of balance” as that term is defined in Section 1.2(a) of the Construction Disbursement Agreement.

(b) The Servicer in the exercise of its sole discretion may consider any executed lease it receives to be unsatisfactory if the lease fails to meet any of the requirements of this Loan Agreement. If this happens, or if the Borrower at any time fails to submit any executed lease (and accompanying information) at the time required by this Section, or if any Event of Default has occurred and is continuing, the Servicer may make written demand on the Borrower to submit all future leases for the Servicer’s approval prior to execution. The Borrower must comply with any such demand by the Servicer.

(c) The Servicer’s approval of any lease is for the sole purpose of protecting the Servicer’s security and preserving the Servicer’s rights under the Loan Documents. No approval by the Servicer will result in a waiver of any default of the Borrower. In no event will the Servicer’s approval of any lease be a representation of any kind with regard to the lease, its enforceability or the financial capacity of any tenant or guarantor.

(d) The Borrower must perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project Site or any space within the Improvements.

Section 5.26 Compliance with Anti-Terrorism Regulations. None of the Related Persons will be included in, owned by, Controlled by, act for or on behalf of, provide assistance, support, sponsorship, or services of any kind to, or otherwise associate with any of the Persons referred to or described in any list of persons, entities, and governments issued by OFAC pursuant to Executive Order 13224 or any other OFAC List.

(b) If Borrower becomes aware or receives any notice that any of the Related Persons are named on any of the OFAC Lists (such occurrence, an “OFAC Violation”), Borrower will immediately (i) give notice to the Issuer, the Trustee and the Servicer of such OFAC Violation, and (ii) comply with all laws applicable to such OFAC Violation (regardless of whether the party included on any of the OFAC Lists is located within the jurisdiction of the United States of America), including, without limitation, the Anti-Terrorism Regulations, and Borrower hereby authorizes and consents to Issuer’s, Trustee’s and Servicer’s taking any and all steps Issuer, Trustee and Servicer deem necessary, in the sole discretion of each of Issuer, Trustee and Servicer, to comply with all laws applicable to any such OFAC Violation, including, without limitation, the requirements of the Anti-Terrorism Regulations (including the “freezing” and/or “blocking” of assets).

(c) Upon Issuer, Trustee’s or Servicer’s request from time to time during the term of the Loan, Borrower agrees to deliver a certification confirming that the representations and warranties set forth in this Agreement remain true and correct as of the date of such certificate and confirming Borrower’s compliance with this Section. Borrower also agrees to cooperate with each of Issuer, Trustee and Servicer, and to cause each Related Person to cooperate with Issuer, Trustee and Servicer, in providing such additional information and documentation on Borrower’s and such Related Person’s legal or beneficial ownership, policies, procedures and sources of funds as Issuer, Trustee and Servicer deem necessary or prudent to enable each of them to comply with the Anti-Terrorism Regulations as now in existence or hereafter amended. From time to time upon the written request of Issuer, Trustee or Servicer, Borrower shall deliver to the requesting party a schedule of the name, legal domicile, address and jurisdiction of organization, if applicable, for each Related Party and each holder of a legal interest in any Borrower.

ARTICLE VI

OPTION AND OBLIGATIONS OF BORROWER TO PREPAY

Section 6.1 Optional Prepayment.

(a) If and to the extent expressly permitted by Section 4.03 of the Indenture, the Note and amounts due under Section 3.2(a) hereof are subject to prepayment in order to effect the redemption of the Bond under Section 4.03 of the Indenture at the option of the Borrower in whole or in part at the times (and not before the times) and at the redemption prices plus accrued interest to the redemption date of the Bond, Additional Interest and the Prepayment Equalization Payment, if applicable, as set forth in Section 4.03 of the Indenture together with interest as set forth in Section 4.03 of the Indenture. The Note is not otherwise subject to optional prepayment by the Borrower.

(b) To effect prepayment of the Note and redemption of the Bond as contemplated in subparagraph (a) above, the Borrower shall deliver to the Trustee and the Servicer, not less than ninety (90) days prior to the date on which the Bond is subject to redemption under said Section, a written certificate of the Borrower stating that the Borrower is prepaying the Note pursuant to this Section 6.1. The certificate from the Borrower shall certify the following: (i) the principal amount of the Note to be prepaid, (ii) the series designation of the Note to be prepaid, (iii) that
the amount to be prepaid on the Note shall be credited to redemption of the Bond pursuant to Section 4.03 of the Indenture, (iv) the date for redemption of the Bond, and (v) any conditions to such prepayment.

(c) The options granted to the Borrower in this Section 6.1 shall be exercisable only (i) in the event and to the extent the Bond is subject to redemption in accordance with the Indenture and (ii) if no Event of Default under any of the Loan Documents shall have occurred and be then continuing or if all costs associated with any existing Event of Default (including, without limitation, late fees, penalties, costs of enforcement, protective advances and interest on such amounts) which are then due and owing under the Loan Documents are paid in full in connection with such prepayment.

(d) Notwithstanding anything to the contrary contained herein, on and after the Conversion Date, optional prepayment of the Loan and PI-1A Bond shall only be permitted at the times and upon the terms and requirements set forth in the PI-1A Note.

Section 6.2 Mandatory Prepayment. The Loan and amounts due under Section 3.2(a) hereof shall be prepaid in whole or in part in order to effect the mandatory redemption of the Bond at the times and in the amounts specified in Section 4.01 of the Indenture.

Section 6.3 Amounts Required for Prepayment.

(a) The amount payable by the Borrower hereunder upon either (i) the exercise of the option granted to the Borrower in Section 6.1 hereof, or (ii) the mandatory prepayment of the Note by the Borrower in Section 6.2 hereof, shall be, to the extent applicable and except as otherwise provided, the sum of the following:

(i) the amount of money necessary to pay the redemption price of any portion of the Bond to be redeemed specified in Section 4.03 of the Indenture, in the case of optional redemption, and Section 4.02 of the Indenture, in the case of mandatory redemption, together with all interest specified therein payable up to and including said redemption date, Prepayment Equalization Payment (if applicable), and all expenses of the redemption; plus

(ii) in the event of a redemption in whole, an amount of money equal to the Trustee Fee, Trustee’s Expenses and Issuer’s Fee and expenses under the Indenture and the other Bond Documents accrued and to accrue until the final payment and redemption of the Bond; plus

(iii) in the event of any prepayment during the existence and continuance of an Event of Default, the amounts described in Section 6.1(c)(ii) hereof.

(b) Any prepayment made pursuant to Section 6.1 or 6.2 hereof shall be deposited into the Revenue Fund. No prepayment or investment of the proceeds thereof shall be made which shall cause the Tax-Exempt Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code.

Section 6.4 Cancellation at Expiration of Term. At the acceleration, termination or expiration of the term of this Loan Agreement and following full payment of the Bond or
provision for payment thereof in accordance with Article IX of the Indenture and of all other fees and charges of all parties having been made in accordance with the provisions of this Loan Agreement and the Indenture, the Issuer shall deliver to the Borrower any documents and take or cause the Trustee to take such actions as may be necessary to effectuate the cancellation and evidence the termination of this Loan Agreement and the Loan Documents (other than the Regulatory Agreement, which shall not terminate except in accordance with the terms thereof).

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default. The following shall be "Events of Default" under this Loan Agreement, and the term "Event of Default" shall mean, whenever it is used in this Loan Agreement, any one or more of the following events:

(a) Failure by the Borrower to pay any amounts required to be paid on the Note or under Section 3.2(a) or (b) hereof when due; or

(b) Any failure by the Borrower to pay as and when due and payable any other sums to be paid by the Borrower under this Loan Agreement and the continuation of such failure for a period of five (5) days after the same are due; or

(c) Any failure of any representation or warranty made in this Loan Agreement, the Construction Disbursement Agreement, any other Loan Document, or any Requisition to be true and correct when made or renewed; or

(d) Any failure by the Borrower to observe and perform any covenant or agreement on its part to be observed or performed hereunder or thereunder, other than as referred to in subsection (a) or (b) of this Section 7.1, for a period of thirty (30) days after written notice specifying such breach or failure and requesting that it be remedied, given to the Borrower by the Issuer, the Trustee, Majority Owner or the Servicer; provided, however, that in the event such breach or failure be such that it can be corrected but cannot be corrected within said thirty (30) day period, the same shall not constitute an Event of Default hereunder if corrective action is instituted by the Borrower or on behalf of the Borrower within said thirty (30) day period and is diligently pursued to completion thereafter (unless, in the opinion of Bond Counsel delivered to the Servicer, failure to correct such breach or failure within the cure period herein provided (or such shorter time as shall be established as a limitation on the period of time during which correction may be pursued) will adversely affect the exclusion from gross income of interest on the Tax-Exempt Bond for federal income taxation purposes or violate State law, in which case the extension of cure period herein provided will not be available); or

(e) Any Event of Default (as defined or otherwise set forth in the Indenture or any of the Loan Documents, the General Partner Documents or the Guarantor Documents) shall have occurred and shall remain uncured beyond any applicable cure period provided in the applicable document; or

(f) Any dissolution, termination, partial or complete liquidation, merger or consolidation of any Obligor or the General Partner of Borrower, or any sale, transfer or other
disposition of the Project or of all or substantially all of the assets of Borrower except as otherwise approved by Issuer and Servicer or permitted pursuant to the terms hereof; or

(g) Any failure by the Borrower to obtain any Project Approvals as required in order to proceed with the construction of the Project so as to complete the same by the Completion Date, or the revocation or other invalidation of any Project Approvals previously obtained; or

(h) Any change in the legal or beneficial ownership of the Borrower or the General Partner other than as expressly permitted by the terms hereof or by reason of the death of the owner of such interests; or

(i) The General Partner ceases for any reason to act in that capacity unless replaced by a transferee permitted pursuant to Section 5.17(e); or

(j) [Intentionally Deleted];

(k) Any failure by the Borrower to pay at maturity, or within any applicable period of grace, any Indebtedness, or any failure to observe or perform any material term, covenant or agreement contained in any agreement by which it is bound, evidencing or securing any Indebtedness, for such period of time as would permit (assuming the giving of appropriate notice and opportunity to cure, if required) the holder or holders thereof or of any obligations issued thereunder to accelerate the maturity thereof; or

(s) Any refusal by the Title Insurance Company to insure that any advance is secured by the Mortgage as a valid lien and security interest on the Project and the continuation of such refusal for a period of twenty (20) days after notice thereof by Servicer to the Borrower; or

(t) Completion shall not have been attained by the Completion Date subject to force majeure delays; or

(u) Any cessation at any time in construction or equipping of the Improvements for more than twenty (20) consecutive days except for strikes, acts of God, fire or other casualty, or other causes entirely beyond the Borrower’s control, or any cessation at any time in construction or equipping of the Improvements for more than sixty (60) consecutive days, regardless of the cause thereof; provided, however, that such cessation may continue for a period of longer than sixty (60) consecutive days with the consent of the Servicer if the Borrower shall have requested and received an extension of the Completion Date in accordance with the provisions of the Construction Disbursement Agreement, in which case it shall not be an Event of Default hereunder unless and until the period of cessation extends beyond the number of days for which the extension was granted; or

(v) Any of the Indenture, this Loan Agreement, the Regulatory Agreement or the Tax Certificate shall be amended in a material manner (including, without limitation, any “automatic” amendments of the Regulatory Agreement) without the prior written consent of the Servicer.

Section 7.2 Remedies on Default.

(a) Whenever any Event of Default referred to in Section 7.1 hereof shall have occurred and be continuing, any obligation of the Servicer to approve Requisitions shall be terminated, and the Trustee (but only if directed to do so by Servicer and, subject to the provisions of the Indenture), shall:
(i) by notice in writing to the Borrower declare the unpaid indebtedness under the Loan Documents to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable; and

(ii) take whatever action at law or in equity or under any of the Loan Documents, the General Partner Documents or the Guarantor Documents, as may appear necessary or desirable to collect the payments and other amounts then due and thereafter to become due hereunder or thereunder or under the Note, or to exercise any right or remedy or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement, the Note or any other Loan Document (including, without limitation, foreclosure of the Mortgage), the General Partner Document or any Guarantor Document; and

(iii) cause the Project to be completed, constructed and equipped in accordance with the Plans and Specifications, with such changes therein as the Servicer may, from time to time, and in its sole discretion, deem appropriate.

(b) [Intentionally Omitted].

(c) Any amounts collected pursuant to action taken under this Section (other than amounts collected by the Issuer pursuant to the Reserved Rights) shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer, the Trustee, Majority Owner or the Servicer and their respective Counsel, be paid into the Revenue Fund (unless otherwise provided in this Loan Agreement) and applied in accordance with the provisions of the Indenture. No action taken pursuant to this Section 7.2 shall relieve the Borrower from the Borrower’s obligations pursuant to Section 3.2 hereof.

Section 7.3 No Remedy Exclusive. No remedy conferred herein or in any other Loan Document upon or reserved to the Trustee, Majority Owner or the Servicer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee, Majority Owner or the Servicer to exercise any remedy reserved to it herein or in any other Loan Document, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

Section 7.4 Agreement to Pay Fees and Expenses of Counsel. If an Event of Default shall occur under this Loan Agreement or under any of the other Loan Documents, and the Issuer, the Trustee, Majority Owner and/or the Servicer should employ counsel or incur other expenses for the collection of the indebtedness or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower herein or therein contained, the Borrower agrees that it will on demand therefor pay to any such party, or, if so directed by any such party, to its counsel, the reasonable actually incurred fees of such Counsel and all other
out-of-pocket expenses incurred by or on behalf of the Issuer, the Trustee, Majority Owner and the Servicer.

Section 7.5 No Additional Waiver Implied by One Waiver; Consents to Waivers. In the event any agreement contained in this Loan Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. No waiver shall be effective unless in writing and signed by the party making the waiver.

Section 7.6 Remedies Subject to Applicable Law. All rights, remedies, and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of law, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the Project Site and to be limited to the extent necessary so that they will not render this Loan Agreement invalid, unenforceable, or not entitled to be recorded, registered, or filed under the provisions of any applicable law.

Section 7.7 Cure by Special Limited Partner. The Issuer, the Trustee, Majority Owner and the Servicer hereby agree that cure of any Event of Default made or tendered by either the Investor Limited Partner or the Special Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 7.8 Issuer Exercise of Remedies. Notwithstanding anything to the contrary contained herein, the Issuer may enforce its Reserved Rights under the Loan Documents and exercise the permitted remedies with respect thereto against the Borrower, provided that the Issuer shall not commence or direct the Trustee to commence any action to declare the outstanding balance of the Bond or the Loan to be due and neither the Issuer nor the Trustee shall take any action in respect of Reserved Rights (i) to foreclose to take similar action under the Mortgage or otherwise in respect of any liens upon or security interests in the Project or other property pledged to secure the Borrower’s obligations under the Loan Documents; (ii) to appoint a receiver; (iii) to enforce any similar remedy against the Project or other property pledged to secure the Borrower’s obligations under the Loan Documents; or (iv) to enforce any other remedy which would cause any liens or security interests granted under the Loan Documents to be discharged or materially impaired thereby.

ARTICLE VIII
MISCELLANEOUS

Section 8.1 General Provisions. The following provisions shall be applicable at all times throughout the term of this Loan Agreement:

(a) The Issuer, Majority Owner and the Servicer shall, at all times, be free to establish independently to their respective satisfaction and in their respective absolute discretion the existence or nonexistence of any fact or facts the existence of which is a condition of this Loan Agreement or any other Loan Document.
(b) No covenant, agreement or obligation contained herein shall be deemed to be a covenant, agreement or obligation of any present or future director, officer, employee or agent of the Issuer in his individual capacity, and neither the directors of Issuer nor any officer thereof executing the Bond shall be liable personally on the Bond or be subject to any personal liability or accountability by reason of the issuance thereof. No director, officer, employee or agent of Issuer shall incur any personal liability with respect to any other action taken by him pursuant to this Agreement, the Act or the Law, provided such director, officer, employee or agent acts in good faith. No agreements or provisions contained in this Agreement nor any agreement, covenant or undertaking by the Issuer contained in any document executed by Issuer in connection with the Project or the issuance, sale and delivery of the Bond shall give rise to any pecuniary liability of the Issuer or a charge against its general credit or taxing powers, or shall obligate Issuer financially in any way.

(c) The Borrower and Issuer acknowledge that this Agreement, and all Borrower’s obligations hereunder, are subject and subordinate to the RAD Agreement and all applicable laws and regulations applicable to HUD’s Rental Assistance Demonstration Program ("RAD Program"), including, but not limited to, those set forth in PIH 2012-13 and any additional guidance which HUD may issue related to the RAD Program.

Section 8.2 Authorized Borrower Representative. Pursuant to written direction provided on the Closing Date, the Borrower has appointed one or more Authorized Representative for the purpose of taking all actions and making all certificates required to be taken and made by the Authorized Representative under the provisions of the Loan Documents. Whenever under the provisions of any Loan Document the approval of the Borrower is required or any party is required to take some action at the request of the Borrower, such approval or such request shall be made by the Authorized Borrower Representative, unless otherwise specified in this Loan Agreement, and the Issuer, the Trustee, Majority Owner and the Servicer shall be authorized to act on any such approval or request and the Borrower shall have no complaint against any such party as a result of any such action taken in conformity with such approval or request by the Authorized Borrower Representative.

Section 8.3 Binding Effect. This Loan Agreement shall inure to the benefit of and shall be binding upon the Issuer, the Trustee, the Majority Owner, the Servicer and the Borrower and their respective successors and permitted assigns. The Borrower acknowledges and agrees that the Issuer has assigned or is assigning its rights under this Loan Agreement to the Trustee, and that, pursuant to the Indenture, Trustee will follow directions from the Servicer in implementing certain of the rights and remedies under this Loan Agreement. The Owner of the Bond and the Servicer shall be express third-party beneficiaries of this Loan Agreement, and shall have the right to enforce directly against Borrower or other persons the rights and implement the rights and remedies provided to each of them hereunder, but not including the Reserved Rights; provided, however, that the rights of the Owner to bring actions and implement rights and remedies hereunder shall be subject to the same restrictions as are imposed with respect to actions, rights and remedies of the Owner under the Indenture.

Section 8.4 Execution in Counterparts. This Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided, however, that for purposes of perfecting a lien or security
interest in this Loan Agreement by the Trustee, whether under Article 9 of the Uniform Commercial Code of the State or otherwise, only the counterpart delivered to, and receipted by, the Trustee shall be deemed the original.

Section 8.5 Amendments, Changes and Modifications. Subsequent to the issuance of the Bond and prior to payment or provision for the payment of the Bond in full (including interest thereon) in accordance with the provisions of the Indenture and except as otherwise provided herein, the Loan Documents may not be amended, changed, modified, altered or terminated by the Issuer, the Trustee or the Borrower except in compliance with Article IX of the Indenture.

Section 8.6 Severability. In the event any provision of this Loan Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof and such invalid or unenforceable provision shall be deemed no longer to be contained in this Loan Agreement.

Section 8.7 Notices. All notices, demands, requests, consents, approvals, certificates or other communications hereunder shall be sufficiently given and shall be deemed given (a) three (3) days after mailing by certified mail, first-class postage prepaid, (b) the Business Day after sending by expedited overnight delivery service, (c) the date of receipt if delivered by personal delivery, (d) if sent by facsimile transmission, the date of transmission, if receipt of such transmission is telephonically confirmed on such day, addressed as follows:

A duplicate copy of each notice, certificate or other communication given hereunder by either the Issuer or the Borrower to the other shall also be given to the Trustee, the Majority Owner and the Servicer. The Issuer, the Borrower, the Majority Owner, the Servicer and the Trustee may, by ten (10) days' prior written notice given hereunder, designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent. No notice need be given to any party if such party is no longer a party to the transactions contemplated by this Loan Agreement.

Section 8.8  Applicable Law. This Loan Agreement shall be governed exclusively by and construed in accordance with the laws of the State.

Section 8.9  Debtor-Creditor Relationship. It is expressly understood and agreed that the relationship between the Issuer and the Borrower established by the transaction contemplated by this Loan Agreement and by all of the other Loan Documents is exclusively that of creditor or lender, on the part of the Issuer, and debtor or borrower, on the part of the Borrower and is in no way to be construed as a partnership or joint venture of any kind. It is further understood that all payments by the Borrower under the Loan Documents shall be exclusively on account of the said debtor-creditor relationship.

Section 8.10  Usury; Total Interest. This Loan Agreement is subject to the express condition, and it is agreed, that at no time shall payments hereunder, under the Note or under the other Loan Documents that are or are construed to be payments of interest on the unpaid principal amount of the Loan reflect interest that is borne at a rate in excess of the lesser of (i) 12% per annum or (ii) the maximum permitted by law. The Borrower shall not be obligated or required to pay, nor shall the Issuer be permitted to charge or collect, interest borne at a rate in excess of such maximum rate. If by the terms of this Loan Agreement or the other Loan Documents the Borrower is required to make such payments reflecting interest borne at a rate in excess of such maximum rate, such payments shall be deemed to be reduced immediately and automatically to reflect such maximum rate. It is further agreed that the total of amounts paid hereunder as interest on the Loan which is to pay interest on the Bond, cumulative from the date of the Note, shall not exceed the sum of 5% per month, simple and noncompounded for each month from such date to the date of calculation (calculated on the basis of a 360-day year of twelve 30-day months. Any such excess payment previously made in either case shall be immediately and automatically applied to the unpaid balance of the principal sum of the Loan and not to the payment of interest thereon. This Loan Agreement is also subject to the condition
that amounts paid hereunder representing late payment or penalty charges or the like shall only be payable to the extent permitted by law.

Section 8.11 Term of this Loan Agreement. This Loan Agreement shall be in full force and effect from its date to and including such date as the Bond issued under the Indenture shall have been fully paid or retired in accordance with its terms and the terms of the Indenture (or provision for such payment shall have been made as provided in the Indenture), except, however, that the covenants and provisions relating to the Reserved Rights of the Issuer and the covenants relating to the preservation of exclusion from gross income of interest on the Tax-Exempt Bond for purposes of federal income taxation shall survive the termination hereof.

Section 8.12 Nonrecourse. Anything contained in any provision of this Loan Agreement, the Mortgage, the Regulatory Agreement, the Tax Certificate or the Note notwithstanding, in the event of any proceeding to foreclose the Mortgage or otherwise to enforce the provisions of the Note, this Loan Agreement, the Mortgage or the Regulatory Agreement after Conversion, neither the Issuer, nor the Trustee or other holder of the Note (collectively, the “Noteholder”), nor the Owner of the Bond, nor any beneficiary of the Mortgage shall be entitled to take any action to procure any personal money judgment or any deficiency decree against the Borrower or any partner of the Borrower or its or their heirs, personal representatives, successors and assigns, it being understood and agreed that recourse hereon and under the Mortgage, the Regulatory Agreement and the Note shall, following Conversion, be limited to the assets of the Borrower that are the security from time to time provided with respect to the Note and this Loan Agreement; provided, however, nothing herein contained shall limit or be construed to limit or impair the enforcement against the Project or any other additional security as may from time to time be given to the beneficiary hereof as security for the performance of this Loan Agreement, the Mortgage, the Regulatory Agreement, the Tax Certificate, the Note, or any other instrument now or hereafter securing the Note or this Loan Agreement, or the rights and remedies of the Trustee or the beneficiary, its successors and assigns, under this Loan Agreement, the Mortgage, the Regulatory Agreement, the Tax Certificate, the Note, or any other instrument now or hereafter securing the Note or this Loan Agreement, or the rights and remedies of the Trustee or the beneficiary, its successors and assigns, under this Loan Agreement, the Mortgage, the Regulatory Agreement, the Tax Certificate, the Note, or any other instruments. Notwithstanding the foregoing, the provisions of this Section shall be null and void and have no force and effect to the extent of any loss suffered by the Issuer, the Trustee, the Majority Owner, the Servicer, any Bondholder or any beneficiary of or the trustee under the Mortgage as a result of the Borrower’s: (a) committing any act of fraud; (b) misapplication of any condemnation award or casualty insurance proceeds; (c) failure to apply the revenues of the Project in the manner and for the purposes provided in the Bond Documents, whether before or after an Event of Default; or (d) violation of any environmental laws. Nothing herein shall be deemed to prohibit the naming of the Borrower in an action to realize upon the remedies provided herein either at law or in equity, subject to the foregoing limitation against a personal money judgment or deficiency decree against the Borrower, the partners of the Borrower or their heirs, personal representatives, successors and assigns, or to prohibit the naming of any person in any action to realize upon the remedies provided in the General Partner Documents, the Guarantor Documents or any other guaranty given in favor of the Issuer, the Trustee, the Majority Owner or the Servicer.

Section 8.13 Limited Partner Rights. Servicer agrees that it shall not complete a foreclosure sale of the Property or record a deed in lieu of foreclosure with respect to the Property (each, a “Foreclosure Remedy”) unless and until Investor Limited Partner has first
been given thirty (30) days' written notice of the Event(s) of Default, giving rise to such right to complete such Foreclosure Remedy, and Investor Limited Partner has failed, within such thirty (30) day period to cure such Event(s) of Default; provided, however, that Issuer, Trustee, Majority Owner and the Servicer shall be entitled during such thirty (30) day period to continue to pursue all of its rights and remedies under the Loan Documents, including, but not limited to, causing the redemption of the Bond and/or the acceleration of the Note (subject to any de-acceleration provisions specifically set forth in the Loan Documents), commencement and pursuit of foreclosure (but not completion of the foreclosure sale), any guaranty (subject to any notice and cure provisions contained therein), and/or any other Loan Document. In the event the Note has been accelerated and Investor Limited Partner cures all Events of Default giving rise to such acceleration within the thirty (30) day cure period described above, such cure shall have the effect of de-accelerating the Note; provided, however, that such de-acceleration shall not waive or limit any of Issuer's, Trustee's, Servicer's or Majority Owner's rights to accelerate the Note or exercise any other remedies under the Loan Documents as to any future or continuing Events of Default. It is the express intent of the parties hereunder that Issuer, Trustee, Servicer and Majority Owner shall have the right to pursue all rights and remedies except completion of a Foreclosure Remedy without liability to Investor Limited Partner for failure to provide notice to Investor Limited Partner, and that the liability of Trustee, Servicer and Majority Owner hereunder shall be expressly limited to actual damages to Investor Limited Partner directly caused by completion of a Foreclosure Remedy without Investor Limited Partner receiving the notice and opportunity to cure described above. The failure to give any such notice for any reason shall not act to impair or waive any remedy or right of Trustee, Servicer and Majority Owner under this Loan Agreement or any other Loan Document. Unless expressly prohibited by law, Investor Limited Partner agrees to record a "Request for Notice," or similar appropriate document requesting notice of any foreclosure sale, in the Official Records of the County in which the Property is located, and in the event Trustee, Servicer and Majority Owner have failed to sooner provide notice to Investor Limited Partner, the receipt of such notice of foreclosure sale shall be deemed to be notice to Investor Limited Partner as contemplated hereunder. Investor Limited Partner shall be given notice at the address set forth below or such other address as Investor Limited Partner may instruct Trustee, Servicer and Majority Owner in writing from time to time. Any such notice given to Investor Limited Partner by any of Issuer, Trustee, Servicer or Majority Owner shall be deemed given by each of them.

Addresses for Notices to Investor Limited Partner (which shall not constitute notice to the Borrower):

Section 8.14 Business Tax Registration Certificate. Subject to any exemption available to it, both the Borrower and the Trustee each represent that it has obtained or will obtain the Business Tax Registration Certificate(s) required by the City of Los Angeles' Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of Borrower to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of Borrower to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by Borrower as appropriate, under the terms of this Agreement, subjecting Borrower to the remedies provided herein where such failure shall continue for more than ninety (90) days after notice of such failure to Borrower by Issuer. Any subcontract entered into by Borrower relating to this Loan Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of Borrower to obtain compliance of its subcontractors shall constitute a default by Borrower under the terms of this Agreement, subjecting Borrower to the remedies provided herein where such failure shall continue for more than ninety (90) days after notice of such failure to Borrower by Issuer.

Borrower shall comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Borrower hereby affirms that to the best of its knowledge, it is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in subdivision (b) of Section 7110 of the Public Contract Code.

Section 8.16 Americans with Disabilities Act. The Borrower hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Requirements (as defined in
Exhibit I of the Regulatory Agreement). The Borrower and any contractor and subcontractor will provide reasonable accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with the applicable provisions of: (i) the Americans with Disabilities Act, 42 U.S.C. 12101 et seq., and its implementing regulations, and the American Disabilities Act Amendments Act ("ADAAA"), Pub. L. 110-325, and all subsequent amendments; (ii) Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, the implementing regulations at 24 C.F.R. Part 8, as well as the requirements of Uniform Federal Accessibility Standards, 24 C.F.R. § 3601-3620, 24 C.F.R. Parts 100, 103, and 104, and its implementing regulations; and (iv) applicable California building codes. The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to this Loan Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this Section.

Section 8.17 Nondiscrimination and Affirmative Action. The Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the Issuer. The Borrower shall not discriminate in its employment practices against any employee or applicant for employment; denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Borrower shall comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Borrower shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of the Borrower shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. The Borrower shall also comply with all rules, regulations, and policies of the Issuer's Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the Issuer. Any subcontract entered into by the Borrower relating to this Loan Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Loan Agreement. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

Section 8.18 PATRIOT Act Notice. Trustee hereby notifies Borrower and Guarantor that, pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies Borrower and Guarantor, which information includes the names and
addresses of Borrower and Guarantor and other information that will allow Trustee to identify Borrower and Guarantor in accordance with the PATRIOT Act.

Section 8.19 Permanent Period Supplemental Agreement. The parties hereto acknowledge that upon satisfaction of the “Conversion Conditions” set forth in the Bond Purchase Agreement and JPMorgan’s purchase of the P-1A Bond on the Conversion Date, JPMorgan shall become the Majority Owner and shall be automatically designated as the Servicer pursuant to the terms of the Indenture. Notwithstanding anything to the contrary contained herein, upon the Conversion Date, the Permanent Period Supplemental Agreement shall automatically become effective and shall be deemed to supplement and modify the terms of this Loan Agreement, and the Permanent Period Note Addendum shall automatically become effective and shall be deemed to supplement and modify the terms of the P-1A Note, each without the need for further action or approval of the parties hereto or thereto. Upon its effectiveness, in the event of any conflict between the terms of this Loan Agreement and the Permanent Period Supplemental Agreement, the terms of the Permanent Period Supplemental Agreement shall govern and control, and in the event of any conflict between the terms of the P-1A Note and the Permanent Period Note Addendum, the terms of the Permanent Period Note Addendum shall govern and control.

All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Trust Indenture (as the same may be modified, amended or supplemented from time to time, the “Indenture”) dated as of even date herewith between City of Los Angeles (the “Issuer”) and U.S. Bank National Association (the “Trustee”) or the Loan Agreement dated as of even date herewith among the Issuer, the Trustee and Borrower (as the same may be modified, amended or supplemented from time to time, the “Loan Agreement”).

[SERIES 2016P-1A NOTE ONLY][Notwithstanding anything to the contrary contained herein, upon the Conversion Date, that certain Permanent Period Addendum to Promissory Note dated as of March 1, 2017 (the “Permanent Period Note Addendum”), and attached hereto, shall automatically become effective and shall be deemed to supplement and modify the terms of this Note without the need for further action or approval of the parties hereto. date. Amounts so paid to the Trustee by the Borrower shall be in immediately available funds or shall be such that on the Bond Payment Date they are available funds.

All payments under this Note shall be applied as provided in the Indenture.

The obligations of Borrower under this Note are secured by a Construction Deed of Trust with Assignment of Rents, Security Agreement and Fixture Filing dated as of even date herewith (as the same may be modified, amended or supplemented from time to time, the “Mortgage”) made by Borrower to the Holder covering property, with improvements thereon, as more fully described therein (the “Property”) and certain other security as more fully set forth in the Loan Agreement.

At no time shall interest be payable on this Note or under the Mortgage or the Loan Agreement at a rate in excess of the maximum permitted by law. Borrower shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such maximum rate. If, by the terms of this Note or of the Mortgage or Loan Agreement, Borrower is required to pay interest at a rate in excess of such maximum rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such maximum rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Note is subject to all of the terms, conditions, and provisions of the Loan Agreement, including Section 8.12 thereof and the provisions of the Loan Agreement respecting prepayment and the acceleration of maturity and is further subject to all of the terms, conditions and provisions of the Indenture. The outstanding principal hereof is subject to acceleration at the same time or times and under the same terms and conditions, and with the same notice, if any, as provided under the Indenture for the acceleration of payment of the Bond.

If there is an Event of Default under the Loan Documents, then in any such event and subject to the requirements set forth in the Loan Agreement, the Holder may, upon the direction of the Servicer, declare the entire unpaid principal balance of this Note and accrued interest, if any, due and payable at once. All of the covenants, conditions and agreements contained in the Loan Documents are hereby made part of this Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Note or the Loan Documents shall operate as a waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of the Holder under this Note and the Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

Borrower shall pay all costs of collection on demand by the Holder, including, without limitation, reasonable attorneys' fees and disbursements actually incurred, which costs may be
added to the indebtedness hereunder, together with interest thereon at the Alternative Rate to the extent allowed by law.

This Note may not be changed orally. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of Borrower to pay the entire sum then due, and Borrower's failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Consent by the Holder to any action of Borrower which is subject to consent or approval of the Holder hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions.
